IMPORTANT TO NOTE: The Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. will be using as a guide similar processes as the EUROPEANS and their Allies used in "The International Military Tribunal for Germany" in pursuit of Investigation(s) and Prosecution(s) of the United States of America's Officials, Employees, Representatives, MILITARY Personnel and their Legal Counsel (as Baker Donelson Bearman Caldwell & Berkowitz . . .), etc. for WAR Crimes / Crimes Against Humanity . . .!

As of 04/01/2024: https://avalon.law.yale.edu/subject_menus/imt.asp

5. There is recorded evidence that the United States of America's Officials / Employees / Representatives and Legal Counsel have been TIMELY, PROPERLY and ADEQUATELY notified of the "BLACK Indians" (i.e. a LABEL *interchangeable* with the People who have also been LABELED as: **Niggers / Coons / Colored / Negroes / BLACKS / African Americans** . . . - collectively known as "PROTECTED Classes / Groups")!

6. There is recorded evidence that a Jewish / Zionist-Controlled Organization known as the **National Association for the Advancement of Colored People ("NAACP")** has allegedly filed a lawsuit *on behalf* of a few BLACK Indians; however, Investigations and EVIDENCE *will reveal* that CONFLICT of Interests can be found in that said NAACP Organization **is a FRONT** for purposes of carrying out **and** COVERING UP their COVERT Operations against the "BLACK Indians" and to keep their ZIONISTS' White Supremacy Agendas, etc. HIDDEN from these "PROTECTED Classes / Groups!"

IMPORTANT TO NOTE: Created and placed *within* the BLACK Indians' Communities for purposes of **SPYING and UNDERMINING the Advancement** of these "PROTECTED Classes / Groups!" In other words, in hopes of locating those seen as Leaders / Activists (as Malcolm X . . .) for purposes of **carrying out CONSPIRACIES** to have them **KIDNAPPED** (as done with the Chickasaw Tribal Nation's / Utica International Embassy's **Prime Minister Vogel Denise Newsome**) and with intent to have said Leaders / Activists MURDERED or ASSASSINATED because they are seen as **being ADVERSE** to the Jews' / Zionists' Agenda to have a **"WORLD of their OWN!"**

Therefore, such SHAM Court actions are brought for **"APPEARANCES ONLY"** – i.e. **To DECEIVE** the "BLACK Indians" that they have an Organization (as the NAACP) in place to assist in the PROTECTION of their Rights, etc. (when "PROTECTED

Classes / Groups” do **NOT**)! **To the CONTRARY!** The NAACP is there to give an **ILLUSION (FALSE Impression)** that **good-faith actions** (when actually are taken in **BAD FAITH in the interests** of the NAZIS / WHITE Supremacists / Ku Klux Klan / Jews/ Zionists . . .) **were taken on behalf of the** “BLACK Indians;” however, **the NAACP LOST the fight;** nevertheless, **will keep fighting** on behalf of the “BLACK Indians” – i.e. as exhibited in the State of Mississippi **House Bill 1020 / CAPITOL COMPLEX IMPROVEMENT DISTRICT [CCID]** Racketeering Schemes!

This being the case with the United States of America’s / State of Mississippi’s **House Bill 1020** and **other FRIVOLOUS so-called Legislation** drafted by the USA’s State of Mississippi’s NAZIS’ / WHITE Supremacists’ / Ku Klux Klan’s / Jews’ / Zionists’ Legal Counsel (as Baker, Donelson, Bearman, Caldwell & Berkowitz PC) that is drafted to **ADVERSELY impact** “BLACK Indians!” **The NAACP Organization and its Jewish / Zionist FOUNDERS / INVESTORS, etc.** having **FINANCIAL and PERSONAL interests** in such WAR Crimes / Crimes Against Humanity Schemes . . . – i.e. in that that the Jews / Zionists **stand to benefit from UNLAWFULLY obtaining the Lands / Territories, Properties and Resources** of the “BLACK Indians!” War Crimes / Crimes Against Humanity activities **clearly PROHIBITED** under International Laws and **against that of the SOVEREIGN** “BLACK Indian” Nations and their NATIVE People!

- 7. In January 2024,** the NAZIS / WHITE Supremacists / Ku Klux Klan / Jews / Zionists have **moved forward** with the USA’s State of Mississippi **House Bill 1020 / CAPITOL COMPLEX IMPROVEMENT DISTRICT [CCID]** Racketeering Schemes that are being **REPORTED** as well as **the PROTESTS** and the **WELL-DOCUMENTATION** of the **OBJECTIONS** of the “BLACK Indians” and / or these “**PROTECTED** Classes / Groups” **against** such **UNLAWFUL** invasions upon **their SOVEREIGNTY!** Furthermore, said **DISREGARD** for the **PROTECTED** Rights of **SOVEREIGN** Nations and their “BLACK Indians” is **WELL DOCUMENTED** and **continues to date;** wherein, thus supporting **EMERGENCY PETITIONS** and / or **EMERGENCY** Actions **are warranted** for the **SAFETY and PROTECTIONS** of the “BLACK Indians” as well as for purposes of **bringing an END** to the USA’s Officials and State of Mississippi’s **NAZI / WHITE Supremacist / Ku Klux Klan / Jewish / Zionist . . .** (collectively known as “**USA Global TERRORISTS Operatives**”) Officials’ **LONG-STANDING** WAR Crimes, Crimes Against Humanity and other Atrocities **being leveled against** the “BLACK Indians!”

Dear Sir, Madam

On behalf of the Prosecutor, I thank you for your communication received on 09/08/2018, as well as any subsequent related information.

I hope you will appreciate that with the defined jurisdiction of the Court, many serious allegations will be beyond the reach of this institution to address. I note in this regard that the ICC is designed to complement, not replace national jurisdictions. Thus, if you wish to pursue this matter further, you may consider raising it with appropriate national or international authorities.

I am grateful for your interest in the ICC. If you would like to learn more about the work of the ICC, I invite you to visit our website at www.icc-cpi.int.

Yours sincerely,

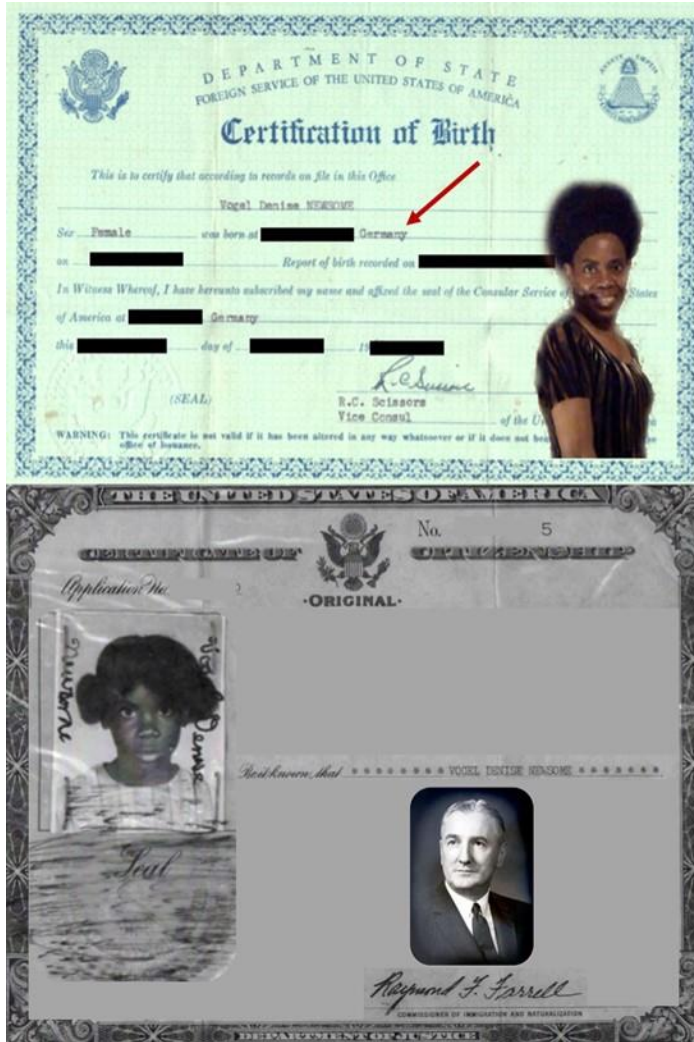

Utica International Embassy

9. As many Native Nations know, the time for the FALL of the West's / Europe's United States of America's NAZI / White Supremacist / Ku Klux Klan / Jewish / Zionist Empire has come! Thus, the CTN must seize this moment to FREE ourselves and assist other Native Nations through such DIVINE Missions!
10. Through this instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . ."**, the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. seeks the assistance through the appropriate INTERNATIONAL Authorities in the setting up of the applicable **SPECIAL Tribunal(s) / International TRIBUNAL(S) / International MILITARY Tribunal(s)**, etc. to act in the **"Situation In The United States of**

America - STATE OF MISSISSIPPI, etc.;" wherein, situation(s) of violence, War Crimes, Crimes Against Humanity and many more Atrocities **persist at EXTREME levels against** "BLACK Indians" / Native Nations and their People from the United States of America's NAZIS / White Supremacists / Ku Klux Klan / Jews / Zionists . . . (collectively known as "**USA Global TERRORISTS Operatives**") and CO-Conspirator(s) **HEAVILY invested in the ENSLAVEMENT** of the "BLACK Indians" / Native Nations and their People! Moreover, assistance with INVESTIGATION(S) and / or PROSECUTION(S) – if VIOLATION(S) found – and finding(s) as it **relates to "CITIZENSHIP" claims** to have been given to the "BLACK Indians" with the so-called **FIVE Civilized Tribes** (Cherokee, Chickasaw, Choctaw, Creek and Seminole) **who chose NOT** to live in the **RESERVATION Prisons** created, etc. Moreover, **TREATIES** and / or so-called **Legislation** **alleging to provide CITIZENSHIP** to those (and **their DESCENDANTS**) **NOT moving onto the Reservation and receiving** Lands / Territories, Properties and Resources, etc. of their TRIBAL NATIONS . . .!

IMPORTANT TO NOTE: Treaties are alleged to be **implemented BETWEEN Sovereign Nations!** Thus, **the BREACH** of said Treaties **can be challenged** before the "appropriate INTERNATIONAL authorities" – i.e. as being done through this instant "**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .!**" Chickasaw Tribal Nation's Officials are **NOT** only relying upon the **Treaties** and **their NATIONALITY**, etc.; however, Prime Minister Vogel Denise Newsome's **Birth Abroad** being used in a **TWO-FOLD** manner in support of **CLEAR** violations of **TREATIES** and lawful **DUTY** and **OBLIGATION to challenge** any / all alleged Treaties that the USA's Officials **may assert** are **BINDING** (i.e. **when NOT** in that they were **obtained through FRAUD, DECEPTION** and **other CRIMINAL** means known) that **are prohibited** through INTERNATIONAL Laws governing said matters that have resulted in **ALL OUTRIGHT** War Crimes / Crimes Against Humanity and other Atrocities **in FEAR** of "BLACK Indians" / Native Nations and their People **WAKING UP** and **pursuing LAWFUL recourse as well!**

11. Because of the **negativity** and being LABELED as BLACK . . . - that have been given to our Tribal Nation and People - who would have ever thought the CTN would be in this position to assist other Native Nations in their FREEDOM from the West's / European's OPPRESSORS! However, here the CTN is and it brings us great joy to be a Blessing in such times as this! Doing so with little or no monies at all; however, allowing God / Allah to use the CTN as a guide / *beacon of light* and **NOT** allowing Politics and Religion . . . to **DIVIDE** – i.e. as the West's / Europe's NAZIS, White Supremacists, Ku Klux Klan, Jews and Zionists have used for DECADES in their Wars against Native Nations!

12. **PRIMA FACIE – CONSPIRACIES:** Through this instant “05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .,” the Chickasaw Tribal Nation’s / Utica International Embassy’s Officials, etc. seek INVESTIGATION(S) and PROSECUTION(S) – if VIOLATION(S) found – through the applicable EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) regarding for CONSPIRACIES against their Native Nation(s) / People – i.e. **sufficient FACTS and EVIDENCE, etc. to sustain the elements of the conspiracy(ies)** against Prime Minister Vogel Denise Newsome, the Chickasaw Tribal Nation / Utica International Embassy Officials **from the People** (as the United States of America’s / United States’ NAZIS / WHITE Supremacists /

Ku Klux Klan / Jews / Zionists and CO-Conspirators) seeking the ASSASSINATIONS / DEATHS of the CTN Officials / People as well as the THEFT of their Lands / Territories, Properties and Resources. . . – i.e. wherein the following can be established (however, not limited to this listing alone:

(i) **AGREEMENT:** Between the United States of America's / United States' NAZI, WHITE Supremacist, Ku Klux Klan, Jewish and Zionist Officials . . . , their Legal Counsel Baker, Donelson, Bearman, Caldwell & Berkowitz P.C. Lawyers / Attorneys and CO-Conspirators (i.e. as Federal Republic of Germany Officials / United Kingdom of Great Britain Officials / French Republic Officials / People's Republic Of China Officials / Russian Federation Officials)

(ii) **OBJECT:** The ENSLAVEMENT of the "BLACK Indians" of what has become known as the FIVE (5) Civilized Tribes (Cherokee, Chickasaw, Choctaw, Creek and Seminole) within the Lands / Territories of the United States of America as well as other Native Nations ABROAD - i.e. by any means necessary!

(iii) Some Of The **OVERT ACTS To EFFECT** The Object:

(a) **August 28, 2018**, KIDNAPPING of the Chickasaw Tribal Nation's / Utica International Embassy's Prime Minister Vogel Denise Newsome with THREATS being made to her by the Town of Utica, Mississippi's Chief of Police Timothy Myles stating, "They got something for you. They're going to do it right this time," as he led the way in the KIDNAPPING and ASSASSINATION of Prime Minister Newsome.

(b) **March 25, 2019**, KIDNAPPING of Prime Minister Newsome during one of the MOST critical times - i.e. During the time when Matriarch Pearl Leo Torrey / Torry Newsome had received Medical Treatment and was at the BEGINNING of recovery process. Said kidnapping lasting from March 25, 2019 to July 12, 2019, wherein several attempts were made to have Prime Minister Newsome ASSASSINATED / MURDERED through Medical Apartheid and other WAR Crimes Atrocities.

(c) **April 4, 2019**, Communications from the *International Criminal Court's Mark P. Dillon ["Dillon"] From IRELAND, serving as Head of the Information & Evidence Unit - Office of the Prosecutor* sends Communication to the Utica International Embassy Officials advising UIE of considering to raising their matter before the "appropriate . . . INTERNATIONAL authorities." A reasonable mind may conclude Dillon having knowledge of the conspiracies to KIDNAP Prime Minister Newsome with plans to ASSASSINATE / MURDER her! Therefore, said Communications being sent by the ICC for deceptive purposes [FRONT / COVER] to make it appear that matter raised was addressed - i.e. in the CLOSING of Case and the MAJOR role(s) being played through said ENSLAVEMENT conspiracies against the Chickasaw Tribal Nation, "BLACK Indians" / Native Nations and their People. **IMPORTANT TO NOTE:** It appears that **IRELAND is a MAJOR Investor** in the UNLAWFUL Wars and **War Crimes Atrocities** being carried out against said PROTECTED Class(es) / Group(s) of Native Nations and their People!

(d) On or about **April 11, 2019 (it appears)**, with **KNOWLEDGE** that Prime Minister Newsome had been **KIDNAPPED** with plans to have her **ASSASSINATED / MURDERED . . .**, the United States of America's / United States' President Donald John Trump, with his Legal Counsel Baker, Donelson, Bearman, Caldwell & Berkowitz' Lawyers / Attorneys and CO-Conspirators (United Kingdom Officials, Ecuador Officials and others, etc.) - in efforts of **COVERING UP** their War of Aggression, War Crimes, Crimes Against Humanity and other Atrocities being carried out in Middle Asia [identified by the so-called **WHITE Man / Europeans as MIDDLE ASIA**] - **moved forward in ORDERING the KIDNAPPING of Julian Paul Assange from the Ecuador Embassy in London, England [where Baker Donelson has an Office]** with plans of **ASSASSINATION / MURDER** of Assange for purposes of **SILENCING his voice as a WITNESS and REPORTING** of the **WAR Crimes Atrocities** being carried out in Middle Asia!

(e) On **September 21, 2019**, the USA's **NAZIS / WHITE Supremacists / Ku Klux Klan / Jewish / Zionist Officials . . .**, their Legal Counsel Baker Donelson and CO-Conspirators being successful through their **MEDICAL APARTHEID practices** in bringing about the **ASSASSINATION / MURDER** of the Chickasaw Tribal Nation's / Utica International Embassy's **Matriarch Newsome!**

(d) **To date, CONTINUANCE** and the performance of **OVERT Acts** in efforts of achieving the **OBJECT** of such **ENSLAVEMENT . . .** Conspiracies are being carried out - i.e. requiring the **INTERVENTION** of the "appropriate **INTERNATIONAL Authorities**" in accordance with the Statutes, Codes, Rules, Regulations, **United Nations Declaration on the Rights of Indigenous Peoples, Charter of the United Nations**, the **Universal Declaration of Human Rights, International Human Rights Laws** and / or the applicable **INTERNATIONAL Laws** governing said matters.

Moreover, believe **INVESTIGATION(S)** will yield there is sufficient proof of:

- a) **An agreement** among conspirators to commit an offense
- b) **Specific intent to achieve the objective** of the conspiracy(ies); and
- c) **Overt acts to affect the object** of the conspiracy(ies)

in accordance with the Statutes / Laws governing said matters:

[28][29][30][31]The elements of conspiracy are generally more easily proven than the elements of either a substantive offense or an

attempt, the latter of which typically requires proof that a defendant took a “substantial step” toward completing a crime. Conspiracy merely requires proof of “(1) **an agreement** among the conspirators to commit an offense; (2) **specific intent** to achieve the objective of the conspiracy; and (3) [here] **an overt act** to effect the object of the conspiracy.” [United States v. Pinckney](#), 85 F.3d 4, 8 (2d Cir.1996) (alteration added) (citation omitted). “ ‘Whether the substantive crime itself is, or is likely to be, committed is irrelevant,’ ” [United States v. [32][33][34][35]Moreover, a defendant **may be convicted** of conspiracy **without having entered** into a formal or express agreement. “ [I]t is enough that the parties have **a tacit understanding** to carry out the prohibited conduct.’ ” [United States v. Rubin](#), 844 F.2d 979, 984 (2d Cir.1988) (quoting [United States v. Wardy](#), 777 F.2d 101, 107 (2d Cir.1985)). A conspiracy may also exist “even if a conspirator **does not** agree to commit or facilitate **each and every part** of the substantive offense.” [Salinas v. United States](#), 522 U.S. 52, 63, 118 S.Ct. 469, 139 L.Ed.2d 352 (1997) (citation omitted). “The partners in the criminal plan must agree to pursue the same criminal objective and **may divide up the work, yet each is responsible for the acts of each other.**” *Id.* at 63–64, 118 S.Ct. 469 (citing [Pinkerton v. United States](#), 328 U.S. 640, 646, 66 S.Ct. 1180, 90 L.Ed. 1489 (1946)). Because “[s]ecrecy and concealment are essential features of successful conspiracy,” prosecutors **may prove** the “essential nature of the plan and [a defendant’s] connections with it” **through circumstantial evidence and inferences.** [Blumenthal v. Stewart](#), 485 F.3d 666, 671 (2d Cir.2007) (“Both the existence of a conspiracy and a given defendant’s participation in it with the requisite knowledge and criminal intent may be established through circumstantial evidence.”).

[36][37]Although the Government may rely on circumstantial evidence and reasonable inferences to establish the elements of a conspiracy, “ ‘because conspiracy is a specific intent crime,’ ” the Government must demonstrate that the defendant **had the specific intent to both engage** in the conspiracy and **commit the underlying crime.** [Hassan](#), 578 F.3d at 123 (quoting [United States v. Morgan](#), 385 F.3d 196, 206 (2d Cir.2004)); see *id.* (“A conspiracy conviction cannot be sustained unless the government established beyond a reasonable doubt that the

defendant had the *specific intent* to violate the substantive statute.”) (emphasis in original) (citing [DiTommaso, 817 F.2d at 218](#)). However, a defendant’s specific intent may be proven by circumstantial evidence, see [Huezo, 546 F.3d at 180](#), and—under appropriate circumstances—**intent may be inferred from a single act**. *Id.* (“ [A] single act may be sufficient for an inference of involvement in a **criminal enterprise** of substantial scope at least if the act is of a nature justifying an **inference of knowledge** of the broader conspiracy.’ ” (quoting [United States v. [42] To **obtain conviction** . . . for conspiracy to commit kidnapping, government must demonstrate beyond a reasonable doubt **that defendant agreed with another to commit one or more kidnappings**, that he **knowingly engaged** in the conspiracy with **the specific intent** to commit the kidnapping or kidnappings that were the objects of the conspiracy, and that an overt act in furtherance of the conspiracy was committed . . . 1943 - 1949

PAG-3/Rev. 1, 1987

INTRODUCTION

HISTORY AND ORGANIZATION

The United Nations War Crimes Commission^{1/} was established on 20 October 1943 by a meeting of Government representatives of seventeen of the Allied Nations,^{2/} including all of the major powers except the U.S.S.R.^{3/} at the Foreign Office in London. The first official meeting was held on 11 January 1944, and the Commission continued its work actively until the end of March 1948.

The Commission engaged in formulating and implementing general measures necessary to ensure the detection, apprehension, trial and punishment of persons accused of war crimes. It also performed valuable advisory functions in connection with the development of principles of international law and planning for international tribunals. Its terms of reference were as follows:

- (i) To collect, investigate and record evidence of war crimes, identifying where possible the individuals responsible.
- (ii) To report to the Government concerned cases where the material available appeared to disclose a prima facie case.
- (iii) To act as a Committee of Legal Experts charged with advising the Governments concerned upon matters of a technical nature, such as the sort of tribunals to be employed in the trial of war criminals, the law to be applied, the procedure to be adopted and the rules of evidence to be followed.

- i.e. Wherein requested War Crimes Commission(s) be created to handle INVESTIGATION(S) and PROSECUTION(S) – if VIOLATION(S) found – and render finding(s), and issue applicable **PERMANENT** INJUNCTIVE Relief and / or **PERMANENT INJUNCTION(S)** of and against the United States of America, its Officials, Employees, Representatives, etc., their Legal Counsel Baker Donelson and CO-Conspirators (i.e. as Investors . . .) during the pursuit of Justice for WAR Crimes, WAR Crimes Atrocities as the following – i.e. however, not limited to this listing alone:

Unlike war crimes, crimes against humanity can be committed during peace and war. [2] They are not isolated or sporadic events because they are part of a government policy (although the perpetrators do not need to identify themselves with this policy) or they are part of a widespread practice of atrocities which is tolerated or condoned by a government or a de facto authority. *War of aggression, war crimes, murder, massacres, dehumanization, genocide, ethnic cleansing, deportations, unethical human experimentation, extrajudicial punishments including summary executions, the use of weapons of mass destruction, state terrorism or state sponsorship of terrorism, death squads, kidnappings and forced disappearances, the use of child soldiers, unjust imprisonment, enslavement, torture, rape, political repression, racial discrimination, religious persecution* and other **human rights abuses** may reach the threshold of **crimes against humanity** if they are part of a **widespread or systematic practice**.- - As of 07/03/2023:

as well as in keeping with PROTECTIVE Rights secured through International Laws and those governed by *United Nations Declaration on the Rights of Indigenous Peoples, Charter of the United Nations*, the *Universal Declaration of Human Rights, International Human Rights Laws* as well as the Statutes, Codes, Rules, Regulations and International Laws governing said matters, etc.

B) PRIMA FACIE – PAPER GENOCIDE / WAR CRIMES ATROCITIES:

14. Through this instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .,"** the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. seeks the assistance through the appropriate INTERNATIONAL Authorities in the setting up of the applicable SPECIAL Tribunal(s) / International TRIBUNAL(S) / International MILITARY Tribunal(s), etc. to act in the **"Situation In The United States of America - STATE OF MISSISSIPPI, etc.;"** wherein, the CTN seek the applicable INVESTIGATION(S) and PROSECUTION(S) – if VIOLATION(S) found – and finding(s) thereof, into what has become known as **"PAPER Genocide"** and the **CONSPIRACIES** of the United

States of America's Officials and CO-Conspirators, etc. engagement in such WAR Crimes and / or **WAR Crimes Atrocities** in which it appears said Conspiracy(s) comprising of:

(A) OBJECT(S) BEING: The **ENSLAVEMENT** of Humans / People who have been **LABELED** as "BLACK Indians," NATIVE Nations and / or NATIVE People!

(B) PLAN(S) BEING: The use of "**PAPER**" **Genocide** to **destroy / eliminate** the "BLACK Indians," their **TRIBAL Nations** – i.e. **NATIONALITY** (as Cherokee, Chickasaw, Choctaw, Creek, Seminole), **CIVILIZATIONS**, Governments, Cultures, Faiths / Beliefs, Traditions and Languages, etc.

(i) LAUNCH Civil War for purposes of a **MASS Extermination** [**wiping out four to five GENERATIONS**] – i.e. **Specifically TARGETING** the Elders / Chiefs / Leaders **having KNOWLEDGE of Ancestry, History and Legacy, etc.**

(ii) INDIAN REMOVAL Act – i.e. **Forced DEPORTATION / Unlawful REMOVAL** from Lands / Territories, Properties and Resources, etc.

(iii) DAWES Act – Unlawful Schemes Involving War Crimes Atrocities: **Breaking up** Lands / Territories, Properties and Resources **and then the KILLING / MURDER** of "BLACK Indians" for purposes of **THEFT / STEALING** of said Lands / Territories, Properties and Resources.

(iv) EMANCIPATION PROCLAMATION – Is an "**EXECUTIVE Order**" executed by the United States of America's President Abraham Lincoln **alleging to FREE the AFRICAN Slaves in the South.**

IMPORTANT TO NOTE: The **Catholic Church's DOCTRINE Of DISCOVERY** involved the "**ENSLAVEMENT**" of the **SOVEREIGN Native Nations unlawfully INVADED!** Keeping in mind, the **Emancipation Proclamation** was just an **EXECUTIVE Order;** therefore, it is a **KNOWN fact** that Executive Order(s) **can be CHANGED by the NEXT United States President.**

(v) TREATY OF 1866 – Requiring that the "BLACK Indians" / Native Nations (Cherokee, Chickasaw, Choctaw, Creek and Seminole) **to give the alleged SLAVES from AFRICA "CITIZENSHIP"** within their **TRIBAL Nations** because pursuant to the United States Constitution, **AFRICAN Slaves could not be Citizens** of the United States of America!

IMPORTANT TO NOTE: Part of **CONSPIRACIES** to further **PAPER Genocide Schemes** – i.e. further **SUPPORTING the COMPLEXION of the "SKIN" of the Five-Civilized Tribes!**

The United States of America's **NAZIS / WHITE Supremacists / Ku Klux Klan / Jews / Zionists . . . realized the MISTAKE made when FORCING the Five (5) Civilized Tribes to provide CITIZENSHIP to the alleged AFRICAN Slaves** – i.e. because it **NOW ties these**

alleged African Slaves to a NATIONALITY and the Lands / Territories, Properties and Resources of these “BLACK Indians” - -
- MOST IMPORTANT precludes / prevent AFRICAN Slaves and their Descendants from being RETURNED to SLAVERY through such EXECUTIVE Order REVERSAL Schemes!

The MERGER of allege AFRICAN Slaves with the Five (5) Civilized Tribes were done in attempts to later STRIP said Civilized Tribal Nations of their SOVEREIGNTY and NATIONALITY, etc. – i.e. by IDENTIFYING Civilized Tribal Nation’s People as AFRICANS formerly ENSLAVED! Said conspiracy schemes being implemented through so-called Legislation having been crafted to aid and abet in the attempts to LEGALIZE SLAVERY! Yes, CENTURIES of PLANNED Conspiracies to MANIPULATE the THEFT / STEALING of the “BLACK Indians” / Native Nations’ and Native People’s Lands / Territories, Properties and Resources, etc.!

(vi) CENSUS – NOW with the MERGING of alleged AFRICAN Slaves with the FIVE (5) Civilized Tribal Nations, said Tribal Nations were subjected to CENSUSES and through said CRIMINAL Schemes, the processes were used to attempt to unlawfully STRIP Tribal Nations of their NATIONALITY and allege they are AFRICANS – i.e. when NOT; moreover, allege AFRICAN Slaves [which can be challenged] were given the NATIONALITY of either Cherokee, Chickasaw, Choctaw, Creek or Seminole and NOT the other way around. Nevertheless, for instance, such CENSUS Schemes were used to CREATE Race LABELS as “BLACK Indians,” Colored, Niggers, Negro, Black and African-America. CENSUS process playing MAJOR roles in “PAPER” Genocide Schemes / Scams [from BLACK Indians – To – Colored – To – Nigger . . . To BLACK]!

IMPORTANT TO NOTE: Upon realizing that “AFRICAN” American give ties to a LAND MASS (Africa), CONSPIRACIES were launched to REDUCE back to a so-called RACE (“BLACK”) and the OVERKILL of said “BLACK” LABEL through the JEWISH / ZIONISTS – Controlled Mainstream Media! In flipping, said LABEL can be LINKED to Five (5) Civilized Tribal Nations’ “BLACK Indians!”

116TH CONGRESS
1ST SESSION

H. RES. 694

NOVEMBER 13, 2019

Recognizing the importance of the Civil Rights Act of 1866 and the laws derived therefrom.

IN THE HOUSE OF REPRESENTATIVES

Mr. WATERS (for herself, Mr. THOMPSON of Mississippi, Mr. CARSON of Indiana, Ms. LEE of California, Mr. DANNY K. DAVIS of Illinois, Mr. GREEN of Texas, Mr. BASH, Mr. CLARKE of New York, Mr. JACKSON-LEE, Mr. MURPHY, Mr. BUD SHUTZ, Mr. CLAY, Mr. NORTON, Mr. BROWN, Mrs. WATSON COLEMAN, Mr. FLORES, Mr. LEVIN, Mr. PERLEY, Mr. R. GIBERT, Mrs. BILLY, and Mr. FUDGE) submitted the following resolution, which was referred to the Committee on the Judiciary.

RESOLUTION

Recognizing the importance of the Civil Rights Act of 1866 and the laws derived therefrom.

Whereas, in the aftermath of the Civil War, the renegade United States of America struggled to reconstruct its war-torn States or establish laws granting newly freed slaves the same rights afforded to White citizens;

Whereas the Civil Rights Act of 1866 declared that all persons born in the United States are entitled to be citizens, without regard to race, color, or previous condition of slavery or involuntary servitude;

Whereas the Civil Rights Act of 1866 was enacted to accomplish three primary objectives: to establish that all persons born in the United States were to be considered citizens, to clearly define the rights guaranteed by American citizenship, and to make it unlawful for any person to deprive another of these rights on the basis of race;

Whereas the Civil Rights Act of 1866 served the role of prohibiting “Black Codes” laws enacted in southern States to restrict African Americans’ freedom and keep formerly enslaved persons from thriving in society;

A **TACIT** AGREEMENT is defined as (however, not limited to this definition alone):

Occurs **when two or more persons pursue by their acts the same object by the same means. One person performing one part and the other another part, so that upon completion they have obtained the object**

pursued. Regardless whether each person knew **of the details** or what part each was to perform, the end results **being they obtained the object pursued.** Agreement is implied or inferred from actions or statements.

NOTE: STACKING of Supreme Court Of The United States with ONLY Jews and Catholics

UNLAWFUL COURT STACKING

ONLY those who are **JEW**s or **CATHOLIC** serve on the Court.

IMPORTANT TO NOTE: The STACKING of the Supreme Court of the United States is in keeping with the **CATHOLIC Church's "PRO-Slavery" Schemes** through its **"DOCTRINE OF DISCOVERY!"**

PLAN: CONVINC "BLACK Indians" through **PAPER Genocide and LIES**, that they are **DESCENDANTS** of **AFRICAN** Slaves (when they are **NOT**)! **AFRICAN** because it **DISASSOCIATES** from the Lands / Territories, Properties and Resources **sought through WAR Crimes / Crimes Against Humanity**, etc.

PAPER Genocide "BLACK Indians" through the **STRIPPING** of their **NATIONALITY** (as Cherokee, Chickasaw, Choctaw, Creek and Seminole) that **TIE / CONNECT** them to the **OWNERSHIP** of Lands / Territories, Properties and Resources that the USA's **NAZIS / WHITE Supremacists / Ku Klux Klan / Jews / Zionists have STOLEN and seek to STEAL the remaining!**

President Obama to Travel to Cincinnati, Deliver Remarks at Brent Spence Bridge

WASHINGTON – On Thursday, September 22, the President will travel to Cincinnati, Ohio, to deliver remarks at the Brent Spence Bridge, urging Congress to pass the American Jobs Act now so that we can make much-needed investments in infrastructure projects across the country and put more Americans back to work.

The Brent Spence Bridge is on one of the busiest trucking routes in North America, yet it is considered 'functionally obsolete' because it is in need of so many significant repairs. If Congress passes the American Jobs Act, we can put more Americans back to work while getting repairs like this done.

21. REFORM OF THE UNITED NATIONS SECURITY COUNCIL

PERMANENT MEMBERS: Through this instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . ."** the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. seeks the assistance through the appropriate INTERNATIONAL Authorities in the setting up of the applicable SPECIAL Tribunal(s) / International TRIBUNAL(S) / International MILITARY Tribunal(s), etc. to act in the **"Situation In The United States of America - STATE OF MISSISSIPPI, etc.;"** wherein, there appears to be **"CONFLICT OF INTERESTS"** as it relates to the United Nations Security Council **PERMANENT** Members!

Therefore, the CTN is seeking the creation of **EMERGENCY / SPECIAL Council** (**if NO such course of redress is established in the United Nations Charter, etc.**) to address and act upon the **REFORMING** of the United Nations Security Council **PERMANENT**

Members – i.e. In that it appears as well as record evidence supports "**CONFLICT OF INTERESTS**" involving the **FIVE (5) Permanent Members** (United States of America, United Kingdom of Great Britain, French Republic, People's Republic of China and Russian Federation) **who EACH** have a **PERSONAL** and **FINANCIAL** interests in what has become known as the "**NEW World Order**" for **GLOBAL Dominance OVER all** "BLACK Indian Nations / Native Nations, their People, Lands / Territories, Properties and Resources, etc. Thus, a reasonable mind may conclude, **adversely impacting the ability of impartiality, an appearance of IMPUNITY as well as the total DISREGARD for INTERNATIONAL Laws, the applicable Statutes, Codes, Rules, Regulations and Laws governing said matters!**

IMPORTANT NOTE: REFORM of the **Security Council** "would require the agreement of at least two-thirds (2/3) of United Nations Member States in a vote in the General Assembly and must be ratified by two-thirds (2/3) of Member States). Thus, if correct, it is reported that there are approximately 193 Member States - i.e. (2/3) * 193 = 128.67 and / or 129 (rounded off). However, this REFORM Request for the Security Council **is NOT** the **FIRST** time that said measure is used.

In support thereof, make the following observations – i.e. however, not limited to this listing alone:

(i) CHALLENGE to the United States of America's qualification(s) to be recognized as a "STATE" in that record evidence having yield that the United States of America and its alleged Agencies and / or States (as the STATE Of Mississippi) **are merely "PRIVATELY Held Companies" and, the USA, is NOT a Sovereign Nation!** Moreover, the United States of America appears to be operating as a "**SHADOW Government**" for a **HOST of INVESTORS** in such **PONZI / RACKETEERING Scams**, etc.! Thus, supporting **the initiation** of the applicable INVESTIGATION(S) and PROSECUTION(S) – if VIOLATION(S) found – of Officials, Legal Counsel (as the Law Firm of Baker, Donelson, Bearman, Caldwell & Berkowitz P.C.'s Lawyers / Attorneys) and CO-Conspirators (as Government Officials . . .of the United Kingdom of Great Britain, Federal Republic of Germany and French Republic and French Republic, etc.)!

(ii) There appears to be record evidence stating that on or about "*October 25, 1971, the UN General Assembly passed United Nations Resolution 2758 (XXVI) which stated that the People's Republic of China is the only legitimate government of China.*" **As a direct result of said Resolution, the replacement of the ROC with the PRC** as a permanent member of the Security Council in the United Nations." - - As of 09/30/2023: <https://web-archive-2017.ait.org.tw/en/un-res-2758-voted-to-admit-communist-china.html#:~:text=On%20October%2025%2C%201971%2C%20the,Council%20in%20the%20United%20Nations.>

The main content area is titled 'Documents' and features a sidebar with links to 'Key U.S. Foreign Policy Documents for the Region', 'State Department Annual Reports', 'U.S. Fundamental Documents', 'U.S. Government Web Resources', and 'AIT-TECRO'. The main text displays 'U.N. RESOLUTION 2758 (U.N. VOTED TO ADMIT COMMUNIST CHINA, EXPEL NATIONALIST DELEGATES.)' with a sub-heading 'U.N. Resolution 2758 - Oct. 25 1971'. The source is cited as 'Source: Facts on File, 1971 p. 825'. The main text states: 'On October 25, 1971, the UN General Assembly passed United Nations Resolution 2758 (XXVI) which stated that the People's Republic of China is the only legitimate government of China. The resolution replaced the ROC with the PRC as a permanent member of the Security Council in the United Nations.'

Further supporting the initiation of INVESTIGATION(S) and PROSECUTION(S) – if VIOLATION(S) found – into the “PRIVATELY Held Company” of the United States of America and “WHO” (if any) are the OWNERS of the United States of America and its alleged Government Agencies – i.e. STATES, Cities, Towns and Villages, etc.!

22. There is sufficient evidence to sustain that **credible CONFLICT OF INTERESTS and ABUSE of POWERS**, etc. exists **among “ALL” Permanent Members** (United States of America, United Kingdom of Great Britain, French Republic, People's Republic of China and Russian Federation) **of the United Nations Security Council**, that **PRECLUDE** them and / or their Officials / Representatives, etc. from presiding over this instant **“05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .”** and / or in the INVESTIGATION(S) and / or PROSECUTION(S) – if VIOLATION(S) found – sought herein. Moreover, said Permanent Members **are PRECLUDED from VOTING on said matters** – i.e. in that a reasonable mind may conclude they are **“ALL” Parties** having Officials / Representatives . . . **with PERSONAL and FINANCIAL interests** in the EMERGENCY Petition(s) and / or Complaint(s) submitted herein. Furthermore, pursuant to the United Nations Charter at Chapter VI - Article 35 – Paragraph 3 as well as the applicable Statutes, Codes, Rules, Regulations and Laws, etc. governing said matters:

Preclude Permanent Members of the United Nations Security Council from acting as JUDGE(S) in matters in which they are Parties as well as have PERSONAL / FINANCIAL interests, etc.! Moreover, participating in matter(s) / decision(s) that may be taken against said Permanent Members.

NOTE

By Article 27 (3) of the Charter the affirmative vote of seven members for decisions on matters other than procedural must include the concurring votes of the permanent members. Part III concerns the application of this requirement

- (i) In the light of the proviso of Article 27 (3);
- (ii) When a permanent member voluntarily abstains;
- (iii) When a permanent member is absent.

OBLIGATORY ABSTENTION

The proviso of Article 27 (3) provides that

"In decisions under Chapter VI, and under paragraph 3 of Article 52, a party to a dispute shall abstain from voting."

There have been occasions on which this requirement has been met in that a member of the Council has abstained from voting or has been recorded as not participating in the vote,¹ when the decision was taken by the Council (Cases 107-114). These occasions are presented in section A.1. There have also been occasions on which the question of abstention in accordance with the proviso of Article 27 (3) has been raised, and significant discussion has ensued. These cases of discussion are presented separately in section A.2.

In the proceedings regarding the obligation of a member to abstain as a party to a dispute, various problems involved in the application of the proviso of Article 27 (3) have arisen, mainly in the earlier meetings of the Council. Such problems related to the

¹ On non-participation in voting, see chapter I, part VI, Note.

questions: (1) whether the matter under consideration was a dispute within the meaning of the proviso (Cases 116 and 117); (2) whether the decision to determine whether a question was a dispute was itself a procedural matter (Case 117); (3) how it should be decided whether a member was a party to a dispute (Case 120); and (4) what was the range of the decisions on which a member must abstain as a party to a dispute (Cases 115, 116 and 118).

Information on these problems has been included in the case histories of discussion, which have been arranged in simple chronological order.

Part III. Abstention and absence—Obligatory abstention

2. Consideration of abstention in accordance with the proviso of Article 27 (3)

CASE 118

At the 114th meeting on 27 February 1947, in connexion with the Corfu Channel question, the Security Council voted upon a draft resolution, submitted by the representative of Australia at the 111th meeting on 24 February 1947, to appoint a sub-committee "to examine all the available evidence" and "to make a report on the facts of the case as disclosed by such evidence".²⁶ Before the vote was taken the representative of the United Kingdom stated:

"As a party to this dispute, I am deprived of my vote under Article 27, paragraph 3, of the Charter when it is a matter of a decision under Chapter VI.

CASE 119

At the 303rd meeting on 24 May 1948, in connexion with the Czechoslovak question, the President (France) ruled that a draft resolution to appoint a sub-committee to receive evidence had not been adopted, one vote against having been that of a permanent member. The representative of Chile* contended that the representative of the USSR had abused the right of "veto". He continued:²⁶

"...in the present case the USSR is a party to a dispute, for it must be assumed that there is a dispute not only when there is a direct conflict of interests between two Member States, but also when any difference arising from conflicting attitudes of one nation in respect of another nation is brought to the attention of the Security Council by any country. This is certainly the case when a State exercises its right under Article 35, and accuses another of violating the Charter, whether it has any direct interest in the matter or not. Paragraph 3 of Article 27 is merely intended to prevent a member of the Council from acting as judge in its own case and participating in the decision that may be taken against it. This is what the USSR has just done."

The **New Order** (German: *Neuordnung*), or the **New Order of Europe** (German: *Neuordnung Europas*), was the political order which Nazi Germany wanted to impose on the conquered areas under its dominion. The establishment of the New Order had already begun long before the start of World War II, but was publicly proclaimed by Adolf Hitler in 1941:

The year 1941 will be, I am convinced, the historical year of a great European New Order.^[1]

Among other things, it entailed the creation of a pan-German racial state structured according to Nazi ideology to ensure the supremacy of an Aryan-Nordic master race, massive territorial expansion into Central and Eastern Europe through its colonization with German settlers, the physical annihilation of . . . others considered to be "unworthy of life" and the extermination, expulsion or enslavement of most of the . . . peoples and others regarded as "racially inferior".^[2] Nazi Germany's desire for aggressive territorial expansionism was one of the most important causes of World War II.

Historians are still divided as to its ultimate goals, some believing that it was to be limited to Nazi German domination of Europe, while others maintain that it was a springboard for eventual world conquest and the establishment of a world government under German control. - - As of 02/13/2019 [https://en.wikipedia.org/wiki/New_Order_\(Nazism\)](https://en.wikipedia.org/wiki/New_Order_(Nazism))

28. IMMEDIATE EXPULSION OF THE UNITED STATES OF AMERICA , ITS OFFICIALS / REPRESENTATIVES FROM THE UNITED NATIONS:

Through this instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .,"** the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. seeks the assistance through the appropriate INTERNATIONAL Authorities **in the drafting of question(s) of the "RESTORATION Of The Lawful Rights Of The Chickasaw Tribal Nation"** be placed on an **EMERGENCY / EXPEDITED "Provisional Agenda"** of the 77th Session of the United Nations General Assembly and / or applicable Sessions of applicable to the matters addressed herein. Moreover, with the drafting of an **"EXPLANATORY Memorandum"** accompanying said **"EMERGENCY / EXPEDITED Provisional Agenda"** for the Chickasaw Tribal Nation's request – i.e. in that there is sufficient evidence to support that the United States **is NOT a lawful STATE nor SOVEREIGN Nation** but merely a **"PRIVATELY Held Company"** that has been engaging in **GLOBAL Terrorists Acts, War Crimes Atrocities** and much more **DOMESTICALLY** and **INTERNATIONALLY!**

There is recorded evidence that the United Nations members have observed for years **SYSTEMIC Racism / Discriminatory policies** as well as **HUMAN Rights violations** of the United States of America, its Officials (as their Presidents, Congressional Members, Legal Counsel Baker Donelson and others, etc.), their **PARAMILITARY Terrorist Operations** Domestically as well as **INTERNATIONALLY!** Furthermore, the CTN seeks assistance with the applicable **SPECIAL Tribunal(s) / International TRIBUNAL(S) / International MILITARY Tribunal(s)**, etc. to aid in the **"Situation In The United States of America - STATE OF MISSISSIPPI, etc.;"** wherein, there appears on or about June 1, 2021, the release of:

Report of the United Nations High Commissioner for Human Rights* **

IMPORTANT TO NOTE: Through such Communications, the Chickasaw Tribal Nation's / Utica International Embassy's Official **seek to obtain information regarding** the United Nations' Report(s) – if any – on the **WHEREABOUTS** of the "BLACK Indians" and the "BLACK Indian" Nations **RECOGNIZED** in **the HISTORY** of the United States of America and "**WHERE**" are **the DESCENDANTS** of said "BLACK Indians" **that occupied, inhabited and own** the Lands / Territories, Properties and Resources, etc. that have been "LABELED" as part of the Lands / Territories within what is **presently** known as the United States of America; moreover, whether UN Members in KEY positions (as Commissioner for Human Rights) having KNOWLEDGE of the USA's Officials WAR Crimes Atrocities and **CRAFTILY** drafted said June 1, 2021 Report to **PURPOSELY WITHHOLD** the

WAR Crimes, **Crimes Against Humanity**, Violation(s) of **Geneva Convention** on the **Prevention and Punishment of the Crime of Genocide (1948)**, **Ethnic Cleansing**, Violation(s) of **Chemical Weapons Convention (1997)**, VIOLATION of the **United Nations Declaration on the Rights of Indigenous Peoples, Charter of the United Nations**, the **Universal Declaration of Human Rights, International Human Rights Laws** as well as the Statutes, Codes, Rules, Regulations and International Laws governing said matters, etc.

being carried out of and against the Chickasaw Tribal Nation and others who have been LABELED "BLACK Indians" / Native Nations and their Native People – i.e. in other words, are UN Officials holding KEY Positions as "Commissioner for Human Rights" PARTY to the CONSPIRACIES in EXTERMINATION of the People they have LABELED as "BLACK Indians" from their HISTORY as the Chickasaw RETAIN evidence and ACKNOWLEDGEMENT that "BLACK Indians" and their DESCENDANTS are ALIVE and THRIVING and will NOT accept the CONSPIRACIES of ILLEGAL WHITE Immigrants to REMOVE them through WAR Crimes Atrocities / PAPER Genocide – i.e. as appears to be the case in the United Nations High Commissioner for Human Rights Report of June 1, 2021!

The CTN believe that INVESTIGATION(S) will find that the United Nations General Assembly and / or UN Members have observed for years the HOSTILE / RACIST / DISCRIMINATORY policies and practices of the United States of America's NAZI / WHITE Supremacist / Ku Klux Klan / Jewish / Zionist Officials . . . , their Legal Counsel Baker, Donelson, Bearman, Caldwell & Berkowitz P.C. Lawyers / Attorneys and CO-Conspirators of and against People LABELED "BLACK Indians" / Native Nations and their People of the fraudulent USA's alleged Homeland, etc. - i.e. Wherein, the United States of America has been MISREPRESENTED before the Public / World as being the genuine representative of those alleged to be Citizens of the United States of America (i.e. when they are NOT and NEITHER is the USA a lawful State / SOVEREIGN Nation . . .). The United States of America is a "PRIVATELY Held Company" and CANNOT be seen as a lawfully recognized Nation NOR Government.

In the 17 UN, Members found that, *"The existence of the People's Republic of China, they declared, was a reality which could 'NOT be changed to suit the MYTH of a so-called Republic of China, FABRICATED out of a PORTION of Chinese Territory."*

Thus, in piggybacking off said statement, *"The existence of the United States of America, is in REALITY is 'a PRIVATELY Held Company' - i.e. which CANNOT be changed to suit the MYTH of a so-called Country, FABRICATED out of a PORTION of Land in North America!"*

It appears, the 17 UN Members going on to find, *"the ROC were unlawful authorities INSTALLED in the island of Taiwan which claimed to represent China, and they remained there ONLY because of the PERMANENT presence of the United States Armed Forces. No important INTERNATIONAL problems, they added, could be solved without the participation of the People's Republic of China. It was in the fundamental interests, they concluded, of the United Nations to "RESTORE" promptly to the People's Republic of China its seat in the organization, thus putting an end to a "grave injustice" and "DANGEROUS situation" which had been perpetrated in order to fulfill a policy that had been increasingly REPUDIATED. This meant the IMMEDIATE EXPULSION of the representatives of the Chiang Kai-shek regime from the seat which it held in the United Nations."*

Thus, again piggybacking off said statement, the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. believe the UN Members presently in session will find, that the United States of America is NOT a lawful STATE and is merely "a PRIVATELY Held Company" with EXECUTIVES (as President and Vice President . . .) being placed in Company / Corporation positions and INSTALLED in their WHITE House in Washington, D.C. which claim to represent America and, they, remain there ONLY because of the PERMANENT presence of the United Kingdom of Great Britain, Federal Republic of German, French Republic and their EUROPEAN Allies PROPPING UP their USA NAZIS' / WHITE Supremacists' / Ku Klux Klan's / Jews' / Zionists'

TERRORIST Paramilitary Empire! **NO important INTERNATOINAL problems / issues can be solved WITHOUT the participation of the Chickasaw Tribal Nation, "BLACK Indians" / Native Nations and their People.** Therefore, it is in the **FUNDAMENTAL interests** of the United Nations to **"RECOGNIZE" most URGENTLY** the Chickasaw Tribal Nation (i.e. one of the five Civilized Tribal Nations - Cherokee, Chickasaw, Choctaw, Creek and Seminole - alleged to be recognized by the United States of America) **and giving the Chickasaw Tribal Nation an "EXEMPLARY" Status as a direct result of the CRITICAL / DIRE and EXTRAORDINARY . . . DETERIORATING circumstances presented herein!** Moreover, **bringing an end to "GRAVE INJUSTICES" and "DANGEROUS / TERRORISTS situations"** which are being perpetrated of and against the Chickasaw Tribal Nation, "BLACK Indians" / Native Nations and their People! Meaning that the Chickasaw Tribal Nation is **requesting the IMMEDIATE EXPULSION / REMOVAL of the Representatives of the United States of America / United States from seat which it is alleged to hold in the United Nations and to be given to the Chickasaw Tribal Nation due to such EMERGENCY / EXEMPLARY . . . conditions noted in this instant "05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .!"**

Thus, In view of the **averments, facts, evidence, legal conclusions** as well as other Statutes, Codes, Rules, Regulations and / or Laws governing said matters, there is sufficient evidence to sustain that the **United States of America IS** merely "**a PRIVATELY held Company**" (it appears) **UNLAWFULLY** installed with **FRAUDULENT / CRIMINAL** intent as an allege **"ADMINISTRATIVE Power:"**

Under Chapter XI of the Charter of the United Nations, the Non-Self-Governing Territories are defined as "territories whose people have not yet attained a full measure of self-government". The General Assembly, by its resolution 66 (I) of 14 December 1946, noted a list of 72 Territories to which Chapter XI of the Charter applied. In 1963, the Special Committee on the Situation with regard to the Implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples (also known as the "Special Committee on Decolonization" or the "C-24") approved a preliminary list of Territories to which the Declaration applied (A/5446/Rev.1, annex I). Today, 17 Non-Self-Governing Territories, as listed below, remain on the agenda of the C-24. Member States which have or assume responsibilities for the administration of such Territories are called administering Powers.

Resolution 2170 (Syria and Iraq) S/RES/2170

15 August 2014 | **RESOLUTION**

On 15 August 2014 the UN Security Council (UNSC) adopted Resolution 2170 on the situations in Syria and Iraq. Resolution 2170 condemns the systematic and widespread abuses of human rights and international humanitarian law, including the indiscriminate killing of civilians by armed extremist groups, particularly the so-called Islamic State of Iraq and the Levant and the Al-Nusra Front. The resolution expresses concern that parts of Iraq and Syria are under the control of these groups, and placed six individuals affiliated with the groups on the UNSC Al-Qaida sanctions list. The resolution also underlines the primary responsibility of UN member states to protect civilian populations in their territories.

Resolution 78/222 (Syria) A/RES/78/222

19 December 2023 | RESOLUTION

On 19 December 2023 the UN General Assembly adopted Resolution 78/222 on the situation in Syria. Resolution 78/222 deplores the fact that March 2023 marked 12 years since the peaceful uprising and brutal repression that led to the conflict in Syria, which has had and continues to have a devastating impact on civilians, including through grave violations and abuses of international human rights law and violations of international humanitarian law. The resolution strongly demands that the Syrian regime meet its responsibility to protect the Syrian population and to respect, protect and fulfil the human rights of all persons within its territory and subject to its jurisdiction. Resolution 78/222 also demands that all parties take all appropriate steps to protect civilians, including members of ethnic and religious communities.

The Resolution(s) that the Chickasaw Tribal Nation's Officials and Citizens **seek** deplores **the FACT** that **for over 500 Years, European Nations and European / White ILLEGAL Immigrants mark CENTURIES of Conspiracies** in the **THEFT / STEALING** of the "BLACK Indians" / NATIVE Nations and their NATIVE People's **Lands / Territories, Properties and Resources, etc.** that have **unlawfully DISRUPTED** the **Sovereignty, Peace, Safety, Securities, Protections and Wellbeing, etc.** of said **Indigenous People** and resulting in **the Systematic and Widespread Abuses of Human Rights, INTERNATIONAL Humanitarian Law, INDISCRIMINATE Killings / Murders / Assassinations of Civilians / NATIVE Nation Leaders, War Crimes, Crimes Against Humanity and other Atrocities, etc.** as well as the **BRUTAL enslavement and oppression / repression** that have led to conflicts in what is **presently known** as the **United States of America** and **CONTINUES to date!** Thus, requiring that the Chickasaw Tribal Nation's and / or "BLACK Indians" / NATIVE Nations and their NATIVE People **pursue LAWFUL Solutions / Resolution(s) to meet their DUTY, OBLIGATION(S) and RESPONSIBILITY(IES) to protect the Civilian Population from / against** the United States of America's NAZI / WHITE Supremacist / Ku Klux Klan / Jewish / Zionist . . . Officials', Employees', Representatives' and **Legal Counsel** (as **Baker, Donelson, Bearman, Caldwell & Berkowitz PC . . .**) and CO-Conspirators' **grave violations and abuses of INTERNATIONAL Human Rights Law and violations of International HUMANITARIAN Law.** Obtaining Solution(s) / Resolution(s) **demanding that** the Chickasaw Tribal Nation and its NATIVE People as well as "BLACK Indians" / NATIVE Nations and their NATIVE People **be allowed the RESPONSIBILITY to PROTECT their Civilian / Indigenous Populations** and to **be given the LAWFUL right to exercise SOVEREIGNTY** as well as respect, safety, independence, securities, protections and freedoms, etc. to fulfill the HUMAN Rights of ALL "BLACK Indians" / NATIVE Nations and NATIVE People within their Territories and subject to their Jurisdiction and / or INTERNATIONAL Jurisdiction through such TRANSITIONAL processes, etc. Furthermore, obtaining the applicable Solution(s) / Resolution(s) **demanding that ALL parties take ALL appropriate steps to assure the PROTECTION of the Civilian Populations – i.e. including Natives of Ethnic and Religious Communities, etc.!**

33. Through this instant **“05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .,”** the Chickasaw Tribal Nation’s / Utica International Embassy’s Officials . . . incorporate by reference the April 4, 2019, International Criminal Court Communication... as if set forth in full herein and further seek INVESTIGATION(S) and PROSECUTION(S) – if VIOLATION(S) found – through the applicable EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) – i.e. in that it appears that the United States of America being among those recognized as “ADMINISTRATIVE POWERS!” Wherein, it appears from research the United Nations Charter Chapter XI states in part:

Chapter XI: **Declaration Regarding Non-Self-Governing Territories (Articles 73-74)**

Article 73

Members of the United Nations which have or assume **responsibilities** for the **administration of territories whose peoples have not yet attained a full measure of self-government** recognize **the principle** that **the interests of the inhabitants of these territories** are paramount, and **accept as a sacred trust the obligation to promote to the utmost**, within the system of international peace and security established by the present Charter, **the well-being of the inhabitants of these territories**, and, to this end:

- a. to ensure, **with due respect for the culture of the peoples concerned**, their political, economic, social, and **educational advancement**, their **just treatment**, and their **protection against abuses**;
- b. to **develop self-government**, to take due account of the political **aspirations of the peoples**, and to **assist them in the progressive development** of their **free** political **institutions**, according to the **particular circumstances of each territory and its peoples and their varying stages of advancement**;
- c. to further **international peace and security**;
- d. to **promote constructive measures of development**, to **encourage research**, and to **co-operate with one another** and, when and where appropriate, **with specialized**

international bodies with a view to the practical achievement of the social, economic, and scientific purposes set forth in this Article; and

- e. **to transmit regularly to the Secretary-General for information purposes**, subject to such limitation as security and constitutional considerations may require, statistical and other information of a technical nature relating to economic, social, and educational conditions in the territories for which they are respectively responsible

...

Article 74

Members of the United Nations also agree that their policy **in respect of the territories** to which this Chapter applies, no less than in respect of their **metropolitan areas**, must be based on **the general principle of good-neighbourliness**, due account being taken of **the interests and well-being of the rest of the world**, in social, economic, and commercial matters. - -

As of 04/05/2024: <https://www.un.org/en/about-us/un-charter/chapter-11>

Thus, it appears that **unknownst** to the “BLACK Indians” / NATIVE Nations and NATIVE People, the United States of America is serving **as an ADMINISTRATIVE POWER** over said "PROTECTED Group(s) / PROTECTED Class(es)" and the USA's NAZIS / WHITE Supremacists / Ku Klux Klan / Jews / Zionists . . . drafting of so-called Legislation – i.e. as the CREATION of FRIVOLOUS Legislation / Laws (as Mississippi House Bill 1020 . . .) in furtherance of **“USA Global TERRORISTS Operatives” “NEW ORDER” Schemes / Agendas** that are in violation of the Statutes, Codes, Rules, Regulations and / or Laws (as Chapter XI of the United Nations Charter) in:

5.18 To achieve the Convention's goal of eliminating the black vote, the delegates devised a literacy test subject to an "understanding clause." Under this clause, a potential voter would be required to read any section of the state constitution or "be able to understand the same when read to him, or give a reasonable interpretation thereof." Further, in case these suffrage measures were struck down by the courts, the delegates added two additional safeguards: legislative reapportionment to increase white-county

representation, and a state Electoral College scheme to ensure white control of the governor's office.

CAIRO, July 17 (Reuters)—Malcolm X appealed today to delegates of 34 African nations at a conference here to bring the cause of United States Negroes before the United Nations. Article 2 (4) of the Charter prohibits the threat or use of force and calls on all Members to respect the sovereignty, territorial integrity and political independence of other States. . . .

35. It was about March 2018, that the Chickasaw Tribal Nation's Matriarch Pearl Leo Torrey Newsome ("Matriarch Pearl") and Prime Minister Vogel Denise Newsome opened up the doors of the Utica INTERNATIONAL Embassy ("UIE"). Being obedient to God / Allah these women had no clue (that at five [5] years in) of the magnitude of the GLOBAL impact out Tribal Nation and Embassy would have in assisting other Native Nations! Just being obedient to the instructions given them.
36. In the later part of 2018, our Matriarch Pearl Leo Torrey Newsome with her Daughter (Prime Minister Vogel Denise Newsome's Mother) and Supporters stepped out by Faith to FREE their Tribal Nation's Citizens / People and others who came to the Utica INTERNATIONAL Embassy wanting their FREEDOM and to be of support and this CHANGE as well!
37. At that time of the Utica International Embassy, the Chickasaw Tribal Nation Officials were continuing to prepare to go before the International Criminal Court ("ICC") and timely, properly and adequately notifying said Court of the claims to be brought against the United States of America's ("United States") Officials – i.e. which included their Presidents (Present and Past), Officials, Employees, Representatives and / or Legal Counsel (as Baker Donelson, Bearman, Caldwell & Berkowitz P.C. ["Baker Donelson"]) and Co-Conspirators!

38. In the later part of 2018, the Chickasaw Tribal Nation’s Matriarch was watching the News when Prime Minister Newsome inquired as to what was going on – i.e. from what little that could be heard from at a distance. Matriarch Newsome advised that the USA was going before the United Nations regarding matters with the **Bolivarian Republic of Venezuela** (“Venezuela”). Prime Minister Newsome shared with Matriarch Pearl, *“that is none other than the USA’s Law Firm of Baker, Donelson, Bearman, Caldwell & Berkowitz P.C. and its NAZIS / Jewish / Zionist Lawyers, etc.”* attempting to carry out unlawful Paramilitary TERRORIST Operations to invade Venezuela for the purposes of STEALING their Lands / Territories / Properties and Resources, etc.! PM Newsome sharing concerns of, *“WHERE is China and Russia?”* – i.e. since said Nations are alleging to be ALLIES of Venezuela and are Permanent Members on the United Nations Security Council! Moreover, **WHY** did either China or Russia **NOT** shutdown the WAR Crimes . . . activities, etc. of the USA?

Trump suggests US should have 'president for life' like China

Home / US / Politics

Sun Mar 4, 2018 05:15AM

US President Donald Trump has praised Chinese President Xi Jinping after the ruling Communist Party reportedly declared plans to eliminate a two-term limit for the presidency, paving the way for Xi to serve indefinitely.

In a closed-door fundraiser in the state of Florida on Saturday, Trump further expressed hope that the US may have a president for life some day, according to audio excerpts of his remarks carried by CNN.

"He's now president for life, president for life. And he's great. And look, he was able to do that. I think it's great. Maybe we'll have to give that a shot someday," Trump said to cheers and applause from his supporters.

RE: UPDATE AND URGENT REQUEST REGARDING: *Emergency Complaint and Request for
Legislature/Congress Intervention; Also Request for Investigations, Hearings and Finding*

Dear President-Elect/Senator Obama:

CONGRATULATIONS on your November 4, 2008 **PRESIDENTIAL** Victory!!!! Truly history was made on this date and America spoke for CHANGE. Congratulations to you,

I believe you will find not only from my July 13, 2008 Complaint filed with the Legislature/Congress, but also with the FBI that I am definitely in the trenches fighting for the little people and have been doing so since leaving Florida A & M University ("FAMU"). However, due to the systematic prejudices and injustices which has plagued African-Americans and/or people of color - justice has been delayed; however, now with the new administration, not denied and believe the laws will be applied equally, just and fair.

I take the fight for Civil Rights and many other protected rights very seriously and believe you will find from the documentation provided you and/or sent you that this is true. Not only that that I was fighting for such causes during the times you were working in the communities - just in different states. I am still fighting and will continue to fight; however, like you advised you are going to need us working with you as President in our communities, I am going to need you working for me as well as those on whose behalf I am fighting for while you are our President and believe this can be done (**YES WE CAN!**!!!!). Therefore, please take the time to review the attached documents as well as the July 13, 2008 Complaint sent to your attention and advise or have your Aid(s) contact me regarding the status.

Black Codes (United States)

Language

Watch Edit

For black codes in the French Empire, see [Code Noir](#). For the jazz album by Wynton Marsalis, see [Black Codes \(From the Underground\)](#). For other uses, see [Black Code \(disambiguation\)](#).

The **Black Codes**, sometimes called **Black Laws**, were laws governing the conduct of [African Americans](#) (free blacks). The best known of them were passed in 1865 and 1866 by [Southern states](#), after the [American Civil War](#), in order to restrict African Americans' freedom, and to [compel them to work for low wages](#). However, Black Codes existed before the Civil War, and many Northern states had them. In 1832, "in most of the United States, there is a distinction in respect to political privileges, between free white persons and [free coloured persons of African blood](#); and in no part of the country do the latter, in point of fact, participate equally with the whites, in the exercise of civil and political rights."^[1]

Black Codes were [part of a larger pattern of whites trying to maintain political dominance and suppress the freedmen](#), newly emancipated African-American slaves. Black codes were essentially replacements for slave codes in those states. Before the war, Northern states that had prohibited slavery also enacted Black Codes: Connecticut, Ohio, Illinois, Indiana, Michigan,^[2] and New York enacted laws to discourage free blacks from residing in those states. They were denied equal political rights, including the right to vote, the right to attend public schools, and the right to equal treatment under the law. Some of the Northern states^[which?] repealed such laws around the same time that the Civil War ended and slavery was abolished by constitutional amendment.

As of 01/05/20: [https://en.m.wikipedia.org/wiki/Black_Codes_\(United_States\)](https://en.m.wikipedia.org/wiki/Black_Codes_(United_States))

^ Legislation in Southern states

Black Codes restricted black people's right to own property, conduct business, buy and lease land, and move freely through public spaces.^[48] A central element of the Black Codes were vagrancy laws. States criminalized men who were out of work, or who were not working at a job whites recognized.^[43] Failure to pay a certain tax, or to comply with other laws, could also be construed as vagrancy.^[49]

Convicts leased to harvest timber circa 1915, in Florida

Nine southern states updated their vagrancy laws in 1865–1866. Of these, eight allowed convict leasing (a system in which state prison hired out convicts for labor) and five allowed prisoner labor for public works projects.^[50] This created a system that established incentives to arrest black men, as convicts were supplied to local governments and planters as workers. The planters or other supervisors were responsible for their board and food, and black convicts were kept in miserable conditions. As Douglas Blackmon wrote, it was "slavery by another name".^[6] Because of their reliance on convict leasing, Southern states did not build any prisons until the late 19th century.

Another important part of the Codes were the annual labor contracts, which documents Black people had to keep and be able to present to authorities to avoid vagrancy charges.^{[34][48]}

IMPORTANT TO NOTE: The reason for the use of such DEFAULTED/FRAUDULENT Water Meter System is for:

- (a) Purposes of CREATING "False" and "Illegal" DEBTS!
- (b) DEBT(S) having to be a CERTAIN Amount so that Baker Donelson, Siemens and the City of Jackson and other CO-Conspirators CAN See their VICTIMS in Court - i.e. through the USA and its STATE Courts' "CORRUPT" Judicial System!
- (c) THEFT, etc. of their VICTIMS' Property/Lands THROUGH the "UNLAWFUL" Water Meter System! THIS IS TO BE ACCOMPLISHED through the Court's TAINTED Judges (i.e. Baker Donelson Judges, etc.) rendering a decision IN FAVOR of Baker Donelson and its Client (Siemens, City of Jackson, etc.) AGAINST their Victims (Sovereign Citizens)!

As many know, the United States of America's Legal Counsel Baker Donelson Beaman Caldwell & Berkowitz PLANNED, ORCHESTRATED and CARRIED OUT the September 11, 2001, TERRORIST Attacks on the World Trade Center and other alleged Attacks that day. Said acts that HAVE BEEN deemed "Acts of TERRORISM!" Therefore, those carrying out the 9/11/2001 Attacks HAVE BEEN deemed TERRORISTS! With that being said, TERRORIST Attacks have NOW been labeled AGAINST Native, Native Americans and those who have been LABELED Black/Negros/African-Americans/People-of-Color! The WATER SUPPLY in the Cities/Towns MAJORITY populated by these PROTECTED Classes/Groups of People have come under TERRORIST ATTACKS by:

Dear Sir, Madam

On behalf of the Prosecutor, I thank you for your communication received on 09/08/2018, as well as any subsequent related information.

I hope you will appreciate that with the defined jurisdiction of the Court, many serious allegations will be beyond the reach of this institution to address. I note in this regard that the ICC is designed to complement, not replace national jurisdictions. Thus, if you wish to pursue this matter further, you may consider raising it with appropriate national or international authorities.

I am grateful for your interest in the ICC. If you would like to learn more about the work of the ICC, I invite you to visit our website at www.icc-cpi.int.

Yours sincerely,

Utica International Embassy

US is a rogue state that must be contained

Friday, 03 January 2020 5:52 PM [Last Update: Friday, 03 January 2020 10:22 PM]

The sickness is not just President Donald Trump, as self-serving Democrats conveniently allege. **The problem is that the US apparently not only still abides by the Dred Scott decision, but is comfortable applying it worldwide: Nonwhites simply have no rights which the white man is bound to respect.**

I'm paraphrasing and being a bit historically tongue-in-cheek, of course. But on purpose. **The whole swath of US history comes down to this arrogance and supremacy:** its absurd doctrine of "exceptionalism," its one sided approach to world relations, its hysterical accusations against Russia, China and anyone **else not on board with perpetual war.**

Baker Donelson endures growth, change in leadership

By Rob Robertson -

MEMPHIS
 BUSINESS JOURNAL

Size matters.

At least it does for any firm looking to become a major player in the multi-billion dollar legal services industry, like Memphis-based law firm of Baker, Donelson, Bearman, Caldwell & Berkowitz, which is the city's only law firm on the Top 100 Private Companies list.

The firm is ranked No. 35 with \$116 million in revenues in 2003, up from \$86.9 million in revenues in 2002 when it ranked No. 43 on the list.

These moves are indicative of the aggressive nature by which Baker Donelson -- now sporting more than 370 attorneys overall -- has grown and reshaped itself in recent years. The firm, identified in 2003 as the fastest growing law firm in the U.S. by The National Law Journal, also runs a representative office in Beijing, China, opened by BDBC International, and recently became the first western law firm to establish a presence in Iraq.

58. It appears the United States of America's / United States' Officials . . . and / or Legal Counsel Baker Donelson may be holding some type of LEVERAGE over Iraq and its Officials; wherein, the use of THREATS as, "to cut off Iraq's access to oil account in New York if troops expelled!" Thus, a reasonable mind may conclude that Iraq, its Officials, and People / Citizens, etc. are being held **HOSTAGE** and subjected to **the BULLYING Terrorism acts** of the United States of America's NAZI / White Supremacist / Ku Klux Klan / Jewish and Zionist Officials, their Legal Counsel Baker Donelson and CO-Conspirators (as NATO Counterparts)!

United States Federal Reserve is a privately held company in Washington, DC and is a Headquarters business.

Categorized under Recreation Association. Our records show it was established in 1936 and incorporated in District of Columbia. Current estimates show this company has an annual revenue of \$500 million to \$1 billion and employs a staff of approximately over 10,000.

59. In the interest of justice and **WORLD PEACE**, the Chickasaw Tribal Nation's / Utica International Embassy's Officials have interests in **other Sovereign** Native Nations **who have Present / Outstanding Arrest Warrant(s) issued** against USA Officials, etc. **and the EXECUTION** of said **Arrest Warrant(s)** on what *is presently* known as United States of America **SOIL!** The CTN **do NOT** want our Native Lands to be used **for harboring** NAZIS and other TERRORISTS Groups / Cells (as the White Supremacists, Ku Klux Klan and Zionists, etc.)!

60. **CRUCIAL FACTS:** The United States of America is merely a **"PRIVATELY Held Company"** **perpetrating** as a Government (when it is **NOT**)! **HOW** did this happen?

61. The CTN is **NOT** into the **POLITICAL / RELIGIOUS** Games of the West / Europeans and their USA **ParaMILITARY Terrorist** COMPANY / CORPORATION and **outright DENOUNCE** the USA's and its WESTERN / EUROPEAN Counterparts' ties / connections to such unlawful practices which clearly support:

WAR Crimes, Crimes Against Humanity, violation(s) of Geneva Convention on the Prevention and Punishment of the Crime of Genocide (1948), Ethnic Cleansing, violation(s) of Chemical Weapons Convention (1997), as well as other Atrocities, etc. (i.e. collectively known as, **"WAR Crimes Atrocities"**)!

Thus, a reasonable mind may conclude that **CORPORATION / COMPANY** Officials . . . of the United States of America **are ORDERING Assassinations** of Officials of **SOVEREIGN** Native Nations **WITHOUT** *just cause* and **are PROHIBITED** under U.S. Laws as well as **INTERNATIONAL Laws!** Furthermore, **warranting investigations** into **WHO** and / or **WHAT** West / European Nations are involved in such CONSPIRACIES / WAR Crimes . . . as well as **whether CHINA and / or RUSSIA** being Party(s) to such unlawful practices!

62. From research the CTN has found documentation / EVIDENCE that the USA's Legal Counsel **Baker Donelson** (which is also, merely a "**PRIVATELY Held Company**" – controlled and run by **NAZIS / Jews / Zionists**)

The image shows a screenshot of a Manta.com search result for the law firm Baker, Donelson, Bearman, Caldwell & Berkowitz. Abe Berkowitz

This page was last modified on 26 June 2020, at 14:10.

Abraham Berkowitz (born November 26, 1907; died December 1985) was an attorney, notable for his leadership in representing African American defendants, attacking the Ku Klux Klan and promoting the change from Birmingham's City Commission form of government.

Berkowitz earned his degree at the University of Alabama School of Law, where he roomed with Albert Boutwell. He began practicing in Birmingham in 1928. He partnered with Arnold Lefkovits in the firm of Berkowitz & Lefkovits in 1950. The firm soon began receiving attorneys, such as David Vann, who were forced out of other firms due to their Civil Rights advocacy. In 2003 the 60 member firm was acquired by Baker Donelson of Huntsville, Tennessee.

Berkowitz was also a notable supporter of the Zionist movement. He convinced the Alabama legislature to pass a resolution in support of the creation of a Jewish state in 1943, and served as president of the Birmingham Zionist Organization in 1945. That July he attended a meeting of 18 Zionist leaders at Rudolf Sonneborn's penthouse in New York to plan methods of arming Jewish settlers in Palestine in advance of the 1948 Arab-Israeli War. He led efforts to gather war materiel in Birmingham, which was smuggled to New York in the inner tubes of a truck full of tires.

In the late 1940s, amidst increasing Ku Klux Klan terrorism, Berkowitz brought together a group of business and civic organizations, "Citizens Against Mobism", to demand more enforcement.

Berkowitz and Lebanese attorney Mansoud Zanaty co-owned the Lotus Restaurant.

CONSPIRACY: *U.S. v. Jimenez Recio*, 123 S.Ct. 819 (2003) - Essence of a conspiracy is an agreement to commit an unlawful act.

Conspiracy **poses a threat to the public** over and above the threat of the commission of the relevant substantive crime, both because **the combination in crime makes more likely the commission of other crimes** and because it **decreases the probability that the individuals involved will depart from their path of criminality.** *Id.*

UIE’S TAKE DOWN OF BAKER DONELSON’S “OPERATION SONDERGERICHT”

A *Sondergericht* was a German "special court". After taking power in 1933, the Nazis quickly moved to remove internal opposition to the Nazi regime in Germany. The legal system became one of many tools for this aim and the Nazis gradually supplanted the normal justice system with political courts with wide-ranging powers. The function of the special courts was to intimidate the German public, . . .

These protections were swept away in the special courts, since they existed outside the ordinary judicial system. There was no possibility of appeal, and verdicts could be executed at once. The court decided the extent of evidence to consider, and "the defense attorneys couldn't question the proof of the charges" . . .

Between 1933 and 1945, 12,000 Germans were executed on the orders of the *Sondergerichte* set up by the Nazi regime. Especially during the first years of their existence they "had a strong deterrent effect" against opposition to the Nazis; the German public was intimidated through "arbitrary psychological terror" . . . -- As of 05/04/20: <https://en.wikipedia.org/wiki/Sondergericht>

H. RES. 694

Recognizing the importance of the Civil Rights Act of 1866 and the laws derived therefrom.

IN THE HOUSE OF REPRESENTATIVES

RESOLUTION

Recognizing the importance of the Civil Rights Act of 1866 and the laws derived therefrom.

Whereas, in the aftermath of the Civil War, the reunified United States of America struggled to reconstruct its war-torn States or establish laws granting newly freed slaves the same rights afforded to White citizens;

Whereas the Civil Rights Act of 1866 declared that all persons born in the United States are entitled to be citizens, without regard to race, color, or previous condition of slavery or involuntary servitude;

Whereas the Civil Rights Act of 1866 was enacted to accomplish three primary objectives: to establish that all persons born in the United States were to be considered citizens, to clearly define the rights guaranteed by American citizenship, and to make it unlawful for any person to deprive another of these rights on the basis of race,

Whereas the Civil Rights Act of 1866 served the role of overriding “Black Codes”, laws enacted in southern States to restrict African Americans’ freedom and keep formerly enslaved persons from thriving in society,

Sanford cops wanted to charge Zimmerman in Trayvon Martin case

By Frances Robles

Despite public claims that there wasn't enough probable cause to make a criminal case in the Trayvon Martin killing, early in the investigation the Sanford Police Department requested an arrest warrant from the Seminole County State Attorney's office, the special prosecutor in the case told The Miami Herald on Tuesday.

The United Nations Declaration on the Rights of Indigenous Peoples

HEARING COLLECTIVE COMPLAINTS²²⁹

In 2008, the Canadian Human Rights Act was amended to include the following provision:

In a complaint made under the Canadian Human Rights Act ... this Act shall be interpreted and applied in a manner that gives due regard to First Nations legal traditions and customary laws, particularly the balancing of individual rights and interests against collective rights and interests, to the extent that they are consistent with the principle of gender equality.²³⁰

The Canadian Human Rights Commission has developed operational guidance on how it will apply the amendment. This guidance is based on research commissioned by experts in dialogues with Elders and legal practitioners, facilitated by the Indigenous Bar Association.

AMICUS CURIAE OR INTERVENER IN COURT PROCEEDINGS

The Nigerian Human Rights Commission intervened in a court case to seek an injunction to prevent the demolition of indigenous peoples' land.

The Defensor del Pueblo de la República de Ecuador has raised concerns with the courts in a number of criminal proceedings instituted against indigenous leaders or activists who have been charged with terrorism or other offences as a result of social protest. This has led to behaviour change in instances where violations of due process have been detected.

Archie Battersbee: UN issues injunction to stop UK turning off brain-damaged boy's life support

Archie's mother said the news 'means everything'

Emily Atkinson • Saturday 30 July 2022 07:56 • [Comments](#)

The United Nations has issued an **injunction** stating that **Archie Battersbee's** life support is to be kept on while it considers his case.

The injunction from the **UN** Committee on the Rights of Persons with Disabilities (UN CRPD) says the 12-year-old's life support should not be removed after his parents failed to persuade the Supreme Court to intervene.

Archie's mother and father, Hollie Dance and Paul Battersbee, submitted an application to the UN earlier on Friday to delay the withdrawal of **life support** from their son while their complaint was investigated.

The family argued that stopping treatment would be in breach of the UK's obligations under Articles 10 and 12 of the UN Convention on the Rights of People with Disabilities, and Article 6 of the UN Convention on the Rights of Children.

Furthermore, aid and assist in providing **lawful PROTECTIONS / SAFEGUARDS** and, in good faith, **preventing further unlawful INVASIONS / SEIZURES and TAKEOVERS** by People / Groups the CTN having deemed as USA TERRORISTS (i.e. as the NAZIS / White Supremacists / Ku Klux Klan / Jews / Zionists) based on the **FACTS / EVIDENCE** set forth in this instant **"05/31/2024 CTN-UIE**

Discovery doctrine

On March 30, 2023, the Vatican repudiated the doctrine of discovery as “not part of the teaching of the Catholic Church.” The Vatican pointed to the 1537 papal bull, *Sublimis Deus*, which affirmed the liberty and property rights of Indigenous peoples and prohibited their enslavement.^{[42][86]}

Sublimis Deus

Sublimis Deus (English: *The sublime God*;^[1] erroneously cited as *Sublimus Dei* and occasionally as *Sic Dilexit*^[2]) is a bull promulgated by Pope Paul III on June 2, 1537, which forbids the enslavement of the indigenous peoples of the Americas (called “Indians of the West and the South”) and all other people who could be discovered later.^[3] It states that the Indians are fully rational human beings who have rights to freedom and private property, even if they are heathen.^{[4][5][6][7][8][9]} Another related document is the ecclesiastical letter *Pastorale officium*, issued May 29, 1537, and usually seen as a companion document to *Sublimis Deus*.^[10]

- g) From research, it appears that in the United States of America / STATE OF MISSISSIPPI a “TEMPORARY” Restraining Order **has been issued for DECEPTIVE purposes** – i.e. in furtherance of deceiving BLACK Indians and / or Native Nations and their People to think that Mississippi’s alleged Legislation can be enforced against them (when it CANNOT); moreover, said **WAR Crimes Atrocities** can be lawfully brought before the appropriate INTERNATIONAL Authorities challenging the USA’s / State of Mississippi’s allege claims of JURISDICTION as well as allege claims of a lawfully binding CONSTITUTION (which is **FRAUDULENT and NOT binding** upon the BLACK Indians and / or Native Nations and their People)!

89. This instant “**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .**” is seeking assistance through the appropriate INTERNATIONAL Authorities as the International Criminal Court has advised is available. The Chickasaw Tribal Nation’s / Utica International Embassy’s Officials look forward to working with other SOVEREIGN Native Nations, their Officials and People in setting up the applicable SPECIAL Tribunals to handle INVESTIGATION(S) and / or PROSECUTION(S) as well as the appropriate International MILITARY Court(s) for purposes of handling Trial(s) – as done by the West / Europeans in the NUREMBERG TRIALS – wherein, it is alleged:

After the war, **Allied powers—United States, Great Britain, France,** and the **Soviet Union—came together to form the International Military Tribunal** (IMT). From 1945 to 1946, **Nazi Germany leaders** stood trial for crimes against peace, war crimes, crimes against humanity, and conspiracy to commit any of the foregoing crimes. - - As of 04/28/2023:
<https://www.nationalww2museum.org/war/topics/nuremberg-trials>

90. Through this instant “**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .**,” the Chickasaw Tribal Nation’s / Utica International Embassy’s Officials seek the **use of similar processes** alleged to have been **used to bring** NAZI Leader Adolf Hitler and others to JUSTICE! However, **IT IS IMPORTANT TO NOTE**, the Nuremberg Trials **were ONLY** held in the interest of what has become known as “WHITE” West / European Nations’ INTERESTS!

IMPORTANT TO NOTE:
 The Nuremberg Trial **"ONLY"** for **EUROPEAN** Axis (known as **WHITE** Nations) **unlawfully** occupied by NAZI Germany - - Did **NOT** address **unlawful** NAZI Occupation of **NATIVE** NATIONS (as that presently known as the United States which was under **HEAVY** occupation at the time of WW2 and part of the WW2 Conspiracies and HOAX....

91. It appears, World War II (**WW2**) was merely a **HOAX** for purposes of **REORGANIZING** in the furtherance of Germany's, its NAZI Leader Adolf Hitler and CO-Conspirators to shield / mask a much LARGER and GLOBAL "Enslavement" Scheme of Native Nations around the World – i.e. Under Hitler's, "Today we **RULE** Germany, **TOMORROW**, the **WORLD!**"

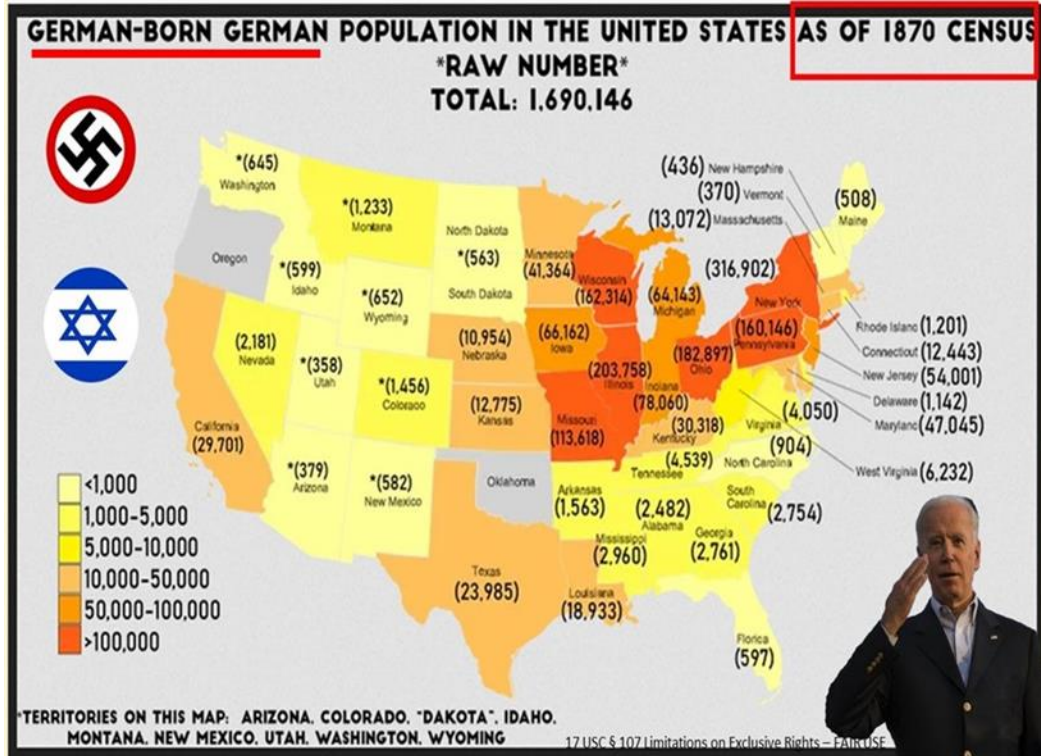

92. **IMPORTANT TO NOTE:** The Nuremberg Trials were held to address **“ONLY”** the unlawful **INVASIONS** of NAZI Germany’s Adolf Hitler and his Third Reich Regime . . . into what has become known as the EUROPEAN Axis - - WHITE Nations (West / Europe) - - however, **FAILED to address and prosecute for NAZI Germany’s unlawful INVASIONS into NATIVE Nations / Continents** (as North America [actually naming a Land Mass **the United States of America**], **AFRICA, South America** and **NOW Middle Asia**)!

Thus, **in keeping** with INTERNATIONAL Laws / Practices (as the West / Europe) **used in conducting the Nuremberg Trials**, the Chickasaw Tribal Nation Officials seeking to work with other Native Nations to pursue Justice through the applicable International Military Tribunals in conducting the N.A.Z.I. (NAZI and ZIONISTS International) Trials for purposes of bringing the United States of America’s Officials, Military and applicable CO-Conspirators to **JUSTICE for:**

WAR Crimes, Crimes Against Humanity, violation(s) of Geneva Convention on the Prevention and Punishment of the Crime of

Genocide (1948), Ethnic Cleansing, violation(s) of Chemical Weapons Convention (1997), as well as other Atrocities, etc.!

93. Through this instant **“05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . . ,”** the Chickasaw Tribal Nation’s / Utica International Embassy’s Officials, etc. seeks the assistance through the appropriate INTERNATIONAL Authorities in the setting up of the applicable SPECIAL Tribunal(s) / International TRIBUNAL(S) / International MILITARY Tribunal(s), etc. to act in the **“Situation In The United States of America - STATE OF MISSISSIPPI, etc.,”** wherein, seeking INVESTIGATION(S) and PROSECUTION(S) – if VIOLATION(S) found – and finding(s) for **FAILURE TO ACT upon RELIEF / REQUESTS / DEMANDS . . .** sought through Vogel Denise Newsome’s **January 10, 2012, Communications:**

- b) **SUSPENSION / CANCELLATION** Of "ALL" allege USA / United States Federal Elections:

Record evidence will support that Vogel Denise Newsome who is now serving as Prime Minister for the Chickasaw Tribal Nation / Utica International Embassy demanded said action for purposes of, "**CLEANING out CORRUPTION and CRIMINALS presently in the EXECUTIVE Branch, LEGISLATIVE Branch and JUDICIAL Branch of the Government.**" Furthermore, TIME has allowed for Prime Minister and CTN Officials to determine that the United States of America **is NOT** a Government; but merely a "**PRIVATELY Held Company**" and appears to **be perpetrating** as a "**SHADOW Government**" for **INVESTORS** in **HUGE RACKETEERING / Ponzi / Pyramid** . . . Schemes, etc.!

The **shadow government** (**cryptocracy, secret government, or invisible government**) is a family of **theories** based on the notion that **real and actual political power resides not only** with **publicly elected representatives** but with **private individuals** who are **exercising power behind the scenes**, beyond the scrutiny of democratic **institutions**. According to this belief, the **official elected government is subservient** to the **shadow government**, which is **the true executive power**.

Some of the groups proposed by these theories as constituting the shadow government include central banks, Freemasons, communists, Nazis, intelligence agencies, think tanks, organized Jewry, the Vatican, Jesuits, or Catholics in general, as well as secret societies, moneyed interests, extraterrestrials and globalist elites and supranational organizations who seek to manipulate policy in their own interest or in order to serve a larger agenda that is hidden from the general public. - -

CAUSE NO. 3:17-cv-404 WHB-LRA

PHIL BRYANT, in his official capacity as
Governor of Mississippi;
PHILIP GUNN, in his official capacity as
Speaker of the Mississippi House of Representatives;

5.18 To achieve the Convention's goal of eliminating the black vote, the delegates devised a literacy test subject to an "understanding clause." Under this clause, a potential voter would be required to read any section of the state constitution or "be able to understand the same when read to him, or give a reasonable interpretation thereof." Further, in case these suffrage measures were struck down by the courts, the delegates added two additional safeguards: legislative reapportionment to increase white-county

17

representation, and a state Electoral College scheme to ensure white control of the governor's office.

B) That the **NOVEMBER 2012** Federal Elections be **SUSPENDED/CANCELLED** due to the United States of America's **CLEANING** out the **CORRUPTION** and **CRIMINALS** presently in the **EXECUTIVE** Branch, **LEGISLATIVE** Branch and **JUDICIAL** Branch of the Government.

c) ASSISTANCE WITH SHUTTING DOWN TERRORIST Regime of the United States of America's COMPANY / CORPORATION Executive Office Of The President – i.e. and the Removal Of President and Administration / Staff Members for purposes of bringing them to JUSTICE. That said lawful procedures be carried out with the assistance of the appropriate INTERNATIONAL Authorities (i.e. as the United Nations, SOVEREIGN Foreign Nations Officials, etc.) to the *Herstorical* Mission(s) of the CTN!

Record evidence will support that Vogel Denise Newsome who is now serving as Prime Minister for the Chickasaw Tribal Nation / Utica International Embassy demanded similar action(s) as early as January 2012; however, the USA / United States' Officials . . . **FAILED TO ACT**, and, to date, an EXTENSION of President Barack Hussein Obama II's Administration (Joseph Robinette Biden II - who served as Vice President - is NOW President of the USA / United States) remains in their White House (Executive Office Of The President). Furthermore, TIME has allowed for Prime Minister Vogel Denise Newsome and / or CTN Officials to determine that the United States of America **is NOT** a Government; *but merely* a "**PRIVATELY Held Company**" and appears to **be perpetrating** as a "**SHADOW Government**" for **INVESTORS** in **HUGE RACKETEERING / Ponzi / Pyramid** . . . Schemes, etc.!

Moreover, CTN Research has found that the "**Executive Office Of The United States Government**" is also just merely "**PRIVATELY held company!**"

Furthermore, this instant demand / revised demand is in keeping with the **"01/10/2012 NFT-RFIMI"** submission advising,

"Vogel Denise Newsome reserves the right to amend and / or correct this correspondence and the relief sought herein as a matter of laws and in the interests of justice and the PUBLIC in that it has been submitted in GOOD FAITH!"

- C) United States of America President Barack Hussein Obama II **STEP DOWN IMMEDIATELY** and **VACATE** the White House on or BEFORE **Friday, FEBRUARY 10** - WITHOUT **BENEFITS/PAY**, etc. or otherwise be **REMOVED** by **MILITARY FORCE!** If President Barack Obama is **REFUSING** to Step Down that he be **REMOVED** from office by **MILITARY FORCE (i.e. Domestic and/or FOREIGN)**. Wherein, just as the Citizens of Libya sought **OUTSIDE** assistance to have Colonel Muammar Gaddafi **REMOVED**, Vogel Denise Newsome may seek assistance from Foreign Nations/Leaders – i.e. such as **IRAN/President MAHMOUD AHMADINEJAD** and their **ALLIES** (i.e. China, Germany, Russia and France, etc.) to have **President Barack Obama** and his Administration **REMOVED** from Office.

d) INVESTIGATION(S) INTO UNITED STATES KENTUCKY SENATOR RAND PAUL'S HANDLING OF VOGEL DENISE NEWSOME'S COMPLAINT(S) / REQUEST(S)!

Record evidence will support that Vogel Denise Newsome who is now serving as Prime Minister for the Chickasaw Tribal Nation / Utica International Embassy demanded assistance from United States Kentucky Senator Rand Paul through "01/10/2012 NFT-RFIMI" submission; however, he and / or the United States Senate Officials . . . **FAILED TO ACT**, and, to date, U.S. Senator remains in office, and, appears, to have become a **CAREER Politician!**

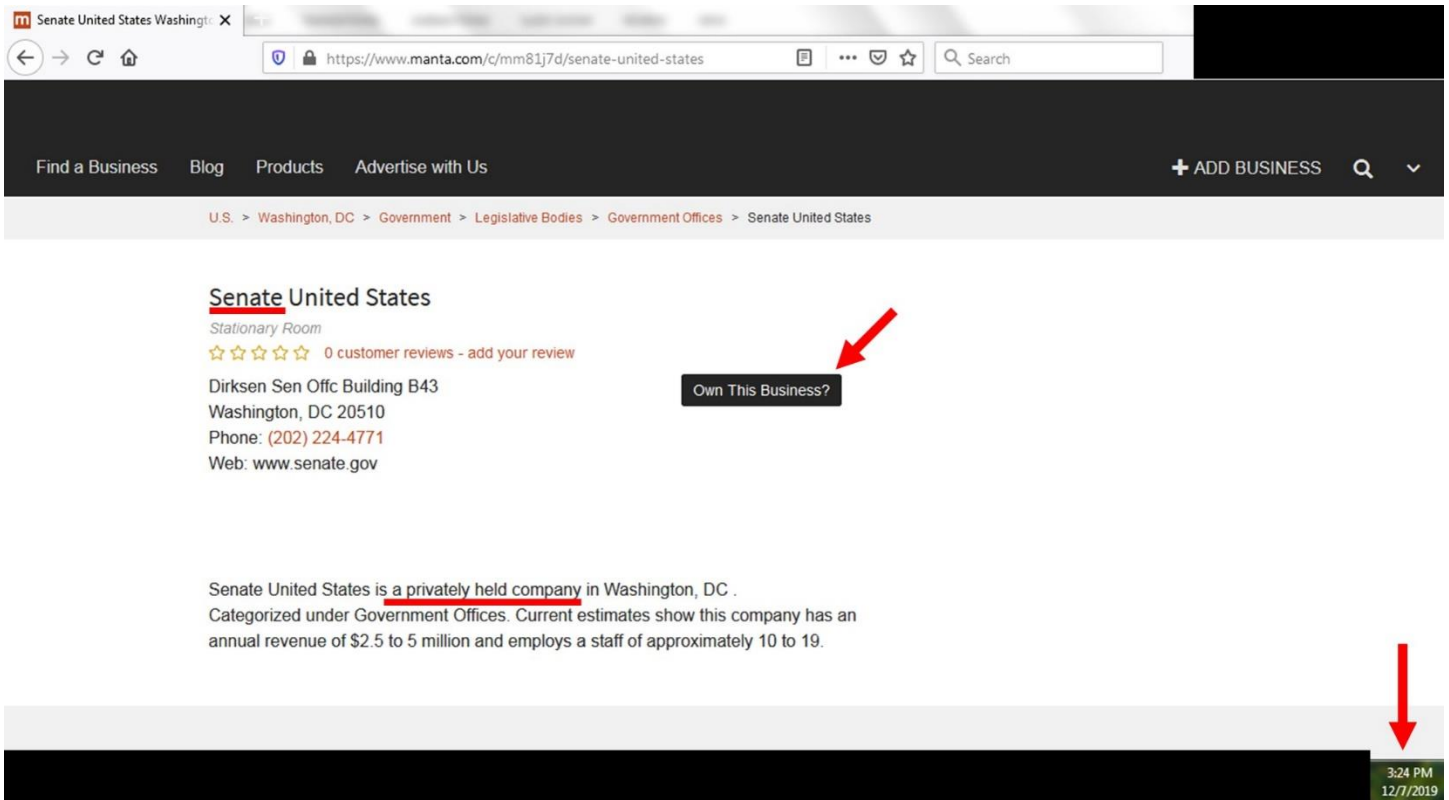

D) That United States of America Kentucky Senator Rand Paul sees that Vogel Denise Newsome's **March 12, 2011 PETITION FOR EXTRAORDINARY WRIT** is filed with the United States Supreme Court **IMMEDIATELY** – i.e. no later than **Friday, JANUARY 13, 2011**. Enclosed is **MONEY ORDER No. 19256593937** dated 2012-01-04 in the amount of \$300

for purposes of the filing fee. If **another Court/Committee**

is to be set up to handle these matter and it is determined that a **Filing Fee is NOT required**, please return to Vogel Denise Newsome with **WRITTEN** documentation explaining said return.

Furthermore, **TIME has allowed** for Prime Minister Vogel Denise Newsome and CTN Officials to determine that the United States SENATE **is NOT** a Government; but merely a "**PRIVATELY Held Company**" and appears to **be perpetrating** as a "**SHADOW Government**" for **INVESTORS** in **HUGE RACKETEERING / Ponzi / Pyramid . . . Schemes, etc.!**

Furthermore, this instant demand / revised demand is in keeping with the **"01/10/2012 NFT-RFIMI"** submission advising,

"Vogel Denise Newsome reserves the right to amend and / or correct this correspondence and the relief sought herein as a matter of laws and in the interests of justice and the PUBLIC in that it has been submitted in GOOD FAITH!"

e) **ASSISTANCE WITH THE SHUTDOWN OF THE UNITED STATES OF AMERICA'S / UNITED STATES SENATE and ASSISTANCE WITH RESTORATION OF CHICKASAW TRIBAL NATION'S GOVERNMENT. . .**

Record evidence will support that Vogel Denise Newsome who is now serving as Prime Minister for the Chickasaw Tribal Nation / Utica International Embassy demanded assistance from United States Kentucky Senator Rand Paul - through **"01/10/2012 NFT-RFIMI"** submission – with assistance in the REMOVAL of the Obama Administration from Office as well as that he STEP DOWN and VACATE the United States Senate and / or **be REMOVED by MILITARY FORCE** (i.e. in keeping with **lawful** processes / procedures through the applicable **International MILITARY Tribunals**, etc.); however, he and / or the United States Senate Officials . . . **FAILED TO ACT**, and, to date, U.S. Senator Rand Paul remains in office, and, appears, to have become a **CAREER Politician!**

Furthermore, record evidence supports that United States **Senator Rand Paul was TIMELY, PROPERLY and ADEQUATELY notified** that

assistance from **Foreign Nations / Leaders** may be pursued to aid / assist in said demand(s) – i.e. including CITIZEN’S / CITIZENS’ ARREST being carried out against him:

- E) United States of America Kentucky Senator Rand Paul **STEP DOWN** and **VACATE** the United States Senate on or **BEFORE Wednesday, FEBRUARY 29** - WITHOUT BENEFITS/PAY, etc. or otherwise be **REMOVED** by **MILITARY FORCE!** If President Barack Obama is **REFUSING** to Step Down that he be **REMOVED** from office by **MILITARY FORCE (i.e. Domestic and/or FOREIGN)**. Wherein, just as the Citizens of Libya sought **OUTSIDE** assistance to have Colonel Muammar Gaddafi **REMOVED**, Vogel Denise Newsome may seek assistance from Foreign Nations/Leaders – i.e. such as **IRAN/President MAHMOUD AHMADINEJAD** and their **ALLIES** (i.e. China, Germany, Russia and France, etc.) to have President Barack Obama and his Administration **REMOVED** from Office.

CITIZEN’S/CITIZENS’ ARREST:

<http://www.slideshare.net/VogelDenise/citizens-arrest-wikipedia>

Furthermore, **TIME** has allowed for Prime Minister Vogel Denise Newsome and CTN Officials to determine that the United States SENATE is **NOT** a Government; but merely a **“PRIVATELY Held Company”** and appears to be **perpetrating** as a **“SHADOW Government Agency”** for **INVESTORS** in **HUGE RACKETEERING / Ponzi / Pyramid . . . Schemes**, etc.!

Moreover, this instant demand / revised demand is in keeping with the **“01/10/2012 NFT-RFIMI”** submission advising,

“Vogel Denise Newsome reserves the right to amend and / or correct this correspondence and the relief sought herein as a matter of laws and in the interests of justice and the PUBLIC in that it has been submitted in GOOD FAITH!”

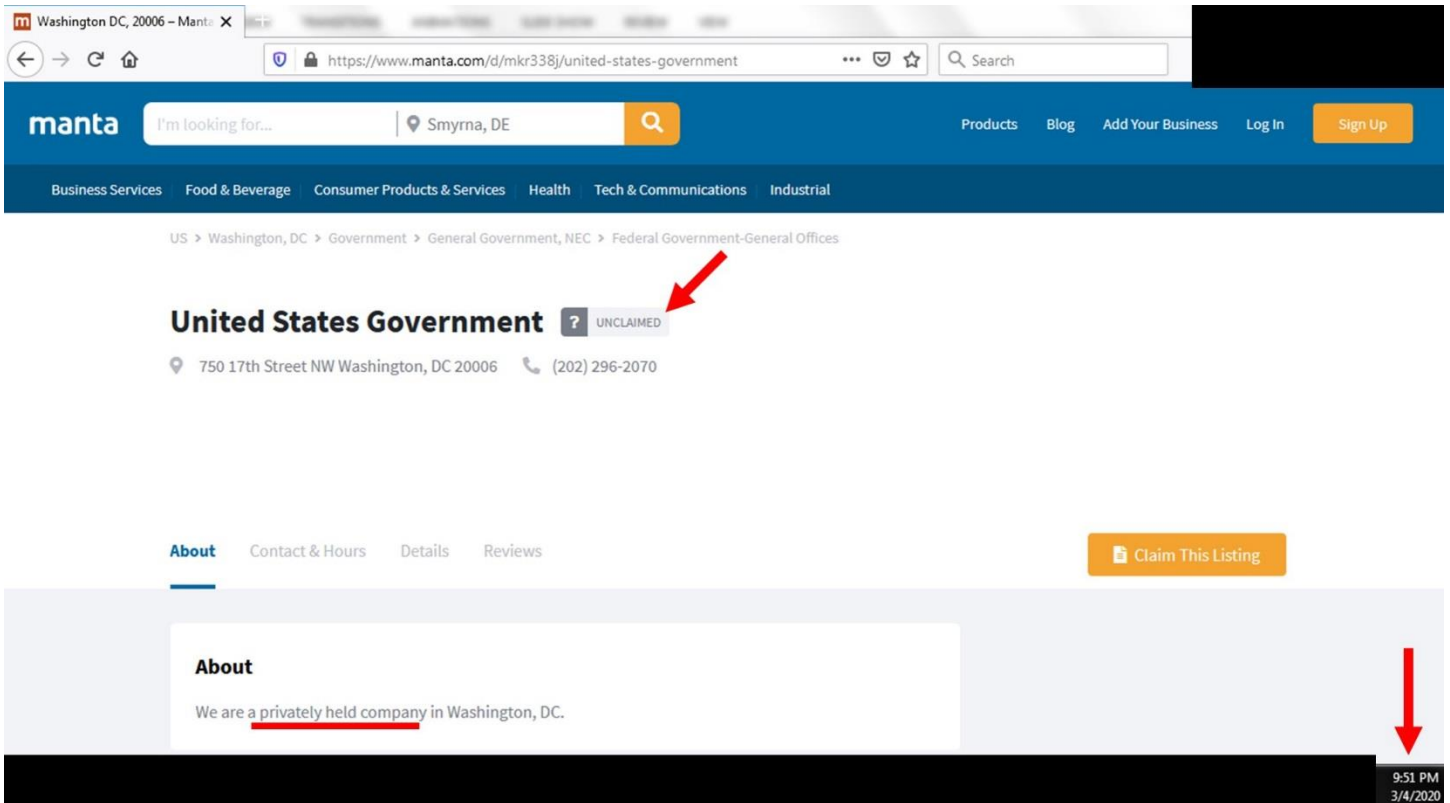

- f) **SHUTTING DOWN OF THE UNITED STATES OF AMERICA’S / UNITED STATES’ EXECUTIVE BRANCH:**

Record evidence will support that Vogel Denise Newsome who is now serving as Prime Minister for the Chickasaw Tribal Nation / Utica International Embassy demanded assistance from the United States EXECUTIVE BRANCH Administration wherein; *“STAFF Members - which shall include TOP THREE Level Officials / Executives in Command as well as any / all STAFF Members . . . that were assigned Agency Actions . . . regarding Vogel Denise Newsome STEP DOWN and / or RESIGN IMMEDIATELY . . .”* through **“01/10/2012 NFT-RFIMI”** submission; however, the United States Executive Branch Administration . . . **FAILED TO ACT**, and, to date, an

EXTENSION of their President Barack Obama’s Administration is present with Joseph Robinette Biden NOW presently serving as the President of the United States – i.e. ANOTHER **CAREER Politician!**

F) **That EXECUTIVE BRANCH’S Administration** (i.e. which includes however, is **NOT** limited to United States Vice President Joseph Biden, United States Secretary of State Hillary Clinton, United States Attorney General Eric Holder, United States Secretary of Labor Hilda Solis, United States Secretary of the Navy Raymond Mabus, United States Secretary of Defense Leon Panetta, Director of the CIA David Petraeus, etc.) **and STAFF Members - which shall include the TOP THREE Level Officials/Executives in Command** as well as **any/all STAFF Members** (i.e. Directors, Investigators, etc.) **that were assigned Agency Actions** (i.e. United States Department of Labor, United States Department of Justice) **regarding Vogel Denise Newsome – STEP DOWN and/or RESIGN IMMEDIATELY WITHOUT BENEFITS/PAY, etc. or otherwise be REMOVED by MILITARY FORCE!**

TIME has allowed for Prime Minister Vogel Denise Newsome) and CTN Officials to determine that the United States **is NOT** a Government; **but merely** a **“PRIVATELY Held Company”** and appears to **be perpetrating** as a **“SHADOW Government”** for **INVESTORS** in **HUGE RACKETEERING / Ponzi / Pyramid . . . Schemes, etc.!**

Furthermore, this instant demand / revised demand is in keeping with the **“01/10/2012 NFT-RFIMI”** submission advising,

“Vogel Denise Newsome reserves the right to amend and / or correct this correspondence and the relief sought herein

as a matter of laws and in the interests of justice and the PUBLIC in that it has been submitted in GOOD FAITH!"

95. Through this instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . ."** record evidence will support that Vogel Denise Newsome who is now serving as Prime Minister for the Chickasaw Tribal Nation / Utica International Embassy advised United States Kentucky Senator Rand Paul with information surrounding the OBSTRUCTION in filing with the **Supreme Court Of The United States** her, **"Petition For Extraordinary Writ"** ("PFEW")! In keeping with said PFEW, and in accordance with the Statutes, Codes, Rules, Regulations and INTERNATIONAL Laws governing said matters for **"FAILURE TO ACT,"** etc., **the issues set forth therein have been TIMELY, PROPERLY and ADEQUATELY preserved** for matter(s) [such as this instant document] **to be brought before the applicable International MILITARY Tribunals** and / or **appropriate INTERNATIONAL Authorities** (i.e. pursuant to the **International Criminal Court's April 4, 2019 Communications**). Thus preserving the *claims / averments* raised in PFEW as well as prior and subsequent Judicial Filings / Submittals of Vogel Denise Newsome **PRESERVED** through **"01/10/2012 NFT-RFIMI"** submission!

- G) That United States Kentucky Senator Rand Paul have Vogel Denise Newsome's **PETITION FOR EXTRAORDINARY WRIT** and prior and subsequent documents regarding this matter filed with the United States Supreme Court **IMMEDIATELY** – i.e. **NO LATER** than **FRIDAY, JANUARY 13, 2012**. Furthermore, that should it be **FOUND** that with the setting up of the **EMERGENCY COURT(S)** requested by Vogel Denise Newsome that matter(s) addressed in the *Petition for Extraordinary Writ* are to be handled by the Emergency Courts and that the \$300 Filing Fee **is NOT required** and **CONSIDERING the facts**, evidence and **HARDSHIPS suffered already in pursuit of JUSTICE**, that monies be returned with **CORRESPONDENCE** as to how matter is going to be handled.

Reiterating, **TIME has allowed** for Prime Minister Vogel Denise Newsome and CTN Officials to determine that the United States SENATE **is NOT** a Government; *but merely* a **"PRIVATELY Held Company"** and appears to **be perpetrating** as a **"SHADOW Government Agency"** for **INVESTORS** in **HUGE RACKETEERING / Ponzi / Pyramid . . . Schemes**, etc.!

Furthermore, this instant demand / revised demand is in keeping with the **"01/10/2012 NFT-RFIMI"** submission advising,

"Vogel Denise Newsome reserves the right to amend and / or correct this correspondence and the relief sought herein as a matter of laws and in the interests of justice and the PUBLIC in that it has been submitted in GOOD FAITH!"

96. Record evidence will support that Vogel Denise Newsome who is now serving as Prime Minister for the Chickasaw Tribal Nation / Utica International Embassy demanded assistance from United States Kentucky Senator Rand Paul through **"01/10/2012 NFT-RFIMI"** submission; however, he and / or the United States Senate Officials . . . **FAILED TO ACT**, and, to date, U.S. Senator Rand Paul remains in office, and, appears, to have become a **CAREER Politician!**

Thus, affording the CTN to exercise INTERNATIONAL options as well as work with INTERNATIONAL Authorities in pursuit of good-faith / lawful SOLUTIONS!

97. Rep. John Conyers' Wife Heads Off to Prison

For Democratic congressman John Conyers, the drama of the 2006 baby-sitting ethics scandal must seem like a walk in the park compared with the heartbreak of seeing his wife report to federal prison. Today, ex-Congress council member Monica Conyers began a 37-month sentence for corruption at a minimum-security camp in Alderson, W.Va. It's the same place Martha Stewart did time for charges relating to a stock-trading scandal.

In 2009 Monica Conyers pleaded guilty to taking bribes, although she is currently trying to retract that plea.

I knew that with my education, years of work experience and skills, that it should not be difficult for me to obtain employment; however, seeing the conspiracy leveled against me and the evidence that has surfaced, there was no alternative left for me but to move away for my livelihood, liberties, pursuit of happiness, etc.

I believe that the record evidence will support a pattern-of-practice by the "**certain**" Whites and others. Moreover, their use of government entities/resources and said entities' authority to commit civil/criminal wrongs against me. Moreover, that such pattern-of-practice, resulted in my being subjected to excessive force, discriminatory harassment, false arrest, unlawful seizure of property and residence, unlawful arrest, forced out of my residence and having to move away, etc.

Pattern and Practice**

Whenever the Attorney General has reasonable cause to believe that a violation has occurred, the Attorney General, for or in the name of the United States, may in a civil action obtain appropriate equitable and declaratory relief to eliminate the pattern or practice.

Unlawful Stops, Searches or Arrests . . .

There is no precise estimate of the extent of extortion racketeering, although empirical studies have been done on the topic. For instance, interviews conducted with business owners in ethnic communities in New York City found that most admitted to being approached by gangs for money, goods, or services and that most of these businesses paid what was asked. In other locations around the world, as many as four-fifths of all businesses have paid some form of extortion, but the numbers vary. These studies show that systematic extortion racketeering occurs most often with small businesses in urban locations, where the police cannot be relied upon for protection (Chin, Ko-lin, 1996; Finckenaue and Waring, 2000; Finckenaue and Ko-lin Chin, 2007; Gambetta, 1996; Paoli, 2003; Tulyakov, 2001).

*** Conspiracy Against Rights – At Page 34

I seek the intervention of the Legislature/Congress and request Investigations and Hearings to address the ongoing conspiracy and to enact and direct the enforcement of the laws which deter such unlawful/illegal actions rendered me by the “**certain**” Whites, their counsel, government entities (their officials/employees) and others. Conspiracy actions orchestrated and/or initiated by *certain* “Whites” against me for purposes of injuring, oppression, threats and intimidation to prevent me from exercising *protected rights secured under the Constitution as well as other statutes/laws*.

**Title 18, U.S.C., Section 241
Conspiracy Against Rights**

This statute **makes it unlawful** for two or more persons to *conspire to injure, oppress, threaten, or intimidate any person of any state, territory or district in the free exercise or enjoyment of any right or privilege secured to him/her by the Constitution or the laws of the United States, (or because of his/her having exercised the same)*.

It further makes it unlawful for two or more persons to go in disguise on the highway or on the premises of another with the intent to prevent or hinder his/her free exercise or enjoyment of any rights so secured.

Punishment varies from a fine or imprisonment of **up to ten years**, or both; and if death results, or if such acts include kidnapping or an attempt to kidnap, aggravated sexual abuse or an attempt to commit aggravated sexual abuse, or an attempt to kill, shall be fined under this title or imprisoned for any term of years, or for life, or may be sentenced to death.

CUT & PASTED FROM: <http://www.fbi.gov/hq/cid/civilrights/statutes.htm>. See **EXHIBIT “13”** attached hereto and incorporated by reference.

I further seek the Legislature/Congress’ intervention and request Investigations, Hearings and render findings in that I believe the record will support the felonious acts that “**certain**” Whites and others have taken against me; in which I will seek indictments against those found guilty (if any) of such criminal/civil wrongs alleged against me.

MISSISSIPPI CODE OF 1972

SEC. 97-1-3. Accessories before the fact.

*** Federal Bureau of Investigation Notified – At Page 38

IX. FEDERAL BUREAU OF INVESTIGATION (FBI)

On or about **June 26, 2006**, I filed a "formal" typewritten Complaint in person with the FBI in Jackson, Mississippi. See **EXHIBIT "16"** attached hereto and incorporated by reference. On August 5, 2006, I followed up requesting the status of the Complaint and noted certain concerns such as:

My concerns, as conveyed in the Complaint, was whether or not the FBI would be willing to investigate the allegations of my Complaint and remain impartial in their handling thereof, due to the fact that Judge Skinner (Justice Court Judge) – whose father was killed in the line of duty during an FBI raid in 1971 on the Republic of New Afrika – the/his Constable (Jon Lewis) and others, associated with Judge Skinner, may have engaged in criminal wrongs against me which violated my civil rights and other protected rights.

Upon my recent visit to the FBI's website, I found where the FBI handles Complaints such as mine, which I believe falls under **CIVIL RIGHTS – COLOR OF LAW**: (1) Excessive force, (2) False Arrest and Fabrication of Evidence, and (3) Failure to Keep from Harm.

See **EXHIBIT "36"** attached hereto and incorporated by reference.

The Legislature/Congress' intervention is sought to Investigate the FBI's handling of the complaint I filed in that the evidence supports the claims brought by me were within the jurisdiction of the FBI; however, they failed to perform the ministerial duties owed me. Furthermore, it raises reasonable doubts as to such failure by the FBI may be in furtherance of the conspiracy leveled against me and acts taken to render Judge Skinner and others "**special**" favors. I believe Investigations will yield evidence that the FBI in failing to deter the legal/civil/criminal wrongs brought to its attention, deprived me of rights secured under the Constitution, Civil Rights Act, the statutes/laws upon which they were created and/or are required to uphold. Furthermore, I believe the Legislature/Congress will find that there was never an investigation or inquiry by the FBI as to the claims asserted in the complaint I filed with it, in that said agency compromised its integrity for purposes of rendering of "**special**" favors for Judge Skinner and others as well as actions deliberately done to force me to file legal actions

Dear Senator Rand Paul:

My name is Vogel Denise Newsome (Newsome) and I am a constituent of yours (i.e. Kentucky Registered Voter). Because Newsome does not want you to think that she is an Ohio resident (i.e. because of the cell phone number and mailing addressed used), she has attached a copy of my Driver's License. Newsome is requesting an INVESTIGATION and if necessary the IMPEACHMENT and INDICTMENT of United States President Barack Obama, his Administration and others who are found

THEN AGAIN through her **"01/10/2012 NFT-RFIMI"** submission, sought assistance in the REMOVAL of the Obama Administration from Office as well as that Senator Rand Paul STEP DOWN and VACATE the United States Senate and / or **be REMOVED by MILITARY FORCE** (i.e. in keeping with **lawful** processes / procedures through the applicable **International MILITARY Tribunals**, etc.); however, he and / or the United States Senate Officials . . . **FAILED TO ACT**, and, to date (May 2024), U.S. Senator Rand Paul remains in office, and, appears, to have become a **CAREER Politician!**

Furthermore, record evidence supports that United States **Senator Rand Paul was TIMELY, PROPERLY and ADEQUATELY notified** that assistance **from Foreign Nations / Leaders may be pursued** to aid / assist in said demand(s).

Watkins v. U.S., 77 S.Ct. 1173 (1957) - [n.2] **Power of Congress to conduct investigations** is inherent in the legislative process, and is broad.

[n.5] In **conducting investigation**, Congress is not a law enforcement or trial agency and no inquiry is an end in itself, **but it must be related to and in furtherance of a legitimate task of Congress.**

[2][5]We start with several basic premises on which there is general agreement. **The power of the Congress to conduct investigations is inherent in the legislative process. That power is broad.** It encompasses inquiries concerning the administration of existing laws as well as proposed or possibly needed statutes. **It includes surveys of defects in our social, economic or political system for the purpose of enabling the Congress to remedy them.** It comprehends **probes into departments of the Federal Government to expose corruption, inefficiency or waste.** But, broad as is this power of inquiry, it is not unlimited. There is no general authority to expose the private affairs of individuals without justification in terms of the functions of the Congress. This was freely conceded by the Solicitor General in his argument of this case. FN8Nor is the Congress a law enforcement or trial agency. These are functions of the executive and judicial

departments of government. No inquiry is an end in itself; **it must be related to, and in furtherance of, a legitimate task of the Congress.** . . .

FN8. 'Now, we don't claim on behalf of the Government that there is any right to expose for the purposes of exposure. And I don't know that Congress has ever claimed any such right. But we do say, in the same breath, **that there is a right to inform the public at the same time you inform the Congress.**'

Page vs. Shelby, 995 F.Supp. 23 (1998) - **VINDICATION** of **PUBLIC** interest in governmental observance of Constitution and law is **FUNCTION** of Congress and President, **NOT** judiciary.

McGrain vs. Daugherty, 47 S.Ct. 319 (U.S. Ohio 1927) - Power of inquiry is essential and appropriate auxiliary to legislative function. . . **Congress may inquire into PRIVATE affairs and compel disclosures only in so far as to make express powers effective.**

Watkins vs. U.S., 77 S.Ct. 1173 (1957) - **Power** of Congress to **conduct investigations** is inherent in the legislative process and is broad . . . Congress, through its committees, may **obtain any** information it needs for proper fulfillment of its role, and is free to determine the kinds of data that should be collected; it is only investigations conducted by **use of compulsory process that give rise to the need to protect rights of individuals against illegal encroachment.** 2 U.S.C.A. § 192.

114. Record evidence of the United States DISTRICT and BANKRUPTCY Courts will support that Vogel Denise Newsome – presently serving PRIME MINISTER for the Chickasaw Tribal Nation / Utica International Embassy – PRESERVED evidence [through Court matters] of TIMELY notifying the United States of America’s Judge(s) of concerns of their **CORRUPT**

Judicial System and the roles being played by their Legal Counsel Baker, Donelson, Bearman, Caldwell & Berkowitz P.C.'s Lawyers / Attorneys in said CORRUPTION, etc.! Furthermore, Court submissions by Newsome being supported by Legal Conclusions / Case Laws; however, Judge(s) electing to CLEARLY disregard and continue on a course of INEVITABLE destruction and doom of the United States of America's JUDICIAL System, etc.!

- 117.** Record evidence will support that USA's **Joint Chiefs of Staff** was TIMELY, PROPERLY and ADEQUATLY notified that assistance in the DEFENDING / PROTECTION of Citizens through the TRANSITION PROCESS was needed as ASSESSMENTS of situation(s) are made. However, the USA's Joint Chief of Staff **FAILED TO ACT** on Vogel Denise Newsome's (who is presently serving as Prime Minister of the Chickasaw Tribal Nation / Utica International Embassy) demand(s). Therefore, affording the CTN to seek assistance / intervention through the appropriate INTERNATIONAL Authorities – i.e. as an option presented on or about April 4, 2019, through International Criminal Court Communication!

H) That the United States of America's **JOINT CHIEFS OF STAFF** take this **TIME FRAME** (i.e. thru **February 6, 2012**) to **ASSESS** the situation and begin the **NECESSARY** process to **ASSIST** and **DEFEND/PROTECT** the United States of America Citizens through this **TRANSITION PROCESS**. Furthermore, **TIME** has allowed for Prime Minister and CTN Officials to determine that the United States **Department of Defense** is **NOT** a Government Entity; but merely a **"PRIVATELY Held Company"** and appears to be **perpetrating** as a **"SHADOW Government Agency"** for **INVESTORS** in **HUGE RACKETEERING / Ponzi / Pyramid . . . Reiterating, TIME has allowed for Prime Minister Vogel Denise Newsome and CTN Officials to determine that the United States Department of Defense **is NOT** a Government Branch / Agency; *but merely* a **“PRIVATELY Held Company”** and appears to **be perpetrating** as a **“SHADOW Government Agency”** for **INVESTORS** in **HUGE RACKETEERING / Ponzi / Pyramid . . . Schemes, etc.!**

Furthermore, this instant demand / revised demand is in keeping with the **“01/10/2012 NFT-RFIMI”** submission advising,

“Vogel Denise Newsome reserves the right to amend and / or correct this correspondence and the relief sought herein as a matter of laws and in the interests of justice and the PUBLIC in that it has been submitted in GOOD FAITH!”

118. TRANSITIONAL PHASE: Through this instant **“05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .,”** the Chickasaw Tribal Nation’s / Utica International Embassy’s Officials, etc. seeks the assistance through the appropriate INTERNATIONAL Authorities in the setting up of the applicable **SPECIAL Tribunal(s) / International TRIBUNAL(S) / International MILITARY Tribunal(s)**, etc. to act in the **“Situation In The United States of America - STATE OF MISSISSIPPI, etc.,”** wherein, situation(s) of violence, War Crimes, Crimes Against Humanity and many more Atrocities **persist at EXTREME levels against** “BLACK Indians” / Native Nations and their People from the United States of America’s NAZIS / White Supremacists / Ku Klux Klan / Jews / Zionists and CO-Conspirator(s) **HEAVILY invested in the ENSLAVEMENT** of the “BLACK Indians” / Native Nations and their People! Moreover, INVESTIGATION(S) and / or PROSECUTION(S) – if VIOLATION(S) found – as well as assistance with the **“TRANSITIONING” Phase in the RETURN of POWER** to the Chickasaw Tribal Nation and implementation of their **SOVEREIGNTY** in the **RESTORATION / REBUILDING. . . of Governments** within said Tribal Nation, etc.!

119. Since the **“01/10/2012 NFT-RFIMI”** submission, the Chickasaw Tribal Nation’s / Utica International Embassy’s Officials have found out that the USA’s / United States’ Military **is being used to TRAIN** the likes of NAZI / White Supremacist / Ku Klux Klan / Jewish / Zionist Terrorists for purposes of accomplishing the OBJECT of said **CONSPIRACIES** – i.e. **Global White Supremacy / Dominance** over “ALL” other “BLACK Indian” / Native Nations and their People, etc.

Therefore, this instant demand / revised demand is in keeping with the *"01/10/2012 NFT-RFIMI"* submission advising,

"Vogel Denise Newsome reserves the right to amend and / or correct this correspondence and the relief sought herein as a matter of laws and in the interests of justice and the PUBLIC in that it has been submitted in GOOD FAITH!"

V. INVESTIGATION(S) INTO UNITED STATES OF AMERICA'S: DEPARTMENT OF JUSTICE / UNITED STATES DETENTION/ JAIL / INCARCERATION /PRISON SYSTEM(S):

120. This this instant *"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . ."* record evidence will support that Vogel Denise Newsome who is now serving as Prime Minister for the Chickasaw Tribal Nation / Utica International Embassy,

"DEMANDING the IMMEDIATE RELEASE of ALL Prisoners being held in any / all United States of America Military Prisons (i.e. as Guantanamo Bay, Abu Ghraib, etc.) in that it appears that these Prisoners may have been UNLAWFULLY / ILLEGALLY detained . . .in that their ARRESTS /

DETENTIONS may violate the Laws governing such matters and may be a direct and proximate result of FRAUD and CRIMINAL Acts PERPETRATED by the United States of America's Government Officials (i.e. PresidentS of the United States). . ."

- J) **DEMANDING the IMMEDIATE RELEASE of ALL** Prisoners being held in any/all United States of America Military Prisons (i.e. such as *Guantanamo Bay, Abu Ghraib*, etc.) in that it appears that these Prisoners may have been **UNLAWFULLY/ILLEGALLY detained** by United States Government Officials in that their **ARRESTS/DETENTIONS may violate the Laws governing such matters and may be a direct and proximate result of FRAUD and CRIMINAL Acts PERPETRATED by the United States of America's Government Officials (i.e. PresidentS of the United States).**

through "**01/10/2012 NFT-RFIMI**" submission; however, **to date**, it appears these prisons are still up and running and may be in full operations!

- 121.** Since the "**01/10/2012 NFT-RFIMI**" submission, additional research appears to provide evidence of a SHAM Congressional Hearing in **June 2008**; wherein, it is clear that said Hearing is **COMPROMISED / TAINTED!** Even more disturbing was seeing that the USA's Legal Counsel Baker Donelson having one of their KEY / TOP Attorneys (David Addington – who served as Chief of Staff and Legal Counsel for U.S. Vice President Richard "Dick" Cheney") as a Witness! Thus, supporting the USA's / United States' **INCOMPETENCE** in conducting meaningful / lawful Investigations, and, therefore, **affording** Chickasaw Tribal Nation / Utica International Embassy Officials their duty and obligation to request(s) Investigations from the "**appropriate INTERNATIONAL Authorities**" into the USA's / United States' Prison Systems (Civilian / Military . . .) as well as handling of such matters before the United States Congress to determine whether criminal acts, etc. occurred, and, if so, the applicable PROSECUTION(S) thereof!

Through this instant "**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .**," the CTN Officials incorporate by reference an excerpt of the 06/2008 Congressional Hearings regarding USA Torturing Techniques / WAR Crimes, etc. as if set forth in full herein.

As of 06/23/2023

- 122.** From research, it appears, the USA’s / United States’ Officials . . . , their Legal Counsel Baker, Donelson, Bearman, Caldwell & Berkowitz P.C. and CO-Conspirators are running elaborate RACKETEERING Privately Held / Owned Prison Systems throughout the State of Mississippi and the WORLD! Based upon said “privately held” status, a reasonable mind may conclude “OWNERS” / “INVESTORS” . . . *knowingly* and / or should have known of engagement in unlawful SLAVERY schemes (*specifically targeting* “BLACK Indians” / Natives) that have been covered up / shielded through frivolous / alleged Legislation, etc.
- 123.** In the State of Mississippi, Covert RACKETEERING *Privately* Held **Prison** Operations, research revealed:

HOW the USA’s NAZIS / White Supremacists / Ku Klux Klan / Jews / Zionists have gone about creating **MASSIVE Privately OWNED PRISONS** Racketeering / Ponzi Schemes – i.e. going about using what have become known amongst “BLACK Indians” / Native Nations and their People those who have been LABELED as

“HOUSE Niggeroes” for purposes of **avoiding detection** and **COVERING UP** WAR Crimes, Crimes Against Humanity and other Atrocities, etc. against “BLACK Indians” that the NAZIS’ / WHITE Supremacists’ / Ku Klux Klan / Jewish / Zionists’ Officials have LABELED as “BLACK Indians / Colored / Niggers / Negroes / BLACKS / AFRICAN Americans!”

CONSPIRACIES – it appears – involving **PRIVATELY HELD COMPANIES** operating **HUGE SLAVERY PLANTATIONS** and / or **CONCENTRATION CAMPS disguised as PRISONS / DETENTION Centers / JAILS**, etc.!

History, education, and career

He originated from Tchula, Mississippi.^[1] He attended Mississippi Valley State University and received a bachelor's degree in elementary education.^[3] Epps stated that at the time of his graduation he filled out an MDOC job application at a job fair at his university.^[4] Epps' relatives worked in the education sector and had post-graduate education. He got a job at a school in Drew, Mississippi teaching science and mathematics, but in 1982 MDOC contacted him anyway asking if he was interested in working in prisons. Epps began working as a prison guard in Unit 29 at the Mississippi State Penitentiary (Parchman) in Sunflower County, Mississippi.

Originally he worked as a teacher and a prison guard at the same time, but in January 1985 he quit his teaching position. At that time he was promoted to higher positions within the corrections department. Governor of Mississippi Ray Mabus made Epps the Mississippi State Penitentiary deputy superintendent in December 1988.^[5] On August 30, 2002, Governor Ronnie Musgrove appointed Epps as commissioner of MDOC, and governors Haley Barbour and Phil Bryant reappointed Epps on January 13, 2004 and January 11, 2012.^[6]

He also attended Liberty University, receiving a master's degree in guidance counseling.^[6] As part of the Mississippi National Guard he worked his way to a rank of colonel before his March 2008 retirement. Epps worked as an auditor for the American Correctional Association (ACA), and in May 2010 he was elected as the association's president. On Wednesday November 5, 2014 Epps resigned from his ACA position.^[1]

On November 6, 2014 the Federal Government of the United States revealed that it had indicted Epps on corruption charges.^[1] these charges originated from dealings with the private prison industry.^[8] The federal indictment stated that Cecil B. McCrory, a businessperson who served as the chairperson of the Rankin County School District's board of education and an ex-state legislator, provided Epps with kickbacks and bribes, including payment of the mortgage of Epps' primary residence in the Jackson area and the resulting equity and another bribe payment that, respectively, were used to get the first and second condominiums. In exchange, Epps directed contracts to McCrory-owned companies and gave department work, contracts, and leases to McCrory-owned companies and companies which gave McCrory paid consultant work. According to the indictment the activity started in 2007 and ended on March 12, 2014. Epps entered an initial plea of not guilty and he received a bond of \$25,000.^[7]

In February 2015 Epps pleaded guilty to corruption-related charges.^[8] one count of filing a false tax return and one count of conspiracy to launder money.^[9] As part of the plea he forfeited two Mercedes Benz vehicles and his two residences.^[10] Epps was scheduled to be sentenced on June 9, 2015,^[9] but on June 8 federal authorities announced that the sentencing was indefinitely delayed.^[11]

Consultant Sam Waggoner pleaded guilty in August to one count of bribery after waiving indictment in an agreement with prosecutors. On November 5, 2015, his sentencing was postponed. He told federal Judge Henry Travillion Wingate that he paid more than \$108,000 in kickbacks to Epps from a consulting contract with prison phone company Global Tel-Link.^[12]

125. United States of America’s STATE OF MISSISSIPPI White Flight Debacle:

IMPORTANT TO NOTE: THE HINDS COUNTY, MISSISSIPPI WHITE-FLIGHT DEBACLE

For those who may not be aware of **“HOW”** the United States of America’s Officials. . ., their **Legal Counsel Baker, Donelson, Bearman, Caldwell & Berkowitz P.C.’s** and CO-Conspirators’ **WHITE-FLIGHT** Schemes work, it is a process; wherein:

“White flight or white exodus is the sudden or gradual large-scale migration of white people from areas becoming more racially or ethno culturally diverse - [04/13/23 –

In the Hinds County, Mississippi **RAYMOND DETENTION CENTER** Debacle, this is where the WHITE People are unlawfully **CONTROLLING** and **RUNNING** Hinds County, Mississippi (a “**BLACK Indians**” / Native **STRONGHOLD**); however, place their “**BLACK**” **Ku Klux Klan** . . . **Recruits** *in Office to serve as* **FRONTS** *for purposes of avoiding* **DETECTION** and **take the BLAME** for their **SLAVEOWNERS’** unlawful practices/crimes. . .!

Through the NAZIS’/White Supremacists’/Ku Klux Klan/Jews’/Zionists’ **Mississippi House Bill 1020**. . . **RACKETEERING Ponzi Schemes**, these Terrorists **RETURN to SEIZE** “**ENTIRE**” control of the **Lands / Territories and Properties** [as the **City of Jackson, Mississippi** and the **Jackson-Medgar Wiley Evers INTERNATIONAL Airport**, etc.] of the “**BLACK Indians**” / Natives who **are clueless** of such **FRAUDULENT / Criminal practices** and the **WAR Crimes / Crimes Against Humanity**. . . Being carried out against them through such **Covert PARAMILITARY Terrorists Operations!**

Therefore, this instant demand / revised demand is in keeping with the “**01/10/2012 NFT-RFIMI**” submission advising,

“Vogel Denise Newsome reserves the right to amend and / or correct this correspondence and the relief sought herein as a matter of laws and in the interests of justice and the PUBLIC in that it has been submitted in GOOD FAITH!”

- 126.** Through this instant “**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance** . . .,” Chickasaw Tribal Nation / Utica International Embassy Officials are requesting Investigations (and the applicable prosecutions if criminal acts are found to have been committed) into what we believe to **be the unlawful KIDNAPPING** of Julian Assange on or about April 11, 2019, **on the orders** of U.S. President Donald John Trump **from the Ecuador Embassy** for the purposes of Assange's **ASSASSINATION** and / or **CONSPIRACIES** to bring about **his untimely DEATH / MURDER!**

Furthermore, demanding the allege Charges that United States of America's / United States' Officials and / or CO-Conspirators against Julian Assange be **DISMISSED IMMEDIATELY** through the “**DIRTY HANDS**” Policies / Procedures in that it appears that the USA's NAZIS / White Supremacists / Ku Klux Klan / Jews / Zionists and their CO-Conspirators **are RETALIATING** against **Assange** as a direct and proximate result of Assange's **performing his DUTY(S) and OBLIGATION(S)** in sharing with the Public / World the role(s) of the USA's Officials. . . /Legal Counsel Baker Donelson, etc. in **WAR Crimes, Crimes Against Peace, Crimes Against Humanity, TERRORISTS Act, etc.**

K) Requesting that the Charges AGAINST Julian Assange presently pending be dismissed **IMMEDIATELY** in that it appears that the United States of America and its allies (i.e. United Kingdom, etc.) may have **RETALIATED** as a direct and proximate result of Assange's role in sharing information regarding the United States of America's **ROLE in WAR CRIMES, CRIMES AGAINST PEACE, CRIMES AGAINST HUMANITY, TERRORISTS Act, etc.** - in releasing documents which had **EXPOSED CORRUPTION, COVER UP** and crimes through his Website WikiLeaks. From information from the Internet, it appears that Julian Assange is being charged with crimes and acts sought to EXTRADICT him to Sweden. *Concerns being that these charges appear to have been brought AFTER* the release of United States Government documents alleged to been provided by **WHISLEBLOWER** United States Private Bradley Manning. Disturbing to find from research is the fact that Baker Donelson Bearman Caldwell & Berkowitz – i.e. the Law Firm that provides United States of America President Barack Hussein Obama II as well as FORMER United States Presidents and United States CONGRESSIONAL Leaders with Legal Counsel/Advice (i.e. having a **FINANCIAL, PERSONAL and BUSINESS interest in matters**) and appears to have been **INVOLVED in the planning of the 911 BOMBINGS of the World Trade Center Buildings and DOWNING of AIRPLANES** – have an Office in LONDON, England where legal proceedings regarding Julian Assange are being handled. Not only that **JP MORGAN CHASE BANK** also has a Financial Institution in London, England and is a **TOP/KEY Client** of Baker Donelson also having a **FINANCIAL, PERSONAL, BUSINESS interest** in the Julian Assange matter. Therefore, leaving concerns of where **TERRORISTS'** (i.e. such as Baker Donelson Officials and those with whom they **CONSPIRE**) monies are being kept for **DISTRIBUTION**. Furthermore, it appears that **Baker Donelson and JP Morgan Chase can be LINKED to Jewish (ZIONISTS)/White SUPREMACISTS Terrorists practices!**

127. TIME has allowed for Prime Minister Vogel Denise Newsome and /or CTN Officials to determine that the USA / United States **is NOT** a Government; *but merely* a **“PRIVATELY Held Company”** and appears to **be perpetrating** as a **“SHADOW Government” for INVESTORS** in **HUGE RACKETEERING / Ponzi / Pyramid . . . Schemes, etc.!** So you have COMPANY / CORPORATION Officials with their Legal Counsel Baker Donelson and CO-Conspirators **who have managed to put together one of the BIGGEST Scams in the World!** A **PRIVATELY held Company** putting together **HUGE PARAMILITARY Terrorist Forces** (i.e. Army, Air Force, Navy, Marines and National Guard, etc.) **and then** creating **FRAUDULENT reasons for starting WARS against SOVEREIGN Native Nations** (as the Islamic Republic of Iran, Islamic Emirate of Afghanistan, Republic of Iraq, the Bolivarian Republic of Venezuela and MANY more) for purposes of **TRAINING** the like of their **NAZI / White Supremacist / Ku Klux Klan / Jewish / Zionist Recruits!**

VI. CREATION OF EMERGENCY / SPECIAL TRIBUNAL(S) and / or INTERNATIONAL “MILITARY” TRIBUNAL(S)

Through this instant **“05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .”** the Chickasaw Tribal Nation’s / Utica International Embassy’s Officials, seek assistance with the creation of **EMERGENCY / SPECIAL** Tribunals and / or International **MILITARY** Tribunal(s). There is record evidence to support that the United States of America’s / United States’ Officials [in their EXECUTIVE Branch / LEGISLATIVE Branch / JUDICIAL Branch]. . . , their Legal Counsel Baker, Donelson, Bearman, Caldwell & Berkowitz P.C. and CO-Conspirators, etc. were TIMELY, PROPERLY and ADEQUATELY notified that INTERNATIONAL options will be

pursued. **“ALL” PREREQUISITES** for pursuing JUSTICE through the **“appropriate INTERNATIONAL Authorities”** have been met! Therefore, in support of said request(s), do hereby state – i.e. however, not limited to the following:

128. Through this instant **“05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .”** there is record evidence that the Chickasaw Tribal Nation / Utica International Embassy **meet the prerequisites** for pursuing JUSTICE through the **appropriate INTERNATIONAL Authorities!** Moreover, that PRIOR to reaching out to the International Criminal Court’s Officials / Employees / Representatives . . ., Officials within the EXECUTIVE, LEGISLATIVE and JUDICIAL Branches of the USA’s / United States’ COMPANY Empire as well as the USA’s Legal Counsel (as Baker Donelson Bearman Caldwell & Berkowitz, etc.) were TIMELY, PROPERLY and ADEQUATELY afforded the opportunities to INVESTIGATE as well as PROSECUTE matters brought to their attention through the Complaints and / or Investigation REQUESTS, etc. by Vogel Denise Newsome; however, **“ALL”** made a conscious and willful decision **to FAIL TO ACT** on the Complaints / Investigation Requests . . . submitted to their attention.

L) That the United States Congress is to **CREATE an EMERGENCY Court and/or Committee** to handle LEGAL MATTERS involving Vogel Denise Newsome that have been brought – i.e. past, present and future (i.e. which includes the **July 14, 2008 EMERGENCY COMPLAINT** which **SUPPORTS** when **CONGRESSIONAL Intervention** was sought). That this **EMERGENCY COURT/COMMITTEE** is to be created **NO LATER** than **Thursday, March 15, 2012**. Vogel Denise Newsome requests that people such as Former Congresswoman **Cynthia McKinney** and Former Director of Rural Development/United States Department of Agriculture **Shirley Sherrod** be contacted to determine if they would be **INTERESTED** in assisting with the creation of such Courts/Committees and that **Members** of Court/Committee and Staff be of those who have been and are *actively working* in the **TRENCHES/VINEYARD FOR CHANGE** – i.e. such as **OCCUPY WALL STREET** and other Civil Rights Movements and are **NOT** to include Members/Staff Members/Employees as **Jesse Jackson Sr.** (i.e. **Rainbow/PUSH** and its employees), **Alfred “Al” Sharpton** (i.e. **Keepin’ It Real**), National Association of the Advancement of Colored People (NAACP) President **Benjamin Jealous** (i.e. **NAACP Staff/Members**) in that Newsome believes that from **RESEARCH** and/or **INVESTIGATIONS** that these Organizations have been a **MAJOR FACTOR** in the **OPPRESSION and COVER-UP of Criminal and Civil wrongs** leveled against African-Americans and/or People of Color. Furthermore, may receive a **SUBSTANTIAL** amount of monies from the United States Government that they **ACCEPTED** to “*Keep Them in Line.*” It also appears these are people known as **OPPORTUNISTS** who the **JEWISH (ZIONISTS)/WHITE SUPREMACISTS** have **REPEATEDLY** used to throw out in to the **MEDIA** as though they represent the **INTERESTS** of African-Americans and/or People of Color when they **DO NOT** and are merely “**TOKENS**” and/or what are known as “**HOUSE NEGROES.**” Furthermore, that this **EMERGENCY Court/Committee** **is to be ADEQUATELY represented by members from the race(s) of:**

- (a) AFRICAN-Americans;
- (b) HISPANIC/LATINO- Americans;
- (c) INDIAN-Americans;
- (d) ASIAN-Americans; and
- (e) White-Americans, OTHER/etc.

The update comes after NBC News received a heavily redacted version of the Capitol Police's use-of-force policy and asked why it had not been updated since 2006.

JACKSON, Miss. — The Mississippi Capitol Police, which has **shot four people** since it began patrolling parts of Jackson last summer, will adopt an updated use-of-force policy soon that better reflects modern standards and the agency's expanded role, a state official said Thursday.

The updates will come at a time of intense scrutiny on the Capitol Police, which was granted new powers to patrol parts of Jackson in 2021 to help the capital city deal with a rise in murders. The Capitol Police added patrols and a street crime unit last summer. Since then, officers have been involved in four shootings.

In one of them, a **25-year-old father** of two was shot in the head during what police described as a response to a **traffic violation**. In another, a 49-year-old woman was struck in the arm by an officer's bullet during a chase that police say began with officers' attempts to pull over a suspected stolen car. Citing pending investigations, the agency has released no information that explains how or why most of the shootings occurred, leaving the public and families of those who were injured or killed largely in the dark.

The Mississippi Capitol Police does not require its officers to wear body cameras, a **standard** piece of equipment for American law enforcement that allows deeper understanding of officers' use of force. (Tindell has said the agency requested the budget to buy cameras but has not received funding.) The department also operates **outside of the city's control**, answering to Tindell, who was appointed by the **governor**.

For now, the 17-year-old policy manual that governed the Capitol Police's behavior at the time of those shootings remains in effect — and largely secret. Unlike many law enforcement agencies, the Mississippi Capitol Police does not post its policy manual online and has yet to release a full copy of it in response to NBC News' public records request.

Capitol Police shootings: Mississippi official defends state agency pursuits in Jackson

Published 7:24 a.m. CT Oct. 2, 2022

Jaylen Lewis, 25, was shot during an encounter Sunday night with Capitol Police officers. He later died. According to the Department of Public Safety, **the officers attempted to initiate a traffic stop** when the shooting occurred. The officers involved have been placed on administrative leave until an internal investigation is completed, a department spokesperson said.

"Don't sit here and complain about crime and death and murder and kids killing kids and tell me there's respect for law enforcement. Because there's not," Tindell said.

Stokes said some of his constituents fear that some Capitol Police officers might not be trained "on how to deal with **Black people** in Black neighborhoods."

About 80% of Jackson residents are Black. The public safety commissioner **and the Capitol Police chief are white**.

"One of things we see again and again is a lack of accountability, particularly with young people who have no supervision," Tindell said.

"They grow up with a sense of 'nobody cares about them, **so why should anybody else**.'"

Police chases have been fatal in and around Jackson. In July, officers from another department chased someone from a suburb into Jackson. The chase ended in a wreck that killed a postal worker caught in the fray.

Dear Sir, Madam

On behalf of the Prosecutor, I thank you for your communication received on 09/08/2018, as well as any subsequent related information.

I note in this regard that the ICC is designed to complement, not replace national jurisdictions. Thus, if you wish to pursue this matter further, you may consider raising it with appropriate national or international authorities.

I am grateful for your interest in the ICC. If you would like to learn more about the work of the ICC, I invite you to visit our website at www.icc-cpi.int.

IX. HUMAN RIGHTS: WELLNESS CHECK – POLITICAL PRISONERS

It has been brought to the attention of the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. that the United States of America's NAZI / WHITE Supremacist / Ku Klux Klan / Jewish / Zionist Officials **have engaged in WAR Crimes, Crimes Against Humanity and other Atrocities, etc. against those speaking out against said injustices and / or have gone to great lengths to FRAME** those for the USA's, its Legal Counsel Baker, Donelson, Bearman, Caldwell & Berkowitz P.C.'s and CO-Conspirators' **"DOMESTIC" TERRORISTS** Attacks and / or other **FALSE Criminal Charges!** Said concerns resulting in the CTN'S requests for **WELLNESS**

CHECKS as well as **RELEASE** of Person(s) who appear are being held as **“POLITICAL” Prisoners** and / or other unlawful reasons known to the USA’s Officials, their Legal Counsel and CO-Conspirators. In support thereof, do hereby state the following – i.e. however, not limited to this listing alone:

143. Through this instant **“05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .”** the Chickasaw Tribal Nation's / Utica International Embassy's Officials are requesting, that **“ALL Prisoners of War(s) detained in the United States of America OPERATED / ASSISTED Prisons . . . be RELEASED IMMEDIATELY and that FULL-SCALE ‘INVESTIGATIONS’ into the handling of prisoners / persons incarcerated to determine whether there have been CRIMES” / CRIMES Against HUMANITY, etc. “committed against inmates (i.e. for instance FELONIES and / or MISDEMENORS) and, if so, that VIOLATORS be PROSECUTED to the FULL / MAXIMUM extent of the laws (i.e. to be given the MAXIMUM sentenced [sic] allowed under the laws of the United States and / or countries - for instance Afghanistan, Iraq, and Iran, etc.) That an EMERGENCY Court be established to assume the present Case Loads and those that may be submitted after the ESTABLISHMENT of new Court.)”**

T) That **ALL Prisoners of War(s) detained in United States of America OPERATED/ASSISTED Prisons (i.e. for instance in Afghanistan, Iran, Iraq, etc.) be RELEASED IMMEDIATELY and that FULL-SCALE “INVESTIGATIONS” into the handling of prisoners/persons incarcerated to determine whether there have been CRIMES committed against inmates (i.e. for instance FELONIES and/or MISDEMENORS) and, if so, that VIOLATORS be PROSECUTED to the FULL/MAXIMUM extent of the laws (i.e. be given the MAXIMUM sentenced allowed under the laws of the United States and/or countries – for instance Afghanistan, Iraq, and Iran, etc.). That an EMERGENCY Court be established to assume the present Case Loads and those that may be submitted after the ESTABLISHMENT of new Court.**

144. **TIME has allowed** for Prime Minister Vogel Denise Newsome and / or Chickasaw Tribal Nation / Utica International Embassy Officials to determine that the United States of America **is NOT a COUNTRY; but merely a “PRIVATELY Held Company”** and appears to **be perpetrating** as a **“SHADOW Government” for INVESTORS in HUGE RACKETEERING / Ponzi / Pyramid . . . Schemes, etc.!**

- 145.** Through this instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . ."**, the Chickasaw Tribal Nation's / Utica International Embassy's Officials are seeking assistance through the appropriate INTERNATIONAL Authorities with **"ESTABLISHMENT of EMERGENCY Court(s)** to handle Cases / Claims of **INMATES that believe they have been WRONGFULLY IMPRISONED** - i.e. suspending EXECUTIONS . . ."

There is record evidence to support that through the submittal of NUMEROUS Complaints and REQUESTS for Investigations . . . submitted by Vogel Denise Newsome and others, etc., time was taken to share concern(s) regarding,

"The reason WHY the United States Supreme Court has been able to HIDE / MASK such **RACIST practices** is because they have placed **"TOKENS"** like Justice Clarence Thomas, Sonia Sotomayer **and** Ketanji Brown Jackson on the Bench **for purposes of DECEPTION!** The United States Supreme Court is a Court that **has been PADDED / STACKED** through the UNLAWFUL / ILLEGAL practices of a Law Firm by the name of Baker, Donelson, Bearman, Caldwell & Berkowitz P.C. (i.e. with NAZI / Ku Klux Klan / Zionist Beliefs and / or Connections) – said Law Firm that provides President Barack Obama with Legal Counsel / Advice as well as **PRESENT and FORMER President(s)** . . ."

V) **ESTABLISHMENT of EMERGENCY Court(s)** to handle Cases/Claims of **INMATES** that believe they have been **WRONGFULLY IMPRISONED** – i.e. suspending **EXECUTIONS** as a direct and proximate result of such cases as the **TROY ANTHONY DAVIS** matter. An Execution which occurred although there are allegations that there were **WITNESSES** (i.e. who were willing and/or provided testimony that they were **COERCED, THREATENED, INTIMIDATED** by law enforcement officials, etc. to provide FALSE Statements) that could prove **DAVIS'** innocence. It appears Troy Davis' **EXECUTION** could have been prevented when he looked to the United States Supreme Court and other Courts. However, Troy Davis and his supporters were not aware of the **Jewish (ZIONISTS)/White SUPREMACISTS** makeup of the United States Supreme Court. The reason why the United States Supreme Court has been able to **HIDE/MASK such RACIST practices** is because they have placed **"TOKENS"** like *Justice Clarence Thomas* **and** *Sonia Sotomayer* on the Bench for **purposes of DECEPTION!** The United States Supreme Court is a Court that has been **PADDED/STACKED** through the **UNLAWFUL/ILLEGAL** practices of a Law Firm by the name of Baker Donelson Bearman Caldwell & Berkowitz (i.e. with **Ku Klux Klan Beliefs** and/or **Connections** – a firm that provides President Barack Obama with Legal Counsel/Advice as with FORMER Presidents). It appears that TROY DAVIS may have been **EXECUTED** in **"Cold Blood"** and the United States Supreme Court Justices may have **KNOWINGLY** acted with **PREJUDICES/RACIST intent**. A man most likely **EXECUTED** because the **WILLIE LYNCH** Practices of **Incarceration to "BREAK down Troy Davis - FAILED!"**

PRESS RELEASE
7-13-10

EEOC Settles Retaliation Lawsuit Against Staffing Firm for \$62,500

Adecco USA Inc. Fired Office Manager Who Supported Sexual Harassment Complaint of his Supervisor, Federal Agency Alleged

ALBUQUERQUE, N.M. -- The U.S. Equal Employment Opportunity Commission (EEOC) today announced the settlement of a retaliation lawsuit against Adecco USA Inc. for \$62,500.

The EEOC's lawsuit (Civil Action No. 106CV124 BJS) filed in U.S. District Court for the District of Utah, Northern Division, charged that Adecco disciplined and fired Jeffrey A. Byard, a former office supervisor for Adecco's Clearfield, Utah, office, because he spoke out in support of his supervisor when she complained of sexual harassment by her boss. Title VII of the Civil Rights Act of 1964 makes it unlawful to retaliate against an employee because he testified, assisted, or participated in a proceeding protected that law. This settlement comes after several years of litigation. Mr. Byard was fired in March of 2003.

In addition to the monetary relief for Mr. Byard, Adecco agreed to other relief, including training on the law against retaliation.

Rayford Irvin, the Acting District Director for EEOC's Phoenix District, said, "Unfortunately, the EEOC has seen an increase in retaliation charges over the last ten years. They represent 36% of our charges. It is our goal that through education and training, employers know it is illegal to fire someone because he has provided testimony in a discrimination investigation. We commend Adecco for agreeing to provide employees with education and training on this very important area of employment discrimination."

"Claims of retaliation are taken very seriously by the EEOC," said Mary Jo O'Neill, Regional Attorney for the EEOC's Phoenix District Office and Albuquerque Area Office. "Employers cannot take action against employees because of their participation in employment discrimination claims, either as a witness or because the employee gave a statement, as Mr. Byard did."

The EEOC is responsible for enforcing the nation's laws prohibiting employment discrimination. Further information about the EEOC is available on its web site at www.eeoc.gov.

TERRORIST Attacks On Reginald Smith

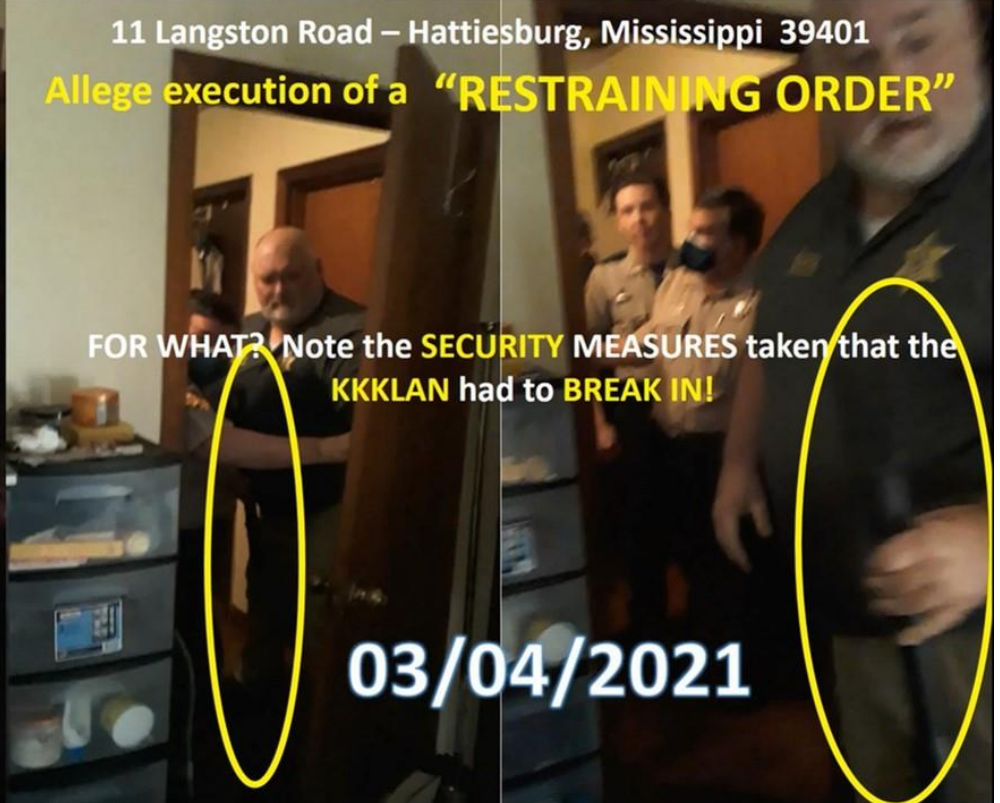

162. The **Reginald Carl Smith** ("Reginald Smith" / "Smith") matter is one that caught the attention of Vogel Denise Newsome (who is presently serving as the Prime Minister for the Chickasaw Tribal Nation / Utica International Embassy) in that in 2018, Chickasaw Tribal Nation's / Utica International Embassy's Matriarch Pearl Leo Torrey Newsome and Prime Minister Newsome met Reginald Smith and his Wife (Lila) in Jackson, Mississippi. From said meeting, the Friendship of Matriarch Pearl and Lila grew allowing for communications to continue and relationship to grow.

163. In 2021, shortly after the FOILED "Hattiesburg, Mississippi" Kidnapping / Assassination attempt on Prime Minister Newsome's LIFE, Reginald Smith reached out to her in a wellness check – i.e. inquiring as to how she was doing as well as advising of the **TRANSITIONING / DEATH** of his Wife (Lila).

(D) Brittany Martin

167. The *Brittany Martin* ("Martin") matter is one that caught the attention of Vogel Denise Newsome (who is presently serving as the Prime Minister for the Chickasaw Tribal Nation / Utica International Embassy) information being brought to her attention that Martins Attorney (Sybil D. Rosado) made a PUBLIC plea to NOTIFY of the INJUSTICES / Human Rights Violations and other Atrocities being carried out against Martin it appears through the DIRECTION / LEADERSHIP of United States of America's Officials . . . their Legal

Counsel Baker Donelson and CO-Conspirators. Prime Minister being advised that Martin is a COMMUNITY Activist, etc. and is being held HOSTAGE!

Furthermore, Prime Minister Newsome was advised that **ONE** of the conditions / demands made by the Terrorists being that she AGREE to LEAVE South Carolina – i.e. **FORCED DEPORTATION** as well as other **WAR Crimes Atrocities!**

United Nations Security Council Resolution 660

United Nations Security Council resolution 660, adopted on 2 August 1990, after noting its alarm of the invasion of Kuwait by Iraq, the council condemned the invasion and demanded Iraq withdraw immediately and unconditionally to positions as they were on 1 August 1990.

Yemen called upon Iraq and Kuwait to enter into immediate negotiations to resolve their differences, thanking the Arab League for its efforts.^[1] Talks between both sides broke down the day before in Jeddah, Saudi Arabia.^[2] The council also decided to meet again as necessary to ensure compliance with the current resolution.

The resolution was adopted by 14 votes to none, while Yemen did not participate in voting. It was the first of twelve resolutions on the conflict passed in 1990.

- (B) On Tuesday, November 2, 2010, President Barack Obama **LOST** "**Democrat**" control of the United States House of Representatives from the Elections held and **BARELY / NARROWLY** escaped losing control of the United States Senate. The next day, about November 3, 2010, President Obama made a **PUBLIC** announcement that he suffered a **SHELLACKING** at the Polls.

Obama calls midterm elections a 'shellacking' for Democrats

President Obama calls the elections a 'shellacking' for Democrats after a massive midterm Democratic defeat.

A subdued President Barack Obama met Wednesday with the press in the East Room of the White House after a long midterm election night. Calling the election night 'humbling,' President Obama said, "some election nights are more fun than others."

By **Friday, November 5, 2010**, the United States of America *had fallen* from its **No. 1** Ranking to **No. 2**. Falling **BELOW** China.

- (C) Then came **OPPORTUNIST** President Obama *seeing the SUCCESS* of Citizens *taking CONTROL of their Countries* attempting to make *it appear* that the United States of America was for the **REVOLUTIONS / UPRISINGS** in Middle Asia - - *when President Obama* and his Administration, the United States Legislature / Congress **were NOT!** Nevertheless, *President Obama – being the OPPORTUNIST he is – came out making speeches requesting that Middle Asia Leaders STEP DOWN for purposes of DECEIVING the PUBLIC / WORLD and Citizens in Middle Asia!* Middle Asia **LEADERS** in which the United States had formed **STRONG** Alliances with because they **"RULED** through **OPPRESSION, HARDSHIP** and **ENSLAVEMENT"** – i.e. practices which United States Presidents and their Administrations **CONDONED** and **did NOTHING. . UNTIL** they saw how **BRAVE, BOLD** and **STRONG** the Citizens in Middle Asia are and willing to **DIE** for their **"FREEDOM!"**

We're running ***"OUT OF TIME!"***

President Barack Obama – You were **WARNED!**

IF UNITED STATES OF AMERICA PRESIDENT BARACK OBAMA and his ADMINISTRATION **REFUSE TO STEP DOWN** – CONSIDER **MILITARY ACTION. . . . – HOLD HIM ACCOUNTABLE:**

The United States of America's Officials . . . **use LIES** (i.e. such as **9/11 Attacks** and **"Weapons of Mass Destruction"**) to begin **WARS** and to go into Countries as Iraq and Iran with **ILL INTENT**. The United States of America **use LIES** to **MASK** its **HATRED** for Middle Asia Leaders and Citizens and their **GREED** to obtain these Countries' **RESOURCES: Oil, Gold, Lands, Jewels, Monies**, etc. - - Attempting to bring Citizens in Middle Asia **under the CONTROL** of the United States' **"NAZI / JEWISH (Zionist) / WHITE SUPREMACIST"** Leadership.

ALAS, ALAS, that **GREAT** city, wherein were made **RICH** all that had **SHIPS** in the Sea by reason of costliness! for in one hour she is made **DESOLATE**.

REJOICE over her, *thou* heaven, and ye holy apostles and prophets; for God has **AVENGED** you on her.

And a **MIGHTY** Angel took a stone like **GREAT** Millstone, and cast it into the sea, saying, Thus with **VIOLENCE** that **GREAT** City **BABYLON** *be thrown down*, and shall be **FOUND** **NO** MORE at **ALL**. *Revelation 18:19-21.*

THANK GOODNESS it appears Middle Asia Citizens **are NOW** seeing through President Obama, his Administration and the United States Legislature / Congress and are **becoming ANTI-OBAMA** and / or **ANTI-United States of America!** May they see that their enemies **may NOT** be their neighbors but it is the United States of America that has been behind **ENCOURAGING** their **ENSLAVEMENT** and **OPPRESSIVE** Regimes!

As the leader of Al Qaeda, Osama bin Laden, here in video recorded in 2001, waged a terror war against the United States.

Qaeda Leader Reported Dead in 'Targeted Assault'

By PETER BAKER
and HELENE COOPER

WASHINGTON — Osama bin Laden, the mastermind of the most devastating attack on American soil in modern times and the most hunted man in the world, was killed in a firefight with United States forces in Pakistan on Sunday, President Obama announced.

In a dramatic late-night appearance in the East Room of the White House, Mr. Obama declared that "justice has been done" as he disclosed that American military and C.I.A. operatives had finally cornered Mr. bin Laden, the Al Qaeda leader who had eluded them for nearly a decade, and shot him to death at a compound in Pakistan.

"For over two decades, bin Laden has been Al Qaeda's leader and symbol," the president said in a statement carried on television around the world. "The death of bin Laden marks the most significant achievement to date in our nation's effort to defeat Al Qaeda. But his death does

President Obama announced that Bin Laden was killed in a firefight earlier Sunday.

The death of Mr. bin Laden came nearly 10 years after Al Qaeda terrorists hijacked three American passenger jets and crashed them into the World

have been **MURDERED / KILLED** to keep them from **talking and telling the TRUTH behind the LIES** told about the killing of Osama Bin Laden. Then the United States' claim to have **KILLED the insurgents behind attacks approximately 4 days later when it allegedly TOOK almost a DECADE (10 years) to find Osama Bin Laden** they were SUPPOSEDLY able to track and kill these insurgents responsible in **approximately 4 days** - most likely the **INSURGENTS** were **PAID** by the United States **through TERRORIST funding** the United States has been **KNOWN to pay to kill / murder Navy Seals and others to KEEP them SILENT!**

Then, it appears, the United States' Officials **moved days later to CLEAN UP LOOSE ends** so that the Public / World would not know of their role in the **murder / killing of Navy Seals** that may have had **knowledge behind the TRUTH** on the alleged May 1, 2011, Osama Bin Laden **MURDER** - Navy Seals **DIED August 6, 2011.**

(B) DANILLA LANDAU: She is the woman (it appears from Research) that Baker Donelson may have relied on due to her **AVIATION TIES / CONNECTIONS to American Airlines**. It is alleged that American Airline planes were used to carry out the DOMESTIC Terrorists Attacks on September 11, 2001 (known as 9/11 Attacks) - i.e. **PLANNED, ORCHESTRATED and CARRIED OUT** through the **DIRECTION and LEADERSHIP** of Baker Donelson **under the SHIELD / LIES that 9/11 Attacks** were carried out *by FOREIGN Terrorists* (Al Qaeda. . .) - when it **was NOT!**

Landau, Daniella is a lobbying firm that was hired by 1 clients in 2007. for a total amount of \$120,000.

Thus, a reasonable mind may conclude that the United States of America's Officials (with their Legal Counsel Baker Donelson and CO-Conspirators [INVESTORS, etc.]):

(i) PLANNED the September 11, 2001, DOMESTIC Terrorists Attacks - i.e. wherein Baker Donelson's Howard Baker [formerly United States SENATE Majority / Minority Leader . . .] served as Chief of Staff to United States President Ronald Reagan;

(ii) **ORCHESTRATED** the September 11, 2001, DOMESTIC Terrorists Attacks during United States President William "BILL" Clinton Administration - i.e. wherein Baker Donelson used position as Legal Counsel to manipulate and gather information / intel;

(iii) **CARRIED OUT** the September 11, 2001, DOMESTIC Terrorists Attacks while Baker Donelson's Lawyers / Attorneys as **LANCE LEGGITT** served as **White House Advisor** to United States President George W. Bush and **DAVID ADDINGTON** served as **White House Chief of Staff** to United States VICE President Richard "Dick" Cheney; and

(iv) **CREATED** the **FALSE / MALICIOUS Lies** of the "KILLING / MURDER of Osama Bin Laden" for purposes of COVERING UP the USA's 9/11 CONSPIRACIES, WAR Crimes and WAR Crimes Atrocities during United States President Barack Obama's WATCH

(C) Thomas Andrew Daschle (Husband Of Linda Hall Daschle):

Tom Daschle

From Wikipedia, the free encyclopedia

Thomas Andrew Daschle (born December 9, 1947) is a former U.S. Senator from South Dakota and former U.S. Senate Majority Leader. He is a member of the Democratic Party.

A South Dakota native, Daschle obtained his university degree there, and served in the United States Air Force. He was elected to the United States House of Representatives in 1978 and served four terms. In 1986 he was elected to the Senate, becoming minority leader in 1994. Defeated for reelection in 2004, he took a position as a policy advisor with a lobbying firm, and also became a senior fellow at the Center for American Progress. He co-authored a book advocating universal health care.

Daschle was an early supporter of Barack Obama's presidential candidacy, and was offered the position of Secretary of the Department of Health and Human Services after the 2008 election. He was President Barack Obama's nominee to serve as the Secretary of Health and Human Services (HHS) in Obama's Cabinet,^[2] but withdrew his name on February 3, 2009 amid a growing controversy over his failure to accurately report and pay income taxes.^[3]

Homeland security

From Wikipedia, the free encyclopedia

For the United States Cabinet department, see United States Department of Homeland Security. For the NBC television movie, see Homeland Security (film).

Homeland security is an American umbrella term for "the national effort to ensure a homeland that is safe, secure, and resilient against terrorism and other hazards where American interests, aspirations, and ways of life can thrive to the national effort to prevent terrorist attacks within the United States, reduce the vulnerability of the U.S. to terrorism, and minimize the damage from attacks that do occur".^[1] [quote, as is, does not appear in the referenced paper]

Homeland security is not constrained to terrorist incidents. Terrorism is one of many threats that endanger society^[citation needed]. Within the U.S., an all-hazards approach exists regarding homeland security endeavors.^[2] In this sense, homeland security encompasses both natural disasters and man-made events.^[2] Thus, the domain of homeland security must accommodate a plethora of situations and scenarios, ranging from natural disasters (e.g., Hurricane Katrina, Irma) to acts of terrorism (e.g., Boston Marathon bombing, World Trade Center Bombing).^[3]

The term came about following enactment of the Homeland Security Act of 2002 and reorganization of many U.S. government civil agencies effective March 1, 2003, to form the United States Department of Homeland Security after the September 11 attacks, and may be used to refer to the actions of that department, the United States Senate Committee on Homeland Security and Governmental Affairs, or the United States House of Representatives Committee on Homeland Security.

Homeland defense (HD) is the military protection of U.S. territory, sovereignty, domestic population, and critical infrastructure against external threats and aggression.

Democratic lawmakers on Thursday called on the Department of Homeland Security's chief watchdog to resign after he admitted this week to deleting text messages from his government-issued iPhone.

In a letter, Reps. Glenn F. Ivey (D-Md.) and Bennie G. Thompson (D-Miss.) said federal law requires officials to preserve texts and other official records and DHS Inspector General Joseph V. Cuffari should have known that rule as the official in charge of auditing Homeland Security.

"You are unfit to lead an agency responsible for preventing and detecting fraud and abuse in government programs and operations," the lawmakers wrote in the letter to Cuffari, asking him to "resign immediately."

Former Baker Donelson lobbyist pleads guilty for role in timber investment scheme

BY DEBRA CASSENS WEISS

APRIL 28, 2023, 8:40 AM CDT

Organized Criminal Acts

A former Baker, Donelson, Bearman, Caldwell & Berkowitz lobbyist pleaded guilty Wednesday to conspiracy to commit wire fraud for participating in a scheme to defraud investors in timber investments.

Former lobbyist Ted Brent Alexander admitted participating in a scheme that solicited millions of dollars from investors who were led to think that he was personally inspecting tracts of timber that were the basis for their investments, according to an **April 27 press release** from the Department of Justice.

Law360 has coverage.

Alexander pleaded guilty in federal court in Jackson, Mississippi.

Former Baker Donelson partner Jon D. Seawright pleaded guilty in July 2022 to a conspiracy to defraud investors in the same scheme. He was accused of soliciting the investors along with Alexander and misrepresenting their due diligence in vetting the timber contracts.

Investors were told that rights to the timber were sold to a timber broker, who then sold the timber rights to lumber mills at a higher price. Alexander said he loaned funds to the

timber broker, and investors could reap a return of 10% or more on their investment, according to the press release.

EXTORTION Racketeering
Alexander represented that he was not only inspecting the timberland but also reviewing documentation supporting the investments.

United States vs. Valle, 301 F.R.D. 53 (2014)

[28][29][30][31]The elements of conspiracy are generally more easily proven than the elements of either a substantive offense or an attempt, the latter of which typically requires proof that a defendant took a “substantial step” toward completing a crime. Conspiracy merely requires proof of “(1) **an agreement** among the conspirators to commit an offense; (2) **specific intent** to achieve the objective of the conspiracy; and (3) [here] **an overt act** to effect the object of the conspiracy.” *United States v. Pinckney*, 85 F.3d 4, 8 (2d Cir.1996) (alteration added) (citation omitted). “**Whether** the substantive crime itself is, or is likely to be, committed is **irrelevant**,” *United States v. Wallach*, 935 F.2d 445, 470 (2d Cir.1991) (quoting *United *82 States v. Rose*, 590 F.2d 232, 235 (7th Cir.1978)), and “**impossibility of success is not a defense**.” *Hassan*, 578 F.3d at 123 (quoting *Jimenez Recio*, 537 U.S. at 276, 123 S.Ct. 819). “**[T]he crime of conspiracy is complete upon the agreement to violate the law**, as implemented by one or more overt acts ..., and **is not** at all **dependent upon** the ultimate **success or failure** of the planned scheme.” *United States v. Trapilo*, 130 F.3d 547, 552 n. 9 (2d Cir.1997) (quoting *United States v. Everett*, 692 F.2d 596, 600 (9th Cir.1982)).

[32][33][34][35]Moreover, a defendant **may be convicted** of conspiracy **without having entered** into a formal or express agreement. “**[I]t is enough that the parties have a tacit understanding to carry out the prohibited conduct**.” *United States v. Rubin*, 844 F.2d 979, 984 (2d Cir.1988) (quoting *United States v. Wardy*, 777 F.2d 101, 107 (2d Cir.1985)). A conspiracy may also exist “even if a conspirator **does not**

agree to commit or facilitate **each and every part** of the substantive offense.” [Salinas v. United States, 522 U.S. 52, 63, 118 S.Ct. 469, 139 L.Ed.2d 352 \(1997\)](#) (citation omitted). **“The partners** in the criminal plan must agree to pursue the same criminal objective and **may divide up the work, yet each is responsible for the acts of each other.”** *Id.* at 63–64, 118 S.Ct. 469 (citing [Pinkerton v. United States, 328 U.S. 640, 646, 66 S.Ct. 1180, 90 L.Ed. 1489 \(1946\)](#)). Because “[s]ecrecy and concealment are essential features of successful conspiracy,” prosecutors **may prove** the “essential nature of the plan and [a defendant’s] connections with it” **through circumstantial evidence and inferences.** [Blumenthal v. United States, 332 U.S. 539, 557, 68 S.Ct. 248, 92 L.Ed. 154 \(1947\)](#); see also [United States v. Stewart, 485 F.3d 666, 671 \(2d Cir.2007\)](#) (“Both the existence of a conspiracy and a given defendant’s participation in it with the requisite knowledge and criminal intent may be established through circumstantial evidence.”).

[36][37]Although the Government may rely on circumstantial evidence and reasonable inferences to establish the elements of a conspiracy, “ ‘because conspiracy is a specific intent crime,’ ” the Government must demonstrate that the defendant **had the specific intent to both engage** in the conspiracy and **commit the underlying crime.** [Hassan, 578 F.3d at 123](#) (quoting [United States v. Morgan, 385 F.3d 196, 206 \(2d Cir.2004\)](#)); see *id.* (“A conspiracy conviction cannot be sustained unless the government established beyond a reasonable doubt that the defendant had the *specific intent* to violate the substantive statute.”) (emphasis in original) (citing [DiTommaso, 817 F.2d at 218](#)). However, a defendant’s specific intent may be proven by circumstantial evidence, see [Huezo, 546 F.3d at 180](#), and—under appropriate circumstances—**intent may be inferred from a single act.** *Id.* (“ [A] single act may be sufficient for an inference of involvement in a **criminal enterprise** of substantial scope at least if the act is of a nature justifying an **inference of knowledge** of the broader conspiracy.’ ” (quoting [United States v. Tramunti, 513 F.2d 1087, 1111 \(2d Cir.1975\)](#))).

[42] **To obtain conviction** . . . for conspiracy to commit kidnapping, government must demonstrate beyond a reasonable doubt **that defendant agreed with another to commit one or more kidnappings**, that he **knowingly engaged** in the conspiracy with **the specific intent** to commit the kidnapping or kidnappings that were the objects of the conspiracy, and that an overt act in furtherance of the conspiracy was committed . . . [18 U.S.C.A. § 1201\(c\)](#). - - - - [United States v. Monaco, 194 F.3d 381, 386 \(2d Cir.1999\)](#) (citation and internal quotation marks omitted); see also [Naranjo, 14 F.3d at 147](#)

CASE 118

At the 114th meeting on 27 February 1947, in connexion with the Corfu Channel question, the Security Council voted upon a draft resolution, submitted by the representative of Australia at the 111th meeting on 24 February 1947, to appoint a sub-committee "to examine all the available evidence" and "to make a report on the facts of the case as disclosed by such evidence".²⁸ Before the vote was taken the representative of the United Kingdom stated:

"As a party to this dispute, I am deprived of my vote under Article 27, paragraph 3, of the Charter when it is a matter of a decision under Chapter VI."

CASE 119

At the 303rd meeting on 24 May 1948, in connexion with the Czechoslovak question, the President (France) ruled that a draft resolution to appoint a sub-committee to receive evidence had not been adopted, one vote against having been that of a permanent member. The representative of Chile* contended that the representative of the USSR had abused the right of "veto". He continued:—

"...in the present case the USSR is a party to a dispute, for it must be assumed that there is a dispute not only when there is a direct conflict of interests between two Member States, but also when any difference arising from conflicting attitudes of one nation in respect of another nation is brought to the attention of the Security Council by any country. This is certainly the case when a State exercises its right under Article 35, and accuses another of violating the Charter, whether it has any direct interest in the matter or not. Paragraph 3 of Article 27 is merely intended to prevent a member of the Council from acting as judge in its own case and participating in the decision that may be taken against it. This is what the USSR has just done."

THE FIFTY

How a 'Radical' Southern Mayor Ran Up Against Reality

Mayor Chokwe Antar Lumumba came into office with a grand progressive vision that hasn't always succeeded in solving fundamental problems.

IMPORTANT TO NOTE:

"Radical" LABEL
KNOWLEDGE of Antar's VISION
For Purposes of SABOTAGE

For the mayor in the perfectly tailored outfit, though, the failure of those hoses represents a kind of test. Four years ago, Lumumba swept into office on a tide of rhetoric and ambition that drew national attention. He laid out an expansive vision of how Jackson could become a model for the country, promising to use City Hall to deliver not just better services, but a whole menu of new progressive ideas like universal basic income, co-operative businesses and alternatives to policing. He talked about replacing abandoned lots with urban farms. And in a city that is 82 percent Black — a higher rate than any other big city in the country — he framed his promises in elevated, historical terms, promising to rewrite the story of race and commerce in the region from one of exploitation to one of empowerment. He talked about fixing the potholes — a big topic of conversation here — not just as road projects but as a way to end “cycles of humiliation,” so being Black doesn't mean having to endure torn-up roads and bad water.

He promised, in fact, to make Jackson “the most radical city on the planet.”

Lumumba's policy ideas wouldn't sound out of place in Austin or Seattle, which have large tax bases and where wealthy residents have long since displaced low-income ones. In Jackson, though, the problems are so basic and so deep, the city so poor, that Lumumba's radical vision has felt, from the beginning, particularly audacious. It made him perhaps the highest-profile member of a new generation of Black mayors in the South combining progressive policy with social justice and civil rights.

Now as Lumumba, who recently turned 38, runs for his second term, even he acknowledges he hasn't succeeded in achieving his vision. Jackson doesn't have a widespread UBI program, a transformed police department or those co-operative businesses. He's spent more time bailing the city out of its problems than forging new paths. Meanwhile, other cities have started embracing policies that put them in the “radical” camp: Evanston, Ill., just created the country's first reparations program to promote home ownership among Black residents; major cities have cut police budgets in the wake of progressive calls to end police brutality, while Jackson boosted its police budget last year. And dozens of cities have increased the minimum wage to \$15 per hour, while Jackson is still bound by the federal minimum wage of \$7.25 per hour.

JACKSON, Miss. (WJTV) – Millsaps College leaders announced plans to build the school's own, independent water system.

The school released a statement that said the construction of two wells and a 100,000-gallon water tank will begin during the coming Spring. The wells will be dug along the west side of campus, using water from the Sparta Aquifer a few hundred feet down. The almost 200-foot tall water tower will also be built on the west side of campus.

The Board of Trustees approved the estimated \$3.5 million project. Millsaps President Dr. Rob Pearigen shared the plans with Jackson Mayor Chokwe A. Lumumba.

The statement also noted that the project is expected to be completed by late spring or early summer in 2023. However, the water supply may be operational once the wells are functional, even if the tower is not fully complete.

Jackson issues water cutoff notices due to lack of funds

JACKSON, Miss. (WJTV) – Water shutoffs have begun in the City of Jackson.

Leaders said the notices have been in conversations for more than a year, but they have just started issuing water cutoff notices in July 2022.

The city halted water shutoffs months before the 2020 coronavirus pandemic. However, leaders said due to dwindling funds, the city can no longer continue to stall.

Neighbors said they are concerned and that the system has flaws. They said even though they made payments, they received a shutoff notice. This includes Councilwoman Virgi Lindsay, Ward 7.

"I was not surprised that it was going to happen, and it is unfortunate that they are happening in the middle of a boil water notice. I think that's incredibly unfortunate, but at the same time, we have got to boost our revenue through the enterprise system, the water department, because that is what will support is the private utility. That is what supports all of the badly needed improvements in our water distribution," said Lindsay.

Jackson Mayor Chokwe A. Lumumba added the city has been very compassionate during this process, but they can't afford to keep falling behind.

New well system operational at MS State Fairgrounds

by: Leah Williams

Updated: Feb 16, 2022 / 05:21 PM CST

JACKSON, Miss. (WJTV) – Mississippi Commissioner of Agriculture and Commerce Andy Gipson said after nearly a year of work, a new water well system has been built at the Mississippi State Fairgrounds. The well is separate from the City of Jackson's water system.

The historic ice storm in 2021 left most of the city without water during the annual Dixie National Livestock Show and Rodeo.

"It feels good to know we have good water here no matter what. Genuine Mississippi water. This is the real deal from underground," said Gipson.

The fairgrounds were switched from the city's water system to the new well last week.

| Tour guides wanted at Vicksburg National Military Park >

"They tell me a project like this takes two to three years, a project of this scale. We were able to get it finished in 11 months. We estimate by the time the rodeo ends this coming Saturday, we'll have pumped over half a million gallons of water," stated Gipson.

The water is pumped from 750 feet underground. The water goes through a chlorination and treatment process. At this time, water is only being pumped to the fairgrounds, but more projects are in the works.

"It could connect to the other buildings, the hotels that we just acquired. The plans are to demolish those buildings and to do something new over there. There's a lot more water here than we need at the Fairgrounds, but we have plenty of what we need for the thousands of people that visit here and the thousands of livestock that need water to drink," said Gipson.

The total cost for the project was \$1.3 million, which included new lines and a backup generator. The well is currently running off a temporary tank, but a larger one will be ordered soon.

President Obama to Travel to Cincinnati, Deliver Remarks at Brent Spence Bridge

WASHINGTON – On Thursday, September 22, the President will travel to Cincinnati, Ohio, to deliver remarks at the Brent Spence Bridge, urging Congress to pass the American Jobs Act now so that we can make much-needed investments in infrastructure projects across the country and put more Americans back to work.

The Brent Spence Bridge is on one of the busiest trucking routes in North America, yet it is considered 'functionally obsolete' because it is in need of so many significant repairs. If Congress passes the American Jobs Act, we can put more Americans back to work while getting repairs like this done.

For schemes where people are told that it is based on enrolling ever larger numbers of people, see *Pyramid scheme*.

A **Ponzi scheme** (/ˈpɒnzi/; also a **Ponzi game**)^[1] is a form of fraud which lures investors and pays profits to earlier investors by using funds obtained from more recent investors.^[2] The victims are led to believe that the profits are coming from product sales or other means, and they remain unaware that other investors are the source of profits. A Ponzi scheme is able to maintain the illusion of a sustainable business as long as there continue to be new investors willing to contribute new funds, and as long as most of the investors do not demand full repayment and are willing to believe in the non-existent assets that they are purported to own.

Furthermore, as recent as April 2023, NOT "ONE" but "TWO (2)" well-seasoned employees (Lobbyist / Partner) of the Law Firm of Baker, Donelson, Bearman, Caldwell & Berkowitz P.C. have been found "GUILTY" in roles played in PONZI Scams / Schemes! Therefore, a reasonable mind may conclude, that HAD the United States Department of Justice ("USDOJ") Officials . . . acted upon the Criminal Complaints submitted to the USDOJ regarding the CRIMINAL Acts of their Legal Counsel Baker Donelson and concerns of "ABUSE" of the Legal / Judicial process of the USA's Legal Counsel, damages / injuries / harm, etc. sustained by VICTIMS of said PONZI Scams / Schemes, may have been prevented.

U.S. v. Jimenez Recio, 123 S.Ct. 819 (2003) - Essence of a conspiracy is an agreement to commit an unlawful act.

Agreement to commit an unlawful act, which constitutes the essence of a conspiracy, is a **distinct evil** that may exist and be punished whether or not the substantive crime ensues. *Id.*

Conspiracy **poses a threat to the public** over and above the threat of the commission of the relevant substantive crime, both because *the combination in crime makes more likely the commission of other crimes* and because it **decreases the probability** that *the individuals involved will depart from their path of criminality*. *Id.*

213. TIME has allowed for Prime Minister Vogel Denise Newsome and / or CTN Officials to determine that the United States of America / United States **is NOT** a COUNTRY – i.e. NEITHER has a lawfully formed Government; *but merely* a **“PRIVATELY Held Company”** and appears to **be perpetrating** as a **“SHADOW Government”** for **INVESTORS** in **HUGE RACKETEERING / Ponzi / Pyramid . . . Schemes, etc.!**

Thus, a reasonable mind may conclude that the “BLACK Indians” / Native Nations and their People **are entitled to KNOW which FOREIGN Nations** (if any) are involved in **FINANCING** the CONSPIRACIES that seek to ENSLAVE them as well as involve the THEFT / STEALING of their NATIVE Lands / Territories and Properties by engaging in:

WAR Crimes, Crimes Against Humanity, violation(s) of Geneva Convention on the Prevention and Punishment of the Crime of Genocide (1948), Ethnic Cleansing, violation(s) of Chemical Weapons Convention (1997), as well as other Atrocities, etc.

– i.e. Moreover, **“HOW”** it appears that some of these **FRAUDULENT “INVESTMENT”** Schemes are being carried out through alleged **“PROBATE” actions**, etc. – as being done with the **“USA / State of Mississippi Fraudulent PROBATE Action / Racketeering Scheme Against The Estate of CHIEF Joseph Newsome . . . Of The Chickasaw Tribal Nation.”** In support thereof, the August 1, 2022 submittal **“CONTESTING WILL Of The Estate Of Joseph Newsome”** provided at the link(s) below!

United States Launch **Covert "OPERATION PROBATE Scheme"** thinking that the Chickasaw Tribal Nation's / Utica International Embassy's Prime Minister Vogel Denise Newsome would be **DUMB ENOUGH** to trust **United States Government SLAVES / Agents (Siblings)!**

WHY THE DISTRACTIONS / KICKING THE CAN DOWN THE ROAD / DELAY TACTICS?

United States Officials (President Joseph Robinette Biden, Vice President Kamala Harris, Congressional Members, Employees, Representatives, and Legal Counsel Baker Donelson Bearman Caldwell & Berkowitz) and their CO-Conspirators are **DESPERATE** and **FEARFUL** of being **PROSECUTED** for **WAR CRIMES**. . . 217. TIME has allowed for Prime Minister Vogel Denise Newsome and / or Chickasaw Tribal Nation / Utica International Embassy Officials to determine that the United States of America’s DEPARTMENT OF JUST is **NOT a Government Agency**; but merely a **“PRIVATELY Held Company”** and appears to **be perpetrating** as a **“SHADOW Government Agency” for INVESTORS** in **HUGE RACKETEERING / Ponzi / Pyramid . . . Schemes, etc.!**

218. From research, information was retrieved to support that the United States of America’s Central Intelligence Agency (“CIA”) is merely a “PRIVATELY Held Company!”

219. A reasonable mind may conclude the concerns “BLACK Indians” / Native Nations and their People should have finding out that the United States of America’s Federal Bureau of Investigation (FBI) **and** Central Intelligence Agency (CIA) are merely “**PRIVATELY HELD Companies!**”

IMPORTANT TO NOTE: Privately held companies that appear have been given access to critical information regarding Foreign Native Nations that have been **ADVERSELY impacted by CONSPIRACIES** to have their Leaders ASSASSINATED / MURDERED, framed for alleged CRIMINAL Acts for purposes **of having them unlawfully removed and the TAKEOVER by Agent(s)** for the USA’s TERRORIST Empire and that of their CO-Conspirators that are controlled and run by NAZIS / WHITE Supremacists / Ku Klux Klan / Jews / Zionists!

XIV. INVESTIGATION(S) / PROSECUTION(S) INTO UNITED STATES OF AMERICA’S / UNITED STATES’ MEDICAID and SOCIAL SECURITY SYSTEM(S)

In March, 2019, a United States Department of Justice Employee (Cloteal Newsome Turner) advised Prime Minister Vogel Denise Newsome of **the CONSPIRACIES** that have been launched against **the ELDERLY!** The Chickasaw Tribal Nation’s / Utica International Embassy’s Officials, etc. having valid concerns of **CLASS of People being specifically TARGETED** and, that said TARGETING appear to be within “**CRIMES AGAINST HUMANITY!**”

Therefore, in keeping with such disturbing information that appears to be TARGETING a specific CLASS of People, Investigation(s) and Prosecution(s) – if VIOLATION(S) found – into the United States of America’s Medicaid / Social Security System and processing therein, etc. are hereby sought. In further support thereof, state the following – i.e. however, not limited to this listing alone:

220. Through this instant “**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .**,” the Chickasaw Tribal Nation's / Utica International Embassy's Officials are requesting assistance with the creation of EMERGENCY / SPECIAL TRIBUNAL(S) and / or International MILITARY Trials, etc. to handle INVESTIGATION(S) and PROSECUTION(S) - if VIOLATIONS are found - into the United States of America's / United States' Officials', Employees', Representatives and / or their Legal Counsel's (as Baker Donelson Bearman

Caldwell & Berkowitz) and CO-Conspirators' handling of monies designated for **"MEDICAID" Benefits** - i.e. role(s) played [if any] by Governors (as former Florida Governor Rick Scott / former Mississippi Governor Dewey Phillip "Phil" **Bryant**. . .) and Companies / Corporations (as Columbia HCA / STATE OF MISSISSIPPI . . .) in the THEFT / EMBEZZLEMENT . . . for Personal / Financial gain, etc.!

The Public is entitled to know whether or not CONSPIRACIES are the direct and proximate result the USA's / United States' MEDICAID Crisis / SOCIAL SECURITY . . . Scandal that adversely impact "BLACK Indians" / Native Nations and their People as well as the ELDERLY / SENIOR Citizens, etc.

CC) That a **SPECIAL COMMITTEE** be created to handle the **INVESTIGATIONS** into Governor Rick Scott's Role (if any) in the United States of America's **LARGEST "MEDICAID SCANDAL"** involving Columbia HCA and **CONSPIRATORS/CO-CONSPIRATORS**. **Vogel Denise Newsome** believes that these **EXTRAORDINARY** measures are **IMPERATIVE** and made in good-faith to **RESTORE** the **INTEGRITY** and **TRUST** in the Judicial/Administrative Process and that any previous investigations may have been **TAINTED** and/or **FLAWED** by **PARTIALITY and/or SPECIAL TREATMENT!** Members of said Court/Committee are to include Representatives of the following **ETHNIC Races**:

- (p) AFRICAN-Americans;
- (q) HISPANIC/LATINO- Americans;
- (r) INDIAN-Americans;
- (s) ASIAN-Americans; and
- (t) White-Americans, OTHER/etc.

221. IMPORTANT TO NOTE: In **March 2019**, Cloteal Newsome Turner (employed with the United States Department of Justice) advised Prime Minister Newsome of the CONSPIRACIES the United States Government has launched against the ELDERLY! A reasonable mind may conclude the United States' Officials . . . Legal Counsel Baker Donelson, etc. **TARGETING the Elderly for purposes of COVERING UP** their Conspiracies, WAR Crimes, Crimes Against Humanity and other Atrocities, etc. in efforts of keeping the Public / World from finding out - it appears - about **the THEFT / EMBEZZLEMENT of**

Medicaid / Social Security monies for purposes of funding COVERT Paramilitary Terrorists Operations and more! Moreover, it appears, through **REPEATEDLY** increasing the **RETIREMENT AGE**, **INABILITY to RETURN Medicaid / Social Security monies STOLEN / EMBEZZLED**, etc., the USA's / United States' NAZI / White Supremacist / Jewish / Zionist Officials . . . their Legal Counsel (as Baker Donelson) and CO-Conspirators, etc. **have conspired to EXTERMINATE** . . . Members (as the **Elderly / Senior Citizens**) for purposes **of NOT having to provide Benefits from which the Elderly and / or Senior Citizens may be entitled to receive!**

222. Through this instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . ."** the Chickasaw Tribal Nation / Utica International Embassy Officials are seeking through the appropriate INTERNATIONAL Authorities' assistance in the conducting of **applicable AUDITS** as well as Investigation(s) and Prosecution(s) - if VIOLATION(S) found - into the handling of MEDICAID as well as SOCIAL SECURITY monies / funds! A reasonable mind may conclude (that it appears) the USA's / United States' Officials' . . .and CO-Conspirators continue to **RAISE the Age in which Social Security Benefits are made available**, etc. **due to KNOWLEDGE of the THEFT / EMBEZZLEMENT of monies / funds for purposes of FINANCING their WAR CRIMES / Crimes Against Humanity**; and, USA's/ United States Officials'. . . **inability to RETURN** the Medicaid / Social Security monies **STOLEN / EMBEZZLED!** Therefore, **CONSPIRACIES (as Covid-19 . . .)** were launched in **efforts of EXTERMINATING / MURDERING** the Elderly / Senior Citizens for purposes **of NOT having to PAY Benefits** that the Elderly / Senior Citizens may have **worked / LABORED for**, may have EARNED and / or may be ENTITLED to - i.e. in accordance to the Statutes, Codes, Rules, Regulations and Laws governing entitlement to said benefit(s)!

Baker Donelson partner establishes Baghdad office

ANDREA SAUL MAR 31, 2004

The law firm of Baker, Donelson, Bearman, Caldwell & Berkowitz has established a presence in Baghdad in order to assist international clients with interests in Iraq and the region.

Charles (Rick) Johnston, chairman of the firm's international transactions and trade group, has taken up residence in Baghdad in order to provide a professional base of operations, expertise and contacts for clients with interests in Iraq's emerging economy.

"Rick Johnston is an exceptionally qualified international lawyer who is well-equipped to serve the multidisciplinary needs of clients in this extremely dynamic environment," firm chairman and CEO Ben Adams said in a release. "At the request of clients he has made four trips to Iraq over the past six months and establishing a presence in Iraq is a logical next step."

Johnston joined Baker Donelson's Larry Eagleburger in addressing a Nashville Post forum on international affairs last year.

Baker Donelson has offices in Washington and across the Southeast, including Nashville, Chattanooga, Knoxville, Memphis and Johnson City.

Size matters.

At least it does for any firm looking to become a major player in the multi-billion dollar legal services industry, like Memphis-based law firm of Baker, Donelson, Bearman, Caldwell & Berkowitz, which is the city's only law firm on the Top 100 Private Companies list.

The firm is ranked No. 35 with \$116 million in revenues in 2003, up from \$86.9 million in revenues in 2002 when it ranked No. 43 on the list.

These moves are indicative of the aggressive nature by which Baker Donelson — now sporting more than 370 attorneys overall — has grown and reshaped itself in recent years. The firm, identified in 2003 as the fastest growing law firm in the U.S. by The National Law Journal, also runs a representative office in Beijing, China, opened by BDBC International, and recently became the first western law firm to establish a presence in Iraq.

Interest swap deal bad news for Jackson

 INSIGHTS
 Will Jackson meet Jefferson County's current rate, a local government slowly dragged into bankruptcy after it bet its municipal bonds on complex derivatives?
 The Jackson City Council approved a motion to enter into an interest rate swap for its 2002 and 2004 bonds with Deutsche Bank and Rice Financial Products. Unfortunately for the rest of us, the gang of four who voted for this deal alone with issue-mongering and many officials in other cities have discovered to their dismay.
 The media and citizens of Jackson should hold city councilors Melton, Hill, Chisler, Blanton, McEmore, and Tillman accountable for trying to push this on us. There was no competitive bidding. Jackson is exposed to an adjustable rate agreement similar to those that have devastated other local governments. The fees have not even mentioned or made available to the public yet we are expected to fork over millions of dollars of our money to bankers and "advisers".
 Officials are now negotiating the terms of the agreement with Deutsche Bank and Rice Financial Products, the two banks that will actually conduct the rate swap. The city has hired an Starnes, Ague and Leach Inc., a national investment firm

JACKSON, Miss. (WJTV) – Millsaps College leaders announced plans to build the school's own, independent water system.

The school released a statement that said the construction of two wells and a 100,000-gallon water tank will begin during the coming Spring. The wells will be dug along the west side of campus, using water from the Sparta Aquifer a few hundred feet down. The almost 200-foot tall water tower will also be built on the west side of campus.

The Board of Trustees approved the estimated \$3.5 million project. Millsaps President Dr. Rob Pearigen shared the plans with Jackson Mayor Chokwe A. Lumumba.

The statement also noted that the project is expected to be completed by late spring or early summer in 2023. However, the water supply may be operational once the wells are functional, even if the tower is not fully complete.

JACKSON, Miss. (WJTV) – Mississippi Commissioner of Agriculture and Commerce Andy Gipson said after nearly a year of work, a new water well system has been built at the Mississippi State Fairgrounds. The well is separate from the City of Jackson's water system.

The historic ice storm in 2021 left most of the city without water during the annual Dixie National Livestock Show and Rodeo.

"It feels good to know we have good water here no matter what. Genuine Mississippi water. This is the real deal from underground," said Gipson.

The fairgrounds were switched from the city's water system to the new well last week.

| Tour guides wanted at Vicksburg National Military Park >

"They tell me a project like this takes two to three years, a project of this scale. We were able to get it finished in 11 months. We estimate by the time the rodeo ends this coming Saturday, we'll have pumped over half a million gallons of water," stated Gipson.

The water is pumped from 750 feet underground. The water goes through a chlorination and treatment process. At this time, water is only being pumped to the fairgrounds, but more projects are in the works.

"It could connect to the other buildings, the hotels that we just acquired. The plans are to demolish those buildings and to do something new over there. There's a lot more water here than we need at the Fairgrounds, but we have plenty of what we need for the thousands of people that visit here and the thousands of livestock that need water to drink," said Gipson.

The total cost for the project was \$1.3 million, which included new lines and a backup generator. The well is currently running off a temporary tank, but a larger one will be ordered soon.

By Trip Burns
After a month-long stand-off, Mayor Herman Johnson Jr. got approval from the City Council for his long-drafted financial advisory committee.

The New Order (German: Neuordnung), or the New Order of Europe (German: *Neuordnung Europas*), was the political order which Nazi Germany wanted to impose on the conquered areas under its dominion. The establishment of the New Order had already begun long before the start of World War II, but was publicly proclaimed by Adolf Hitler in 1941:

The year 1941 will be, I am convinced, the historical year of a great European New Order.^[1]

Among other things, it entailed the creation of a pan-German racial state structured according to Nazi ideology to ensure the supremacy of an Aryan-Nordic master race, massive territorial expansion into Central and Eastern Europe through its colonization with German settlers, the physical annihilation of . . . others considered to be "unworthy of life" and the extermination, expulsion or enslavement of most of the . . . peoples and others regarded as "racially inferior".^[2] Nazi Germany's desire for aggressive territorial expansionism was one of the most important causes of World War II.

Historians are still divided as to its ultimate goals, some believing that it was to be limited to Nazi German domination of Europe, while others maintain that it was a springboard for eventual world conquest and the establishment of a world government under German control. - - As of 02/13/2019 [https://en.wikipedia.org/wiki/New_Order_\(Nazism\)](https://en.wikipedia.org/wiki/New_Order_(Nazism))

Merkel and Other German Leaders Try, Again, to Form a Government

By Melissa Eddy

Jan. 6, 2018

Chancellor Angela Merkel of Germany is leading the conservative Christian Democrats in talks with other political parties to form a coalition government. Sean

European Unity

Martin Schulz, the leader of the Social Democrats, has called for a **"United States of Europe" by 2025**, a notion that conservatives have rejected as unrealistic.

One sticking point will be a common approach on changes to the eurozone, along the lines proposed by President Emmanuel Macron of France, who is seeking a shared budget and governing structure.

268. Investigation(s), etc. **will yield, SYSTEMIC** discriminatory / racist practices as well as PATTERN and PRACTICES wherein the United States of America’s / United States’ Officials. . . , their Presidents, their Legal Counsel Baker Donelson Bearman Caldwell & Berkowitz, and their Co-Conspirators (as United Kingdom / Germany Officials . . .) etc. **CONSPIRED to bring over 1,000** of **Adolf Hitler’s Scientists** to the USA through **"OPERATION Paperclip"**

to aid and abet in WAR Crimes, Crimes Against Humanity, violation(s) of Geneva Convention on the Prevention and Punishment of the Crime of Genocide (1948), Ethnic Cleansing, violation(s) of Chemical Weapons Convention (1997), as well as other Atrocities / serious violations of international law(s) that **are** specifically TARGETED towards “BLACK Indians” / Native Nations and their Citizens / People as well as Members of the “PROTECTED Class” / “PROTECTED Group” for purposes of COVERING UP / SHIELDING the unlawful THEFT / STEALING of their Lands / Territories and Properties, etc.

As World War II was entering its final stages, American and British organizations teamed up to scour occupied Germany for as much military, scientific and technological development research as they could uncover.

Trailing behind Allied combat troops, groups such as the Combined Intelligence Objectives Subcommittee (CIOS) began confiscating war-related documents and materials and interrogating scientists as German research facilities were seized by Allied forces. One enlightening discovery—recovered from a toilet at Bonn University—was the Osenberg List: a catalogue of scientists and engineers that had been put to work for the Third Reich.

INSIGHTS

By
**JAMES
HENDRIX**

Will Jackson meet Jefferson County's current fate: a local government slowly dragged into bankruptcy after it bet its municipal bonds on complex derivatives?

The Jackson City Council approved a motion to enter into an interest rate swap for its 2002 and 2004 bonds with Deutsche Bank and Rice Financial Products. Unfortunately for the rest of us, the gang of four who voted for this deal along with swap-promoter and

Finance Director Rick Hill probably had no real idea of what they were doing, as many officials in other cities have discovered to their dismay.

The media and citizens of Jackson should hold city councilors Melton, Hill, Crisler, Bluntson, McLemore, and Tillman accountable for trying to push this on us. There was no competitive bidding. Jackson is exposed to an adjustable rate agreement similar to those that have devastated other local governments. The fees were not even mentioned or made available to the public yet we are expected to fork over millions of dollars of our money to bankers and "advisers."

"The county paid banks \$120 million in fees -- six times the prevailing rate -- for \$5.8 billion in interest-rate swaps. That was supposed to protect the county from rising rates for their bonds. Lending rates went the wrong way, putting the county \$277 million deeper into debt..."

"Officials there (in Birmingham) relied on the advice of JP Morgan in 2002 and 2003 while refinancing almost all the \$3.2 billion of fixed-rate debt that built sewers into variable-rate bonds coupled with interest-rate swaps.

Officials are now negotiating the terms of the agreement with Deutsche Bank and Rice Financial Products, the two banks that will actually conduct the rate swap. The city has brought on Sterne Agee and Leach Inc., a national investment firm

EMMETT LOUIS TILL (07/25/41 – 08/28/55) 14 Years Old

Emmett Till

From Wikipedia, the free encyclopedia

Emmett Louis Till (July 25, 1941 – August 28, 1955) was a 14-year-old African-American who was lynched in Mississippi in 1955, after a white woman said she was offended by him in her family's grocery store. The brutality of his murder and the fact that his killers were acquitted drew attention to the long history of violent persecution of African Americans in the United States. Till posthumously became an icon of the Civil Rights Movement.

Till was born and raised in Chicago and in August 1955, was visiting relatives near Money, in the Mississippi Delta region. He spoke to 21-year-old Carolyn Bryant, the white married proprietor of a small grocery store there. Although what happened at the store is a matter of dispute, Till was accused of flirting with or whistling at Bryant. Years later, Bryant disclosed that in 1955, she had fabricated testimony that Till made verbal or physical advances towards her in the store.^{[1][2]} Till's reported behavior, perhaps unwittingly, violated the strictures of conduct for an African American male interacting with a white woman in the Jim Crow-era South.^[3] Several nights after the store incident, Bryant's husband Roy and his half-brother J. W. Milam went armed to Till's great-uncle's house and abducted the boy. They took him away and beat and mutilated him before shooting him in the head and sinking his body in the Tallahatchie River. Three days later, Till's body was discovered and retrieved from the river.

Ms. Vogel Newsome

Dear Vogel Newsome:

I would like to personally thank you for taking the time to visit with us during the FAMU Relays. You have no idea the impact that you made on alumni, the community and especially our current women's track team.

Coach Moore is beaming with pride after meeting you and having you speak to her team and it has permeated all the way to their performances. Since the FAMU Relays, the ladies have stepped up their performances to levels they had never done before.

To have ambassadors such as you to carry the FAMU torch across this nation is something money cannot buy. We want to say thank you and let you know how proud we are of you.

I regret that I was not able to attend, but as you know, our conference meeting was in Winston-Salem, NC on the same day as the FAMU Relays. I look forward to meeting you all some day soon. In taking the post at here at FAMU, I promised to foster relationships with our athletic alumni and we take it very seriously.

We will be contacting you in the future about what is going on in FAMU Athletics and hope will re-engage in the FAMU spirit.

Sincerely,

Derek Horne
FAMU Director of Athletics

RE: UPDATE AND URGENT REQUEST REGARDING: *Emergency Complaint and Request for Legislature/Congress Intervention; Also Request for Investigations, Hearings and Finding*

Dear President-Elect/Senator Obama:

I believe you will find not only from my July 13, 2008 Complaint filed with the Legislature/Congress, but also with the FBI that I am definitely in the trenches fighting for the little people and have been doing so since leaving Florida A & M University ("FAMU"). However, due to the systematic prejudices and injustices which has plagued African-Americans and/or people of color – justice has been delayed; however, now with the new administration, not denied and believe the laws will be applied equally, just and fair.

AZ Attorney General's Office Seeks To Stop Serial Litigator

(Photo by Nathan O'Neal/Cronkite News)

BY: ADI NEWS SERVICES JUNE 25, 2018

The Arizona Attorney General's Office filed a motion to stop what it describes as improper serial lawsuits filed by Mr. Peter Strojnik against Arizona businesses. The Arizona Attorney General's Office filed a motion to intervene in a pending federal appeal involving Strojnik.

Fifteen of Strojnik's suits were dismissed by U.S. District Court Judge Murray Snow, who also consolidated the rest for an appeal to the Ninth Circuit. The Attorney General's motion to intervene in this appeal is part of his broader efforts to protect Arizona businesses by shutting down Mr. Strojnik's "abusive litigation tactics."

In recent years, Strojnik has filed nearly 2,000 disability lawsuits in Arizona where he demands huge settlement amounts, including from small businesses that do not have legal counsel. The Arizona Attorney General's Office intervened in state court and obtained a dismissal of more than 1,000 of these lawsuits. Undeterred, Strojnik filed 140 new lawsuits in federal court.

IMPORTANT TO NOTE: HOW the United States of America's EXECUTIVE(S) – as their Former President Donald John Trump - **has been ALLOWED over 3,000+ Lawsuits!** NOW the World is WITNESSING "HOW" the FRAUDULENT Judicial System is being used in attempts to getting Trump to the 2024 Presidential Elections. However, said **FRAUDULENT** USA / United States Schemes **do NOT PROHIBIT** the Chickasaw Tribal Nation's / Utica International Embassy's Officials . . . from bringing such action as this instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .!"**

IMPORTANT TO NOTE: Using the WHITE Man’s LABELS, the **“B”** in **HBCU** is

CONSPIRACIES against the “BLACK Indians” / Native Nations and Native People to **DISASSOCIATE**

them from their Lands / Territories, Properties and Resources! Through **CENTURIES** of “**PAPER**”

Genocide practices, a reasonable mind may conclude that HBCUs were set up **to REPRESENT** BLACK Indians

NATIONS prior to the UNLAWFUL invasion of the EUROPEANS / WHITE Man. Furthermore, there is RECORDED

evidence of “BLACK Indians” / Native Nations OBJECTING to the unlawful INTRUSION of the United States of

America’s EUROPEANS . . .in SOVEREIGN Nations’ and their Native People’s AFFAIRS! Moreover,

From Title 25-INDIANS

CHAPTER 46 - INDIAN SELF-DETERMINATION AND EDUCATION ASSISTANCE

§5301. Congressional statement of findings

(a) Findings respecting historical and special legal relationship, and resultant responsibilities

The Congress, after careful review of the Federal Government's historical and special legal relationship with, and resulting responsibilities to, American Indian people, finds that-

- (1) **the prolonged** Federal **domination of Indian service programs** has served **to retard** rather than **enhance** the progress of Indian people **and their communities** by **depriving Indians** of the **full opportunity** to develop **leadership skills crucial** to the realization of **self-government**,

and **has denied** to the Indian people an effective voice in the **planning** and **implementation** of programs **for the benefit** of Indians which are responsive to **the true needs** of Indian communities; and

(2) **the Indian people will never** surrender **their desire to control** their **relationships** both among themselves **and** with **non-Indian governments, organizations,** and persons.

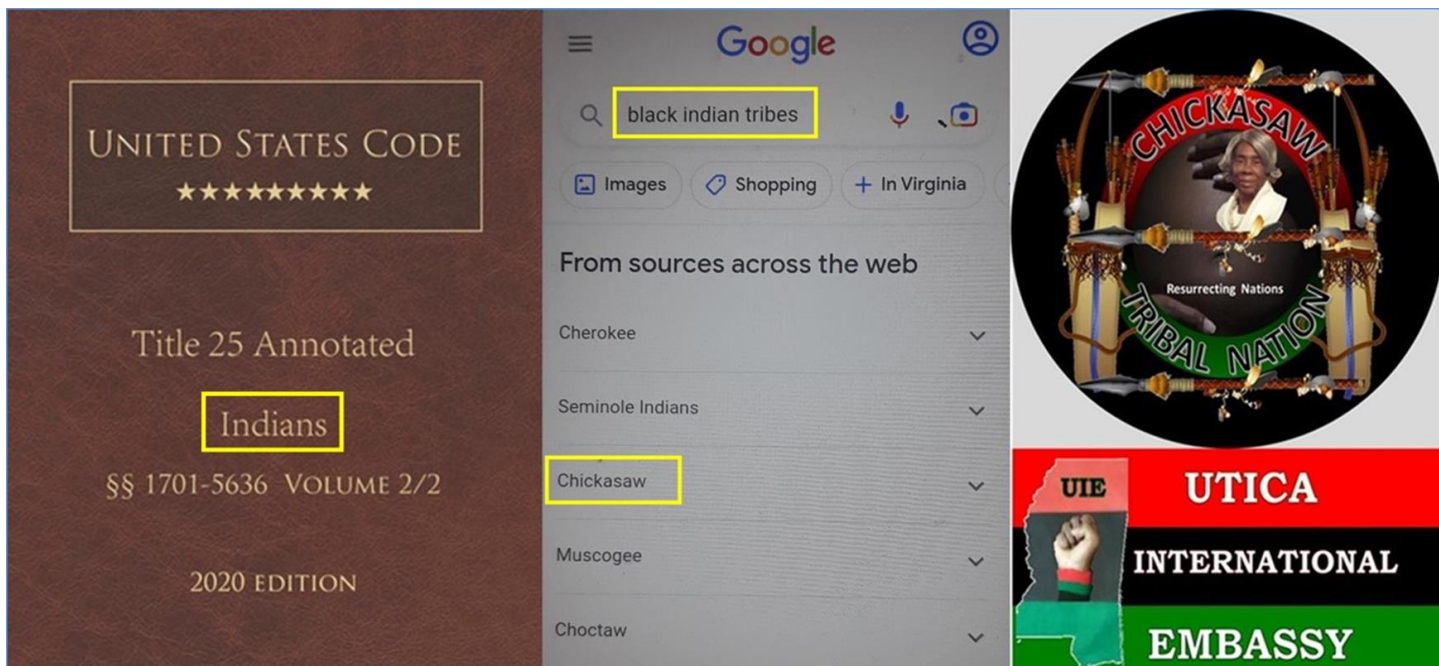

(b) Further findings

The Congress further finds that-

(1) **true self-determination in any society of people is dependent** upon **an educational** process which **will insure the development** of **qualified** people to fulfill **meaningful leadership** roles;

(2) the Federal **responsibility for and assistance to education of Indian children** has **not** effected **the desired level of educational achievement** or **created the diverse opportunities** and **personal satisfaction** which education **can and should provide;** and

(3) **parental and community control** of the **educational process** is **of crucial** importance to the Indian people.

FINANCIAL Funding has been **unlawfully withheld** and **CONTINUES** to be **unlawfully withheld** from HBCUs **for purposes of** bringing about the **DESTRUCTION / RUIN / CLOSURES . . .** of “BLACK Indians” / Native Nations’ **EDUCATIONAL Institutions** for purposes of **CONVERTING them into PRISONS** and / or use for other **ADVERSE / NEGATIVE** purposes **known to** the United States of America’s NAZI / WHITE Supremacist / Ku Klux Klan / Jewish / Zionist . . . Officials, their Legal Counsel Baker, Donelson, Bearman, Caldwell & Berkowitz P.C. and CO-Conspirators, etc.! Criminal acts that are in VIOLATION of the alleged / so-called TREATIES – i.e. in other words, BREACH of Treaties! *Let alone concerns for those “BLACK Indians” Tribal Nations and their DESCENDANTS in which NO such Treaties were ever entered into!* Thus, supporting the **IMMEDIATE** release of **MONIES / FUNDS** owed **and belonging** to said PROTECTED Groups / Classes that are **unlawfully being withheld!**

NOW there is record evidence **of CONSPIRACIES** and WAR Crimes / Crimes Against Humanity and other Atrocities being carried out against the Chickasaw Tribal Nation, “BLACK Indians” / Native Nations and Native People **for purposes of STEALING / THEFT** of their Lands / Territories, Properties and Resources, etc. as well as their HBCUs! In further support thereof, do hereby state – i.e. however, not limited to this listing alone:

Through this instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .,"** the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. seeks assistance through the appropriate INTERNATIONAL Authorities in the setting up of the applicable SPECIAL Tribunal(s) / International TRIBUNAL(S) / International MILITARY Tribunal(s), etc. to act in the **"Situation In The United States of America - STATE OF MISSISSIPPI, etc.;"** wherein, the CTN seek INVESTIGATION(S) and PROSECUTION(S) – if VIOLATION(S) found – and finding(s) thereof into the "BLACK Indians'" / Native Nations' and their **Historically BLACK Colleges and Universities** ("HBCU" / "HBCUs") as it relates to said HBCUs' **Board of Trustees . . . , Appointments of Presidents, Operations, Programs, Repairs, Curriculums, Housing, Athletics and Funding,** etc. thereof **COMPARED to that of** what have become known as **PREDOMINANTLY White Educational Institutions** ("PWIs") as it relates to Board of Trustees . . . , Appointments of Presidents, Operations, Programs, Repairs, Curriculums, Housing, Athletics and Funding, etc.! Furthermore, **INVESTIGATION(S)** and **PROSECUTION(S)** – if VIOLATION(S) found – and **finding(s)** therein, as it relates to the **DISPARITIES . . . associated with HBCUs vs. PWIs** - i.e. however, not limited to this listing alone - regarding **"HOW" BLACK CODES, JIM CROW** and / or **CRIMES Against Humanity,** etc. practices are being used by the USA's / United States' **NAZIS / WHITE Supremacists / Ku Klux Klan / Jews / Zionists:**

(B) Engagement in PATTERN-Of-PRACTICES To Merge HBCUs with PWIs and / or ELIMINATION Of HBCUs and ELEVATION of PWIs:

Campus Voices

Story by Eugene Morris
Photos by Aaron Morrison

Florida A&M University is one of the finest black universities in the nation. It offers a wide variety of courses designed to foster mental and physical growth among its students. FAMU is also fortunate enough to have an outstanding athletic department equipped with well trained coaches. Tradition would be the one word to describe FAMU. Many students are following in a family tradition when they choose to attend FAMU. Florida State University is a sufficient institution of higher learning. Aside from the fact that oil and water don't mix, could FAMU and FSU operate successfully as one unit? The Board of Regents has silenced the issue for the time being. However, it is far from being settled. Should FAMU and FSU join forces and become one institution?

Gregory Trotman (junior)
"We shouldn't join with them because FAMU has helped many blacks earn a good education. If it happens, we will lose a fine institution in the State University System."

Robin Harris (freshman)
"I'm against the idea. We should have black universities. If the trend of black college mergers continues, blacks will be in trouble."

Robert Crawford (senior)
"I'm totally against the idea. Too many successful people have come out of FAMU and I would suffer personally if they killed this school."

Apryl Mercer (sophomore)
"That's a terrible idea. We don't need to go over there with them."

(B) **ABRUPT RESIGNATION** Of Jackson State University's **President** Thomas K. Hudson approximately **29 days AFTER** March 2, 2023, **Chickasaw Tribal Nation's PRESS RELEASE** released to the **PUBLIC / WORLD**:

JACKSON, Miss. (AP) — The president of Jackson State University will resign at the end of this month, weeks after the board that governs Mississippi's eight public universities put him on paid administrative leave and months after the JSU faculty senate took a vote of no confidence in him.

[Thomas K. Hudson](#) was named to the top leadership role at Mississippi's largest historically Black university in November 2020. On Tuesday, Higher Education Commissioner Alfred Rankins Jr. announced Hudson's planned resignation, which takes effect **March 31.**

The Chickasaw Tribal Nation **PRESS RELEASE** explains the United States of America's / State Of Mississippi's **Covert Paramilitary Operation: PRIME Time Playbook Scams** – i.e. As the **"INELIGIBLE Players"** Scheme **PRIOR** to the Jackson State University Game and the so-called **"BLOWOUT" Game** [which appeared to be purposely THROWN] between Florida A&M University and Jackson State University.

IMPORTANT TO NOTE: In order for the CONSPIRACIES to **"BREAK UP The SWAC"** planned, orchestrated and implemented by the NAZIs/Jews/Zionists to work, they relied upon **CO-Conspirators** to aid and abet in accomplishing **"The OBJECT"** of said conspiracies.

There is recorded EVIDENCE (of a **Contract**) – **PAPER Trail** – that TERMS of the Agreement Deion Sanders entered into provided INCENTIVES (which include taking Jackson State University to **ANOTHER Conference...**) - - -**Are** Deion Sanders' and Ashley Robinson's **SIGNATURES** on the Contract(s)!

Felecia Nave is out as president of Alcorn State University, according to a press release from the Institutions of Higher Learning Board of Trustees.

The board approved the change during executive session at its regular meeting Thursday. Ontario Wooden, the provost and senior vice president for academic affairs, will serve as interim president at the state's oldest public historically Black university, effective

immediately.

It was not clear why the board bid Nave goodbye; an IHL spokesperson did not immediately return an inquiry from Mississippi Today. IHL's press release does not say if she resigned or if the board terminated her contract, which was set to end on June 30,

(D) June 2023, TERMINATION / FIRING / RESIGNATION Of Tougaloo College's President Carmen Walters.

Yet another college president steps down, this time at Tougaloo

MISSISSIPPI TODAY

The president of Tougaloo College, a private historically Black institution in north Jackson, is leaving at the end of this month amid growing unhappiness with her leadership, notching another name in the growing list of college presidents in Mississippi who have resigned or been fired in the last year.

In an email, Carmen Walters mainly touted her accomplishments since she took the reins as Tougaloo's 14th president in July 2019, including doubling the college's endowment. Before she was president of Tougaloo, Walters held multiple administrative positions at Mississippi Gulf Coast Community College.

"Our beloved Eagle Queen is magnificent to behold," Walters wrote. "Tougaloo has a rich history and a promising future. I will always reflect on my tenure at the College with pride and root for its continued success as a passionate supporter."

Utica Mayor Broome Introduces Himself

Host (Vogel Denise Newsome) Introduction

GUIDELINE FOR MEETING (however, NOT limited to this list)

- **NO** Obscene Language /Cursing/Swearing
- **RESPECT** One Another
- **NO** Interrupting Person On Floor – WAIT To Be Recognized
- **NO** Fighting
- **PLEASE CONDUCT** Yourself In A Courteous/Professional Manner

ITEMS/CONCERNS TO BE DISCUSSED – REQUESTING MAYOR BROOME'S FEEDBACK ON ISSUES

- (1) **CLOSURE of the Grocery Store (Sunflower)** - Many citizens of Utica want a Grocery Store in Utica - What is the plan (if one at all) to bring a Grocery Store to Utica, Mississippi – Have there been any prospects from businessmen/women to bring a Grocery Store to Utica (if so, what was the OUTCOME and WHY)?

* **Closure of Grocery Stores**

* **Businesses / Jobs**

* **PRISON Issue** - Closing of HBCUs (as Utica Junior College -UNLAWFULLY seized by Hinds Community College [a PWI]) for purposes of CONVERTING into Prison(s). Moreover, concerns regarding "WHITE Educational Institution / WHITE-Controlled Board of Education (with Ku Klux Klan Affiliation and / or Connections) being involved in such CRIMINAL Acts and /or WAR Crimes Atrocities!

Your **LEGAL** Right/OBLIGATION to ESTABLISH a **DEMOCRACY** Government that works!

TAXES/FURLONGHS – TARGET the POOR while the WHITE WEALTHY and their LAWYERS are getting RICHER!

Your Legal DUTY/Right NOT to FINANCE Wars – Taking BACK CONTROL from a DESPOTISM Government using TAX DOLLARS to FINANCE attacks on the POOR and TERRORIST Acts (Domestically and Internationally) - - INCREASING Taxes on the POOR to FINANCE the wealthy/rich and their EVIL EMPIRES!

Your CONSTITUTIONAL and LEGAL Right/OBLIGATION to THROW OFF a Despotism Government!

GENOCIDE + GENTRIFICATION = RISE OF DEMOCRACY
<http://www.slideshare.net/VogelDenise/tuskegee-tests>

(2) **BUSINESSES/JOBS** – Many citizens of Utica will like to **see more/new DOWNTOWN** Businesses as well as **more/new** Businesses **OUTSIDE** of the City Limits/Downtown brought in – WHAT plans (if at all) are being pursued to **meet the ECONOMIC** demands for Utica as well as citizens/residents of Utica, Mississippi. WHAT Business proposals – NEW BUSINESSES, FRANCHISES, etc. (if any) have been brought and/or wanted to be brought to Utica, Mississippi? WHAT was the **OUTCOME** and **WHY**?

JOBS – With what appears to be the **UNLAWFUL/ILLEGAL** closing of schools and other businesses through the **ILL EFFORT** to bring about the **COLLAPSE** of Utica, Mississippi, WHAT (if anything) is being done to bring **JOBS** back to Utica?

PRISON ISSUE – Is it **TRUE** or **FALSE** that there is a plan to **CLOSE** the Hinds Community College/Utica Branch **for purposes of using the land for a PRISON**? If so, **WHY** have the citizens/residents **NOT** been made aware of such an **ILL-FATED** plan?

PLEASE NOTE: That the issue regarding the Utica citizens/residents **LEGAL** right to bring a **LAWSUIT** (against the **State/County, Board Officials, their Lawyers, etc.**) regarding what appears to be the **UNLAWFUL/ILLEGAL** closure of Hinds Agriculture High School, the **DESTRUCTION** of **HISTORICAL LANDMARKS** as well as the **TAKEOVER** of an **HBCU** (Historically Black Colleges and Universities – which receives **FUNDING** for such **STATUS**) by what appears to be a **WHITE Educational Institution/WHITE-Controlled Board of Education** (with **Ku Klux Klan Affiliation and/or Connections**)! It appears that the closure of Hinds Agricultural High School was done in **VIOLATION** of such laws as the **KU KLUX KLAN Act** and other statutes/laws **PROHIBITED** through the **WHITE Elites (Supremacists)** **CREATION** of **Legislation** to **MASK** and/or **HIDE** their **RACIST Agenda** from the Public/World!

* **GENTRIFICATION;**

* **WATER ISSUE** - i.e. Being used to run Scams / Schemes designed to carry out the **THEFT / STEALING** of "BLACK Indians" / Native Nations' and Native People's Lands / Territories, Properties and Resources, etc.

* **LAW ENFORCEMENT Issue** - i.e. Addressing the **UNLAWFUL** issuance of Citations, **HARASSING / THREATENING** "BLACK Indians" / Native Nations and their People, **RACIAL Profiling** and **INFILTRATION** and **CONTROL** . . . by **WHITE Supremacists**, etc.

* **DRUG ISSUES / PROBLEMS** - Citizens / Residents are complaining about the **ILLEGAL** Drugs being allowed to come into Utica, Mississippi **UNREGULATED!** The **INCREASE** in Crimes! It is **NO** secret that Black Indians / African-Americans and/or People-Of-Color are **NOT** the **SOURCE** of the **ILLEGAL** Drugs being brought into the Community by **WHITE-Controlled establishments** that are **MAKING-A-PROFIT** to **SECURE** their **WEALTHY** Lifestyles! **EMPLOYING** Blacks / African-Americans to **DEAL / SELL** the unlawful / illegal drugs; nevertheless, these **EMPLOYED** Drug Dealers it appears are **FORBIDDEN** to **INVEST** in the **UPKEEP and MAINTAINING** of their communities from their **DRUG-DEALING** **JOBS!** **WHITE** Suburbia getting **RICHER** and **BUILDING** their **EMPIRES** and using their **DRUG DEALING PROFITS** to **FINANCE** **ATTACKS** and **DESTROY** the **Black Indian / African-American communities** **MASKED** as **URBAN RENEWAL** and **GENTRIFICATION!**

Town of Utica, Mississippi Officials . . . being advised to address and **CORRECT** issues raised in October 27, 2015, Meeting Agenda and

advised that **FAILURE TO ACT** would lead to **pursuit through the** applicable **INTERNATIONAL Tribunals**, etc.

- (3) **GENTRIFICATION** – Is the buying and renovating of houses and stores in deteriorated urban neighborhoods BY WEALTHIER individuals, which in effect INCREASES property values and DISPLACES LOW-INCOME families and small businesses. This is a COMMON and WIDESPREAD controversial topic in URBAN PLANNING (also known as URBAN RENEWAL). It refers to SHIFTS in urban community lifestyle and an INCREASING share of wealthier residents and/or businesses and INCREASING property values.

POORER PRE-Gentrification residents are UNABLE to pay INCREASED rents or PROPERTY taxes may find it necessary to RELOCATE!

Downtown Utica was ONCE heavily populated by WHITE-Americans in which MANY have moved away. It appears that decisions regarding businesses/jobs that come into Utica are being decided by the WEALTHY and CROOKED Lawyers that want to unlawfully/illegally CONTROL City Governments/Officials as that in Utica, Mississippi BEHIND-THE-SCENE! Is a process such as GENTRIFICATION being used by the FEW

WEALTHY White Business Owners in the Utica, Mississippi? Are the FEW WEALTHY White Business Owners being ALLOWED to OBSTRUCT Economic PROGRESS in the Utica, Mississippi for purposes of securing their DESPOTISM Empires – i.e. UNLAWFULLY/ILLEGALLY obstructing ECONOMIC progress to ELIMINATE competition and EQUAL OPPORTUNITIES to People-Of-Color?

- (4) **WATER ISSUE** – What is the STATUS of the water issue in Utica, Mississippi? Is the water SAFE to drink?

ELECTRONIC WATER METER – WHO decided to allow the ELECTRONIC water meter system to be implemented in Utica, Mississippi?

WHAT is the NAME of the Company/Contractor who installed and/or is installing the ELECTRONIC water meter(s) in Utica, Mississippi? **PRIOR to the installation** of the ELECTRONIC water meter system, were Citizens/Residents made aware of their LEGAL rights to CONTEST/OBJECT the implementation of the ELECTRONIC water meter(s)? **What process(es) [if any] were followed in the HANDLING and GRANTING of contract(s) regarding the ELECTRONIC water meter(s)?** Residents are COMPLAINING of the MAJOR INCREASE in their water bills since the implementation of the ELECTRONIC water meter(s). **Has the City of Utica been made aware of the INCREASING cost in water bills, LEAKS, etc. since the implementation of the ELECTRONIC water meters?** There are CONCERNS that the ELECTRONIC water meter system has been installed for purposes of UNLAWFULLY/ILLEGALLY gaining access to PROPERTY LANDS – for example: (i) providing residents with a HUGE water bill through FRAUDULENT practices and placing them in FEAR of LOSING water services if the Water Bill is NOT paid; (ii) SHUTTING OFF water services due to a HIGH Bill

obtained through FRAUD [creation of problems resulting in LEAKS/BUSTED PIPES. etc.] = all with intent to bring LEGAL ACTION AGAINST residents who CANNOT pay such a HIGH Water Bill with hopes of TARGETING taking AWAY their PROPERTY/LANDS through Lawsuits/Liens for UNPAID bills . . . – in other words taking Citizens/Residents HOSTAGE!

- (5) **LAW ENFORCEMENT** – There are concerns that the Utica Police Department may be ABUSING its authority: (i) unlawfully/illegally issuing citations with citations; (ii) HARASSING/THREATENING citizens; (iii) PROFILING citizens because of their ethnicity/race (Black/African-American, Hispanic. . .) – thus, rather than KEEPING the Peace, may be actually CONTRIBUTING to the DISTURBANCE and CREATION of a HOSTILE/CRIMINAL environment in placing citizens in what they may feel “LIVING IN A POLICE-STATE” of mind! Is the Utica Police Department unlawfully/illegally being CONTROLLED by the FEW

WEALTHY Whites and their LAWYERS – i.e. do they have WHITE SUPREMACIST Connections/Affiliations?

DRUG ISSUES/PROBLEMS: Citizens/Residents are complaining about the ILLEGAL Drugs being allowed to come into Utica, Mississippi UNREGULATED! The INCREASE in Crimes! It is NO secret that Black/African-Americans and/or People-Of-Color are NOT the SOURCE of the ILLEGAL Drugs being brought into the Community by WHITE-Controlled establishments that are MAKING-A-PROFIT to SECURE their WEALTHY Lifestyles! EMPLOYING Black/African-Americans to DEAL/SELL the unlawful/illegal drugs: nevertheless, these EMPLOYED Drug Dealers it appears are FORBIDDEN to INVEST in the UPKEEP and MAINTAINING of their communities from their DRUG-DEALING JOBS! WHITE Suburbia getting RICHER and BUILDING their EMPIRES and using the DRUG DEALING PROFITS to FINANCE ATTACKS and DESTROY the Black/African-American communities MASKED as URBAN RENEWAL and GENTRIFICATION!

WHAT PLAN (if at all)/LAW ENFORCEMENT Agencies are Utica’s Government Officials using (if at all) to bring the WHITE ILLEGAL DRUG employers/providers to JUSTICE – i.e. it appears that WHITE America [running and controlling DESPOTISM Government] is providing Black/African-Americans and/or People-Of-Color with the ILLEGAL Drugs to sell and then BUSTING/ARRESTING a SELECTED few while the WHITE-controlled Drug EMPLOYERS/Providers REMAIN at-large!

COMMENTS & QUESTION SESSION (Public) – Please note due to this being the First Meeting and TIME Limitations everybody may not have an opportunity to be heard; therefore, please be patient in understanding the process that may be used.

Principal Alleges Sexual Harassment by JPS Superintendent

By: Cheryl Losseter
cheryl@wfta.net

On Wednesday morning, Michael Ellis was fired from his job as principal at Chastain Middle school. JPS says it was because of improprieties found in an audit of the school's payroll. But Ellis is claiming Dr. Earl Watkins sexually harassed him for several months beginning in June.

JPS Settles Ellis Case

By Ronni Mott : Wednesday, September 19, 2007 4:41 p.m. CDT

**Dr. Earl Watkins - Conservator
Clatsop County Public School District
MINISTER at World Overcomers
Ministries Church (Madison, MS)**

Jackson Public Schools reached a settlement with Michael and Rachel Ellis in the Ellis' Title VII lawsuit filed in January against JPS Superintendent Dr. Earl Watkins for sexual harassment.

JPS has not revealed the terms of the settlement, although Ellis and his legal team are reportedly pleased. The payout, according to sources who wish to remain anonymous, is in the half-million dollar range. JPS has also not revealed whether Watkins—who has continued to maintain that he never harassed Ellis—will face any consequences.

History [edit] **PRIVATIZATION Of Prisons/Detention Centers...**
The Utica campus of Hinds Community College, formerly "Utica Junior College", was founded in 1903 as **Utica Normal and Industrial Institute**. William H. Holtzclaw helped establish it and it began as a small agricultural high school in 1917 with 117 students and eight faculty members. In its transformation into a junior college, it began offering college-level academic courses in 1922 and was accredited by the Southern Association of Colleges and Schools in 1926.
During the World War II years, a vocational education curriculum was added to the college's offerings, and in the late 1960s, technical degree programs were added.
Branch locations in Jackson and Vicksburg were opened in the 1970s. These branches primarily offered high school vocational education, though some college-level night courses were taught. Utica Junior College, a historically black college whose history dates to 1903, merged with **Hinds Junior College** in 1982 under Federal court order as part of a class action racial discrimination lawsuit.

Kirk FORDICE, Governor, Defendants/Senior Colleges; Hinds Junior College, Board of Trustees; Utica Junior College, Board of Trustees; Mississippi Delta Junior College; Coahoma Junior College; State of Mississippi, Defendants-Appellees, v. Louis ARMSTRONG, Movant-Appellant.

No. 95-60431.

On remand, the district court ordered each party to submit proposed remedies "to resolve the areas of the State's liability pursuant to the Supreme Court mandate." Without conceding liability, defendant Board of Trustees of State Institutions of Higher Learning (the "Board")³ responded by presenting a detailed proposal for modification of the higher education system. **This proposal contained, among other provisions, uniform standards of admission for all universities, as well as a plan to merge Delta State University and Mississippi Valley State University into one institution to serve students in the Mississippi Delta.**⁴

The court addressed two instances of program duplication between proximate, racially identifiable institutions. First, in its remedial decree, the district court ordered the Board to "take whatever remaining steps are necessary, if any, to vest complete institutional control in JSU over the facility formerly known as the Universities Center in JSU." Id. at 1495. The Universities Center, located in Jackson, consisted of extension programs operated by various HWIs. Ayers I, 674 F.Supp. at 1542. In 1972 the Board voted to assign management responsibilities for the Universities Center to Mississippi State, the University of Mississippi, and Jackson State. Id. At the trials in 1987 and 1994, plaintiffs identified continued operation of these extension programs in close proximity with Jackson State as a vestige of the de jure system. The district court's order eliminates whatever competition for enrollment the Universities Center fostered with respect to Jackson State.

IMPORTANT TO NOTE: The **CONSPIRACIES** to **CREATE** *allege* **Boards** (as the **IHL** in Mississippi and **BOARD Of Regents** in Florida, etc.) as well as use of **FRAUDULENT Legislation / Laws** – i.e. FEDERAL and STATE – are **"ALL"** part of **"ORGANIZED Criminal Activities,"** further **WAR Crimes**, Crimes Against Humanity and other Atrocities, etc. that the **"USA Global TERRORISTS Operatives"** have **concocted** for such unlawful **LAND-GRABBING Schemes / Scams!** Thus, a reasonable mind may conclude that the USA's / United States' - "PRIVATELY held COMPANY" – Officials, Presidents, Legal Counsel Baker Donelson and CO-Conspirators **will OUTRIGHT blatantly DENY** (however, **TRUE**) such **CONSPIRACIES!** This being the reason **"WHY"** it is good to **DOCUMENT** as well as **preserve EVIDENCE!** It appears, **being able to AVOID detection through the use of what are known in the "BLACK Indian" Nations / Communities . . . as "BLACK" Faces and "HOUSE" Negroes, etc. as United States Congressman Bennie Thompson and "ALL" other BLACKS in the USA's / United States FRAUDULENT Government positions!**

Florida A&M University is one of the finest black universities in the nation. It offers a wide variety of courses designed to foster mental and physical growth among its students. FAMU is also fortunate enough to have an outstanding athletic department equipped with well trained coaches. Tradition would be the one word to describe FAMU. Many students are following in a family tradition when they choose to attend FAMU. Florida State University is a sufficient institution of higher learning. Aside from the fact that oil and water don't mix, could FAMU and FSU operate successfully as one unit?

The Board of Regents has silenced the issue for the time being. However, it is far from being settled. Should FAMU and FSU join forces and become one institution?

Gregory Trotman (junior)
"We shouldn't join with them because FAMU has helped many blacks earn a good education. If it happens, we will lose a fine institution in the State University System."

Robin Harris (freshman)
"I'm against the idea. We should have black universities. If the trend of black college mergers continues, blacks will be in trouble."

Robert Crawford (senior)
"I'm totally against the idea. Too many successful people have come out of FAMU and I would suffer personally if they killed this school."

Apryl Mercer (sophomore)
"That's a terrible idea. We don't need to go over there with them."

My economic plan has always been to grow our economy from the bottom up and the middle out.

Today we learned that unemployment is at a 50-year low after the two strongest years of job growth ever.

We're creating jobs. We're lowering costs. Our plan is working.

The W merger with Mississippi State University proposal dead in the Senate

Published 8:30 a.m. CT March 14, 2024

A proposal to merge one of Mississippi's smallest universities into one of its largest ones died Wednesday in the state Senate.

But the future of the small school, Mississippi University for Women, could still be endangered by a bill that senators passed Tuesday, which will go to the House for more work. It would create a group to study whether Mississippi should close some of its eight public universities.

Senate leaders have questioned whether the state can afford to keep all the universities open as population trends show that a decrease in birth rates has caused a drop in elementary and secondary school enrollment, which could lead to fewer students pursuing higher education in the coming years.

Senate Bill 2726

AN ACT TO CREATE NEW SECTION 37-101-450, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT THE BOARD OF TRUSTEES OF STATE INSTITUTIONS OF HIGHER LEARNING SHALL CHOOSE THREE OF THE STATE INSTITUTIONS OF HIGHER LEARNING TO CLOSE BY JUNE 30, 2028; TO REQUIRE THE BOARD TO ANNOUNCE ITS DECISION BY JUNE 30, 2025; TO REQUIRE THE BOARD TO PROMULGATE FACTORS TO BE CONSIDERED IN ITS DECISION, INCLUDING ENROLLMENT DATA, DEGREES OFFERED, ECONOMIC IMPACT, AND ANY ADDITIONAL PURPOSES THAT THE INSTITUTION CURRENTLY SERVES TO THE STATE AND ITS CITIZENS, INCLUDING PROVIDING MEDICAL SERVICES, AGRICULTURE RESEARCH OR ENGINEERING RESEARCH OR SERVICES; TO REQUIRE THE BOARD TO HOST ONE LISTENING SESSION AT THE CAMPUS OF EACH INSTITUTION BEFORE ANNOUNCING ITS DECISION; TO PROVIDE THAT FOR EACH STATE INSTITUTION THAT THE BOARD CLOSSES, SUCH INSTITUTION'S REAL PROPERTY, TOGETHER WITH THE BUILDINGS AND OTHER IMPROVEMENTS ERECTED THEREON, ALONG WITH ITS ASSETS AND FUNDS MAY BE TRANSFERRED OR CONVEYED TO ANOTHER STATE AGENCY OR POLITICAL SUBDIVISION OR SOLD TO A NONPROFIT ENTITY; TO PROVIDE THAT ANY UNIVERSITY RESEARCH INSTITUTE OR LABORATORY ESTABLISHED WITHIN TITLES 37, 49 OR 57 THAT IS LOCATED AT AN INSTITUTION THAT IS CLOSED IN ACCORDANCE WITH THIS ACT MAY BE REESTABLISHED WITHIN ANOTHER INSTITUTION OF HIGHER LEARNING AS DECIDED BY THE BOARD OF TRUSTEES OF THE INSTITUTION OF HIGHER LEARNING; TO PROVIDE THE APPLICABLE CODE SECTIONS THAT WILL BE REPEALED FOR EACH INSTITUTION IF THE INSTITUTION IS CHOSEN BY THE BOARD TO BE CLOSED; AND FOR RELATED PURPOSES.

288. FRAUDULENT LEGISLATION – I.E. AS THE DRAFTING OF MISSISSIPPI HOUSE BILL 1020 / HOUSE BILL 1983 . . . / INSTITUTIONS OF HIGHER LEARNING ("IHL") – SCHEMES:

Jackson State receives over \$23 million in state funds for campus projects. What is on tap?

Jackson State University is set to receive millions from the state after a bill was signed into law that dishes out funds to Mississippi's public universities for capital improvements.

Senate Bill 2468 includes more than \$820 million in state expenditures. That sum includes funds to cities such as Jackson, which received \$9.4 million for various projects. A total of \$110 million is headed to seven universities within Mississippi's Institutions of Higher Learning, as well as the University of Mississippi Medical Center after Republican Gov. Tate Reeves signed the appropriation bill on Monday.

State Could Reclaim Land Housing Jackson's Smith-Wills Stadium

MAY 24, 2024

The State of Mississippi now has the right to repossess the land Jackson's Smith-Wills Stadium sits on if it chooses. The issue comes a decade after community members and city leaders debated over a proposal to commercialize and open a Costco on the land where the stadium sits just off Lakeland Drive.

House Bill 1983, a bond bill also known as a legislative capital investment package, included several projects across the city. Reeves signed the bill into law on May 13, 2024. It also included a clause that opens a path for the State to reclaim the land where the 49-year-old stadium sits.

Rep. Chris Bell, D-Jackson, told the Mississippi Free Press on May 22, 2024, that legislative leaders added a clause that appears to allow the state to repossess the land housing Smith-Will Stadium "at the last minute." "It was not in the original bill that we received," he said. Photo courtesy of State of Mississippi

But Rep. Christopher Bell, D-Jackson, told the Mississippi Free Press on Wednesday that legislative leaders added the clause mentioning ownership of the land to the bill "at the last minute" during a committee meeting before the Legislature voted on the final bill and sent it to the governor's desk.

"It was not in the original bill that we received," Bell said. "They agreed upon certain projects being in the bond bill which we all had championed for. For them to do this, it was pretty disrespectful."

While Bell said it is not uncommon for legislators to add last-minute sections to a bill before a final vote to send it to the governor, he believes this particular choice is another attempted scheme for the state to take over parts of the capital city.

COMPLAINT

2. Throughout its history and up to the present day, Florida has purposefully engaged in a pattern and practice of racial discrimination, principally through disparate funding, that has prevented HBCUs, including FAMU, from achieving parity with their traditionally White institution (“TWI”) counterparts.

3. In 1998, Florida and the U.S. Department of Education, Office of Civil Rights (“OCR”), entered into a five-year Partnership Agreement to increase access for minority students at all levels of education, including requiring Florida to disestablish its segregated system of higher education. Specifically, OCR had found that Florida was deficient in access, retention/graduation, and financing for and of minority students.

DEMAND FOR TRIAL BY JURY

Plaintiffs, individually and on behalf of the proposed Class, respectfully request a trial by jury as to all matters so triable.

Respectfully submitted this 22nd day of September, 2022.

Dear Vogel Newsome:

I would like to personally thank you for taking the time to visit with us during the FAMU Relays. You have no idea the impact that you made on alumni, the community and especially our current women's track team.

Coach Moore is beaming with pride after meeting you and having you speak to her team and it has permeated all the way to their performances. Since the FAMU Relays, the ladies have stepped up their performances to levels they had never done before.

To have ambassadors such as you to carry the FAMU torch across this nation is something money cannot buy. We want to say thank you and let you know how proud we are of you.

I regret that I was not able to attend, but as you know, our conference meeting was in Winston-Salem, NC on the same day as the FAMU Relays. I look forward to meeting you all some day soon. In taking the post at here at FAMU, I promised to foster relationships with our athletic alumni and we take it very seriously.

We will be contacting you in the future about what is going on in FAMU Athletics and hope will re-engage in the FAMU spirit.

Sincerely,

Derek Horne
FAMU Director of Athletics

The **United Nations Declaration on the Rights of Indigenous Peoples**, **Charter of the United Nations**, the **Universal Declaration of Human Rights**, **International Human Rights Laws** as well as the Statutes, Codes, Rules, Regulations and International Laws governing said matters, etc.

As well as CONTRARY to the WHITE Man’s so-called CONSTITUTION(S) – i.e. as the United States of America’s STATE Of Mississippi. For instance:

A) LAWSUITS HAVE BEEN FILED by JEWISH / ZIONIST Organizations as the **NAACP** [National Association for the Advancement of Colored People], **ACLU** [American Civil Liberties Union], **SPLC** [Southern Poverty Law Center] – i.e. **ALL of which are** JEWISH / ZIONIST RAN Organizations **created for DECEPTIVE purposes** and **to MONITOR** as well as **OBSERVE “WHO” the EMERGING Leaders** of the “BLACK Indians” / Native Nations and their People may be that **WILL ARISE** and **BRING THEM OUT OF CAPTIVITY**, etc.! Moreover, said JEWISH Organizations being created for purposes engaging in CONSPIRACIES with their NAZI / WHITE Supremacist / Ku Klux Klan . . . Counterparts to carry out the ASSASSINATION(S) / KILLING(S) / MURDER(S) of those FEARED as being: **(i) “WOKE,” (ii) seen as a BLACK Messiah** and **(iii) those having the ability to EXPOSE them for the FAKE Jews / TERRORISTS that they ARE!**

For instance, the following is an example of the **GENERIC Complaints** filed that are **for DELAY / DECEPTIVE** purposes in Mississippi’s House Bill 1020 – i.e. **to get to the JULY 1, 2024 “INVASION” Date. A reasonable mind may conclude that the WHITE-Communities **DO NOT** have the NUMBERS / Populations to sustain them - i.e. TAX BASE – as well as reasonable concerns of what appears to be the THEFT / STEALING of Monies from the City of Jackson, Mississippi and / or “BLACK Indians” / Native Nations and their People for purposes of FINANCING the BUILDING UP and ELABORATE Accommodations being made for WHITE-Majority Counties / Cities (as Madison County / Rankin County, etc.)! There is record EVIDENC of such unlawful **OUTSOURCING** Scams:

IMPORTANT TO NOTE: The reason for the use of such **DEFAULTED/FRAUDULENT Water Meter System** is for:

- (a) Purposes of CREATING "False" and "Illegal" DEBTS!
- (b) DEBT(S) having to be a CERTAIN Amount so that Baker Donelson, Siemens and the City of Jackson and other CO-Conspirators CAN Sue their VICTIMS in Court - i.e. through the USA and its STATE Courts' "CORRUPT" Judicial System!
- (c) THEFT, etc. of their VICTIMS' Property/Lands THROUGH the "UNLAWFUL" Water Meter Scams! **THIS IS TO BE ACCOMPLISHED** through the Court's TAINTED Judges (i.e. a Baker Donelson Judges, etc.) rendering a decision IN FAVOR of Baker Donelson and its Clients (Siemens, City of Jackson, etc.) AGAINST their Victims (Sovereign Citizens)!

As many know, the United States of America's Legal Counsel Baker Donelson Beaman Caldwell & Berkowitz PLANNED, ORCHESTRATED and CARRIED OUT the September 11, 2001, TERRORIST Attacks on the World Trade Center and other alleged Attacks that day. Said acts that HAVE BEEN deemed "Acts of TERRORISM!" Therefore, those carrying out the 9/11/2001 Attacks HAVE BEEN deemed TERRORISTS! With that being said, TERRORIST Attacks have NOW been targeted AGAINST Native, Native Americans and those who have been LABELED Blacks/Negroes/African-American/People-of-Color! MITCHELL MCNUTT & SAMS, P.A., et al. DEFENDANTS

ORDER SANCTIONING PLAINTIFF
AND PREVENTING PLAINTIFF FROM FILING
ADDITIONAL PLEADINGS UNLESS GRANTED
PRIOR APPROVAL FROM A JUDGE OF THIS COURT

This cause is before the Court for consideration of the imposition of sanctions
and preventing Plaintiff from filing additional pleadings and documents in the
instant closed civil action unless prior approval is granted by the Court.

The Court entered an Order [38] on December 12, 2013, denying Plaintiff's
[36, 37] "Objections to November 13, 2013 'Docket' Text Order; Findings of Fact and
Conclusion Issue(s); and Demand for Jury Trial." That Court Order [38] also
admonished Plaintiff to refrain from filing new pleadings and requests in a closed
case and warned Plaintiff that her failure to comply with that Order [38] may result

in monetary sanctions. Notwithstanding the Court's Order [38] entered December
12, 2013, Plaintiff filed on December 31, 2013, a pleading [39] entitled "Plaintiff's
Objections(s) to December 12, 2013, Order Denying Plaintiff's Demand for Jury Trial
and Objections Re Text Order and Demand For Jury Trial." In addition, Plaintiff's
latest filing contains a diatribe of personal insults directed at the Court, several of
the judges, and members of the Bar. Among these disparaging remarks are racial
slurs and anti-Semitic references.

Vogel Denise Newsome Has Been BANNED FROM UNITED STATES COURTS For EXPOSING
NAZIS/WHITE Supremacists/Ku Klux Klan/Jews/Zionists
NOW JUDGE Henry T. Wingate Is Handling Mississippi House Bill 1020... Issues
OPENING UTILIZATION OF "INTERNATIONAL" Tribunals' JURISDICTIONS

294. Through this instant "05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .," the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. seek the assistance through the appropriate INTERNATIONAL Authorities in the setting up of the applicable SPECIAL Tribunal(s) / International TRIBUNAL(S) / International MILITARY Tribunal(s), etc. to act in the "Situation In The United States of America - STATE OF MISSISSIPPI, etc.;" wherein, the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. also seek INVESTIGATION(S) and PROSECUTION(S) - if VIOLATION(S) found - and finding(s) regarding CONSPIRACIES in the implementation of ENSLAVEMENT / Crimes Against Humanity Practices, etc. through allege Legislation, Laws and / or practices that have become known as "Black CODES" leveled against "BLACK Indians" (i.e. interchangeable with the People who have also been LABELED as: Niggers / Coons / Colored / Negroes / BLACKS / African Americans . . .); wherein:

USA Courts CANNOT be used by "BLACK Indians" (i.e. who are seen as SLAVES and NON-CITIZENS of fraudulent USA Country because many of the "BLACK Indians" were UNLAWFULLY ENSLAVED through such Doctrines known as the Catholic Church's / Europeans' "DOCTRINE Of Discovery") to bring matters against the WHITE Man / WHITE Supremacists / Ku Klux Klan / Jews / Zionists .

..

IMPORTANT TO NOTE: Courts in the United States of America / United States Records **WILL** reflect **NUMEROUS** **Lawsuits** brought **by Vogel Denise Newsome / Vogel Newsome;** however, **ALL** Courts **rejected** allowing her to pursue **JURY TRIAL** requests and she **being DEPRIVED** access to USA Courts to address the **Civil / Human Rights and Criminal Acts** leveled against her **because** USA Court Officials and USA STATE Agencies (as the STATE Of MISSISSIPPI . . .) **repeatedly** subjected her to “**BLACK Codes**”. . . Practices **and used** a USA **FRAUDULENT** **Judicial System** for **purposes of EXTORTION / RACKETEERING** Schemes to **FINANCE** the USA’s NAZI / WHITE Supremacist / Ku Klux Klan / Jewish / Zionist Officials **TERRORISTS** Operations, etc.! Furthermore, the USA’s Officials **going as far as BANNING** Newsome from USA Courts and **THREATS** of **SANCTIONS**, etc. should she come before them!

Nevertheless, in **May 2019** (under *the guise* of **STATE OF MISSISSIPPI vs. VOGEL DENISE NEWSOME...**), USA Officials, their Legal Counsel Baker Donelson and CO-Conspirators **going as far as having** the Chickasaw Tribal Nation’s Utica International Embassy’s **Prime Minister VogelDenise Newsome KIDNAPPED, SHACKLED** in CHAINS and **FORCEFULLY** brought before a **FRAUDULENT** Court with **KNOWLEDGE** these fraudulent Courts **LACKED** Authority and / or **JURISDICTION**, etc. to do so!

Said **CLOSURES / BANNING** of “**BLACK Indians**” from Courts of the United States of America / United States and the STATE Agencies (as the State of Mississippi, etc.) resulting in the Chickasaw Tribal Nation’s Officials **LAWFUL** creation of Court(s) known as “**INTERNATIONAL Recourse Tribunal**” for purposes of assisting the “**BLACK Indians**” / **NATIVE** Nations and the **NATIVE** People . . .!

“**BLACK Indians**” **CANNOT** use the USA’s Law Enforcement System [Sheriff’s Department / Police Department . . .] because they are **CLOSED** to the “**BLACK Indians**” – i.e. “**PROTECTED** Classes / Groups!”

"All Southern states imposed at least minimal limits on slave punishment, for example, by making murder or life-threatening injury of slaves a crime, and a few states allowed slaves a limited right of self-defense."^[14] However, since slaves could not use the courts or sheriff, or give testimony against a white man, in practice these meant little. New restrictions were placed on intermarriage, concubinage, and miscegenation with slaves in Arizona in 1864, California in 1880, Colorado in 1864, Florida^[when?], Indiana in 1905, Kentucky in 1866, Montana in 1909, Nebraska in 1865, Nevada in 1912, North Dakota in 1943, Ohio 1877, Oregon in 1867, Rhode Island in 1872, South Dakota in 1913, Tennessee in 1870, Texas in 1858, Utah in 1888, Virginia^[when?], Washington in 1866 but promptly repealed it in 1867, West Virginia in 1863 but overturned by *Loving v Virginia* in 1967, and Wyoming in 1908. In all, twenty-one states put in place Jim Crow laws against miscegenation. Free whites could no longer marry a slave and thereby emancipate her and her children,^[further explanation needed] and no freedman could receive a donation or inheritance from a white person.^[15]

KU KLUX KLAN ACT. . .

ALSO Known By CODED NAMES As 42 U.S.C. § 1983 (Section 1983) . . .

Every person who, under color of any statute, ordinance, regulation, custom, or usage, of any State or Territory or the District of Columbia, subjects, or causes to be subjected, any citizen of the United States or other person within the jurisdiction thereof to the deprivation of any rights, privileges, or immunities secured by the Constitution and laws, shall be liable to the party injured in an action at law, suit in equity, or other proper proceeding for redress . . .

42 U.S.C. § 1985 (Section 1985) . . .

If two or more persons in any State or Territory conspire to deter, by force, intimidation, or threat, any party or witness in any court of the United States from attending such court, or from testifying to any matter pending therein, freely, fully, and truthfully, or to injure such party or witness in his person or property on account of his having so attended or testified, or to influence the verdict, presentment, or indictment of any grand or petit juror in any such court, or to injure such juror in his person or property on account of any verdict, presentment, or indictment lawfully assented to by him, or of his being or having been such juror; or if two or more persons conspire for the purpose of impeding, hindering, obstructing, or defeating, in any manner, the due course of justice in any State or Territory, with intent to deny to any citizen the equal protection of the laws, or to injure him or his property for lawfully enforcing, or attempting to enforce, the right of any person, or class of persons, to the equal protection of the laws; . . .

If two or more persons in any State or Territory conspire or go in disguise on the highway or on the premises of another, for the purpose of depriving, either directly or indirectly, any person or class of persons of the equal protection of the laws, or of equal privileges and immunities under the laws; or for the purpose of preventing or hindering the constituted authorities of any State or Territory from giving or securing to all persons within such State or Territory the equal protection of the laws; . . . if one or more persons engaged therein do, or cause to be done, any act in furtherance of the object of such conspiracy, whereby another is injured in his person or property, or deprived of having and exercising any right or privilege of a citizen of the United States; . . .

“KU KLUX KLAN / NAZI / WHITE Supremacist” Activities that are **BLATANTLY** being carried out within the United States of America **as well as abroad** and **the TERRORIZATION** of the “BLACK Indians” / NATIVE Nations and NATIVE People **that ULTIMATELY** led to the **unlawful KIDNAPPING and ASSASSINATION** attempts on **Prime Minister Newsome’s LIFE** as a direct and proximate result of the **“KU KLUX KLAN” unlawful** roadblocks and **other COVERT Paramilitary TERRORISTS operations** conducted by the **“USA Global TERRORISTS Operatives!”**

IMPORTANT TO NOTE: NOW the United States of America’s / State of Mississippi’s Officials, their Legal Counsel Baker Donelson’s Lawyers / Attorneys and CO-Conspirators are **CONSPIRING to EXPAND** said **TERRORISTS operations into the City of Jackson, Mississippi . . . (about July 2024)** – i.e. in efforts of **EXPANDING** the United States of America’s Madison County, Mississippi TERRORISTS’ War Crimes, Crimes Against Humanity and other Atrocities, etc. **further into** the Lands / Territories and Properties, etc. of the “BLACK Indians” / NATIVE Nations and NATIVE People through allege fraudulent Legislation as **Mississippi House Bill 1020**, etc.! Said **TERRORISTS acts . . . PROHIBITED** under the Statutes, Codes, Rules, Regulations and Laws governing said matters!

3. As a result, many Black residents of Madison County experience chronic fear and anxiety, disruptions to their everyday activities, restrictions on travel within their own neighborhoods and towns, and a tremendous reluctance to contact law enforcement officials for assistance when necessary. Some Black community members go so far as to avoid leaving their homes to limit the risk of encountering one of the MCSD’s many illegal roadblocks or pedestrian “checkpoints” described below. In effect, the Policing Program has placed the Black community of Madison County under a permanent state of siege.

4. The hallmark tactics of the MCSD’s longstanding and deeply-entrenched Policing Program include:
- **vehicular roadblocks** designed and placed to target Black individuals for highly intrusive, pretextual, and suspicionless searches and seizures in Madison County’s majority-Black towns, residential neighborhoods, and business districts;
 - **pedestrian “checkpoints”** designed to target Black individuals for suspicionless searches and seizures, including while entering or exiting predominantly-Black housing complexes;
 - **warrantless and consentless searches of the homes of Black residents**, sometimes accompanied by suspicionless searches and seizures of all persons within; and
 - **“Jump Out” patrols** of plainclothes deputies deployed in unmarked cars in Black communities to stealthily and aggressively target Black individuals for unreasonable searches and seizures.

¹ Whenever an MCSD deputy stops a Black individual, the deputy typically checks that individual’s identification to determine whether he or she owes outstanding fines to the County. These fines often stem from traffic violations or other minor infractions. Black individuals are more likely than white individuals in Madison County to lack the resources to pay these fines, as well as the added court fees, in full on their scheduled court dates. When an individual fails to pay the required amount, the court will issue a warrant for his/her arrest to compel collection.

Julian Paul Assange (/əˈsɑːnʒ/ *ə-SAHNZH*,^[3] né **Hawkins**; born 3 July 1971) is an Australian editor, publisher, and activist. In 2006, he founded the non-profit media organisation **WikiLeaks**, which published leaked documents that had an impact on political news.^[4] Wikileaks came to wide international attention in 2010 when, in partnership with five newspapers, it published a series of documents and other media provided by U.S. Army intelligence analyst Chelsea Manning.^[a]

Assange was raised in several towns in Australia until his family settled in Melbourne in his mid-teens. He became involved in the hacker community and was convicted for hacking in 1996.^{[5][6][7]} After Wikileaks was founded he remained a key player as it made its first significant publications, including **Bank Julius Baer documents** and a report about the **Trafigura toxic waste dump** in Ivory Coast. In March 2010, a member of WikiLeaks identified as Assange talked with Manning by text chat while she submitted leaks.^{[8][9][10]} Assange presented the footage of the July 12, 2007, Baghdad airstrike at the Washington Press Club in April 2010.

In November 2010, Sweden issued a European arrest warrant for Assange over allegations of sexual assault,^[11] which he denied and said that the warrant was a pretext for a further extradition to the United States over his role in the publication of secret U.S. military documents.^{[12][13]} After losing his battle against extradition to Sweden, he breached bail and took refuge in the Embassy of Ecuador in London in June 2012.^[14] He was granted asylum by Ecuador in August 2012^[15] on the grounds of political persecution and fears he might be extradited to the United States.^[16] Swedish prosecutors dropped their investigation in 2019, saying their evidence had "weakened considerably due to the long period of time that has elapsed since the events in question".^[17]

On 11 April 2019, Assange's asylum was withdrawn following a series of disputes with Ecuadorian authorities.^[18] The police were invited into the embassy and he was arrested.^[19] He was found guilty of breaching the Bail Act and sentenced to 50 weeks in prison.^[20] The U.S. government unsealed an indictment charging Assange with conspiracy to commit computer intrusion related to the leaks provided by Manning.^[21]

In May 2019 and June 2020, the U.S. government unsealed new indictments against Assange, charging him with violating the Espionage Act of 1917 and alleging a history of conspiring with hackers.^{[22][23]} Response to the indictments has been mixed.^{[24][25][26]} Editors from newspapers have been less critical or supportive of the hacking charge,^{[27][26][28]} but joined with press freedom organisations to criticise the U.S. government's decision to charge Assange under the Espionage Act, characterising it as an attack on freedom of the

War crimes contain two main elements:

A contextual element: “the conduct took place in the context of and was associated with an international non-international armed conflict”;

A mental element: intent and knowledge both with regards to the individual act and the contextual element.

In contrast to genocide and crimes against humanity, war crimes can be committed against a diversity of victims, either combatants or non-combatants, depending on the type of crime. In international armed conflicts, victims include wounded and sick members of armed forces in the field and at sea, prisoners of war and civilian persons. In the case of non-international armed conflicts, protection is afforded to persons taking no active part in the hostilities, including members of armed forces who have laid down their arms and those placed ‘hors de combat’ by sickness, wounds, detention, or any other cause. In both types of conflicts protection is also afforded to medical and religious personnel, humanitarian workers and civil defence staff.

Here in the United States of America, a STATE OF EMERGENCY and/or EMERGENCY CRISIS exists wherein the WATER SUPPLY (i.e. for GENOCIDAL and/or EXTERMINATION purposes, etc.) in the Communities of Natives, Native Americans and those who have been LABELED Blacks/Negroes/African-Americans/People-of-Color have COME UNDER ATTACK by the United States of America’s Nazis and/or WHITE Jews/Zionists/Supremacists.

IMPORTANT TO NOTE: The reason for the use of such DEFAULTED/FRAUDULENT Water Meter System is for:

- Purposes of CREATING "False" and "Illegal" DEBTS!
- DEBT(S) having to be a CERTAIN Amount so that Baker Donelson, Siemens and the City of Jackson and other CO-Conspirators CAN Sue their VICTIMS in Court – i.e. through the USA and its STATE Courts' "CORRUPT" Judicial System!
- THEFT, etc. of their VICTIMS' Property/Lands THROUGH the "UNLAWFUL" Water Meter Scams! This IS TO BE ACCOMPLISHED through the Court's TAINTED Judges (i.e. a Baker Donelson Judges, etc) rendering a decision IN FAVOR of Baker Donelson and its Clients (Siemens, City of Jackson, etc.) AGAINST their Victims (Sovereign Citizens)!

As many know, the United States of America's Legal Counsel Baker Donelson Bearman Caldwell & Berkowitz PLANNED, ORCHESTRATED and CARRIED OUT the September 11, 2001, TERRORIST Attacks on the World Trade Center and other alleged Attacks that day. Said acts that HAVE BEEN deemed "Acts of TERRORISM!" Therefore, those carrying out the 9/11/2001 Attacks HAVE BEEN deemed TERRORISTS! With that being said, TERRORIST Attacks have NOW been leveled AGAINST Native, Native Americans and those who have been LABELED Blacks/Negroes/African-Americans/People-of-Color! The WATER SUPPLY in the Cities/Towns MAJORITY populated by these PROTECTED Classes/Groups of People have come under TERRORIST ATTACKS by:

Dear Sir, Madam

On behalf of the Prosecutor, I thank you for your communication received on 09/08/2018, as well as any subsequent related information.

I hope you will appreciate that with the defined jurisdiction of the Court, many serious allegations will be beyond the reach of this institution to address. I note in this regard that the ICC is designed to complement, not replace national jurisdictions. Thus, if you wish to pursue this matter further, you may consider raising it with appropriate national or international authorities.

I am grateful for your interest in the ICC. If you would like to learn more about the work of the ICC, I invite you to visit our website at www.icc-cpi.int.

Systematic extortion on a regular basis has also been called extortion racketeering. As discussed in [Module 2](#), racketeering is a separate offence in some countries. Although both extortion and racketeering imply planned intimidation, violence, corruption, and duress, extortion racketeering connotes the goal of organized criminal groups not only to sell illegal goods and services, but also to create criminal monopolies by extorting and controlling those who provide illegal goods and services. The underlying conditions for the existence of extortion racketeering are the presence of vulnerable targets, inefficient social control, and motivated criminal actors.

The term "**protection rackets**", mentioned earlier in this Module, is an analogous term to **extortion racketeering**, involving **circumstances where money is paid by a victim under duress in exchange for avoiding damage to a business, construction site, or harm to employees and customers**. There **are numerous documented accounts of organized criminal groups infiltrating** construction unions, hotels, restaurants, and the garment, food, and waste disposal industries. **Organized criminal groups in multiple locations around the world have systematically demanded kickbacks (i.e., secret bribe payments) on contracts to guarantee labour peace or an uninterrupted shipment of supplies** (Rusev, 2016).

In RETALIATION and INABILITY to defend against the "STRAWMAN" Scams being EXPOSED – i.e. Slavery practices specifically designed to TARGET Natives, Native Americans and those LABELED by the WHITE Man as Blacks/Negroes/African-Americans/People-Of-Color – another CONSPIRACY was launched to create a very HOSTILE and LIFE-THREATENING scene against the Utica International Embassy's Interim Prime Minister Vogel Denise Newsome for purposes of creating DEFENSES to her 08/24/18 Response; moreover, for purpose of creating FALSE Criminal Charges to get her out of the PUBLIC and/or OFF OF THE STREETS, etc. alleging:

In this way, members of powerful organized criminal groups have drawn salaries from companies without performing any work, after they threatened the businesses. These fictitious "on the books" jobs are fraudulent and set up to hide their illicit income sources (Capeci and Mustain, 1996; Jacobs with Friel and Radick, 1999; Maas, 1999).

SOME QUESTIONS TO ASK: "With ALL of the LAWYERS/ATTORNEYS and COURTS throughout the WORLD, "WHY" aren't The LAWS being FOLLOWED and "WHY" is the USA's DESPOTISM Government Regime being ALLOWED to CARELESSLY such WORLD Crimes in the NAME of a "New WORLD ORDER" and NOT being Investigated, Tried and Prosecuted?"

Organized Criminal Acts

A former Baker, Donelson, Bearman, Caldwell & Berkowitz lobbyist pleaded guilty Wednesday to conspiracy to commit wire fraud for participating in a scheme to defraud investors in timber investments.

Former lobbyist Ted Brent Alexander admitted participating in a scheme that solicited millions of dollars from investors who were led to think that he was personally inspecting tracts of timber that were the basis for their investments, according to an April 27 press release from the Department of Justice.

Law360 has coverage.

Alexander pleaded guilty in federal court in Jackson, Mississippi.

Former Baker Donelson partner Jon D. Seawright pleaded guilty in July 2022 to a conspiracy to defraud investors in the same scheme. He was accused of soliciting the investors along with Alexander and misrepresenting their due diligence in vetting the timber contracts.

Investors were told that rights to the timber were sold to a timber broker, who then sold the timber rights to lumber mills at a higher price. Alexander said he loaned funds to the

timber broker, and investors could reap a return of 10% or more on their investment, according to the press release. Alexander represented that he was not only inspecting the timberland but also reviewing documentation supporting the investments.

Case 3:18-cv-00866-CWR-BWR Document 70 Filed 05/05/21 Page 1 of 18

IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF MISSISSIPPI NORTHERN DIVISION

ALYSSON MILLS, in her capacity as receiver for Arthur Lamar Adams and Madison Timber Properties, LLC PLAINTIFF

V. CAUSE NO. 3:18-CV-866-CWR-FKB

BAKER, DONELSON, BEARMAN, CALDWELL & BERKOWITZ, PC; ALEXANDER SEAWRIGHT, LLC; BRENT ALEXANDER; JON SEAWRIGHT DEFENDANTS

ORDER

Before the Court are motions to dismiss filed by Baker, Donelson, Bearman, Caldwell & Berkowitz, PC; Alexander Seawright, LLC; and Brent Alexander. Docket Nos. 59 & 63. On

In this action, the receiver alleges that the Baker, Donelson, Bearman, Caldwell & Berkowitz, PC law firm; Alexander Seawright, LLC; Brent Alexander; and Jon Seawright facilitated Adams' fraud.¹ "Defendants lent their influence, their professional expertise, and even their clients to Adams," the receiver alleges. "They made a fraudulent enterprise a fraternity."

The four defendants are deeply intertwined. Baker Donelson is a regional law firm that employed Alexander and Seawright in its Jackson, Mississippi office. Alexander was (and is) a "Senior Public Policy Advisor" at the firm. Seawright was (and is) a transactional attorney and shareholder of the firm.² Alexander and Seawright own Alexander Seawright LLC. The LLC was an investment company that the pair ran out of their Baker Donelson offices.

Alexander and Seawright used Baker Donelson connections and assets to identify wealthy persons looking for investment opportunities, like Baker Donelson clients. They formed an LLC to pool investors' funds and pitched the investment to potential marks. Alexander and Seawright then funneled the money they raised into Adams' Ponzi scheme. The scheme generated a 10% "return" for the LLC and another 6% in profits for Alexander and Seawright. The amended complaint claims that Alexander and Seawright kept from their victims the true size of their profit.

There is no precise estimate of the extent of extortion racketeering, although empirical studies have been done on the topic. For instance, **interviews conducted with business owners in ethnic communities in New York City found that most admitted to being approached by gangs for money, goods, or services and that most of these businesses paid what was asked.** In other locations around the world, as many as four-fifths of all businesses have paid some form of extortion, but the numbers vary. These studies show that **systematic extortion racketeering** occurs most often with small businesses in urban locations, **where the police cannot be relied upon for protection** (Chin, Ko-lin, 1996; Finckenauer and Waring, 2000; Finckenauer and Ko-lin Chin, 2007; Gambetta, 1996; Paoli, 2003; Tulyakov, 2001).

About

We are a privately held company in Utica, MS.

Extortion by public officials (rather than by organized criminal groups) might also occur as ongoing racketeering when public officials are used to threaten to exercise their official authority if they do not receive a payment or favour (which is thus provided under duress). **The threatened actions** can involve **writing a summons, giving false testimony, conducting an official inspection, fabricating a criminal charge** as well as denying a government contract. Therefore, extortion racketeering applies to a **variety of systematic behaviours, all of which involve obtaining property by way of coercion or threats, implied or explicit, of some future harm.**

PLEASE BE ADVISED, that it appears that the Town of Utica, Mississippi's Police Department Officials (as Chief Timothy Myles) and Town Clerks (as Lisa Morris and Mary Moreland) and the Law Firm Baker Donelson Bearman Caldwell & Berkowitz PC ("Baker Donelson") – i.e. Legal Counsel to the United States of America, State of Mississippi, etc. - are engaging in further **FRAUDULENT** and **CRIMINAL Acts** upon the **Mississippi Department of Public Safety/Driver Records Bureau** in efforts of getting a Driver's Licenses suspended! It appears **having KNOWLEDGE** that the Municipal Court **did NOT** take Jurisdiction based upon the **RESPONSIVE Court document** filed with the MUNICIPAL Court **on 08/24/18**, the TOWN of Utica's **DEPUTY Clerk** (Mary Moreland) – Moreland **is NOT** the COURT Clerk - and TOWN of Utica Police Department's **CHIEF of Police** (Timothy Myles), etc. **CONSPIRED** to use a "**UTICA CHAMBER OF COMMERCE** Town of Utica" Seal/Stamp for **DECEPTIVE and FRAUDULENT purposes** to **make it appear** that the MUNICIPAL Court entered an Order regarding the above referenced Tickets/Citations when said Court **did NOT!**

PLEASE BE ADVISED that due to the **HIGH-PROFILE nature** and the **ROLES** that the United States of America's Legal Counsel Baker Donelson **ARE playing in the WAR CRIMES and Criminal Acts** being carried out against the Utica International Embassy and its Interim Prime Minister Vogel Denise Newsome, the following individuals are being provided with this document as well for **INVESTIGATIONS and PROSECUTION purposes**, etc:

It has been found in some cases that victims are willing to pay extortion to powerful organized criminal groups for protection in order to avoid being

extorted by a continuing series of individual criminals or local gangs. In different countries and different continents, the use of extortion on a systematic basis appears to occur with some regularity (Anita, 2009; Rusev, 2016; Chin, Ko-lin, 1996).

INSIGHTS

By JAMES HENDRIX

Will Jackson meet Jefferson County's current fate: a local government slowly dragged into bankruptcy after it bet its municipal bonds on complex derivatives?

The Jackson City Council approved a motion to enter into an interest rate swap for its 2002 and 2004 bonds with Deutsche Bank and Rice Financial Products. Unfortunately for the rest of us, the gang of four who voted for this deal along with swap-promoter and

Finance Director Rick Hill probably had no real idea of what they were doing, as many officials in other cities have discovered to their dismay.

The media and citizens of Jackson should hold city councilors Melton, Hill, Crisler, Bluntson, McLemore, and Tillman accountable for trying to push this on us. There was no competitive bidding. Jackson is exposed to an adjustable rate agreement similar to those that have devastated other local governments. The fees were not even mentioned or made available to the public yet we are expected to fork over millions of dollars of our money to bankers and "advisers."

Councilman Jeff Weill of Ward 1 voted against the bill and sent this statement to Jackson Jambalaya explaining his vote:

"I had no comfort level with the swap initially proposed last November. Since that time the mayor of Birmingham's been indicted and attorneys general across the U.S. have convened grand juries looking into these schemes. They are purely fee driven. Even the 'independent' financial advisers who advised the council had an interest in the transaction, not to mention the players and the bond lawyers.

"Most of those proposing this deal worked hard to obscure the costs of issuance. As a lawyer and former prosecutor that was a giant red flag to me."

While every other municipality is running away from these instruments of financial self-destruction as fast as they can, our leaders instead choose to chain us to a ticking time bomb with these variable rates. If these variable rates go south, Jackson will pay dearly for that ten million pieces of silver. We should hold the council's feet to the fire and demand a thorough hearing on this matter as well as opening this entire process to competitive bids. Thanks to these guys, Jackson is going to be just like Birmingham in more ways than one.

Bloomberg reported how Birmingham's Jefferson County thought it could use these swaps to its advantage as it fell for some sweet talk from Wall Street:

"The county relied on advice from a bank, JP Morgan Chase and Co., to arrange

**EXHIBIT
144**

its funding, rather than use competitive bidding.

"Like homeowners who took out mortgages they couldn't afford and didn't understand, Jefferson County officials rejected fixed-rate debt and borrowed instead at rates that varied with the market.

"The county paid banks \$120 million in fees -- six times the prevailing rate -- for \$5.8 billion in interest-rate swaps. That was supposed to protect the county from rising rates for their bonds. Lending rates went the wrong way, putting the county \$277 million deeper into debt..."

"Officials there (in Birmingham) relied on the advice of JP Morgan in 2002 and 2003 while refinancing almost all the \$3.2 billion of fixed-rate debt that built sewers into variable-rate bonds coupled with interest-rate swaps.

Costs Spiral: When the insurers guaranteeing the bonds lost their top credit ratings and the auction-rate market seized up in February, the yield on the bonds jumped as high as 10 percent, from about three percent in January. At the same time, the swaps tied to the debt, instead of protecting against higher rates, backfired. That pushed the sewer system's annual debt costs to \$460 million, more than twice the \$190 million it collects in revenue..."

When Birmingham tried to escape the death spiral it faced, the bankers from New York turned into Bruno and Vito from Jersey when it failed to post \$184 million collateral and was in technical default. JP Morgan and other counterparties wanted Jefferson County to raise taxes to cover the debt. Jefferson County in turn wanted Wall Street to renegotiate the swaps. One County Commissioner told the Birmingham News, "We are dealing with a virtual immovable force on Wall Street." Consequently, several commissioners are pushing the county to declare bankruptcy while the mayor of Birmingham faces criminal prosecution for receiving bribes and favors for these no-bid contracts. Such a bankruptcy will be the largest municipal bankruptcy in American history.

Birmingham is not the only city suffering from the interest rate swap time bomb. The New York Times reported the rate adjustments on these swaps harmed many small towns in Tennessee. Lewisburg, a town of only 11,000, saw its "annual interest payments on the bond had quadrupled to \$1 million this year." Some municipalities tried to withdraw from these bond market traps:

In Claiborne County, north of Knoxville, officials said they were recently told by Morgan Keegan bankers that extracting themselves from a municipal bond derivative would cost \$3 million, a sum the poor county cannot afford..."

In Mount Juliet, a suburb east of Nashville, city leaders were surprised to discover that the payments on its bonds had increased by 500 percent to \$478,000..." New York Times story.

Officials are now negotiating the terms of the agreement with Deutsche Bank and Rice Financial Products, the two banks that will actually conduct the rate swap. The city has brought on Sterne Agee and Leach Inc., a national investment firm

Interest swap deal bad news for Jackson

with an office in Jackson, to serve as its financial advisor, as well as two local law firms - Baker Donelson Bearman Caldwell and Berkowitz, and Anthony Simon - to serve as legal counsel for the transaction.

One must ask what kind of dope Mr. Hill thinks we are smoking if he expects us to buy this malarkey. Investors will be more than happy to buy variable rate debt as long as they think they can squeeze us for every cent of it. The reporter failed to ask Mr. Hill what would happen if the rates adjusted. No serious person expects the interest rates to remain near zero as they are now. As interest rates increase (not to mention the effect Obama's deficit spending will have on the bond markets) over the next few years, any deal using these variable rates will cost Jackson much more money. Something ignored by Mr. Hill while he pimped this deal for the loan sharks.

It is also troubling that the city did not advertise for bids on the refinancing. Since the fees for these refinances will cost us up to more than \$4 million, Mr. Hill should have sought competitive bids. What was his criteria for choosing these banks? What are the fees going to be and why are we awarding contracts worth millions in fees without any bidding whatsoever? In fact, the story says the terms are being negotiated. The city council approved these swaps without even knowing the final terms of the agreement. As Mac would say, you CAN'T be serious.

Dear Sir, Madam

On behalf of the Prosecutor, I thank you for your communication received on 09/08/2018, as well as any subsequent related information.

I hope you will appreciate that with the defined jurisdiction of the Court, many serious allegations will be beyond the reach of this institution to address. I note in this regard that the ICC is designed to complement, not replace national jurisdictions. Thus, if you wish to pursue this matter further, you may consider raising it with appropriate national or international authorities.

I am grateful for your interest in the ICC. If you would like to learn more about the work of the ICC, I invite you to visit our website at www.icc-cpi.int.

HANDBOOK OF INTERNATIONAL STANDARDS ON PRETRIAL DETENTION PROCEDURE

1. Imposition of Pretrial Detention

The following considerations apply throughout the decision to deprive an individual of liberty, from the moment of initial apprehension until the end of trial, including detention imposed or overseen by a judicial body as well as deprivation of liberty outside of or prior to judicial supervision.

1.1. Pretrial Detention as a Last Resort

Pretrial detention should be ordered only if there are reasonable grounds to believe that the accused has been involved in the commission of the alleged offence, and there is a danger of flight, commission of further serious offences, or that the course of justice will be seriously interfered with if they are freed.²

312. PRE-Trial Detention is legitimate where there is a REASONABLE concern that person(s) having committed offence(s) raised, and detention being necessary and appropriate to prevent them from absconding, **engaging in additional offence(s), interfering / obstructing the course of JUDICIAL proceeding(s)** and / or **THREAT to the PUBLIC / WORLD / GLOBAL safety and security**, etc.! Furthermore, **PRE-Trial Detention being necessary** in that said PROTECTIONS governing Public / World / Global safety and security, etc. to the Civilian Population **CANNOT be achieved through less intrusive measures . . .**; moreover, any allege claims that may be asserted as a defense were waived upon the role(s) played in the criminal / human rights . . . violations committed – i.e. wherein, there is recorded evidence of the **United States Of America’s former President Donald John Trump (“Trump”) issuing “PUBLIC Threats” of RETALIATORY actions in efforts of avoiding PROSECUTION(S), etc. for his role(s) in CRIMINAL acts . . .!** Trump going on to issue **PUBLIC “THREATS”** of further engagement in CRIMINAL activities against those seeking to have him PROSECUTED for role(s) in **“ORGANIZED Crimes,”** etc.!

313. Through this instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . ."**, the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. seeks the **PRE-Trial Detention** of Defendant(s) – **PENDING TRIAL(S)** - as a direct and proximate result of the KEY, MINOR and / or MAJOR role(s) in **"ORGANIZED"** Criminal Activities, WAR Crimes, CRIMES Against HUMANITY and other Atrocities **that adversely impact the CTN / UIE**, "BLACK Indians" / NATIVE Nations and NATIVE People!

Furthermore, believe that investigation(s) / prosecution(s) will yield ties and / or connections to **“ORGANIZED” Criminal Operations** – i.e. as that **EXPOSED** by the United States’ **Federal Bureau of Investigation’s “OPERATION GREYLORD;”** wherein, **92 Officials were INDICTED** which included some of the following:

17 JUDGES,
48 LAWYERS,

10 DEPUTY SHERIFFS,
Eight (8) COURT Officials and
One (1) STATE Legislator

Cook County (Illinois) court and local police—**92 officials** had been indicted, including **17 judges, 48 lawyers**, eight policemen, 10 deputy sheriffs, **eight court officials**, and one state legislator.

**NO Person / BUSINESS / AGENCY / OFFICIAL / LAWYER...
Is ABOVE The LAWS!!!**

From reports, it appears that the West / EUROPEAN Nations' Officials LOVE pumping up the United States of America's Judicial System and / or USE of Case Laws (Legal Conclusions); therefore, such references as "OPERATION Greylord" is shared and an

allege quote by former **United States** Presidents as **Theodore "Teddy" Roosevelt** which states in part:

"Unless a man IS HONEST, we have NO RIGHT to keep him in PUBLIC LIFE! It matters NOT how brilliant his capacity. It hardly matters HOW great his POWER of doing good service on certain lines may be . . . NO man who IS corrupt, NO man who CONDONES corruption in others, can possibly do his DUTY by the community."

is herein incorporated by reference as if set forth in full herein!

**INVESTIGATIONS OF PUBLIC CORRUPTION:
Rooting Crookedness Out of Government**

03/15/04

OPERATION GREYLORD Today marks an important anniversary in the annals of public corruption investigations in the U.S.

Twenty years ago today, **in a federal courtroom in Chicago**, a jury found Harold Conn (top center in photo) guilty on all 4 counts of accepting bribes to be passed on to Cook County judges as payment for fixing tickets. The evidence? He had been caught live on FBI tapes.

This "bagman" had been Deputy Traffic Court Clerk in the Cook County judicial system, and he was the first defendant to be found guilty in a mammoth sting investigation of crooked officials in the Cook County courts.

It was called **OPERATION GREYLORD**, named after the curly wigs worn by British judges. And in the end -- through undercover operations that used honest and very courageous judges and lawyers posing as crooked ones... and with the strong assistance of the Cook County court and local police -- 92 officials had been indicted, including **17 judges, 48 lawyers, 8 policemen, 10 deputy sheriffs, 8 court officials, and 1 state legislator**. Nearly all were convicted, most of them pleading guilty (just a few are shown in our photo). It was an important first **step to cleaning up the administration of justice** in Cook County.

Who's investigated? Public servants: **members of Congress** and state legislatures; members of the **Administration** and governors' offices; **judges and court staffs**; all of law enforcement; **all government agencies**. Plus everyone who works with government and is willing to pay for "special favors": lobbyists, contractors, consultants, **lawyers**, U.S. businesses in foreign countries, you name it.

Last words: Straight from Teddy Roosevelt: "Unless a man is honest we have **no right** to keep him in public life, it matters **not how** brilliant his capacity, it hardly matters how great his power of doing good service on certain lines may be... **No man who is corrupt, no man who condones corruption in others, can possibly do his duty by the community.**"

War crime

Feb 26, 2012

A picture taken by the [Polish Underground](#) of [Nazi Secret Police](#) rounding up Polish intelligentsia at [Palmiry](#) near [Warsaw](#) in 1940 for mass execution ([German AB-Aktion in occupied Poland](#)).

War crimes are serious violations of the laws applicable in armed conflict (also known as [international humanitarian law](#)) giving rise to individual criminal responsibility. Examples of such conduct include "murder, the ill-treatment or deportation of civilian residents of an occupied territory to slave [labor camps](#)", "the murder or ill-treatment of [prisoners of war](#)", the killing of prisoners, "the wanton destruction of cities, towns and villages, and any devastation not justified by military, or civilian necessity".^[1]

Similar concepts, such as [perfidy](#), have existed for many centuries as customs between civilized countries, but these customs were first codified as international law in the [Hague Conventions of 1899 and 1907](#). The modern concept of a war crime was further developed under the auspices of the [Nuremberg Trials](#) based on the definition in the [London Charter](#) that was published on August 8, 1945. (Also see [Nuremberg Principles](#).) Along with war crimes the charter also defined [crimes against peace](#) and [crimes against humanity](#), which are often committed during wars and in concert with war crimes.

Article 22 of The Hague IV ("Laws of War: Laws and Customs of War on Land (Hague IV); October 18, 1907") states that "The right of belligerents to adopt means of injuring the enemy is not unlimited"^[2] and over the last century many other treaties have introduced positive laws that place constraints on belligerents (see [International treaties on the laws of war](#)). Some of the provisions, such as those in The Hague, the Geneva, and Genocide Conventions, are considered to be part of customary international law, and are binding on all.^{[3][4]} Others are only binding on individuals if the belligerent power to which they belong is a party to the treaty which introduced the constraint.

Crime against peace

Feb 26, 2012

From Wikipedia, the free encyclopedia
(Redirected from [Crimes against peace](#))

A **crime against peace**, in [international law](#), refers to "planning, preparation, initiation, or waging of [wars of aggression](#), or a war in violation of international treaties, agreements or assurances, or participation in a common plan or conspiracy for the accomplishment of any of the foregoing".^[1] This definition of crimes against peace was first incorporated into the [Nuremberg Principles](#) and later included in the [United Nations Charter](#). This definition would play a part in defining [aggression as a crime against peace](#).

An important exception to the foregoing are defensive military actions taken under [Article 51](#) of the UN Charter. Such defensive actions are subject to immediate [Security Council](#) review, but do not require UN permission to be legal within international law. "Nothing in the present Charter shall impair the inherent right of individual or collective self-defence if an armed attack occurs against a Member of the United Nations." (UN Charter, Article 51) The Security Council will determine if the action is legally the "right of individual or collective self-defence", or it may appoint another UN organ to do this.

Crimes against humanity

From Wikipedia, the free encyclopedia

Crimes against humanity, as defined by the [Rome Statute of the International Criminal Court](#) Explanatory Memorandum, "are particularly odious offenses in that they constitute a serious attack on [human dignity](#) or grave humiliation or a degradation of one or more human beings. They are not isolated or sporadic events, but are part either of a government policy (although the perpetrators need not identify themselves with this policy) or of a wide practice of atrocities tolerated or condoned by a government or a de facto authority. Murder; extermination; torture; rape; political, racial, or religious persecution and other inhumane acts reach the threshold of crimes against humanity only if they are part of a widespread or systematic practice. Isolated inhumane acts of this nature may constitute grave infringements of human rights, or depending on the circumstances, [war crimes](#), but may fall short of falling into the category of crimes under discussion."^[1]

Is the Vatican a country or not?

Is Vatican city a country? The answer, in short, is **yes**. The world's smallest city-state came into existence on the 11th of February 1929 after the signing of the Lateran Treaty. This treaty granted Vatican City the status of a country, bringing to an end a period of political and religious turmoil in Italy.

'I Come As A Pilgrim': Pope Francis Begins Historic Visit To Iraq

Pope Francis arrives at Baghdad International Airport on Friday for the first-ever papal visit to Iraq.

Baker Donelson endures growth, change in leadership

By Rob Robertson - Jun 6, 2004, 11:00pm CDT Updated Jun 3, 2004, 11:46am CDT

Size matters.

At least it does for any firm looking to become a major player in the multi-billion dollar legal services industry, like Memphis-based law firm of Baker, Donelson, Bearman, Caldwell & Berkowitz, which is the city's only law firm on the Top 100 Private Companies list.

The firm is ranked No. 35 with \$116 million in revenues in 2003, up from \$86.9 million in revenues in 2002 when it ranked No. 43 on the list.

These moves are indicative of the aggressive nature by which Baker Donelson -- now sporting more than 370 attorneys overall -- has grown and reshaped itself in recent years. The firm, identified in 2003 as the fastest growing law firm in the U.S. by The National Law Journal, also runs a representative office in Beijing, China, opened by BDBC International, and recently became the first western law firm to establish a presence in Iraq.

IS THIS CHRISTIANITY?

United States of America's Catholic Church and the Age of Discovery

From Wikipedia, the free encyclopedia

The Catholic Church during the Age of Discovery inaugurated a major effort to spread Christianity in the New World and to convert the indigenous peoples of the Americas and other indigenous people by any means necessary. The evangelical effort was a major part of, and a justification for, the military conquests of European powers such as Portugal, Spain and France. Christian Missions to the indigenous peoples ran hand-in-hand with the colonial efforts of Catholic nations. In the Americas and other colonies in Asia and Africa, most missions were run by religious orders such as the Franciscans, Dominicans, Augustinians, and Jesuits. In Mexico the early systematic evangelization by mendicants came to be known as the "Spiritual Conquest of Mexico".^[1]

Antonio de Montesinos, a Dominican friar on the island of Hispaniola, was the first member of the clergy to publicly denounce all forms of enslavement and oppression of the indigenous peoples of the Americas.^[2] Theologians such as Francisco de Vitoria and Bartolomé de las Casas drew up theological and philosophical bases for the defense of the human rights of the colonized native populations, thus creating the basis of international law, regulating the relationships between nations.^[3] Important contemporary ecclesiastical documents taking a strong stance on enslaving or despoiling the indigenous peoples of the Americas was the ecclesiastical letter *Pastorale officium* and the superseding encyclical *Sublimis Deus*.

The convent of San Augustin, a mission centre established at Yuriria, Mexico in 1550

²⁶ But while men slept, his enemy came and sowed tares among the wheat, and went his way.
²⁷ But when the blade was sprung up, and brought forth fruit, then appeared the tares also.
²⁸ So the servants of the householder came and said unto him, Sir, didst not thou sow good seed in thy field? from whence then hath it tares?
²⁹ He said unto them, An enemy hath done this. The servants said unto him, Will thou then that we go and gather them up?
³⁰ But he said, Nay: lest while ye gather up the tares, ye root up also the wheat with them.
³¹ Let both grow together until the harvest: and in the time of harvest I will say to the reapers, Gather ye together first the tares, and bind them in bundles to burn them: but gather the wheat into my barn. --

Merkel and Other German Leaders Try, Again, to Form a Government

By Melissa Eddy

Jan. 6, 2018

Chancellor Angela Merkel of Germany is leading the conservative Christian Democrats in talks with other political parties to form a coalition government. Sean

European Unity

Martin Schulz, the leader of the Social Democrats, has called for a "United States of Europe" by 2025, a notion that conservatives have rejected as unrealistic.

One sticking point will be a common approach on changes to the eurozone, along the lines proposed by President Emmanuel Macron of France, who is seeking a shared budget and governing structure.

Conspiracy **poses a threat to the public** over and above the threat of the commission of the relevant substantive crime, both because *the combination in crime makes more likely the commission of other crimes* and because it **decreases the probability** that *the individuals involved will depart from their path of criminality*. *Id.*

Judgement of Court: FAILURE TO APPEAR, GUILTY IN ABSENCE Date: 09/11/2018

UTICA TOWN OF UTICA DEPUTY CLERK OF DISTRICT COURT OF COMMERCE

This court orders the Department of Public Safety, the Commissioner of Public Safety or his duly authorized agent to suspend the driver's license and driver privileges of the person notified above as the Defendant, for failing to respond to a summons/citation or failing to pay a court ordered fine, fee or other assessment levied under Title 63, Mississippi code of 1972, annotated and amended, (Traffic Violation).

Judge Clerk Mary T. Moreland
Date 9/25/18

NOTE the **"FAIL TO APPEAR"** asserted by the TOWN OF UTICA'S Deputy Clerk Mary Moreland and the **DELIBERATE and MALICIOUS** failure to NOTIFY of the 08/24/18 Court document filed by Newsome; moreover, FAILURE to provide the Municipal Court's ORDER to support these actions!

WHY?

(i) Because pursuant to **Rule 12.02** of the **UNIFORM RULES OF CIRCUIT AND COUNTY COURT PRACTICE** the Court Order is APPEALABLE!

(ii) There is NO evidence that Newsome was provided with EVIDENCE that the Town of Utica, Mississippi MUNICIPAL Court took JURISDICTION in a matter in which it LACKED and that the ruling/decision of the Court was provided!

(iii) **OBSTRUCTION OF JUSTICE:** There is NO evidence to support that the Judge (Johnnie McDaniels) has KNOWLEDGE of the 08/24/18 Court filing; however, there is EVIDENCE of Newsome's response being filed as well as CONSPIRACIES involving Mayor Kenneth Broome, Deputy Clerk Mary Moreland, Chief of Police Timothy Myles, another Police Official (Melvin Wilson) and others ROLES in the 08/28/18 KIDNAPPING of Newsome and other War Crimes/Criminal Acts against Newsome and her Mother (Pearl Newsome) to keep Court documents from being filed!

IMPORTANT TO NOTE: During the 08/28/18 KIDNAPPING, Newsome advised her Mother to take the Court documents (supporting legal/lawful purposes for their presence) they were there to file in the Municipal Court so that said Court documents were NOT destroyed by the Town of Utica, Mississippi Officials in efforts of **COVERING UP** the crimes being carried out!

THE **FIRST LEG** OF THE OBJECT OF CONSPIRACY **BEING ACCOMPLISHED** – **Obstructing the Administration of Justice/Obstructing The Filing of Court Documents!**

Municipal Court
Municipal Court Objectives

Utica Municipal Court by statute to hear and dispose of misdemeanor offenses, traffic and parking violations, and municipal ordinance violations. Additionally, the court conducts preliminary hearings for felonies charged within the corporate limits of the municipality. Most cases heard in municipal courts involve misdemeanor and traffic offenses which, when considering the issue of seriousness and severity of punishment in comparison to felonies, are minor offenses.

Utica's Municipal court is, in effect, a mirror of society and how society provides a tribunal of justice for its people. Utica's Municipal courts reflect the integrity of the municipal government, and, consequently, should be of major importance to the governing authorities.

Fines
Utica Municipal Court is located at 110 White Oak Street, Utica, Mississippi.

Ticket violations can be paid at the Town Hall Monday - Friday from 8:00 AM to 5:00 PM. Payments can be mailed to Attn: Utica Municipal Court, P.O. Box 335, Utica, MS 39175. (Please Note your Ticket Number with your payment.)

Significant Deficiency

15-02 Lack of Segregation of Duties (Repeat of 14-02 Finding from Prior Year)

Condition: One employer currently opens mail, records checks, bills utilities, makes deposits, and reconciles bank accounts. This condition causes a lack of separation of duties for handling cash receipts, billings and accounts receivable.

Criteria: Internal controls should be in place that allow for proper segregation of duties.

Cause: The small number of office personnel does not allow for proper segregation of duties. Internal control accounting principles regarding the separation of financial duties were not possible, and there was no written organizational policy that addressed cash receipt handling.

Effect: The Town is at risk of fraud due to lack of segregation of duties for proper internal controls.

Recommendation: To the extent possible, duties should be segregated to serve as a check and balance on the employee's performance and to maintain the best control system possible. We feel the segregation could be improved if different employees performed the separate duties of processing cash receipts and cash disbursements, and maintaining books of original entry.

View of Responsible Officials and Planned Corrective Action: The Mayor is taking active participation in the day to day operations of the Town's finances. The Town will write and implement a policy that addresses separation of duties for handling cash receipts. It is not financially feasible to hire personnel to ensure proper segregation of duties.

IMPORTANT TO NOTE: It appears that the Town of Utica, Mississippi's CHIEF of Police Timothy Myles and the DEPUTY Clerk Mary Moreland, etc. have been into such FRAUDULENT and Criminal EXTORTION/BLACKMAIL Scams, etc. for quite some time and **have become a TEAM and PROFITTING from such unlawful/illegal practices!**

333. FRIVOLOUS "USA / STATE OF MISSISSIPPI FRAUDULENT PROBATE ACTION / RACKETEERING SCHEME AGAINST THE ESTATE OF CHIEF JOSEPH NEWSOME . . . OF THE CHICKASAW TRIBAL NATION:" Through this instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . ."** the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. seeks the assistance through the appropriate INTERNATIONAL Authorities in the setting up of the applicable **SPECIAL Tribunal(s) / International TRIBUNAL(S) / International MILITARY Tribunal(s)**, etc. to act in the **"Situation In The United States of America - STATE OF MISSISSIPPI, etc."** regarding the **"USA / State of Mississippi Fraudulent PROBATE Action / Racketeering Scheme Against**

Thus, supporting the assistance sought herein, with INVESTIGATION(S) and / or PROSECUTION(S) – if VIOLATION(S) found – and finding(s) regarding said Estate matter.

334. THE UNITED STATES OF AMERICA’S ORGANIZED CRIMINAL EMPIRE: There are reported statements liking Donald John Trump to a **“MOB BOSS!”** Trump being a FORMER United States of America / United States President having KNOWLEDGE that the USA’s Judicial System is a FRAUD / SCAM . . . as he verbally REPEATEDLY attacks / assault the Judges. Furthermore, from News sources repeatedly alleges **that there are “NO Victims”** (when there ARE) to his **“ORGANIZED” Criminal Activities** – i.e. which the Chickasaw Tribal Nation / Utica International Embassy Officials have taken time to NOTIFY United States Officials and others of at least 65 CRIMINAL COUNTS!

The Crime-Fraud Exception to the Attorney-Client Privilege

The attorney-client privilege **does not cover statements made by a client to their lawyer** if the statements are **meant to further or conceal a crime**. For this exception to apply, **the client must have been in the process of committing a crime or planning to commit a crime**. The exception may apply in some types of civil cases as well, such as **when a client is planning to perpetrate fraud** or another tort. (The line between criminal and civil cases can be blurred because some conduct, such as an assault, can result in both criminal and civil liability.)

Some of the crimes that often arise in this context include **crimes that are meant to obstruct an investigation or ongoing prosecution**. A client might tell an attorney about their intent to **tamper with witnesses** or **destroy evidence of a crime**. They may tell the attorney that they will induce a witness to commit perjury by lying during their testimony, or they may **ask the attorney to help them by**

presenting false evidence. In some cases involving financial crimes, falsifying information about income or hiding assets may trigger the crime-fraud exception.

If the crime-fraud exception applies, the attorney can be subpoenaed **and must disclose the information.** In some instances, the attorney must take it upon themselves to report the information. These generally include perjury (not necessarily when the client themselves gives perjured testimony), crucial evidence, missing witnesses or persons in danger, or serious threats of harm.

Explosive evidence from Trump insider

Assange dragged from embassy “on the orders of the president”

Laura Tiernan, Thomas Scripps
© 22 September 2020

Alt-right media personality Cassandra Fairbanks' witness testimony was read out in court yesterday, providing evidence that Julian Assange's April 2019 arrest at the Ecuadorian Embassy in London was politically motivated and directed by United States President Donald Trump.

Schwartz, a frequent visitor to the White House and “informal adviser” or “fixer” to Donald Trump Jr., told Fairbanks the president's orders were conveyed via US Ambassador to Germany Richard Grenell, who brokered a deal with the Ecuadorian government for Assange's removal. Grenell was appointed acting director of national intelligence by Trump in February this year, holding the position until May.

Assange's lawyer, Edward Fitzgerald QC, spelled out the significance of Fairbanks' disclosures, telling Judge Vanessa Baraitser they were, “evidence of the declared intentions of those at the top who planned the prosecution and the eviction from the embassy.”

Disclosing the Communication

An attorney may be required by state ethical rules to disclose this type of communication. While failing to disclose it does not lead to criminal penalties, they may face sanctions from the state bar association. For example, the attorney may be required to report a threat by their client to harm someone else. They generally have an obligation to reveal any information that would prevent someone else from suffering death or serious injury. An attorney may or may not be required to reveal information that would prevent financial losses resulting from a crime. If the client tells the attorney about the location of a missing witness or victim, or a key piece of tangible evidence, the attorney sometimes will need to disclose that information. - -

IN FURTHER VIOLATION OF THE United Nations Declaration on the Rights of Indigenous Peoples pursuant to:

a little taste of freedom

The Dawes Act of 1887

- Implied Indian ways were inferior to white ways
- Aimed to bring Indians into mainstream of American life by making them live like the white man
- The Indians resisted

Senator Henry Dawes

The Dawes Act tried to give native Americans land. It allotted each head of household 160 acres of reservation land for farming. 80 acres for single adults and 40 for children.

In 1906, Joan Roan, a white man, killed Min. Newsome, a prosperous black farmer and his former childhood playmate. According to his son, Newsome, *who was successful enough to have a team of mules, a mare, a wagon, and a surrey, was working day and night to clear the 160 acres* . . . In a vaguely worded report, the local newspaper attributed the killing to self-defense after an argument, but Newsome's family maintains that *Roan killed Newsome because he was jealous and believed the land Newsome . . . was "too good for a black man to have."* The courts never indicted Roan, and . . . all the land ended up back in the hands of . . . white owner. --

Naomi's Story

NAOMI A. BROOKINS

Naomi Brookins

I learned that Rev. Milligan Newsome, her husband and my grandfather, was a **SPECIAL** kind of person who took **GOD'S** work **VERY SERIOUSLY**. He was a **preacher**, **educator**, **teacher**, and one who felt that *it was HIS DUTY TO LOOK OUT FOR ALL THOSE WHO LIVED in Spindle Bottom*. Everyone loved and depended on him. **ALL** this land around our houses, church, and school **ONCE** belonged to him. . . .

*"When the **WHITE** community saw the **PROGRESS** that your grandpa was making, they tried to **FORCE** him to **SELL ALL** of his land. He **REFUSED** to even discuss it with them. He then began to **ADVISE** others **NOT** to **SELL** their land." . . .*

My grandmother stood and walked over to where I was sitting. She placed her arm around my shoulder and said, "Naomi, your grandfather was a wonderful, **stubborn**, **BLACK INDIAN**, **GOD FEARING** preacher who did **NOT** fear what man could do to him.

Within a year the **HEAD** of a **PROMINENT WHITE** family came to him and let him know that **IF** he did **NOT** sell his land, he would be **KILLED**. Your grandfather **LOOKED** him **STRAIGHT IN THE EYE** and said,

*'If I don't sell, you're going to **KILL** me. If I sell, you're **STILL GOING** to **KILL** me. Therefore, I'M **GOING** to **DIE STANDING** like a **GIANT** for my **GOD**.'*

Shortly after this encounter, your grandfather went down by the covered bridge to cut firewood. Your **PAPA**, who was **ONLY SEVENTEEN** years of age and **very devoted**, went with him. The man who had **VOICED** the **THREAT** came by the house and asked me where had that **NIGGER** gone. He was carrying a **RIFLE** and a **BASEBALL BAT**. *He stated that he only wanted to talk to that **STUBBORN BOY**...*

As the **WHITE** man walked away from me, I knew within my heart that *your grandfather would be killed*. When he **FOUND** your grandfather and **SHOT** him, your papa stood and watched. Your papa helped his dad to climb into the wagon. **Your grandpa ALWAYS** carried the **HOLY BIBLE** with him. *He took the Bible from the wagon and stumbled into the house to let me know that he had been **SHOT***. Your papa and I put him in the bed. He asked me to place the Bible under his pillow, but he could hardly speak as he said,

Merkel and Other German Leaders Try, Again, to Form a Government

By Melissa Eddy

Chancellor Angela Merkel of Germany is leading the conservative Christian Democrats in talks with other political parties to form a coalition government. Sean

European Unity

Martin Schulz, the leader of the Social Democrats, has called for a "United States of Europe" by 2025, a notion that conservatives have rejected as unrealistic.

One sticking point will be a common approach on changes to the eurozone, along the lines proposed by President Emmanuel Macron of France, who is seeking a shared budget and governing structure.

It appears that it is through said SSTN / SSN that the USA's Officials, their Legal Counsel Baker Donelson and CO-Conspirators STALKED / TRACKED Prime Minister Newsome and REPEATEDLY subjected her to "BLACK Codes" / Jim Crow. . . In 1906, Joan Roan, a white man, killed Min. Newsome, a **prosperous black farmer** and his former childhood playmate. According to his son, Newsome, **who was successful enough to have a team of mules, a mare, a wagon, and a surrey, was working day and night to clear the 160 acres** . . . In a vaguely worded report, the local newspaper attributed the killing to self-defense after an argument, but Newsome's family maintains that **Roan killed Newsome because he was jealous and believed the land Newsome . . . was "too good for a black man to have."** The courts never indicted Roan, and . . . all the land ended up **back in the hands of . . . white owner.** --

BRITISH CONVICTS IN AMERICAN COLONIES

<https://www.familytree.com/blog/british-convicts-in-american-colonies/>

The British were noted for transported prisoners out of England to be made to work at their numerous colonies. From 1615 to 1870, more than 200,000 criminals were conditionally pardoned, exiled, and transported to penal colonies. Before 1775, more than 50,000 prisoners were sent to America—primarily to Virginia and Maryland. With the American Revolutionary War, then from 1788 to 1869, more than 160,000 prisoners were sent to the British Colony of Australia.

What most Americans do not realize is that from 1718 until 1775, convict transportation to the American colonies flourished. Some estimates claim that almost 10 percent of migrants to America during this time were British convicts. This means, if you had ancestors in the American colonies during that time, they might have come as unwanted convicts, against the will.

Florida

Of the Black Codes passed in 1866 (after the Northern reaction had become apparent), only Florida's rivaled those of Mississippi and South Carolina in severity.^[78] Florida's slaveowners seemed to hold out hope that the institution of slavery would simply be restored.^[79] Advised by the Florida governor and attorney general as well as by the Freedmen's Bureau that it could not constitutionally revoke Black people's right to bear arms, the Florida legislature refused to repeal this part of the codes.^[52]

The Florida vagrancy law allowed for punishments of up to one year of labor.^[80] Children whose parents were convicted of vagrancy could be hired out as apprentices.^[81]

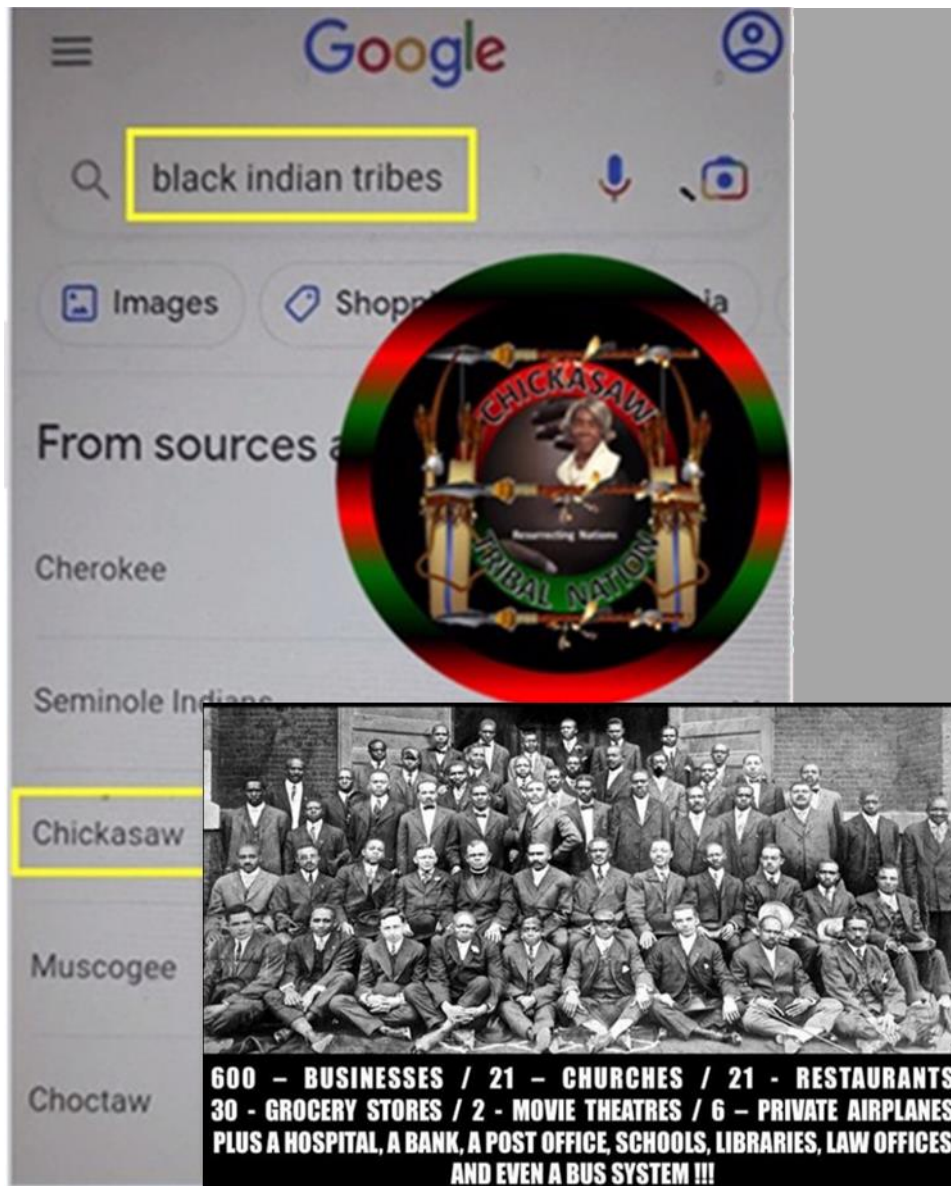

These laws applied to any "person of color", which was defined as someone with at least one Negro great-grandparent, or one-eighth black ancestry.^[80] White women could not live with men of color.^[80] Colored workers could be punished for disrespecting White employers.^[62] The explicit racism in the law was supplemented by racist enforcement discretion (and other inequalities) in the practice of law enforcement and legal systems.^[82]

COAT OF MANY COLORS

3 **Now Israel loved Joseph more than all his children**, because he was the son of his old age: and **he made him a coat of many colours**.

4 And when *his brethren saw that their father loved him more than all his brethren*, **they hated him**, and **could not speak peaceably** unto him.

5 And Joseph **dreamed a dream**, and **he told it** his brethren: and **they hated him yet the more**.

6 And he said unto them, **Hear, I pray you**, this dream which I have dreamed:

7 For, behold, we were binding sheaves in the field, and, lo, my sheaf arose, and also stood upright; and, behold, your sheaves stood round about, and made obeisance to my sheaf.

8 And his brethren said to him, ***Shalt thou indeed reign over us? or shalt thou indeed have dominion over us?*** And **they hated him yet the more for his dreams, and for his words**.

9 And he **dreamed yet another dream**, and **told it** his brethren, and said, Behold, I have dreamed a dream more; and, behold, the sun and the moon and the eleven stars made obeisance to me.

10 And **he told it to his father**, and **to his brethren**: and *his father rebuked him*, and said unto him, What is this dream that thou hast dreamed? *Shall I and thy mother and thy brethren indeed come to bow down ourselves to thee to the earth?*

11 **And his brethren envied him**; but **his father observed the saying**. - -

Hundley v. Louisville & N.R. Co., 48 S.W. 429 (Ky.) - **A conspiracy** between defendant railroad company and other . . . companies **to prevent discharged employees from obtaining employment**, if unlawful, does not give an employee who has been discharged by defendant a right of action, **unless the conspiracy has been carried out by the refusal to give him employment.** . . .

. . . that **while engaged** in the discharge of his duties he **was wrongfully, unlawfully, and maliciously discharged** by it; that it **wrongfully, unlawfully, and maliciously blacklisted him**; that he was blacklisted wrongfully, unlawfully, maliciously, and falsely by its placing upon its records a pretended cause of discharge, to wit, neglect of duty, with a view of injuring and **preventing him from entering its employment** or that of other . . . companies; that it **had entered into a conspiracy and combination with other . . . companies** by which its employes discharged for cause will not be given employment by other . . . companies; that, on account of its false and malicious acts and its conspiracy with other . . . companies, he **has been deprived of the right to again engage in the employment** of the defendant or other . . . companies; that **the wrongful acts mentioned were committed for the purpose of making, and had made, it impossible for him to ever again get employment** from the defendant on any of its lines, or from other . . . companies in the United States; . . .

It is the part of every man's civil rights to enter into any lawful business, and to assume business relations with any person who is capable of making a contract. It is likewise a part of such rights to refuse to enter into business relations, whether such refusal be the result of reason, or of whim, caprice, prejudice, or malice. **If he is wrongfully deprived of these rights, he is entitled to redress.** Every person sui juris is **entitled to pursue any lawful trade, occupation, or calling.** It is part of his civil rights to do so. He is as much entitled to pursue his trade, occupation, or calling, **and be protected in it, as is the citizen in his life, liberty, and property.** **Whoever wrongfully prevents him from doing so inflicts an actionable injury.** For every injury suffered by reason of a violent or malicious act done to a man's occupation, profession, or way of getting a livelihood, an action lies. Such an act is an **invasion of legal rights.** A man's trade, occupation, or profession may be injured to such an extent, by reason of a violent or malicious act, as **would prevent him from making a livelihood.** One who has followed a certain trade or calling for years may be almost unfitted for any other business. To deprive him of his trade or calling is to condemn, not only him, but perchance a wife and children, to penury and want. **Public interests, humanity, and individual rights, alike, demand the redress of a wrong which is followed by such lamentable consequences.** A . . . company has the right to engage in its service whomsoever it pleases, and, as part of its right to

conduct its business, is the right to discharge any one from its service, **unless to do so would be in violation of contractual relations with the employé.** It is the duty of a . . . company to keep in its service persons who are capable of discharging their important duties in a careful and skillful manner. **The public interest, as well as the vast property interests of the company, require that none other should be employed by it. Its duty in this regard and its right to discharge an employé does not imply the right to be guilty of a violent or malicious act, which results in the injury of the discharged employé's calling.** The company has the right to keep a record of the causes for which it discharges an employé, but in the exercise of this right **the duty is imposed to make a truthful statement of the cause of the discharge.** If, by an arrangement among the . . . companies of the country, a record is to be kept by them of the causes of the discharge of their employés, and when they are discharged for certain causes the others will not employ them, it becomes important that **the record kept should contain a true statement of the cause of an employé's discharge. A false entry on the record may utterly destroy and prevent him from making a livelihood at his chosen business. Such false entry must be regarded as intended to injure the discharged employé; therefore a malicious act. . .** "A tort may be dependent upon, or independent of, contract. If a contract imposes a legal duty upon a person, the neglect of that duty is a tort founded on contract; so that an action ex contractu for the breach of contract, or **an action ex delicto for the breach of duty, may be brought, at the option of the plaintiff.**" It was one of the purposes of the common law to protect every person against the wrongful acts of every other person, and it did not matter whether they were committed by one person or by a combination of persons, and under it an action was maintainable for injuries done by disturbing a person in the enjoyment of any right or privilege which he had. It is said in Cooley, Torts, 278: **Thus, if one is prevented, by the wrongful act of a third party, from securing some employment he has sought, he suffers a legal wrong, provided he can show that the failure to employ him was the direct and natural consequences of the wrongful act.**" It is said in 1 Add. Torts, 14: **"When a violent or malicious act is done to a man's occupation, profession, or way of getting a livelihood, there an action lies in all cases."** The plaintiff does not seek to recover because he was discharged in violation of a contract which he had with the defendant. He does not allege that he had a contract with it to perform services for it for a given length of time. **He seeks to recover damages for its alleged wrongful act in making the false entry upon its record against him, to prevent him from pursuing his calling by rendering it impossible for him to get employment from other . . . companies. . .**

The liability is damages for doing, not for conspiracy. The charge of conspiracy does not change the nature of the act. **In an action for damages, there must be some overt act, consequent upon the**

agreement to do a wrong, to give the plaintiff a standing in a court of law. Jag. Torts, 638; Cooley, Torts, 279

H. RES. 694

Recognizing the importance of the Civil Rights Act of 1866 and the laws derived therefrom.

IN THE HOUSE OF REPRESENTATIVES
 NOVEMBER 13, 2019

Ms. WATERS (for herself, Mr. THOMPSON of Mississippi, Mr. CANNON of Indiana, Mr. LEE of California, Mr. DANNY K. DAVIS of Illinois, Mr. GREEN of Texas, Ms. BAHI, Ms. CLARKE of New York, Ms. JACKSON LEE, Ms. MEERS, Ms. REUS, Ms. CLAY, Ms. NORSTEN, Ms. MOORE, Mrs. WATSON COLEMAN, Mr. EVANS, Mr. LEVIN, Ms. PRESSLEY, Ms. PLASKETT, Mrs. BLUMENTHAL, and Ms. FUDGE) submitted the following resolution, which was referred to the Committee on the Judiciary

RESOLUTION

Recognizing the importance of the Civil Rights Act of 1866 and the laws derived therefrom.

Whereas, in the aftermath of the Civil War, the reconstituted United States of America struggled to reconstruct its war-torn States or establish laws granting newly freed slaves the same rights afforded to White citizens;

Whereas the Civil Rights Act of 1866 declared that all persons born in the United States are entitled to be citizens, without regard to race, color, or previous condition of slavery or involuntary servitude;

Whereas the Civil Rights Act of 1866 was enacted to accomplish three primary objectives: to establish that all persons born in the United States were to be considered citizens, to clearly define the rights guaranteed by American citizenship, and to make it unlawful for any person to deprive another of these rights on the basis of race;

Whereas the Civil Rights Act of 1866 served the role of overruling “Black Codes,” laws enacted in southern States to restrict African Americans’ freedom and keep formerly enslaved persons from thriving in society;

ISIL (Da'esh) and Al-Qaida Sanctions Committee

The **ISIL (Da'esh) and Al-Qaida Sanctions Committee**^[a] is a committee of the **United Nations Security Council** tasked with implementing **international sanctions** against the **Islamic State** and **al-Qaeda**. It was established as the **Al-Qaida and Taliban Sanctions Committee** on 15 October 1999, pursuant to **Security Council Resolution 1267**, which designated al-Qaeda and the **Taliban** as **terrorist organizations**. Following the creation

of a separate **Taliban Sanctions Committee** on 17 June 2011, it was renamed the **Al-Qaida Sanctions Committee**. The scope of the sanctions regime was expanded to include the **Islamic State** on 17 December 2015 pursuant to **Resolution 2253**.

The committee is one of three Security Council committees dealing with **counter-terrorism**. The other two committees are the **Counter-Terrorism Committee** established pursuant to Security Council **Resolution 1373** (2001), and the Security Council Committee established pursuant to **Resolution 1540** (2004).

Resolution 1267 (1999) and subsequent resolutions have all been adopted under **Chapter VII of the United Nations Charter** and require all **UN member states** to *inter alia* "freeze the assets of, prevent the entry into or

transit through their territories by, and prevent the direct or indirect supply, sale and transfer of arms and military equipment to any individual or entity associated with Al-Qaida, Osama bin Laden and/or the Taliban as designated by the Committee".

On 17 June 2011, Resolution 1989 was adopted, so that the sanctions measures now apply to designated individuals and entities associated solely with al-Qaeda. On this same date, Resolution 1988 was adopted, creating a new committee dealing exclusively with sanctions relating to the Taliban.

Therefore, supporting **INVESTIGATION(S) and PROSECUTION(S)** – if **VIOLATION(S)** found – as well as the implementation / enforcement of **SANCTION(S)** and **FREEZING** of United States of America / United States MONIES / FUNDS / NOTES and ASSETS . . . , etc. in accordance and / or in keeping with the Laws of the Chickasaw Tribal Nation, the United Nations Declaration on the Rights of Indigenous Peoples, Charter of the United Nations, the Universal Declaration of Human Rights, International Human Rights Laws and applicable Statutes, Codes, Rules, Regulations and International Laws governing said matters, do hereby seek the following relief – i.e. however, not limited to this listing alone:

Welcome to the United Nations

The Counter-Terrorism Committee (CTC) was established by Security Council resolution 1373 (2001), which was adopted unanimously on 28 September 2001 in the wake of the 11 September terrorist attacks in the United States.

The Committee, comprising all 15 Security Council members, was tasked with monitoring implementation of resolution 1373 (2001), which requested countries to implement a number of measures intended to enhance their legal and institutional ability to counter terrorist activities at home, in their regions and around the world, including taking steps to:

- Criminalize the financing of terrorism
- Freeze without delay any funds related to persons involved in acts of terrorism
- Deny all forms of financial support for terrorist groups
- Suppress the provision of safe haven, sustenance or support for terrorists
- Share information with other governments on any groups practicing or planning terrorist acts
- Cooperate with other governments in the investigation, detection, arrest, extradition and prosecution of those involved in such acts; and
- Criminalize active and passive assistance for terrorism in domestic law and bring violators to justice.

The resolution also calls on States to become parties, as soon as possible, to the relevant international counter-terrorism legal instruments.

In September 2005, the Security Council adopted resolution 1624 (2005) on incitement to commit acts of terrorism, calling on UN Member States to prohibit it by law, prevent such conduct and deny safe haven to anyone "with respect to whom there is credible and relevant information giving serious reasons for considering that they have been guilty of such conduct." The resolution also called on States to continue international efforts to enhance dialogue and broaden understanding among civilizations.

The Security Council directed the CTC to include resolution 1624 (2005) in its ongoing dialogue with countries on their efforts to counter terrorism.

In January 2023, H.E. Lana Nusseibeh, Permanent Representative of the United Arab Emirates to the United Nations, was appointed Chair of the CTC. Her bio can be found [here](#). For a complete list of current Chairs and Vice-Chairs of subsidiary bodies of the Security Council, please consult document S/2023/2.

United Nations Security Council Sanctions Regimes

History

The Security Council established its first sanctions regime, in response to the illegitimate seizure of power in Southern Rhodesia, in 1968. To date, the Council has established 31 sanctions regimes in total, concerning: Southern Rhodesia, South Africa, the Former Yugoslavia (2), Haiti (2), Angola, Liberia (3), Eritrea/Ethiopia, Rwanda, Sierra Leone, Côte d'Ivoire, Iran, Somalia/Eritrea, ISIL (Da'esh) and Al-Qaida, Iraq (2), DRC, Sudan, Lebanon, DPRK, Libya (2), the Taliban, Guinea-Bissau, CAR, Yemen, South Sudan and Mali.

Effectiveness of sanctions over the last 24 years, measured as a function of policy outcome and UN sanctions contribution to that outcome, has been widely debated. According to a recent comprehensive study (see *Targeted Sanctions* ed. Biersteker et. al., 2013), UN targeted sanctions have been assessed to be effective in coercing a behavioral change in 10% of cases. They are more successful in constraining negative behavior (in 28% of cases) and in signaling support for international normative frameworks (in 27% of cases).

RESPONSE TO THE UNITED STATES OF AMERICA’S
DESPOTISM GOVERNMENT SHUTDOWN and
HOSTAGE-TAKING CRISIS, ETC.; and
UPDATE ON UNITED STATES DEPARTMENT OF JUSTICE’S
CRIMINAL COMPLAINT/INTERNATIONAL CRIMINAL COURT’S
COMMUNICATION...

You have Foreign Governments and their Leaders (as IRAN, etc.) trying to hold on to **FRAUDULENT Contracts/Agreements** involving the United States of America as the “**JOINT COMPREHENSIVE PLAN OF ACTION**” [“JCPOA”] that in itself can be **CHALLENGED** under “INTERNATIONAL” Laws and through “INVESTIGATIONS!” The JCPOA Agreement being reached about **JULY 2015** (emphasis added)!

ASK YOURSELF: Does it make sense that Nations-Of-Color *ARE* being **FORCED to ABANDON their Nuclear Defenses** while the **WHITE Man’s USA/CSOA is KEEPING theirs?** THEN as soon as Nations-Of-Color **STOP and DESTROY** their Nuclear Defenses, the USA’s/CSOA’s Nazis and/or **WHITE Jews/Zionists/Supremacists SWIFLY MOVE IN and DESTROY** their Governments/Leaders and **ASSASSINATE/MURDER Civilians** – i.e. Labeled as “**COLLATERAL DAMAGE**” rather than what is really is: **GENOCIDE, EXTERMINATION, WAR OF AGGRESSION,** etc.!

378. Through this instant **“05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .”**, the Chickasaw Tribal Nation’s / Utica International Embassy’s Officials, etc. seeks the assistance through the appropriate INTERNATIONAL Authorities in the setting up of the applicable **SPECIAL Tribunal(s) / International TRIBUNAL(S) / International MILITARY Tribunal(s)**, etc. to handle Investigation(s) and Prosecution(s) – IF violation(s) found – as it relates to the United States of America’s / United States’ Officials. . . and / or Legal Counsel (as Baker Donelson) – i.e. who it appears from PUBLIC records are **PRIVATELY held Companies** – allege *authority to issue SANCTIONS* against **“BLACK Indians”** and /or those of **PROTECTED Classes / Groups, Sovereign Nations**, their Officials and / or their Native Citizens, etc.! For instance, the role(s) [if any] it appears that the USA’s Legal Counsel Baker Donelson is playing in **SANCTIONING Racketeering Schemes / Scams** as that leveled against **Vogel Denise Newsome** (*who is presently serving as Prime Minister of the Chickasaw Tribal Nation / Utica International Embassy*) who has been BANNED from the USA Courts and **THREATENED** through **EXTORTION** schemes disguised as SANCTIONS should she bring further action(s) through United States Courts! Moreover, roles it appears the USA’s Legal Counsel Baker Donelson and / or their CO-Conspirators are playing in the UNLAWFUL application of SANCTIONS on Sovereign Nations (as Iran and others) and through what **LAWFUL** authority (if any) are **PRIVATELY held Companies** being allowed to issue said Sanctions?

Think the United States has weak sanctions on Iran? Think again.

379. IMPORTANT TO NOTE: *Unlike Iran, the Chickasaw Tribal Nation's / Utica International Embassy's Officials, Leaders, Citizens . . . and / or Legal Team, etc. are NOT interested in engaging in the FOOLISH POLITICAL Games with the United States of America, its Officials, Employees, Representatives, Legal Counsel (as Baker Donelson) and / or CO-Conspirators!*

Furthermore, *unlike* Iran, the CTN / UIE have **NO** Agreements and / or Contracts with the United States of America / United States! **Thus, IF** the USA's / United States' Officials . . . may assert Agreement(s) and / or Contract(s) with the CTN / UIE [when **NONE**], said issue(s) . . . *can be brought before the "appropriate INTERNATIONAL Authorities!"*

380. EMERGENCY Assistance With Issuance, Processing and Execution / Implementation of SANCTION(S) and FREEZING of UNITED STATES OF AMERICA / UNITED STATES MONIES and ASSETS . . . , etc.: Through this instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . . ,"** the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. seeks the assistance through the appropriate INTERNATIONAL Authorities in the setting up of the applicable SPECIAL Tribunal(s) / International TRIBUNAL(S) / International MILITARY Tribunal(s), etc. to act in the **"Situation In The United States of America - STATE OF MISSISSIPPI, etc.;"** wherein, the CTN seek assistance with the **ISSUANCE, PROCESSING and EXECUTION / IMPLEMENTATION** of Sanction(s), **SEIZING and FREEZING** of the United States of America's / United States' and Baker Donelson's Monies / Funds / Notes and Assets . . . , etc.! Furthermore, the creation of a **"USA (United States of America) and Baker, Donelson, Bearman, Caldwell & Berkowitz PC (Baker Donelson) Sanctions Committee;"** wherein,

The USA and Baker Donelson Sanctions Committee **is to be a committee comprising of the United Nations Security Council's TEN (10) "Rotating Members..." and / or Member Nations of the United Nations due to CONFLICT of INTERESTS regarding the United Nations Security Council Five Permanent Members** (United Kingdom's, United States', France's, China's and Russia's FINANCIAL and PERSONAL interests/connections in USA's NAZI / WHITE Supremacist / Ku Klux Klan / Jewish / Zionist Officials TERRORISM...) **tasked with implementing INTERNATIONAL Sanctions against the USA (a PRIVATELY held COMPANY) and Baker Donelson (a PRIVATELY held COMPANY) for roles in the**

PLANNING, ORCHESTRATING and CARRYING OUT the September 11, 2001, DOMESTIC Terrorists Attacks - i.e. pursuant to the applicable **DESIGNATION processes** (as Security Council Resolution 1267, which designated al-Qaeda and the Taliban as TERRORIST Organizations)

For instance, Resolution 1267 (1999) and subsequent Resolutions have **ALL** been adopted under **Chapter VII** of the United Nations Charter and **require all** UN Member States to *inter alia* **"FREEZE the Assets of, prevent the entry** into or transit through their territories by, and **prevent the direct and indirect supply, sale and transfer of arms and military equipment to any individual or entity associated with the** USA and/or Baker Donelson as designated by the Committee.

As with Security Council Resolution 1989 (that was adopted), **that sanctions measures are put in place to apply to DESIGNATED "Individuals" and/or "Entities" associated solely with the USA** - its EXECUTIVE, LEGISLATIVE and JUDICIAL - Branches and Baker Donelson's Lawyers/Attorneys. . .

Therefore, not only is the DESIGNATION of Terrorists, etc. sought herein, the **ISSUANCE, PROCESSING and EXECUTION / IMPLEMENTATION** of Sanction(s), **SEIZING and FREEZING** of the United States of America's / United States' and Baker Donelson's Monies / Funds / Notes and Assets . . . , etc. is also being sought in accordance with the applicable Statutes, Codes, Rules, Regulations, Procedures and Laws governing said matters.

381. Through this instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .,"** the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. seeks the assistance through the appropriate INTERNATIONAL Authorities in the setting up of the applicable SPECIAL Tribunal(s) / International TRIBUNAL(S) / International MILITARY Tribunal(s), etc. to act in the **"Situation In The United States of America - STATE OF MISSISSIPPI, etc.,"** wherein, the CTN seek assistance with the **ISSUANCE, PROCESSING and EXECUTION / IMPLEMENTATION** of **Sanction(s), SEIZING and FREEZING** of **Israel's** Monies / Funds / Notes and Assets . . . , etc. in that there appears to be **recorded evidence** of the USA's / United States' **Global TERRORISTS Operatives FINANCING** the **WAR Crimes, Crimes Against Humanity** and other Atrocities, etc. **being carried out in Palestine against the Palestinian People by the Israeli Jews / Zionists** for purposes of **STEALING** the **Palestinian Peoples' Lands / Territories, Properties and Resources, etc.** – i.e. as **Europe's NAZIS / WHITE Supremacists / Ku Klux Klan / Jews / Zionists . . . have done to the "BLACK Indians" / Native Nations and their Native People within the Lands / Territories presently known as the United States of America** through their **FRONTING WARS** (as **"Israel At War" / "NEW Order" Schemes** ") recorded as the **"INDIAN Wars," Revolutionary War, Civil War, World War I and World War II, etc.** – i.e. as there is **NOW** a push for a **World War III** through the **United Nations Security Council PERMANENT Members** in attempt of achieving the **"USA Global TERRORISTS Operatives"** NEW Order Agendas . . . !

XXIV. FAILURES TO ACT / PREVENT: ADDRESSING SOME POLICY ISSUES ADVERSELY IMPACTING “BLACK INDIANS” / NATIVE NATIONS . . .

In support of this instant “**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .**,” the Chickasaw Tribal Nation’s / Utica International Embassy’s Officials, etc. borrow and / or rely upon information provided through the **International Criminal Court’s “September 2003: Paper On Some Policy Issues Before The Office Of The Prosecutor”** [as of 09/29/2021, excerpt information cut and pasted from: https://www.icc-cpi.int/nr/rdonlyres/1fa7c4c6-de5f-42b7-8b25-60aa962ed8b6/143594/030905_policy_paper.pdf] and incorporate by reference information contained therein – i.e. in for CENTURIES / DECADES “BLACK Indians,” Native Nations and their People continue to DECRY the WAR Crimes, Crimes Against Humanity and other Atrocities, etc. against them from what have become known as WHITE Nations / The WEST / The EUROPEANS and their NAZIS / White Supremacists / Ku Klux Klan / Jews / Zionists! In the interest of JUSTICE, it is reported that the Nuremberg Trials were held to bring Germany’s NAZI Leader Adolf Hitler and his Third Reich Regime, etc. to JUSTICE! However, **the Nuremberg Trials were held ONLY to address** the Conspiracies, War Crimes, Crimes Against Humanity and other Atrocities against so-called EUROPEAN Nations that had come under attack by NAZI Germany’s Adolf Hitler and his Regime – i.e. FAILING to hold WAR Crimes Trials to Germany’s NAZIS and its ALLIES’ CONSPIRACIES, WAR Crimes, Crimes Against Humanity, etc. against “BLACK Indians” / Native Nations and their People! Keeping in mind, the UNIFIED front of the West / EUROPEAN Nations and after World War II, it is reported that the “WORLD” / People said, **“NEVER AGAIN!”** Therefore, based on such, this instant “**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .**” is being brought by the Chickasaw Tribal Nation’s / Utica International Embassy’s Officials, etc. to hold **“International MILITARY Trials, etc.”** as it relates to “BLACK Indians” and / or Native Nations [which

include what have been deemed *Indigenous* Nations / People]! In support thereof, do hereby state the following – i.e. however, not limited to this listing alone:

a) Through this instant **“05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .,”** the Chickasaw Tribal Nation’s / Utica International Embassy’s Officials seeks assistance through the **appropriate “International Authorities”** pursuant to the April 4, 2019, Communication received from the International Criminal Court as well as the applicable International Laws governing said matters – i.e. for instance, using as a guide, the **“September 2003 – Paper on some policy issues before the Office of the Prosecutor,”** and state as follows (however, not limited to this listing alone):

- i) The setting up of the applicable SPECIAL Tribunal(s) / International TRIBUNAL(S) / International MILITARY Tribunal(s), etc. to act in the **“Situation In The United States of America - STATE OF MISSISSIPPI, etc.,”** wherein, situation(s) of violence, War Crimes, Crimes Against Humanity and many more Atrocities **persist at EXTREME levels against “BLACK Indians” / Native Nations and their People from the United States of America’s NAZIS / White Supremacists / Ku Klux Klan / Jews / Zionists and CO-Conspirator(s) HEAVILY invested in the ENSLAVEMENT of the “BLACK Indians” / Native Nations and their People – i.e. here within what is presently known as the United States of America as well as ABROAD!** Thus, **requiring EMERGENCY attention and ACTION for purposes of deterring such CRIMINAL acts,** etc.
- ii) The Chickasaw Tribal Nation’s / Utica International Embassy’s Native People as well as other NATIVE Nations and their People / “BLACK Indians” **are at great risk / DANGER and are actively being TARGETED for EXTERMINATION, GENOCIDE** and other WAR Crimes / Crimes Against Humanity Atrocities, etc. by the United States of America’s NAZI / White Supremacist / Ku Klux Klan / Jewish / Zionist . . . Officials, Employees, Representatives, their Legal Counsel Baker, Donelson, Bearman, Caldwell & Berkowitz P.C. and their CO-Conspirators.

(1) Assistance with the:

PROTECTION of Witnesses (i.e. which include “BLACK” Indians / Native Nations and their People);

Gathering **of EVIDENCE;** and

ARREST WARRANTS and the Arrest of Suspects, etc.

- b) The appropriate INTERNATIONAL Authorities' assistance is hereby being sought / pursued in that there is evidence **of MONOPOLY(S) of great force** throughout the United States of America - i.e. wherein, it is the USA's NAZI / White Supremacist / Ku Klux Klan / Jewish / Zionist Officials. . . their Legal Counsel Baker Donelson and CO-Conspirators **who are engaging** in the MONOPOLIZATION on a GLOBAL scale – i.e. clearly PROHIBITED by the Statutes, Codes, Rules, Regulations and Laws of the so-called USA as well as International Laws governing MONOPOLIES, etc.

For a proper understanding of the functions of the Prosecutor of the International Criminal Court, it is important to recall that the Prosecutor operates on a different basis from national prosecution systems and within a very different environment. In principle, a national prosecutor acts within a State which has the monopoly of force in its territory. The enforcement agencies of the State are subject to the rule of law and are at the disposal of the national prosecution system. - -

- c) From research, **EVIDENCE has been found to support** that the USA is **NOT a Country** and **neither does it** have a LAWFULLY formed Government! Thus, it goes without saying, that **due to such EXTREME / EMERGENCY / DIRE . . . Situations**, etc. the ENFORCEMENT Authorities that the USA may attempt **to assert IS NON-EXISTENCE!** Furthermore, **will NOT** be at the Prosecutor(s) disposal to utilize! Thus, allowing the Chickasaw Tribal Nation / Utica International Embassy assistance with rebuilding their Law Enforcement Group!

I. General remarks and summary

the Prosecutor may be called upon to act in a situation of violence over which the State authorities have no control. His Office can be present in the country concerned only at great risk. **The protection of witnesses, gathering of evidence and arrest of suspects will be difficult if not impossible.** The Prosecutor may also be asked to act in a situation **where those who have the monopoly of force in a State are the ones to commit the crimes.** It goes without saying that in such a case **the enforcement authorities in that State will not be at the Prosecutor's disposal.**

Moreover, allow for the utilization of the “appropriate INTERNATIONAL Authorities” – i.e. as **INTERPOL!** Record evidence will support that the United States of America's Officials, their Legal Counsel Baker Donelson and CO-Conspirators having KNOWLEDGE that said services (as that

presented through INTERPOL) being a lawful option for the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. to utilize!

INTERPOL – Bringing The United States of America To Justice For Its **WAR CRIMES**, **CRIMES AGAINST HUMANITY**, **GENOCIDE PRACTICES** . . .

- d) Through this instant **“05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .”** the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. are requesting that the applicable EMERGENCY / SPECIAL International Tribunal(s) and / or International MILITARY Tribunal(s) . . . **be established within the jurisdiction / venue** of the appropriate International AUTHORITIES assisting in Investigation(s) and / or Prosecution(s).

- e) In the **RESTORING / REBUILDING** of the Chickasaw Tribal Nation's Government, assistance is needed with its Law Enforcement unit - **INTERNATIONAL Native Nations LAW ENFORCEMENT Guards ["INNLEG"]** - to assist through this process in providing **SAFETY / SECURITY**, etc. for the "BLACK Indians" / Native Nations and their People! Furthermore, in good faith, **assist in providing Prosecutor(s) with the necessary means to SETUP** Operation(s) / Office(s) **to aid in INVESTIGATION(S)** and the **applicable PROTECTION(S) of WITNESS(ES)**!
- f) The Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. believe that through the **"COALITION Of UNIFIED Nations" [C.O.U.N.]** in working in sync with the appropriate INTERNATIONAL Authorities (as the United Nations' Agencies designated to handle said matters), that access to various FOREIGN Native Nations and / or the INTERNATIONAL Communities be made available to assist with the INVESTIGATION(S) and PROSECUTION(S) sought for:

WAR Crimes, **Crimes Against Humanity**, Violation(s) of **Geneva Convention** on the **Prevention and Punishment of the Crime of Genocide (1948)**, **Ethnic Cleansing**, Violation(s) of **Chemical Weapons Convention (1997)**, as well as other Atrocities, etc.

Moreover, assist with the **drafting and issuance of Arrest Warrants** for suspect(s) who may be subject to prosecution(s). In short and in reality, **it WILL be possible** to initiate the applicable INVESTIGATION(S) - i.e. specifically, noting that the United States of America **has VAST** resources / systems that have been established!

- g) Through this instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . ."** the **Prosecutor(s) assigned** to assist the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. through these EMERGENCY / SPECIAL Tribunal(s)

and / or International MILITARY Tribunal(s) . . . , WILL have CTN support and believe that due to such EXTRAORDINARY / EXTREME / DIRE circumstances (i.e. that should have been fore seen by the United Nations as well as the United States of America's ALLIES, etc.) the Chickasaw Tribal Nation's / "BLACK Indians" / Native Nations are entitled and / or **deserving of the SUPPORT of INTERNATIONAL Authorities / Forces to INVESTIGATE** - i.e. **allowing for investigation(s) to be handled from WITHIN the Lands / Territories presently** known as the United States of America as well as allowing for the **cooperation with drafting / issuance of Arrest Warrants and the ENFORCEMENT** thereof, etc.!

What does this mean for the work of the Office of the Prosecutor? It is clear in the first place that no investigation can be initiated without having careful regard to all circumstances prevailing in the country or region concerned, including the nature and stage of the conflict and any intervention by the international community. Furthermore, the Prosecutor will have to take into account the practical realities, including questions of security on the ground. It will also be necessary to consider whether there are available to the Prosecutor **the necessary means of investigation and possibilities for protection of witnesses**. Will the necessary assistance from the international community be available, including on matters such as the arrest of suspects? In short, will it be possible in all reality to initiate an investigation at all? These are not matters which need normally trouble a domestic prosecutor, but they are all relevant to an ICC prosecution and they all underline the necessity of State support for the Office of the Prosecutor in the bringing of any investigation. In other words, **the Prosecutor will need the support of national or international forces in order to investigate *in situ***. If these forces are not available, **the Prosecutor will need to investigate from outside and rely on international cooperation for the arrest and surrender of the alleged perpetrators**.

Thus, through this instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .,"** the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. seeks the assistance through the appropriate INTERNATIONAL Authorities in the setting up of the applicable SPECIAL Tribunal(s) / International TRIBUNAL(S) / International MILITARY Tribunal(s), etc. to act in the **"Situation In The United States of America - STATE OF MISSISSIPPI, etc.;"** moreover, INVESTIGATION(S) and PROSECUTION(S) – if VIOLATION(S) found – **into the LEGITIMACY of the United States of America – i.e. a "COUNTRY" or "a PRIVATELY held COMPANY!"** There is recorded evidence to support the United States of America so-called Government being reported **on reparable websites** (as Manta.com) as being **"a PRIVATELY Held Company!"** Furthermore, the USA's former President Barack Obama advising **that "CHANGE"** in Washington, D.C. **can "ONLY" come from the "OUTSIDE!"** Therefore, in keeping with such instructions, this instant CTN submittal is bringing what is believed **LONG-AWAITED "CHANGE from the OUTSIDE!"**

- h)** The issues / claims addressed through this instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . ."** is within the JURISDICTION of the United Nations! There is record evidence that the United States of America's / United States' Officials . . . **may assert that the International Criminal Court LACKS Jurisdiction** and / or **"IS DEAD . . ."** to them! However, **NOT** the case with the **United Nations** - i.e. wherein it appears that the USA / United States appears to be a **PERMANENT** Member of the United Nations **SECURITY COUNCIL!**
- i)** There is record evidence of TREATIES with the Chickasaws. Thus, a reasonable mind may conclude that said **TREATIES** denotes **KNOWLEDGE** of **SOVEREIGNTY** as well as knowledge that the Chickasaws **being recognized as a NATION!**

- j) Since the issuance of Treaties with the Chickasaws, it has been determined that the United States of America / United States is **NOT** a Nation and is merely "a **PRIVATELY held Company!**" Thus, **supporting FRAUD, DECEIT** and other Criminal Acts; and, therefore, supporting Treaties are **VOID** and **UNENFORCEABLE** - i.e. **allowing for RESCINDING and RESTITUTION / RESTORATION, etc. through recovery process(es) to make whole!**
- k) Time has also allowed for the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. to determine that the United States of America's / United States' **JUDICIAL System is also FRAUDULENT** . . . - i.e. Is merely a **part of a MONOPOLY and RACKETEERING Schemes, etc. established for purposes of ADVERSELY** impacting "BLACK Indians" / Native Nations and their People!
- l) The United States of America is known to have a well-established complementary system that has been **disguised as COURTS** - however, are merely a **cluster of "PRIVATELY held companies."** The USA's **FRAUDULENT Court System** that has a well-established **FILING system through which** alleged Cases **were to have been PRESERVED** and / or should have been preserved!
- m) Through this instant "**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .**," the Chickasaw Tribal Nation's Officials, etc. **seek assistance with REBUILDING / RESTORING** . . . and are available to work with INTERNATIONAL Authorities **in the undertaking of INVESTIGATION(S) due to the clear case of "FAILURE TO ACT"** as well as the **TOTAL Collapse** of what appears to a "**SHADOW Government**" that has been named the United States of America / United States – i.e. which research has yielded is merely, "a **PRIVATELY Held Company!**"

In other cases, of course, crimes within the jurisdiction of the Court may be committed within States or by State agencies which have normally functioning institutions. Here the complementary nature of the Court is overriding. National investigations and prosecutions, where they can properly be undertaken, will normally be the most effective and efficient means of bringing offenders to justice; States themselves will normally have the best access to evidence and witnesses. To the extent possible the Prosecutor will encourage States to initiate their own proceedings. As a general rule, **the policy of the Office of the Prosecutor will be to undertake investigations only where there is a clear case of *failure to act* by the State or States concerned.**

- n) Through this instant **“05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .,”** the Chickasaw Tribal Nation's / Utica International Embassy's Officials believe that lawful inquiries as well as investigation(s) will yield that there are **other FOREIGN Native Nations who have been VICTIMIZED and subjected to the “FRAUDULENT / DECEPTIVE” Treaties Scams / Schemes** of the United States of America's / United States' Officials . . . , their Legal Counsel Baker, Donelson, Bearman, Caldwell & Berkowitz P.C. and CO-Conspirators, etc. - i.e. **supporting CONCURRENT Jurisdiction** and, it appears, **other Foreign Nation(s) investigating** certain case(s) within a given Situation.

Close cooperation between the Office of the Prosecutor and all parties concerned **will be needed to determine which forum may be the most appropriate to take jurisdiction in certain cases**, in particular where there are many States with concurrent jurisdiction, and where the Prosecutor is already investigating certain cases within a given situation. The Office is already developing formal and informal networks of contacts, including with national prosecutors, for this purpose.

- o)** Through this instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . ."**, the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. take ownership of such good-faith INTERNATIONAL option(s) available to assist in the REBUILDING / RESTORATION . . . of their Nation and Government! Furthermore, believe that **external relationships and outreach strategy(s) with other FOREIGN Native Nations "will develop a network of relationships"** between said Native Nations and the Prosecutor(s) / INTERNATIONAL Authorities and other entities and bodies - i.e. for purposes of **ensuring that Situation(s) encountered** (in which Prosecutor(s) are called upon to **intervene and / or act**), provide the **appropriate resources to enable INVESTIGATION(S) to be initiated**.
- p)** This instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . ."** is in further support of **BREACHED alleged TREATIES** with the Chickasaws that United States of America / United States Officials, etc. may assert are lawful / binding (when they are NOT). Moreover, Treaties which can be LAWFULLY challenged through the **applicable INTERNATIONAL Tribunals and NOT** through the USA's **FRAUDULENT Judicial System comprised and conducive to furthering RACKETEERING / MONOPOLY Schemes** that seek to **further VICTIMIZE** "BLACK Indians" / Native Nations here within what is **presently** known as the United States of America as well as abroad!

In that said **UNIFICATION / Alliances** affords **FOREIGN Nations'** Authorities to work with Prosecutor(s) in INVESTIGATION(S); wherein, they may be able to **pass on EVIDENCE of Financial Transaction(s)**, etc. which will be essential to the EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) Investigation(s) and / or Prosecution(s)! Moreover, further exposure of **the MONOPOLY** that the United States of America's / United States' Legal Counsel Baker, Donelson, Bearman, Caldwell & Berkowitz P.C. and their CO-Conspirators **have over FINANCIAL Institutions** and **"HOW"** said Monopoly **is USED to FINANCE**

WAR Crimes, *Crimes Against Humanity*, Violation(s) of *Geneva Convention* on the *Prevention and Punishment of the Crime of Genocide (1948)*, *Ethnic Cleansing*, Violation(s) of *Chemical Weapons Convention (1997)*, as well as other Atrocities, etc.

- i.e. specifically, targeting "BLACK Indians" / Native Nations and their People!
Thus, a reasonable mind may conclude **the IMPORTANCE of the SEIZING / FREEZING**, etc. of the USA's / United States' **FINANCIAL System** as well as **the monitoring thereof to assure monies for REBUILDING / RESTORING** of the Chickasaw Tribal Nation, its Utica International Embassy and more for purposes of assisting in EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s), etc. as well as the Investigation(s) and Prosecution(s) - if VIOLATION(S) found!

The Prosecutor will encourage States and civil society to take ownership of the Court. The external relations and outreach strategy of the Office will develop a network of relationships between the Prosecutor, national authorities, multi-lateral institutions, nongovernmental organisations and other entities and bodies, to ensure that in any kind of situation in which the Prosecutor is called upon to act, practical resources are made available to enable an investigation to be mounted. Agreements with States will be necessary, supporting the Court's efforts by providing security, police and investigative teams, and giving intelligence and other evidence. One important **area of investigation will involve financial links** with crimes. The investigation of financial transactions, **for example for the purchase of arms used in murder**, may well provide evidence proving the commission of atrocities. Here again the interaction between State

authorities and the Office of the Prosecutor will be crucial: national investigative authorities may pass to the Office **evidence of financial transactions** which will be essential to the Court's investigations of crimes within the Court's jurisdiction; for its part, the Office may have evidence of the commission of financial crimes which can be passed to national authorities for domestic prosecutions. Such prosecutions will be a key deterrent to the commission of future crimes, **if they can curb the source of funding**. And all assistance of this kind provided by national authorities to the Office of the Prosecutor will help to keep the Court cost-effective.

- t) Through this instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . ."**, the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. seek assistance with the applicable EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) as the CTN continues to move towards REBUILDING / RESTORING its Tribal Nation. Moreover, through said assistance, **will allow a vast International "UNIFIED" approach to combat impunity**. Furthermore, initiating Investigation(s) and Prosecution(s) - if VIOLATION(S) found - of the USA / United States Official(s), Employee(s), Representative(s), their Legal Counsel (as Baker, Donelson, Bearman, Caldwell & Berkowitz P.C. Lawyers / Attorneys...) and their CO-Conspirator(s), etc. who bear responsibility for:

WAR Crimes, **Crimes Against Humanity**, Violation(s) of **Geneva Convention** on the **Prevention and Punishment of the Crime of Genocide (1948)**, **Ethnic Cleansing**, Violation(s) of **Chemical Weapons Convention (1997)**, as well as other Atrocities, etc.

Furthermore, will encourage INTERNATIONAL Prosecution(s) - where possible - for those deemed *"lower-ranking perpetrators . . ."* as well as allow **for work to be done through the appropriate International Authorities to ensure that the OFFENDERS are brought to JUSTICE by any means necessary!**

The Court is an institution with limited resources. The Office will function with a two-tiered approach to combat impunity. On the one hand it will initiate prosecutions of the leaders who bear most responsibility for the crimes. On the other hand it will encourage national prosecutions, where possible, for the lower-ranking perpetrators, or work with the international community to ensure that the offenders are brought to justice by some other means.

- u) Through this instant **"05/31/2024 CTN-UJE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .,"** one of the many strategies is to focus on those War Crimes Enforcers and / or **"those who bear the GREATEST responsibility"** for the CRIMINAL Acts and / or Crimes - i.e. which **"may leave an 'impunity gap' unless"** FOREIGN / INTERNATIONAL Community(s) and the EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) **work together for purposes of ensuring** that all applicable / appropriate means are available and utilized in bringing criminal culprits and / or other perpetrators to justice!

IMPORTANT TO NOTE: Investigation(s) of the Prosecutor(s) may require the **casting of a much larger / wide-ranging net** to bring in **"HIGH-Ranking"** Officials, etc. - i.e. with the assistance of those considered lower down on the Organization Chart / Chain / Pyramid Schemes, etc.!

The strategy of focusing on those who bear the **greatest** responsibility for the crimes may leave an "impunity gap" unless national authorities, the **international community** and the Court work together to ensure that all appropriate means for bringing other perpetrators to justice are used. In some cases the focus of an investigation by the Office of the Prosecutor may go wider than high-ranking officers if, for example, investigation of certain types of crimes or those officers lower down the chain of command is necessary for the whole case. For other offenders, alternative means for resolving the situation may be necessary, whether by international assistance in strengthening or rebuilding the national justice systems concerned, or by some other means. Urgent and high-level discussion is needed on methods to deal with the problem generally.

- v) Through this instant **"05/31/2024 CTN-UJE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .,"** the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. **seek to incorporate** the Policies and / or Procedures of the International Criminal Court with the consensus of the United Nations, FOREIGN Native Nations and / or "appropriate International Authorities," etc. in the implementation of the EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) in the handling of Investigation(s) and Prosecution(s) - if VIOLATION(S) found - that is being sought herein. Moreover, **in good faith to assist in the prevention of further:**

WAR Crimes, **Crimes Against Humanity**, Violation(s) of **Geneva Convention** on the **Prevention and Punishment of the Crime of Genocide (1948)**, **Ethnic Cleansing**, Violation(s) of **Chemical Weapons Convention (1997)**, as well as other Atrocities, etc.

Wherein the policies, procedures and operations of the Office of Prosecutor(s) will make the necessary contributions within this context and / or within the context of the EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) established.

To put an end to impunity there needs to be consensus between the Court and the international community. The existence of the Court has already **encouraged States to incorporate as domestic law the crimes within the jurisdiction of the Court**. Even before the initiation of any investigation by the Court itself, the use of this legislation **will be a major step in bringing to justice the perpetrators of atrocities**. In addition, the aspiration must be that the Court may itself assist in preventing the commission of atrocities; the statements, policies and operations of the Office of the Prosecutor will make its own contribution in this context.

w) Through this instant **“05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .,”** the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. the organization / structure of these EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) **is to serve as an asset** for the Prosecutor(s) and their Staff . . . in the handling of Investigation(s) and Prosecution(s) - if VIOLATION(S) found - and **to maximize their impact** while operating within reasonable budget / funding provided for performing duties and /or day-to-day operations.

x) **The Operation(s)** of the EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) **are to be informed** and / or **foundational upon three (3) basic principles**:

FIRST: A **permanent structure** in which the Prosecutor(s) will have an Office / Administration which is composed of a core Senior Staff;

SECOND: The Office(s) of the Prosecutor(s) **will draw extensively on** the use of resources obtained through lawful external means and / or resources, etc.; and

THIRD: **Setup of GLOBAL Regional Offices** throughout Native Nations in order to deal with regional differences that may exist and to provide reasonable accessibility to address a variable number of Investigative matters that may arise.

The organisation of the structure and work processes of the Office of the Prosecutor is based on the assumption that the Office should endeavour to maximise its impact while operating a system of low costs.

With this goal in mind, the operations are informed by three basic principles. First, the permanent structure of the Office is composed of a core of senior staff. Second, the Office draws extensively on the use of external resources. Third, in order to deal

with situations in different regions, it functions with a variable number of investigation teams.

Furthermore, EVIDENCE supporting despite the good-faith efforts – i.e. filing of the required COMPLAINTS, REQUESTS for INVESTIGATION(S) and / or PROSECUTION(S) – if VIOLATION(S) found, etc.

384. In keeping with the United Nations Declaration on the Rights of Indigenous Peoples, Charter of the United Nations, the Universal Declaration of Human Rights, International Human Rights Laws as well as the Statutes, Codes, Rules, Regulations and International Laws governing said matters; do hereby state – i.e. however, not limited to this listing alone: International Criminal Court’s: **“September 2003 – Paper on some policy issues before the Office of the Prosecutor:”**

1. The complementary nature of the EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s):

(A) The effectiveness of the EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) should not be measured by the number of cases that reach said Tribunal(s). To the contrary, the absence of access and utilization of TRIBUNAL / JUDICIAL process(es) are a direct and proximate result of NAZIS / White Supremacists / Ku Klux Klan / Jewish / Zionists creating **SONDERGERICHT Court(s)** and **“BLACK-CODES”** Schemes that **are adversely impacting** “BLACK Indians” / Native Nations and their People within what is presently known as the United States of America / United States as well as Abroad!

UIE'S TAKE DOWN OF BAKER DONELSON'S "OPERATION SONDERGERICHT"

A *Sondergericht* was a German "special court". After taking power in 1933, the Nazis quickly moved to remove internal opposition to the Nazi regime in Germany. The legal system became one of many tools for this aim and the Nazis gradually supplanted the normal justice system with political courts with wide-ranging powers. The function of the special courts was to intimidate the German public, . . .

These protections were swept away in the special courts, since they existed outside the ordinary judicial system. There was no possibility of appeal, and verdicts could be executed at once. The court decided the extent of evidence to consider, and "the defense attorneys couldn't question the proof of the charges" . . .

Between 1933 and 1945, 12,000 Germans were executed on the orders of the *Sondergerichte* set up by the Nazi regime. Especially during the first years of their existence they "had a strong deterrent effect" against opposition to the Nazis; the German public was intimidated through "arbitrary psychological terror" . . . -- As of 05/04/20: <https://en.wikipedia.org/wiki/Sondergericht>

Trafficking has turned into a big business; according to the [Congressional Research Service], trafficking in people represents the third largest source of profits for organized crime after drugs and guns, generating billions of dollars each year. Organized crime groups operating within and across borders often run trafficking networks. These networks are structured, organized, well-funded, and operated beyond the reach of law enforcement. Some traffickers are individuals or small groups that traffic people for specific purposes.

Therefore, when a crime satisfies the widespread criterion, the multiple victims criterion is simultaneously achieved. *Id.* Furthermore, although the crime does not

And it is a shocking fact that many employers have collaborated in labor racketeering practices, **forcing their competitors out of business, obtaining monopolies** for themselves, fighting legitimate . . . organizations and **paying off racketeers** in the process. Other employers are honest but timid - fearful of the labor trouble that may result if they **refuse to yield to racketeers** or if they **testify before public** authorities.

Thus, the problem of . . . racketeering **is not** one for the Federal Government **alone**, or even primarily - **the responsibility for cleaning up this foul situation is divided also among union members, employers, local government, and the general public.**

1.1 The Principle Of Complementarity

(A) The EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) are **not** intended to replace lawfully and functional operational Tribunals in Native Nations; however, are to be **made available** to Native Nation(s) [as the Chickasaw

Tribal Nation, etc.] wherein, **there are NO lawfully formed national structures** [within what is presently known as the United States of America – i.e. which appears to be operating as a **SHADOW Government** for its INVESTORS] and Tribunal(s) available within what is presently known as the United States of America and / or Tribunal(s) are **unwilling** or **unable** to conduct Investigation(s) and Prosecution(s) - if VIOLATIONS are found!

(B) That the applicable *ad hoc* EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) **serve in a primacy capacity**; wherein, **there are no lawful national systems** (as in what is presently known as the United States of America / United States where "PRIVATELY held Companies" have been installed for purposes of DECEPTION as well as perpetrating as Judicial forums, etc.). Thus, such cases **where it is found that "PRIVATELY held Companies" have been installed with Criminal / Fraudulent** . . .intent to further **the agendas** (as **NAZISM / WHITE Supremacy / Zionism** . . .) of

WAR Crimes, **Crimes Against Humanity**, Violation(s) of **Geneva Convention** on the **Prevention and Punishment of the Crime of Genocide (1948)**, **Ethnic Cleansing**, Violation(s) of **Chemical Weapons Convention (1997)**, as well as other Atrocities, etc.

Thus, allowing for EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) to **have priority** and / or to be made available for those Native Nation(s) requiring said services, etc.

(C) The **"Principle of Complementarity"** to allow EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) **to serve as GLOBAL representative forum(s)**; wherein, Native Nation(s) / Party(s) **do not have said Tribunal(s)** and / or **until the applicable Tribunal(s)** - as the Chickasaw Tribal Nation's International RECOURSE Tribunal - **are up and fully functioning** within Native Nation(s) for their People to handle Investigation(s) and Prosecution(s) - if VIOLATION(S) found.

(D) That in deciding whether to Investigate or Prosecute - if VIOLATION(S) found - that the Prosecutor(s) for the respective EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) must FIRST assess whether Native Nation(s) / Party(s) seeking the jurisdiction of said Tribunal(s) **have lawful / functional** Tribunal(s) and / or Judicial Systems in their respective Native Nation(s), etc. - i.e. proceeding ONLY where Native Nation(s):

Do NOT have lawfully functioning Judicial System / Tribunal System;

FAIL To Act; and / or

Does **NOT** "genuinely" Investigate and / or Prosecute - if VIOLATION(S) found - as described in applicable Statutes, Codes, Rules, Regulations and / or Laws governing said matters.

(E) Use of International Laws and / or Statutes, Codes, Rules and Regulations - as **Article 17** of the Rome Statute allows **for EXCEPTIONS to trigger INTERNATIONAL Recourse** to the *primacy* of allege State jurisdiction (as the so-called United States of America / United States); **wherein, there is NO lawful Judicial System in place** - i.e. **posing imminent THREAT(S) to Native Nations' and / or the Civilian Population's . . . SECURITY / SAFETY, WELLBEING, etc.!**

(F) Through this instant "**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .**," the applicable EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) "**will be able to declare a case to be admissible**" when **it is found that NO lawful Judicial / Tribunal System(s) is available** and / or "**unwilling or unable genuinely to carry out**" Investigation(s) and / or Prosecution(s) - if VIOLATION(S) found!

(G) "**Unwilling**" meaning - however, not limited to ;

The **national decision** being made; wherein, Investigation(s) and / or Prosecution(s) - if VIOLATION(S) found - **are TAINTED / OBSTRUCTED, etc., and seek to shield / protect / hide . . . the Criminal Acts** of allege perpetrator(s) **from criminal responsibility;**

Unjustified delay of Investigation(s) and / or Prosecution(s) - if VIOLATION(S) found - **inconsistent** with the Statutes, Codes, Rules, Regulations and Laws governing said matter(s) to bring Person(s) / Perpetrator(s) to justice;

Judicial / Tribunal proceedings were not and / or **are NOT** being conducted unbiasedly and / or impartiality, etc.

(H) Engagement in the assessment of whether allege State(s) [as the United States of America / United States] and / or Native Nation(s) is "**UNABLE**" to act - i.e. wherein, Prosecutor(s) determining whether:

"**Due to a TOTAL or SUBSTANTIAL collapse or unavailability**" of its allege Judicial System (as that of the USA's / United States') which is shown to **be a SHAM / FRAUDULENT, etc.** – i.e. designed for purposes of the ENSLAVEMENT of "BLACK Indians" / Native Nations and their People

Record evidence of the United States DISTRICT and BANKRUPTCY Courts will support that Vogel Denise Newsome – presently serving PRIME MINISTER for the

Chickasaw Tribal Nation / Utica International Embassy – PRESERVED evidence [through Court matters] of TIMELY notifying the United States of America’s Judge(s) of concerns of their CORRUPT Judicial System and the roles being played by their Legal Counsel Baker, Donelson, Bearman, Caldwell & Berkowitz P.C.’s Lawyers / Attorneys in said CORRUPTION, etc.! Furthermore, Court submissions by Newsome being supported by Legal Conclusions / Case Laws; however, Judge(s) electing to CLEARLY disregard and continue on a course of INEVITABLE destruction and doom of the United States of America’s JUDICIAL System, etc.!

IMPORTANT TO NOTE: Court Hearing containing evidence of concerns shared regarding **WHITE Supremacy** and the **ADVERSE IMPACT** on “BLACK Indians” / Native People and their Communities, etc.!

A reasonable mind may conclude that the White Man and / or the White Supremacists and their Jews / Zionists have been successful in bringing about the "GLOBAL" *Economic Hurricane* / **Destruction** and Collapse being witnessed!

9 Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee. -- *Revelation 3 (Holy Bible – King James Version)*

(J) There is **NO** infringement upon a State's (as a so-called / **FRIVOLOUS** State as the United States of America / United States) Jurisdiction, etc.; wherein, **said State is found to be a FRAUD**; moreover, **FAILURE To Act** has resulted in **NO Initiation of Investigation(s)** due to such criminal **RACKETEERING** Schemes / Scams!

(K) Unacceptable **is INACTION** without justification and / or **FAILURE** of providing **REASON(S)** for inaction!

(L) The EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) being **to serve in situation(s)** involving the TOTAL collapse of Judicial System(s) and / or where **there is NO lawful / functional Judicial System** and / or Tribunal(s) **due to INCAPACITATION** by mass crimes -i.e. as

WAR Crimes, **Crimes Against Humanity**, Violation(s) of **Geneva Convention** on the **Prevention and Punishment of the Crime of Genocide (1948)**, **Ethnic Cleansing**, Violation(s) of **Chemical Weapons Convention (1997)**, as well as other Atrocities, etc.

as well as **FRAUD, RACKETEERING / MONOPOLY / PONZI / PYRAMID . . .Schemes** that now requires the creation of said EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s), etc.

(M) EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s). . . to provide Native Nation(s) **in bitter conflict(s) opposing prosecution(s)** through **adversarial Tribunal(s)**; however, seek Investigation(s) and Prosecution(s) - if VIOLATION(S) found - **through NEUTRAL and IMPARTIAL Tribunal(s)**!

(N) It is the **DUTY and / or OBLIGATION** of Native Nation(s) to exercise Jurisdiction in criminal matters - i.e. however, **where NO** such Judicial System(s) / Tribunal System(s) exist and / or have TOTALLY collapsed, etc. - **through the applicable EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) to assist in the enforcement and adherence to INTERNATIONAL standards, SAFEGUARDS, Policy(s), Procedure(s) and Process(es), etc.!**

1.2. *What does complementarity imply for the Office of the Prosecutor?*

(A) As a general rule as it relates to the *"principle of complementarity,"* etc., Policy(s) and Procedure(s) governing the Office of the Prosecutor(s) in and throughout the initial phase of operation(s) **will be to TAKE ACTION where there is CLEAR CASE(S) of FAILURE To Act** and / or **INTERVENTION**; wherein, *FAILURE TO ACT* is apparent to have contributed and / or caused the IMPLEMENTATION and carrying out of the 03/25/2019 Kidnapping of Prime Minister Vogel Denise Newsome, the ASSASSINATION attempts on her life, the 09/21/2019, ASSASSINATION of Chickasaw Tribal Nation's / Utica International Embassy's Matriarch Pearl Leo Torrey Newsome, etc. for purposes of keeping WHITE Supremacy TERRORISM *alive and thriving* within the United States of America as well as abroad!

(B) A major part for the EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) **is to encourage and facilitate that** Native Nation(s) carry out their primary responsibility to carry out Investigation(s) and / or Prosecution(s) - if VIOLATIONS found - for:

WAR Crimes, *Crimes Against Humanity*, Violation(s) of *Geneva Convention* on the *Prevention and Punishment of the Crime of Genocide (1948)*, *Ethnic Cleansing*, Violation(s) of *Chemical Weapons Convention (1997)*, as well as other Atrocities, etc.

-i.e. keeping in mind the need to take into consideration (as well as respect) the diversity of Legal / Judicial / Tribunal System(s), Tradition(s) and Culture(s) of Native Nation(s) and their People!

(C) Pursuant to the applicable Statute(s), Code(s), Rule(s), Regulation(s) and / or International Law(s), that the Prosecutor(s) notify Native Nation(s) / State(s) of pending

/ future Investigation(s) - i.e. as for purpose(s) of alerting of possibility of taking action should it become necessary.

(D) In case(s) **where multiple** Native Nation(s), etc. have jurisdiction over the crime(s) - i.e. as (however, not limited to this listing alone):

WAR Crimes, **Crimes Against Humanity**, Violation(s) of **Geneva Convention** on the **Prevention and Punishment of the Crime of Genocide (1948)**, **Ethnic Cleansing**, Violation(s) of **Chemical Weapons Convention (1997)**, as well as other Atrocities, etc.

the Prosecutor(s) **may consult with those** Native Nation(s) / State(s) . . . **best able to exercise jurisdiction** - i.e. primarily Native Nation[s] / State(s):

Where alleged crime(s) **was committed;**

Nationality of the **Suspect(s);**

Having custody of **the accused;** and / or

Having evidence of the **alleged crime(s)**

keeping in mind of ensuring jurisdiction being applicable by the Native Nation(s) best able to do so and / or **utilizing the jurisdiction** of the applicable EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s).

2. The global nature of the International Criminal Court

(A) **Despite good-faith efforts to deploy** and / or **promote** Native Nation(s) **taking the appropriate action(s) to bring perpetrator(s) to justice**, it is clear that there will be cases in which said Native Nation's system(s) **will not be able and / or willing to fulfill principal duty(s)** of Investigation(s) and Prosecution(s) - if VIOLATION(S) found - of the most serious criminal act(s) of concern to the INTERNATIONAL Communities as a whole.

Therefore, in such cases, the EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) **must be available to fill such vacancies created by the "FAILURE To Act"** of Native Nation(s) / State(s) **for purposes of satisfying their DUTY to INVESTIGATE** - i.e. Wherein, the Office of Prosecutor(s) needing to exercise **INVESTIGATIVE power(s) with firmness, integrity and efficiency** . . . pursuant to the applicable Statute(s), Code(s), Rule(s), Regulation(s) and Law(s) governing said matter(s)!

(B) **The circumstances** in which Prosecutor(s) through EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) **are sought to intervene in Situation(s)** within the jurisdiction of said Tribunal(s).

(C) Prosecutor(s) through EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s), etc. investigating and / or prosecuting - if VIOLATION(S) found - **in Situation(s)** of:

WAR Crimes, **Crimes Against Humanity**, **Violation(s) of Geneva Convention** on the **Prevention and Punishment of the Crime of Genocide (1948)**, **Ethnic Cleansing**, **Violation(s) of Chemical Weapons Convention (1997)**, as well as other Atrocities, etc.

wherein, **there is NO control** and / or viable systems **in place** for “BLACK Indians” / Native Nation(s) and their People (as in the United States of America / United States) **who have been and CONTINUE to be subjected to the criminal acts** of NAZIS / White Supremacists / Ku Klux Klan / Jews / Zionists . . . to seek recourse and / or redress, etc.

(D) Prosecutor(s) being allowed to act **in Situation(s)** wherein, there is evidence of **MONOPOLIZATION of force** (as the United States of America / United States which is **NOT a LAWFUL Country NOR a LAWFUL Government** - however, merely a **"PRIVATELY held COMPANY"**) engaging in

WAR Crimes, **Crimes Against Humanity**, **Violation(s) of Geneva Convention** on the **Prevention and Punishment of the Crime of Genocide (1948)**, **Ethnic Cleansing**, **Violation(s) of Chemical Weapons Convention (1997)**, as well as other Atrocities, etc.

within the Lands / Territories of Native Nation(s) and their People; therefore, **enforcement authorities** (as those in the USA / United States) **are NOT available** to Prosecutor(s) of EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) **because they are PARTIES** (i.e. with each playing role[s] in CONSPIRACIES . . .) **in the War Crimes** , etc. being carried against “BLACK Indians” / Native Nation(s) and their People!

(E) Through this instant **“05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .,”** EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) . . . and their Prosecutor(s) will need to be made available to exercise powers with the assistance / intervention of INTERNATIONAL Community(s) - i.e. **Utilizing the applicable PEACEKEEPING Forces or otherwise**, etc.

(F) Through this instant **“05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .,”** the creation of EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s), etc. with Prosecutor(s) and Staff Members . . . establishing Judicial Systems within “BLACK Indians” / Native Nations with sufficient SECURITY / SAFETY Administrative Staffing, etc.

(G) EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s), etc. with Prosecutor(s) and appropriate Administrative Staff . . . **being provided with the means / tools / equipment**, etc. needed to conduct Investigation(s)

and / or Prosecution(s) - if VIOLATION(S) found - **with the ability to provide PROTECTIVE Services for Witness(es)** as well as **the arrest of suspect(s)!**

(H) Through this instant "**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .**," requesting **the establishment** of the applicable EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY and Prosecutor(s) therein, working with Native Nation(s) / Party(s) through Agreement(s) **to provide mandatory support** pursuant to the applicable Statute(s), Rule(s), Code(s), Regulation(s) and Law(s) governing said matter(s).

(I) Through this instant "**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .**," request(s) being made to provide allowances for support systems of the EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s), etc. **to conduct** Investigation(s) and Prosecution(s) - if VIOLATION(S) found - **connected with criminal acts** of Native Nation(s) seeking the jurisdiction of said Tribunal(s) **as well as the FINANCIAL aspects of conflict(s)** - i.e. as the following; however, not limited to this listing alone:

TERRORISTS Training (i.e. of NAZIS / WHITE Supremacists / Jews / Zionists / Taliban . . .) on United States of America Soil;

Evidence of financial transaction(s) - as the purchase(s) of arms, etc. which may prove the commission of atrocities;

Domestic prosecution(s) for crimes - as **Racketeering / Ponzi / Pyramid . . . Schemes and Money Laundering, etc.**

which (in certain circumstances) *may deter* **the commission of future atrocities** through **the elimination of their FINANCIAL means** allowing for the engagement in such criminal act(s)!

2.1. Who should be prosecuted?

(A) Through this instant "**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .**," the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. **seek the establishment of permanent and global** EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) to assist Native Nation's and their People **with various Situations** which may arise **that involve multiple Nation's** and Jurisdictions **that involve an untold number of VICTIMS** as well as alleged PERPETRATORS - i.e. Wherein, Situations which may indeed be similar in magnitude; however, **too much for an individual to handle / process without the involvement** of said EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s).

(B) EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) utilizing Administrative Office of Prosecutor(s) and their Staff on working to design strategy(s) **that take into account the global nature of matters beyond the scope of the International Criminal Court ("ICC") because there are those who are alleging to be States** (as the United States of America / United States) - **when they are NOT** - that **also REJECT the jurisdiction of the ICC**. Therefore, allowing Native Nation(s) and / or their People to pursue justice through the **"appropriate INTERNATIONAL Authorities"** - - i.e. As an option provided through the **April 4, 2019, Communications** the ICC's Mark P. Dillon (Head of the Information & Evidence Unit – Office of the Prosecutor) provided to the Utica International Embassy Officials. Therefore, allowing for the lawful handling of several Situations concurrently while respecting the SOVEREIGNTY of Native Nations and their People involved that may be **operating with limited resources**; however, want assistance with the RESTORATION and REBUILDING of their Native Nations as well – i.e. in keeping with the United Nations Declaration on the Rights of Indigenous Peoples, Charter of the United Nations, the Universal Declaration of Human Rights, International Human Rights Laws as well as the Statutes, Codes, Rules, Regulations and International Laws governing said matters

(C) There may be Situations which may arise wherein allege States (as the United States of America / United States which is merely "a PRIVATELY Held Company") and / or their Officials, etc. **may assert they are "above the laws"** - when they are **NOT!** Furthermore, there may be Situations involving a large number of VICTIMS and alleged PERPETRATORS - as in this instant **"05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . ."** - wherein, the creation of EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s), etc. are necessary in taking into account **the design of Prosecutorial Policy(s) or Strategy(s)** – i.e. not only the challenge(s) that may be raised due to the number of VICTIMS and PERPETRATORS but the commission of Criminal Acts of:

WAR Crimes, **Crimes Against Humanity, Violation(s) of Geneva Convention** on the **Prevention and Punishment of the Crime of Genocide (1948), Ethnic Cleansing, Violation(s) of Chemical Weapons Convention (1997)**, as well as other Atrocities, etc.

within the jurisdiction of said Tribunal(s) have been **committed by individual(s) acting on the part of a Group or ORGANIZATION** (as the United States of America / United States):

The Supreme Court Of The United States found in 2003, *U.S. vs. Jimenez Recio*, 123 S.Ct. 819:

The essence of a conspiracy is an agreement to commit an unlawful act.

Agreement to commit an unlawful act, which constitutes the essence of a conspiracy, **is a distinct evil** that may exist and be punished whether or not the substantive crime ensues. Id.

Conspiracy **poses a threat to the public** over and above the threat of the commission of the relevant substantive crime, both because the **combination in crime makes more likely the commission of other crimes** and because it **decreases the probability** that **the individuals involved will depart from their path of criminality**. Id.

(D) Through this instant "**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .**," the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. seek assistance with the establishment of the applicable EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) . . . with the following weighing whether Office of Prosecutor(s) conduct Investigation(s) and / or Prosecution(s) - if VIOLATION(S) found - that:

The "**most serious crimes of concern to the INTERNATIONAL Community(s) as a whole must NOT go unpunished;**"

States and / or alleged States (as the United States of America / United States which is merely "a PRIVATELY Held Company" . . .) and their Officials, etc. **who may reject the Jurisdiction** of the International Criminal Court; however, **are Members of the United Nations**, etc. and the System(s) within that appear to have jurisdiction "**over the most serious crimes of concern to the INTERNATIONAL Community as a whole;**"

allow for Investigation(s) and / or Prosecution(s) - if VIOLATION(S) found - for the most serious crimes as:

WAR Crimes, **Crimes Against Humanity**, Violation(s) of **Geneva Convention** on the **Prevention and Punishment of the Crime of Genocide (1948)**, **Ethnic Cleansing**, Violation(s) of **Chemical Weapons Convention (1997)**, as well as other Atrocities, etc.

that are of concern to INTERNATIONAL CRIMINAL Community as a whole!

(E) The primary and global aspiration(s) of the EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s), etc. allow for Prosecutor(s) **to focus** Investigative and prosecutorial (if VIOLATION[S] found) efforts and resources **on Situation(s) bearing the greatest responsibility** - i.e. **the LEADERS** of alleged State(s) or Organization(s) allegedly responsible for those crimes (as United States of America's / United States' Presidents, etc.) as:

WAR Crimes, **Crimes Against Humanity**, Violation(s) of **Geneva Convention** on the **Prevention and Punishment of the Crime of Genocide (1948)**, **Ethnic Cleansing**, Violation(s) of **Chemical Weapons Convention (1997)**, as well as other Atrocities, etc.

18 USC ~956 - Conspiracy To Kill . . . Persons . . . In A Foreign Country. . . :

(a)(1) **Whoever, within the jurisdiction of the United States, **conspires with one or more persons, regardless of where such person or persons are located,** to commit at any place outside the United States **an act that would constitute the offense of murder** . . .if committed in the special maritime and territorial jurisdiction of the United States shall, **if any of the conspirators commits an act within the jurisdiction of the United States** to effect any object of the conspiracy, be punished as provided in subsection (a)(2).**

(2) The punishment for an offense under subsection (a)(1) of this section is -- **(A) imprisonment for any term of years or for life if the offense is conspiracy to murder** . . .

2.2. Dealing with the “impunity gap”

(A) Through this instant “**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance** . . .,” the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. seek the assistance of the appropriate INTERNATIONAL Authorities **to assist with strategies** of focusing on those bearing the greatest responsibility of crimes as:

WAR Crimes, **Crimes Against Humanity, Violation(s) of Geneva Convention** on the **Prevention and Punishment of the Crime of Genocide (1948), Ethnic Cleansing, Violation(s) of Chemical Weapons Convention (1997)**, as well as other Atrocities, etc.

to be within the jurisdiction of the EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) in good-faith efforts **to eliminate impunity gap(s) and allowing** Native Nations, appropriate INTERNATIONAL Authorities and Tribunal(s) **to work together** to ensure **that all appropriate means** to bring PERPETRATOR(S) to JUSTICE are used!

(B) Some Situations may focus on Investigation(s) and / or Prosecution(s) - if VIOLATION(S) found - by the applicable Prosecutor's Office **that may go beyond high-ranking officials / officers** and Investigation(s) of certain criminal acts **reaching those lower down the chain of command**, etc.!

(C) Through this instant “**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance** . . .,” the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. seek assistance through the appropriate INTERNATIONAL Authorities in the establishment of the applicable EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) to provide Native Nations and / or their People **with LAWFUL alternative(s)** to having their Situation(s) Investigated and / or Prosecuted - if VIOLATION(S) found - i.e. **providing ALTERNATIVE means for resolving the Situation(s) as well as encouraging and facilitating process(es)** to afford Native Nations and / or their People **the means for REBUILDING / RESTORING** their Justice System(s) through the

assistance provided by the appropriate INTERNATIONAL Authorities or through some other lawful process(es) made available.

(D) Through this instant “**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .**,” the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. **are seeking URGENT and / or HIGH-Level discussion(s), Investigation(s) and / or Prosecution(s)** - if VIOLATION(S) found - **on the applicable LAWFUL method(s)** and / or process(es) to deal with the onslaught horrendous high-level acts of:

WAR Crimes, **Crimes Against Humanity**, Violation(s) of **Geneva Convention** on the **Prevention and Punishment of the Crime of Genocide (1948)**, **Ethnic Cleansing**, Violation(s) of **Chemical Weapons Convention (1997)**, as well as other Atrocities, etc.

being carried out by alleged States (as the so-called United States of America / United States) **that may assert** the International Criminal Court **lack jurisdiction** to handle Investigation(s) and / or Prosecution(s) - if VIOLATION(S) found - against their Officials, etc. and **for some naïve reason(s)** thinking they are to be allowed to continue their WAR Crimes and other Atrocities **unpunished (when NOT so)**:

The strategy of focussing on those who bear the greatest responsibility for crimes within the jurisdiction of the Court will leave an impunity gap unless national authorities, **the international community and the Court work together to ensure that all appropriate means for bringing other perpetrators to justice are used**. In some cases the focus of an investigation by the Office of the Prosecutor **may go wider than high-ranking officers**, if investigation of certain type of crimes or those officers lower down the chain of command is necessary for the whole case. For other offenders, alternative means for resolving the situation may be necessary, whether by encouraging and facilitating national prosecutions **by strengthening or rebuilding national justice systems**, by providing international assistance to those systems or by some other means. Urgent and high-level discussion is needed on methods to deal with the problem generally.

(E) Through this instant “**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .**,” the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. seek assistance in the establishment of EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) **for complementary purposes and in support of good-faith efforts of preventing impunity**.

Furthermore, because **there appears to be flagrant / blatant DISRESPECT** and DISREGARD for the International Criminal Court **by PERMANENT Members** of the **United Nations Security Council** (as the United States of America / United States and Russian Federation, etc.), using **similar processes / precedent as that used in Investigation(s)** and / or **Prosecution(s)** for the **Nuremberg Trials**, etc. **in the handling of matter(s)** before

EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s), etc. that may aid in the successful prosecution(s) of leaders of a State or ORGANIZATION (as the alleged State [as the USA / United States . . .]) - i.e. **allowing for Situation(s) of concerns to be brought** by Native Nations' Officials and / or their People and, thus, may **inspire CONFIDENCE in the Judicial / Tribunal process(es) in pursuit of JUSTICE!** Wherein, it is to be made clear, "NO State / Native Nation NOR their Officials, etc. are ABOVE the LAW(S)!"

(F) Through this instant "**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .**," Chickasaw Tribal Nation / Utica International Embassy Officials, etc. believe establishing EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s), etc. **will REINVIGORATE BELIEFS** of Native Nations and their People **in the Judicial / Tribunal process(es)**; moreover, **allow for "BLACK Indians" / Native Nations and their People to focus on REBUILDING / RESTORING . . . their Government(s)** - i.e. while allowing the EMERGENCY / SPECIAL Tribunal(s) to serve as "INTERIM" Judicial Forum(s) for International Communities **ready to UNIFY** in National and International efforts **to ensure that perpetrator(s) of serious International Crimes are brought to JUSTICE!**

In this context, complementarity once again may play a part in preventing impunity. If the ICC has successfully prosecuted the leaders of a State or organisation, the situation in the country concerned might then be such as to inspire confidence in the national jurisdiction. The reinvigorated national authorities might now be able to deal with the other cases. In other instances, the international community might be ready to combine national and international efforts to ensure that perpetrators or serious international crimes are brought to justice.

2.3 Modalities of investigation

(i) Through this instant "**05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .**," the Chickasaw Tribal Nation's / Utica International Embassy's Officials, etc. seek the assistance of International Authorities **pursuant to the April 4, 2019, Communication** from the International Criminal Court in establishing the applicable EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s) to address:

WAR Crimes, **Crimes Against Humanity, Violation(s) of Geneva Convention** on the **Prevention and Punishment of the Crime of Genocide (1948), Ethnic Cleansing, Violation(s) of Chemical Weapons Convention (1997)**, as well as other Atrocities, etc.

as it relates to (however, not limited to this listing alone):

- a) **Proving responsibility** and / or **nexus** of Leader(s) to the **WAR Crimes Atrocities** – i.e. as ORDERS issued to carry out, etc.;
- b) **Investigation(s)** - with emphasis on comprehensive analysis of crimes committed and / or being committed;
- c) **Pattern-Of-Practice**;
- d) **Chains Of Command**; and
- e) **Allowing for the collection of evidence** (if possible) for purposes of establishing the CRIMINAL responsibility of those involved in the (a) Planning, (b) Orchestrating, and / or (c) Carrying Out of **WAR Crimes Atrocities** - i.e. moreover, determining (1) Who gave the Order(s), (2) Supervised Operation(s) and / or (3) FAILED TO PREVENT, etc.

the commission of crimes / **WAR Crimes Atrocities** in accordance with the Statute(s), Code(s), Rule(s), Regulation(s) and / or Law(s) governing said matter(s)!

In order to prove the **responsibility** of leaders, the investigation **must put emphasis on a comprehensive analysis of crimes committed**, in order **to piece together patterns and chains of command**, and to collect the type of evidence **making it possible to establish the criminal responsibility** of those who designed the plans, **gave the orders** or **otherwise supervised or failed to prevent** the commission of crimes, in accordance with the Statute.

Principle IV states: *"The fact that a person acted pursuant to order of his Government or of a superior does NOT relieve him from responsibility under INTERNATIONAL law, provided a MORAL choice was in fact possible to him."*

This principle could be paraphrased as follows: *"It is NOT an acceptable excuse to say 'I was just following my superior's orders.'" - - See Nuremberg Principles:*

Nürnberg trials
WORLD WAR II TRIALS

WRITTEN BY: The Editors of Encyclopaedia Britannica
LAST UPDATED: Jan 23, 2020 See Article History

Nürnberg trials, Nürnberg also spelled **Nuremberg**, series of trials held in [Nürnberg, Germany](#), in 1945–46, in which former [Nazi](#) leaders were indicted and tried as war criminals by the International Military Tribunal. The [indictment](#) lodged against them contained four counts: (1) crimes against peace (i.e., the planning, initiating, and waging of wars of aggression in violation of international treaties and agreements), (2) crimes against humanity (i.e., exterminations, deportations, and genocide), (3) [war crimes](#) (i.e., violations of the laws of war), and (4) "a common plan or conspiracy to commit" the criminal acts listed in the first three counts.

Principle IV states: *"The fact that a person acted pursuant to order of his Government or of a superior does **NOT** relieve him from responsibility under international law, provided a moral choice was in fact possible to him"*.

This principle could be paraphrased as follows: *"It is **not** an acceptable excuse to say 'I was just following my superior's orders'"*.

17 USC § 107 Limitations on Exclusive Rights - FAIR USE

For instance, the United States of America's / United States **PARAMILITARY Terrorist Regime's Soldiers**, etc. **CANNOT** use the excuse that they were following the **ORDER(S)** of their **COMMANDER -IN-CHIEF** (i.e. as the President of the United States), etc. as a **DEFENSE** from prosecution for **ACTIVE** role(s) in violation of the Nuremberg Principles as well as:

WAR Crimes, **Crimes Against Humanity**, Violation(s) of **Geneva Convention** on the **Prevention and Punishment of the Crime of Genocide (1948)**, **Ethnic Cleansing**, Violation(s) of **Chemical Weapons Convention (1997)**, as well as other Atrocities, etc.

(ii) Using policy(s) / process(es) / procedure(s) as that in the **Nuremberg Trials** as a model for Investigation(s) and / or Prosecution(s) - if VIOLATION(S) found - to guide in the creation / establishment of EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s), etc. and the organizational structure of the Office of

the Prosecutor(s) - i.e. allowing said Prosecutor(s) **to establish the commission of individual criminal activity(s)**, but also **to determine** in what / which way criminal act(s) were **perpetrated in COORDNATED action**, as well as **showing / proving LEADERSHIP responsibility and / or liability**, etc.!

This is the model of investigation that guides the organisation of the structure of the Office of the Prosecutor, which is described in Part III below. It **should allow** the Office not only to establish the commission of **individual crimes**, but also **to determine the way in which** such crimes were perpetrated in **coordinated action**, as well as proving **leadership responsibility**.

III. Organisation of the Office of the Prosecutor

(i) In setting up the EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s), etc., these Tribunals and the Office of the Prosecutor(s) therein, **will need to be able to organize and build . . . utilizing the most advanced and sophisticated management tools at their disposal** - i.e. making available the appropriate INTERNATIONAL Authorities **with relevant experts accessible for reporting Crimes and conducting Investigation(s) / Prosecution(s) when warranted**.

(ii) **The mutual geographical locations** of each of the EMERGENCY / SPECIAL Tribunal(s) and / or International MILITARY Tribunal(s), etc., **are vital in setups** - i.e. **keeping in mind multicultural facets and interdisciplinary composition** of the Office of the Prosecutor(s) . . . - i.e. working to assure user-friendly communications and understandings that will be easy **and NOT** difficult for those seeking Services. JEWISH/ZIONIST and WHITE CONTROLLED

NAACP was founded in 1909 but DIDN'T put a Black in as President until about 1975

The conference resulted in a more influential and diverse organization, where the leadership was predominantly white and heavily Jewish American. In fact, at its founding, the NAACP had only one African American on its executive board, Du Bois himself. It did not elect a black president until 1975, although executive directors had been African-American. The Jewish community contributed greatly to the NAACP's founding and continued financing. Jewish historian [Howard Sachar](#) writes in his book *A History of Jews in America* of how, "In 1914, Professor Emeritus Joel Spingarn of Columbia University became chairman of the NAACP and recruited for its board such Jewish leaders as Jacob Schiff, Jacob Billikopf, and Rabbi Stephen Wise."¹⁹ Early Jewish-American co-founders included Julius Rosenwald, Lillian Wald, Rabbi Emil G. Hirsch and Wise.

Said **MONOPOLIZATION / RACKETEERING / ORGANIZED Criminal** practices that are prohibited through the USA's *so-called* Laws as well as **INTERNATIONAL Laws** governing said matters! In further support thereof, do hereby state the following – i.e. however, not limited to this listing alone:

Section 2 of **the Sherman Act** makes it unlawful for any person to "monopolize, or attempt to monopolize, or combine or conspire with any other person or persons, **to monopolize** any part of the trade or commerce among the several States, or with foreign nations" ⁽¹⁾

Section 2 establishes three offenses, commonly termed "**monopolization**," "**attempted** monopolization," and "**conspiracy** to monopolize." ⁽²⁾ Although this report and most of the legal and economic debate focus specifically on the two forms of monopolization--monopoly acquisition and monopoly maintenance--much of the discussion applies to the attempt offense as well. ⁽³⁾

A) Monopolization

At its core, section 2 makes it illegal to acquire or maintain monopoly power through improper means. The long-standing requirement for monopolization is both "(1) the possession of monopoly power in the relevant market and (2) the willful acquisition or maintenance of that power as distinguished from growth or development as a consequence of a superior product, business acumen, or historic accident." ⁽⁴⁾ - - As of 03/16/2024:

Trafficking has turned into a big business: according to the [Congressional Research Service], trafficking in people represents the third largest source of profits for organized crime after drugs and guns, generating billions of dollars each year. Organized crime groups operating within and across borders often run trafficking networks. These networks are structured, organized, well-funded, and operated beyond the reach of law enforcement. Some traffickers are individuals or small groups that traffic people for specific purposes.

Extortion racketeering

Systematic extortion on a regular basis has also been called **extortion racketeering**. As discussed in Module 2, racketeering is a separate offence in some countries. Although both extortion and racketeering imply planned intimidation, violence, corruption, and duress, extortion racketeering connotes the goal of organized criminal groups not only to sell illegal goods and services, but also to create criminal monopolies by extorting and controlling those who provide illegal goods and services. The underlying conditions for the existence of extortion

racketeering are the presence of vulnerable targets, inefficient social control, and motivated criminal actors.

The term "protection rackets", mentioned earlier in this Module, is an analogous term to extortion racketeering, involving circumstances where money is paid by a victim under duress in exchange for avoiding damage to a business, construction site, or harm to employees and customers. There are numerous documented accounts of organized criminal groups infiltrating construction unions, hotels, restaurants, and the garment, food, and waste disposal industries. Organized criminal groups in multiple locations around the world have systematically demanded kickbacks (i.e., secret bribe payments) on contracts to guarantee labour peace or an uninterrupted shipment of supplies (Rusev, 2016).

Extortion racketeering

Systematic extortion on a regular basis has also been called extortion racketeering. As discussed in Module 2, racketeering is a separate offence in some countries. Although both extortion and racketeering imply planned intimidation, violence, corruption, and duress, extortion racketeering connotes the goal of organized criminal groups not only to sell illegal goods and services, but also to create criminal monopolies by extorting and controlling those who provide illegal goods and services. The underlying conditions for the existence of extortion racketeering are the presence of vulnerable targets, inefficient social control, and motivated criminal actors.

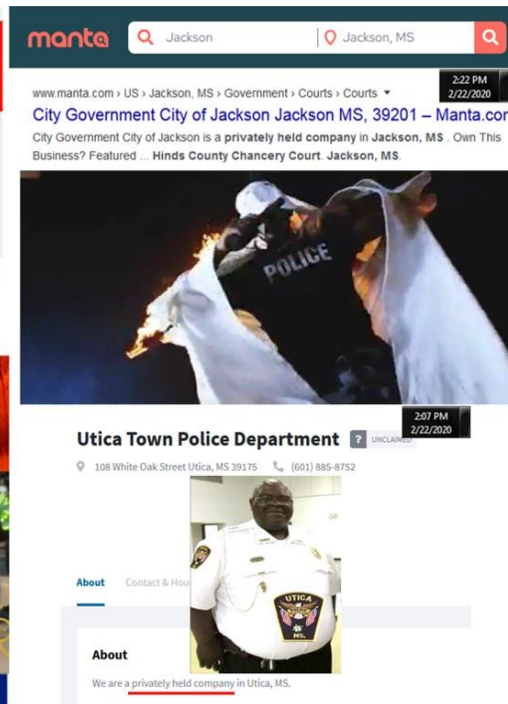

Extortion by public officials (rather than by organized criminal groups) might also occur as ongoing racketeering when public officials are used to threaten to exercise their official authority if they do not receive a payment or favour (which is thus provided under duress). The threatened actions can involve writing a summons, giving false testimony, conducting an official inspection, fabricating a criminal charge as well as denying a government contract. Therefore, extortion racketeering applies to a variety of systematic behaviours, all of which involve obtaining property by way of coercion or threats, implied or explicit, of some future harm.

CREATION OF SOCIAL SECURITY NUMBER SCHEME:

This appears to be a scheme that was set up by the United States of America's NAZIS / WHITE Supremacists / Ku Klux Klan / Jews / Zionists . . . in keeping with their **SLAVERY / ENSLAVEMENT** practices – i.e. Wherein, a **9-Digit Number** known as a “**Social Security Number [‘SSN’]**” being created for purposes of **unlawfully TRACKING** people as well as **processes used to**

LINK People and / or the **CIVILIAN Population** to said **“USA Global TERRORISTS Operatives” PONZI / RACKETEERING . . . Schemes / Scams. SSN Scheme / Scam** being used as a **“STORAGE” of the Civilian Populations’ DATA (Financial and Personal . . .)**! Moreover, **SSN** being created by the **USA** (a **PRIVATELY held Company**) and is used to **create Accounts with allege FEDERAL / STATE Agencies, BANKS, TELECOMMUNICATIONS, INSURANCE Companies, MEDICAL Providers and EMPLOYERS, etc.!** Thus, providing access to the Civilian Populations PERSONAL data and **subjecting them to THEFT and other ORGANIZED Criminal Activities!**

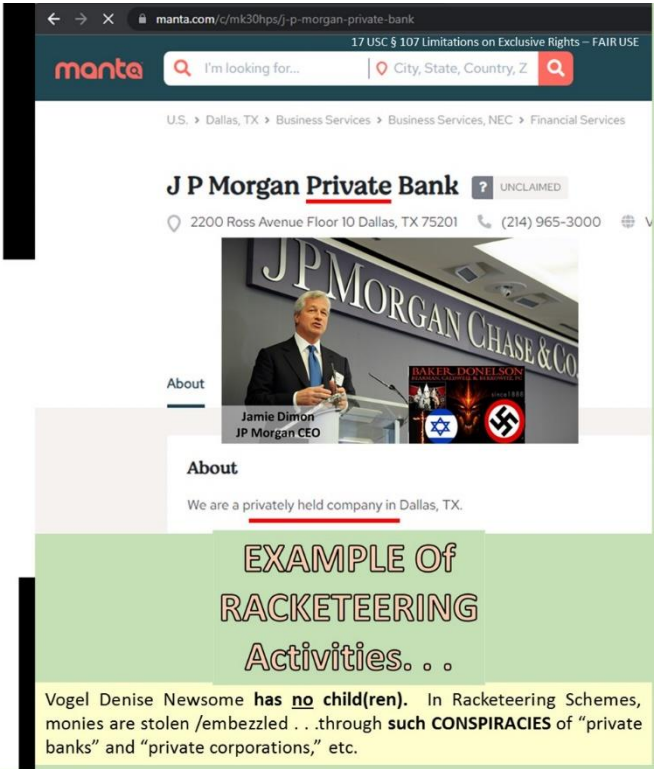

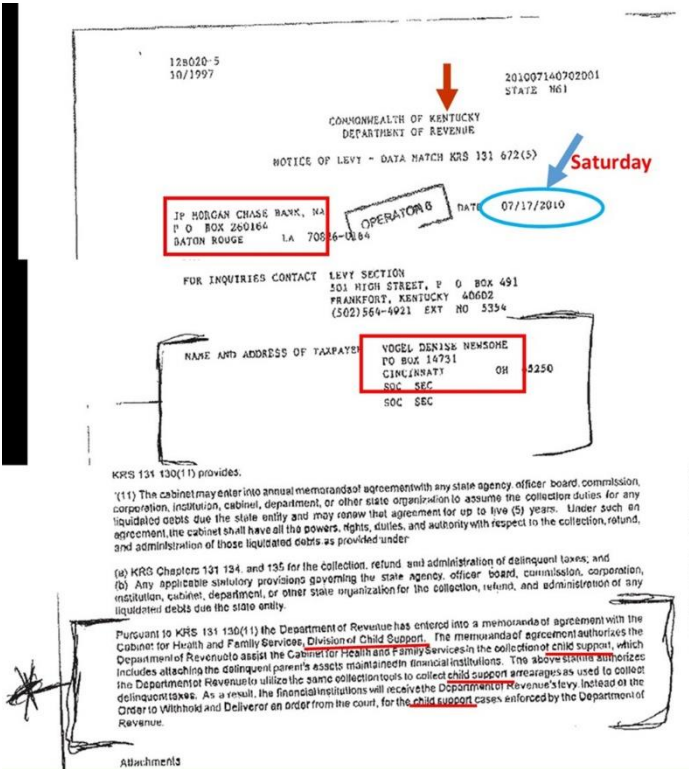

NOW the **Public / World** is getting to see **FIRSTHAND “HOW”** these **Ponzi / Racketeering / Extortion . . . schemes are being used during such times for purposes of STEALING / THEFT of their VICTIMS (the Civilian Population) MONIES and RESOURCES –** i.e. wherein, **alleging “HACKING” (when NOT)** and requiring **“RANSOM Payments, etc.”** Thus, a reasonable mind may conclude the **“USA Global TERRORISTS Operatives” SSN Scheme / Scam** being create for purposes of **NOT ONLY Slavery; however, also for FINANCING the TERRORISTS Activities, War Crimes, Crimes Against Humanity and other Atrocities, etc.!**

IMPORTANT TO NOTE: For instance, there is recorded evidence of **“HOW”** the **“USA Global TERRORISTS Operatives” Social Security Number Schemes / Scams** are implemented – i.e. To use **SSN** for purposes of: **TRACKING the CIVILIAN Population from JOB-To-JOB / EMPLOYER-To-EMPLOYER and STATE-To-STATE:**

power of money is ever present, and is gravely to be regarded."¹¹

[The speaker resumed his statement in French]

183. Who said this? The former President of the United States, Mr. Eisenhower. He said it in his farewell speech. Whatever we may think of President Eisenhower's personality or of his policy—which belongs to the past—we must admit that these words show great civic courage, particularly in a country where anyone, even though he is not guilty, can be destroyed overnight by private-interest groups that are all-powerful.

184. This is the force which stands behind the acts and crimes of imperialism. This is what we call, in Marxist and Leninist language, a combination of economic and financial monopolies on the one hand with the State and the army on the other. This is State capitalism. The terms matter little, for the content is the same. This was pointed out with extraordinary force by a President of the United States. Reading these lines, my thoughts turned to the works of Lenin, to his book on imperialism and to all his articles, written during the war and the Russian Revolution, in which he described this combination of the State and capitalism.

H. RES. 694

Recognizing the importance of the Civil Rights Act of 1866 and the laws derived therefrom.

IN THE HOUSE OF REPRESENTATIVES

NOVEMBER 13, 2019

Ms. WATERS (for herself, Mr. THOMPSON of Mississippi, Mr. CARSON of Indiana, Ms. LEE of California, Mr. DANNY K. DAVIS of Illinois, Mr. GREEN of Texas, Ms. BASS, Ms. CLARKE of New York, Ms. JACKSON LEE, Mr. MEEKS, Mr. RUSH, Mr. CLAY, Ms. NORTON, Ms. MOORE, Mrs. WATSON COLEMAN, Mr. EVANS, Mr. LEWIS, Ms. PRESSLEY, Ms. PLASKETT, Mrs. BEATTY, and Ms. FUDGE) submitted the following resolution; which was referred to the Committee on the Judiciary

RESOLUTION

Recognizing the importance of the Civil Rights Act of 1866 and the laws derived therefrom.

Whereas, in the aftermath of the Civil War, the reunified United States of America struggled to reconstruct its war-torn States or establish laws granting newly freed slaves the same rights afforded to White citizens;

Whereas the Civil Rights Act of 1866 declared that all persons born in the United States are entitled to be citizens, without regard to race, color, or previous condition of slavery or involuntary servitude;

Whereas the Civil Rights Act of 1866 was enacted to accomplish three primary objectives: to establish that all persons born in the United States were to be considered citizens, to clearly define the rights guaranteed by American citizenship, and to make it unlawful for any person to deprive another of these rights on the basis of race;

Whereas the Civil Rights Act of 1866 served the role of overriding “Black Codes”, laws enacted in southern States to restrict African Americans’ freedom and keep formerly enslaved persons from thriving in society;

Thus, supporting the CTN’s / UIE’s requests for assistance with INVESTIGATION(S) and / or PROSECUTION(S) – if VIOLATION(S) found – and finding(s) through this instant **“05/31/2024 CTN-UIE COMPLAINT/REQUESTS FOR EMERGENCY Assistance . . .”** as to the **“BLACK Indians”** (i.e. a LABEL **interchangeable** with the People who have also been LABELED as: **Niggers / Coons / Colored / Negroes / BLACKS / African Americans . . .**) **RIGHTS** through their **Native Nations’ Laws** and / or **INTERNATIONAL Laws** and their **RIGHT** to **LAWFULLY** challenge the **WHITE** Illegal **Immigrants** (that have set up a HUGE “PRIVATELY Held Company” within their Lands / Territories and Properties, etc. known as the United States of America / United States) claims to be within said Lands / Territories and Properties! Furthermore, requiring said Company’s

Officials alleging their Company is a “**COUNTRY**” and / or **SOVEREIGN** Nation (when **NOT**) to provide **PROOF** (if any) of said claims!

Whereas, in the aftermath of the Civil War, the reunified United States struggled to reconstruct the war-torn States and establish laws granting newly freed slaves the same rights afforded to White citizens;

Whereas the reconstruction of the United States following the conclusion of the Civil War necessarily included the integration of newly emancipated African Americans into broader society and, with that emancipation, the receipt by those emancipated African Americans of civil and legal protections;

Whereas, as a response to the uncertain and unequal status of newly freed slaves, the 13th Amendment to the Constitution of the United States was ratified by the States on December 6, 1865, formally abolishing slavery "within the United States, or any place subject to their jurisdiction";

Whereas, on April 9, 1866, Congress overrode a Presidential veto to enact the Act of April 9, 1866 (commonly known as and referred to in this preamble as the "Civil Rights Act of 1866") (14 Stat. 27, chapter 31), a law written to protect and clarify the newly bestowed rights of persons of African descent;

Doctors were asked to torture detainees for intelligence gathering, and unethical practices continue, review concludes

The Guardian

Mon 4 Nov 2013 00.00 EST

Doctors and psychologists working for the US military violated the ethical codes of their profession under instruction from the defence department and the CIA to become involved in the torture and degrading treatment of suspected terrorists, an investigation has concluded.

The report of the Taskforce on Preserving Medical Professionalism in National Security Detention Centres concludes that after 9/11, health professionals working with the military and intelligence services "designed and participated in cruel, inhumane and degrading treatment and torture of detainees".

HOW does it work:

- a) First DISARM the TARGETED Native Nation and promises of providing NATIONAL SECURITY... and moving in of PARAMILITARY Terrorist Forces; and then
- b) UNLAWFUL War(s) is launched for purposes of INVASIONS and ACCESS to Sovereign Nations and their Native People.

Churches were among the largest slave owners in nation.

Students and activists now are demanding reparations.

Ana Lucia Araujo *Washington Post*

THE TIMES-PICAYUNE NOLA.COM FRIDAY, MAY 24, 2019

Nearly five years ago, Georgetown University students brought to light an unexpected event associated with the Washington, D.C., university's history. In 1838, the Jesuits who owned the university sold 172 enslaved men, women and children to pay the institution's debts. That history — hardly a surprise to historians, who know the Catholic Church was the largest slave owner in the Americas — triggered a call for reparations. Several weeks ago, Georgetown students voted to create a fund, financed by an annual student fee, to aid the descendants of these enslaved people.

Georgetown students were not the first to demand reparations for slavery. Fifty years ago, a group of black activists led by James Farmer demanded reparations for slavery from churches and synagogues. Like today's calls for reparations, those demands emphasized the horrors of slavery and its aftermath: White America represented by the churches and synagogues exploited their ancestors and imposed on them the most vicious, racist system in the world. Then, and now, the call for reparations is about the need to address wealth inequalities plaguing African Americans whose ancestors were enslaved.

There is a long and old tradition of black men and women demanding restitution for the time they were enslaved. As early as the 8th century, former slaves such as Belinda Sutton of Massachusetts formulated individual demands for reparations from their masters. (Sutton ultimately received a pension, though hers was a rare case.)

McCain Tweet Comparing Ahmadinejad To Monkey Draws Criticism

February 4, 2013 5:01 pm

Republican Sen. John McCain's tweet comparing Iranian President Mahmoud Ahmadinejad to a monkey is drawing criticism from a fellow GOP lawmaker as racist.

On Monday, McCain wrote, "[So Ahmadinejad wants to be first Iranian in space](#) – wasn't he just there last week?" He then [linked to a news story about Iran launching a monkey](#) into space.

Faced with criticism, McCain said in another tweet, "lighten up folks, can't everyone take a joke."

That didn't satisfy Rep. Justin Amash of Michigan, who tweeted, "Maybe you should wisen up & not make racist jokes."

During the 2008 presidential campaign, McCain created a stir during a South Carolina appearance when he repeated "Bomb Iran," to the tune of the Beach Boys song "Barbara Ann."

Nürnberg trials

WORLD WAR II TRIALS

WRITTEN BY: The Editors of Encyclopaedia Britannica

LAST UPDATED: Jan 23, 2020 See Article History

Nürnberg trials, Nürnberg also spelled **Nuremberg**, series of trials held in [Nürnberg, Germany](#), in 1945–46, in which former [Nazi](#) leaders were indicted and tried as war criminals by the International Military Tribunal. The [indictment](#) lodged against them contained four counts: (1) crimes against peace (i.e., the planning, initiating, and waging of wars of aggression in violation of international treaties and agreements), (2) crimes against humanity (i.e., exterminations, deportations, and genocide), (3) [war crimes](#) (i.e., violations of the laws of war), and (4) "a common plan or conspiracy to commit" the criminal acts listed in the first three counts.

Principle IV states: *"The fact that a person acted pursuant to order of his Government or of a superior does **NOT** relieve him from responsibility under international law, provided a moral choice was in fact possible to him"*.

This principle could be paraphrased as follows: *"It is **not** an acceptable excuse to say 'I was just following my superior's orders'"*.

Early the morning of Aug. 12, 1999, Tennessee Gov. Don Sundquist took the podium at the 26th annual meeting of the American Legislative Exchange Council [1] to welcome attendees to Nashville. It was an intimate affair of some 2,700 in total, including a large number of lawmakers, state and national, gathered to discuss governing and public policy.

Following Sundquist in an afternoon session the next day, J. Michael Quinlan told his audience how private prisons can contain costs and still provide quality services to criminal justice systems across the country. Quinlan, a former director of the federal Bureau of Prisons under presidents Reagan and Bush, is chief operations officer of Corrections Corporation of America (CCA).

It is fitting that Sundquist, an ardent proponent of prison privatization, and Quinlan, whose company is the largest private-prison corporation in the United States, should be addressing lawmakers and staff about public policy at a conference funded in part by private-prison corporations and held in Nashville, home to CCA.

A standard-bearer for prison privatization, Sundquist's early efforts supporting CCA and its proposal to take over the Tennessee state prison system were met by stiff opposition. Promises of \$100 million in savings to taxpayers were found to be fiction under legislative review. His later legislative proposals to limit importation of violent offenders were pre-emptive, as support grew for a complete ban on out-of-state prisoners, which account for a significant portion of CCA's bottom line in Tennessee.

While perhaps an extreme case given CCA's long history in the state, Tennessee nonetheless provides a clear example of how the private-prison industry has managed to protect its bottom line by nurturing its relationships with politicians through campaign contributions. It also illustrates the role the American Legislative Exchange Council, or ALEC, is playing across the country in legitimizing corporate-sponsored legislation that both furthers privatization efforts and ensures a flow of inmates.

The National Institute on Money in State Politics' study of the private-prisons industry looks at the industry's contributing patterns and at the role ALEC is playing as a promoter of industry-backed legislation.

What private-prison corporations have spent on lobbyists very likely dwarfs their contributions total. The Institute found several examples of major private-corrections corporations hiring top-of-the-line firms to push their agendas. [4]

CCA and Wackenhut lobbyists that the Institute could find include:

In Tennessee, Betty Anderson, wife of House Speaker Jimmy Naifeh; Lewis Donelson of Baker Donelson Bearman & Caldwell and also finance commissioner under former Gov. Lamar Alexander;

B) CONSPIRACIES To CLOSE Historically Black Colleges and Universities (HBCUs) and To Use HBCUs Lands / Territories and Properties PRIVATE Prisons;

Mississippi's Corrections Reform

How America's reddest state -- and most notorious prison -- became a model of corrections reform.

August 2010

Mississippi's penal system -- and the struggle to reform it -- is inextricably bound up with one institution: Parchman Farm, which opened in 1904, is a 16,000-acre plantation in the Yazoo-Mississippi Delta. Its inmates, originally almost entirely black men, spent their days in fields, supervised largely by other prisoners, the dreaded "trustee-shooters," who were distinguished from the regular inmates by the vertical stripes of their prison uniforms and the Winchester rifles they carried. For the state, it was a strikingly profitable arrangement. According to historian William Banks Taylor, in fiscal 1905, the prison's first full year of operations, Parchman earned the state \$185,000--more than \$4.6 million in 2009 dollars. By 1913, Parchman's profit margin had soared to \$937,000, making it one of the state's primary revenue sources. But to critics, Parchman was nothing more than slavery reincarnated.

In 1972, federal Judge William Keady ruled that conditions at Parchman violated the U.S. Constitution's First, Eighth and 14th amendments, as well as numerous provisions of the state's penal code. The old "cages" were burned; the inmates were moved into hastily built barracks, surrounded by chain-linked fences topped with barbed wire. Black and white inmates were integrated; African-American staff members were hired -- one of them was a fifth-grade science teacher named Christopher Epps.

Epps, 49, grew up in a family of educators. Initially he set out to follow in their footsteps, earning an undergraduate degree in elementary education, which got him a job teaching math and science. In 1982, after he'd been teaching for three years, Epps got a call asking if he'd like to work at a new medium-security facility, Unit 29.

Epps was startled by the call. He'd filled out an application at a Mississippi Valley State University career day years earlier but never expected to hear back. "I don't want to work up there," Epps replied, explaining that he'd taken a job as a teacher.

But the MDOC persisted, telling Epps they could work around that. Epps relented and agreed to go to work at Unit 29 as a correctional officer on the third watch, from 4 p.m. to midnight. For three years, he held down both jobs, even persevering through a stint on the graveyard shift.

In 1985, he decided to become a full-time corrections officer. Epps rose quickly. In 1988, Gov. Ray Mabus appointed him deputy superintendent of Parchman, where he was responsible for security and running day-to-day prison operations. In September 1990, he opened a new facility: Unit 32.

Simmons was one of the few who saw it coming. Today he heads Mississippi's Senate Corrections Committee. However, he started out in the corrections world, working as the head of Parchman's prisoner re-entry program. By 1990, he was the state's deputy commissioner of corrections. One of Simmons' responsibilities was to assess the system's future needs. To help with this task, the state hired the JFA Institute, which provides technical assistance to states through the U.S. Justice Department's Corrections Options Training and Technical Assistance program. At the time, Mississippi had 11,250 inmates in the state system at a cost of \$109.6 million per year. The JFA study that Simmons received predicted that by 2001, the inmate population would rise to more than 21,000.

"I said, 'No way,'" Simmons recalls. "Mississippi can't afford 21,000 inmates." But he did believe that the inmate population would grow. So after he was elected to the Legislature in 1992, Simmons joined the effort to expand the prison system by building a network of private jails, as well as regional jails run by clusters of counties. These facilities would house medium security inmates at lower cost than Parchman. They also would create jobs across the state and new patronage possibilities for the elected sheriffs who would run them. But the construction of new prison facilities across the state had an unintended consequence.

"There's the old saying in the movies, 'If you build it, they will come,'" Simmons says. "Well, we built the beds, so the inmates came." But while the build-out provided the beds, it was the Legislature that filled them.

In 1995, two years after lawmakers signed off on the expansion, Sen. Robert Smith introduced one of the nation's most stringent "truth in sentencing" laws. Similar laws in other states generally sought to force felons convicted of violent crimes to serve their full sentences. Smith's bill went further: It required all convicted felons to serve at least 85 percent of their prison sentence.

The effect of Smith's bill on the state penal system was immediate -- and catastrophic. Previously inmates had served their sentences, minus good time credits. That reduced the time served by most inmates to 55 percent of their stated sentences. Smith's bill ended the old system of earned time, and sent the number of inmates and the correctional system's cost soaring. By 2007, the state's prison population jumped to 22,800 inmates -- more than what Simmons predicted Mississippi could never afford -- and the state corrections budget had risen to \$327 million per year. Moreover, despite the prison system's vast expansion, some 1,000 inmates ended up in one place -- Unit 32. As the ACLU began its investigation into conditions there, it wanted to know why.

Jackson airport pays nearly a million dollars per year to lawyers.

Total: \$3,462,821

Three different law firms represent the Jackson Municipal Airport: The Walker Group, The May Firm, and Baker Donelson. Baker Donelson was the long-time counsel for the airport. However, the Board of Commissioners voted in December 2013 to replace Baker Donelson immediately with The Walker Group. John Walker is the managing partner at The Walker Group. He is known to be the close friend of Congressman Bennie Thompson as well as his attorney. The board took the action at the first meeting after Mayor Chokwe Lumumba appointed James Henley, Reverend Jeffrey Stallworth, and retired bureaucrat Vernon Hartley in November 2013. The vote was 3-1 in favor of the action as the Lumumba appointments voted in en bloc.

The board then voted unanimously to hire the May Firm as additional counsel in February 2014. Regina Quinn and her husband John May comprise the May Firm. The billings for the two law firms are:

The Walker Group (John Walker & Associate)

2015 billings: \$310,419
2015 average monthly invoice: \$44,345

2014 billings: \$402,989
2014 average monthly invoice: \$36,665

Overall total billings: \$713,408
Average monthly bill: \$39,633

The May Firm (Regina Quinn & John May)

2015 billings: \$92,204
2015 average monthly invoice: \$11,525

2014 billings: \$47,850
2014 average monthly invoice: \$9,570

Total billings: \$140,054
Average monthly invoice: \$11,671

But...but... don't forget, there is also the Blue-blooded firm Baker Donelson. Blue-blood means blue-blooded value and that means blue-blooded prices. Baker Donelson's billings declined as work shifted over to the May Firm and the Walker Group. Baker Donelson billed only a little more than two thousand dollars in August.

Trump's "beachhead" teams host dozens of former lobbyists

by Ashby Bakerzak and Nir Sultan on March 24, 2017

Health and Human Services Secretary Tom Price has been mired in questions about his investments in the healthcare industry. As it turns out, some of the people helping him get grounded at the department are also prompting questions about their ties with the industry.

Health and Human Services Secretary Tom Price has at least eight former lobbyists serving on the beachhead team in his agency. (AP Photo/Scott Applewhite)

Lance Leggitt, a lobbyist at Baker Donelson since 2006, was named Price's chief of staff earlier this month. In 2016 alone, he lobbied for 10 organizations — all related to health care. Alere Inc. for example, manufactures diagnostic tests and spent nearly \$900,000 lobbying last year. Other clients included hospitals and a medical trade group.

Leggitt deregistered as a lobbyist in January, because he was on his way to HHS even before being made chief of staff. In the early days of the administration, Leggitt was a member of President Trump's "beachhead" force, a temporary cast of characters brought in to keep the government running and lay the groundwork for Trump's agenda. With key jobs in the administration being filled at a slower-than-average pace, these individuals can have a big impact on their agencies.

The Counter-Terrorism Committee (CTC)

Welcome to the United Nations

The Counter-Terrorism Committee (CTC) was established by Security Council resolution 1373 (2001), which was adopted unanimously on 28 September 2001 in the wake of the 11 September terrorist attacks in the United States.

The Committee, comprising all 15 Security Council members, was tasked with monitoring implementation of resolution 1373 (2001), which requested countries to implement a number of measures intended to enhance their legal and institutional ability to counter terrorist activities at home, in their regions and around the world, including taking steps to:

- Criminalize the financing of terrorism
- Freeze without delay any funds related to persons involved in acts of terrorism
- Deny all forms of financial support for terrorist groups
- Suppress the provision of safe haven, sustenance or support for terrorists
- Share information with other governments on any groups practicing or planning terrorist acts
- Cooperate with other governments in the investigation, detection, arrest, extradition and prosecution of those involved in such acts; and
- Criminalize active and passive assistance for terrorism in domestic law and bring violators to justice.

The resolution also calls on States to become parties, as soon as possible, to the relevant international counter-terrorism legal instruments.

In September 2005, the Security Council adopted resolution 1624 (2005) on incitement to commit acts of terrorism, calling on UN Member States to prohibit it by law, prevent such conduct and deny safe haven to anyone "with respect to whom there is credible and relevant information giving serious reasons for considering that they have been guilty of such conduct." The resolution also called on States to continue international efforts to enhance dialogue and broaden understanding among civilizations.

The Security Council directed the CTC to include resolution 1624 (2005) in its ongoing dialogue with countries on their efforts to counter terrorism.

In January 2023, H.E. Lana Nusseibeh, Permanent Representative of the United Arab Emirates to the United Nations, was appointed Chair of the CTC. Her bio can be found [here](#). For a complete list of current Chairs and Vice-Chairs of subsidiary bodies of the Security Council, please consult document S/2023/2.

EU endorses damning report on CIA

The European parliament has approved a damning report on secret CIA flights, condemning member states which colluded in the operations.

The UK, Germany and Italy were among 14 states which allowed the US to forcibly remove terror suspects, lawmakers said.

The EU report said the US had operated 1,245 flights

The EU parliament voted to accept a resolution condemning member states which accepted or ignored the practice.

The EU report said the CIA had operated 1,245 flights, some taking suspects to states where they could face torture.

The report was adopted by a large majority, with 382 MEPs voting in favour, 256 against and 74 abstaining.

Vigilance

The final version denounces the lack of co-operation of many EU member states and it condemns the actions of secret services and governments who accepted and concealed renditions.

It is unlikely, the report says, that European governments were unaware of rendition activities on their territory, something the British government, among others, has denied.

“ We must be vigilant that what has been happening in the past five years may never happen again ”
Giovanni Fava
Italian Socialist MEP and report author

Tales of torture
Rendition or rights?

"This is a report that doesn't allow anyone to look the other way. We must be vigilant that what has been happening in the past five years may never happen again," said Italian Socialist Giovanni Fava, who drafted the document.

The parliament also called for an "independent inquiry" to be considered and for closure of the US' Guantanamo Bay detention camp.

Human rights campaigning group Amnesty International welcomed the EU lawmakers' vote, but urged member states to carry out independent investigations.

Revealing facts

Although the report has no force in EU law, Mr Fava said during the parliamentary debate that the related investigation, over a year, had uncovered much new evidence.

Many of those taken from EU states were subjected to torture to extract information from them, the report said.

It said there was a "strong possibility" that this intelligence had been passed on to EU governments who were aware of how it was obtained.

It also uncovered the use of secret detention facilities used as the flights made their journey across Europe towards countries such as Afghanistan.

It was not possible to contradict evidence or suggestions that secret detention centres were operated in Poland and Romania, the report said.

'Incommunicado detention'

Centre-right MEPs - the largest group in parliament - have been highly critical of the report, saying it is primarily motivated by anti-Americanism.

EU Justice Commissioner Franco Frattini said the commission would act on the truth, even if it were uncomfortable or unpalatable. But he called for a relaunching of the Euro-Atlantic relationship and said Europe must continue to work with its US partners.

During the course of their investigation, delegations of MEPs travelled to countries including Romania, Poland, the UK, the US and Germany to investigate claims of European involvement in so-called extraordinary renditions.

The governments of Austria, Italy, Poland, Portugal and the UK were criticised for their "unwillingness to co-operate" with investigators.

The report defines extraordinary renditions as instances where "an individual suspected of involvement in terrorism is illegally abducted, arrested and/or transferred into the custody of US officials and/or transported to another country for interrogation which, in the majority of cases involves incommunicado detention and torture".

The Catholic Church during the Age of Discovery inaugurated a major effort to spread Christianity in the New World and to convert the indigenous peoples of the Americas and other indigenous people by any means necessary. The evangelical effort was a major part of, and a justification for, the military conquests of European powers such as Portugal, Spain and France. Christian Missions to the indigenous peoples ran hand-in-hand with the colonial efforts of Catholic nations. In the Americas and other colonies in Asia and Africa, most missions were run by religious orders such as the Franciscans, Dominicans, Augustinians, and Jesuits. ² Of every clean beast thou shalt take to thee by sevens, the male and his female: and of beasts that are not clean by two, the male and his female.

³ Of fowls also of the air by sevens, the male and the female; to keep seed alive upon the face of all the earth.

⁴For yet seven days, and I will cause it to rain upon the earth forty days and forty nights; and every living substance that I have made will I destroy from off the face of the earth.

⁵And Noah did according unto all that the LORD commanded him.

⁶And Noah was six hundred years old when the flood of waters was upon the earth. -- Genesis 7

417. From the Noah Story, it appears that **the PEOPLE** were too busy playing / partying and being distracted that **they REFUSED to heed the WARNING of the DESTRUCTION to come!** The People perhaps mocking Noah **since it had NOT rained for hundreds of years and FAILED to heed WARNINGS!**

For **CENTURIES, Prophecies of a HOLY [Religious] CONFLICT** against the **WRONG Nations of People that would result in the FALL** of a so-called **GREAT Nation [known as BABYLON]** that had been **prompted up and PRAISED** for its **EVILS / WICKEDNESS** being committed **against God's People around the World!** -- Revelation 18

419. The **GHOST DANCE** – *Foretelling of the demise of the WHITE Man* – was shared across Native Nations within what is presently known as the United States of America! The World it witnessing **the TRUTH** of said **prophetic vision** in the **21st Century** as the **WHITE Man** struggles to survive!

PERSPECTIVES

The US white majority will soon disappear forever

By 2050, the US will be a 'majority-minority' country, with white non-Hispanics making up less than half of the total population.

The non-Hispanic white population is not growing as quickly as other groups in the U.S.

420. The **BETRAYAL** is **REAL**: In the WHITE Man's Holy Bible brought to the **BLACK** Indians, it tells of a story of a man by the name of **JOSEPH** who is **betrayed** by his brothers because of **JEALOUSY** / **ENVY** of being considered the favorite in their Father's eyes!

FOREWARNED of the things to come through Joseph's dreams, his brothers **CONSPIRED** to cause him harm and obstruct the prophecy shared! **CONSPIRACIES** which resulted in Joseph's brothers **BETRAYING** him and **selling him INTO SLAVERY** – i.e. *unaware that the EVILS being committed against Joseph would be used DECADES later to preserve Nations!* -- Genesis 37 – 50

²⁰ But as for you, ye thought **evil against me**; but **God meant it unto good**, to bring to pass, as it is this day, **to save much people alive**. -- Genesis 50

421. A reasonable mind may conclude the IMPORTANCE of knowing what FAITH / RELIGION was practiced by the "BLACK Indians" / Native Nations and their People **PRIOR TO** the WHITE Man's Catholic Church's "AGE of Discovery" **forcing their** CHRISTIANITY and **HEATHENISTIC** practices upon these PROTECTED Classes / Nations and their People.

HAVE The **CATHOLIC CHURCH** And **Followers** Of Their **TEACHINGS**, etc. EVER READ The **“HOLY BIBILE”** and Are They **LIVING** Through The Principles Presented / Taught Therein? For instance, according to that **HOLY Bible**, what were the reason(s) provided therein for God’s **DESTRUCTION** of Sodom and Gomorrah? **Genesis 19**

23 And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things.

24 Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves:

25 Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen.

26 For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature:

27 And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is

unseemly, and receiving in themselves that recompense of **their error** which was meet.

²⁸ And even as they **did not** like to retain God **in their knowledge**, God gave them **over to a reprobate mind, to do those things which are not convenient;**

²⁹ Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers,

³⁰ Backbiters, haters of God, despiteful, proud, boasters, **inventors of evil things, disobedient to parents,**

428. Through **the Scriptures** provided in the **Holy Bible** brought to the **BLACK** Indians and / or Native Nations and their People, there appears to be a **PATTERN** by **Government Officials** to pursue actions against the Native People for **FEAR** of losing **POWER / DOMINANCE** – i.e. A movie was created (known as the **Ten Commandments** alleged to be based on the story of Moses) alleging the **FEAR** in **Government Leader(s)** of a **“DELIVERER”** arising from the midst of the Native People. Therefore, **CONSPIRACIES** were launched in hopes of **KILLING / ASSASSINATING** the so-called **DELIVERER** for purposes of **keeping** the Native People **OPPRESSED!**

⁶ And Joseph died, and all his brethren, and all that generation.

⁷ And the children of Israel were fruitful, and increased abundantly, and multiplied, and waxed exceeding mighty; and the land was filled with them.

Behold, I will make them of the **synagogue of Satan**, which say they are Jews, and **are not, but do lie**; behold, I will make them to come and worship before thy feet, and to know that I have loved thee. – Revelation 3:9

⁸ Now there arose up a new king over Egypt, which knew not Joseph.

⁹ And he said unto his people, Behold, the people of the children of Israel are more and mightier than we:

¹⁰ Come on, let us deal wisely with them; lest they multiply, and it come to pass, that, when there falleth out any war, they join also unto our enemies, and fight against us, and so get them up out of the land.

¹¹ Therefore they did set over them taskmasters to afflict them with their burdens. And they built for Pharaoh treasure cities, Pithom and Raamses.

¹² But the more they afflicted them, the more they multiplied and grew. And they were grieved because of the children of Israel.

¹³ And the Egyptians made the children of Israel to serve with rigour:

¹⁴ And they made their lives bitter with hard bondage, in mortar, and in brick, and in all manner of service in the field: all their service, wherein they made them serve, was with rigour.

¹⁵ And the king of Egypt spake to the Hebrew midwives, of which the name of the one was Shiphrah, and the name of the other Puah:

¹⁶ And he said, When ye do the office of a midwife to the Hebrew women, and see them upon the stools; if it be a son, then ye shall kill him: but if it be a daughter, then she shall live.

The fight to end Texas' high maternal mortality rate

May 25, 2019 5:08 PM EDT

Texas made headlines in 2016 after a study claimed the state had the worst maternal mortality rate in the developed world. The study's numbers turned out to be inflated, but Texas still has one of the most concerning maternal mortality rates in the U.S., particularly among black mothers, who die during childbirth at twice the rate white mothers do. Special Correspondent Kirsty Johansen reports.

¹⁷ But **the midwives** feared God, and **did not** as the king of Egypt commanded them, **but saved** the men children alive.

¹⁸ And the **king of Egypt** called for the midwives, and said unto them, **Why have ye done this thing, and have saved** the men children alive?

¹⁹ And the midwives said unto Pharaoh, Because **the Hebrew women are not as the Egyptian women;** for **they are lively,** and are delivered ere the midwives come in unto them.

²⁰ Therefore **God dealt well with the midwives:** and **the people multiplied, and waxed very mighty.**

²¹ And it came to pass, **because the midwives feared God,** that he made them houses.

²² And Pharaoh **charged all his people,** saying, **Every son that is born ye shall cast into the river,** and every daughter ye shall save alive. - - Exodus 1

429. IMPORTANT TO NOTE: NEITHER the **Chickasaw Tribal Nation / Utica International Embassy** NOR their Officials, Leaders and / or Native People **are responsible** for the **GLOBAL / WORLDWIDE Atrocities** – i.e. War Crimes and Crimes Against Humanity. . . – that the United States of America's / United States' NAZIS / WHITE Supremacists / Ku Klux Klan / Jews / Zionists . . . have engaged in, ARE engaging in and CONTINUE (to date) to engage in while UNLAWFULLY dwelling and / or HIDING OUT among the "BLACK Indians" / Native Nations and the Native People within the Lands / Territories and Properties that have been LABELED as the United States of America!

430. Through the Scriptures provided in the Holy Bible brought to the BLACK Indians and / or Native Nations and their People, **there appears to be a PATTERN by Government Officials** to pursue those **they FEAR** may be deemed a **"MESSIAH"** and **CONSPIRACIES** have been **launched to ASSASSINATE** those who may be seen as a **LEADER / LIBERATOR / DELIVERER** of the Native People and / or Native Nations and their People **from their OPPRESSORS!**

¹ Now when Jesus was born in Bethlehem of Judaea in the days of Herod the king, behold, there came wise men from the east to Jerusalem,

² Saying, Where is he that is **born King of the Jews?** for we have seen his star in the east, and are come to worship him.

³ When **Herod the king** had heard these things, **he was troubled,** and **all Jerusalem with him.**

⁴ And when he had gathered all the chief priests and scribes of the people together, **he demanded of them where Christ should be born.**

⁵ And they said unto him, In Bethlehem of Judaea: for thus it is written by the prophet,

⁶ And thou Bethlehem, in the land of Juda, art not the least among the princes of Juda: for out of thee shall come a Governor, that shall rule my people Israel.

⁷ Then Herod, when he had privily called the wise men, enquired of them diligently what time the star appeared.

⁸ And he sent them to Bethlehem, and said, Go and search diligently for the young child; and when ye have found him, bring me word again, that I may come and worship him also.

⁹ When they had heard the king, they departed; and, lo, the star, which they saw in the east, went before them, till it came and stood over where the young child was. . . .

¹² And being warned of God in a dream that they should not return to Herod, they departed into their own country another way. . . .

¹⁶ Then Herod, when he saw that he was mocked of the wise men, was exceeding wroth, and sent forth, and slew all the children that were in Bethlehem, and in all the coasts thereof, from two years old and under, according to the time which he had diligently inquired of the wise men. - -

IMPORTANT TO NOTE: Using the White Man's **HOLY Bible** brought to the "BLACK Indians" / Native Nations and their People – **through the Catholic Church's** / EUROPEANS' "**AGE Of Discovery**" – for purposes of **propping up SHADOW Governments** / **SECRET Societies**, etc. to **STALK Natives** from **STATE-To-STATE** / **CITY-To-CITY** / **TOWN-To-TOWN, JOB-To-JOB** and **HOUSE-To-HOUSE** as the USA's NAZI / WHITE Supremacist / Ku Klux Klan / Jewish / Zionist . . . A child rescuer on June 1, 1921 – with Whites out to kill them, Blacks could rely on no one but each other.

Black Wall Street, the name fittingly given to one of the most affluent all-Black communities in America, was bombed from the air and burned to the ground by mobs of envious Whites. In a period spanning fewer than 12 hours, a once thriving Black business district in northern Tulsa lay smoldering – a model community destroyed and a major African-American economic movement resoundingly defused.

The night's carnage left some 3,000 African Americans dead and over 600 successful businesses lost. Among these were 21 churches, 21 restaurants, 30 grocery stores and two movie theaters, plus a hospital, a bank, a post office, libraries, schools, law offices, a half dozen private airplanes and even a bus system. As could have been expected, the impetus behind it all was the infamous Ku

Klux Klan, working in consort with ranking city officials and many other sympathizers.

Article 17

Issues of admissibility

- Having regard to paragraph 10 of the Preamble and article 1, the Court shall determine that a case is inadmissible where:
 - The case is being investigated or prosecuted by a State which has jurisdiction over it, unless the State is unwilling or unable genuinely to carry out the investigation or prosecution;
 - The case has been investigated by a State which has jurisdiction over it and the State has decided not to prosecute the person concerned, unless the decision resulted from the unwillingness or inability of the State genuinely to prosecute;
 - The person concerned has already been tried for conduct which is the subject of the complaint, and a trial by the Court is not permitted under article 20, paragraph 3;
 - The case is not of sufficient gravity to justify further action by the Court.
- In order to determine unwillingness in a particular case, the Court shall consider, having regard to the principles of due process recognized by international law, whether one or more of the following exist, as applicable:
 - The proceedings were or are being undertaken or the national decision was made for the purpose of shielding the person concerned from criminal responsibility for crimes within the jurisdiction of the Court referred to in article 5;
 - There has been an unjustified delay in the proceedings which in the circumstances is inconsistent with an intent to bring the person concerned to justice;
 - The proceedings were not or are not being conducted independently or impartially, and they were or are being conducted in a manner which, in the circumstances, is inconsistent with an intent to bring the person concerned to justice.
- In order to determine inability in a particular case, the Court shall consider whether, due to a total or substantial collapse or unavailability of its national judicial system, the State is unable to obtain the accused or the necessary evidence and testimony or otherwise unable to carry out its proceedings.

 The so-called Incapacitation Law, which passed in the Knesset in March, sought to prevent Israel's attorney general from declaring Benjamin Netanyahu unfit for office even if he violates the conflict of interest agreement he signed which bars him from involvement in changes to the judicial system

Israel's Supreme Court ruled on **Wednesday** that the Incapacitation Law – a key law in the Netanyahu government's **judicial overhaul** which effectively seeks to **prevent the attorney general from declaring Benjamin Netanyahu unfit for office** – will only apply starting **next Knesset term**.

 INSIGHTS
 Will Jackson meet Jefferson County's current fate: a local government slowly dragged into bankruptcy after it bet its municipal bonds on complex derivatives?
 The Jackson City Council approved a motion to enter into an interest rate swap for its 2002 and 2004 bonds with Deutsche Bank and Rice Financial Products. Unfortunately for the rest of us, the game of four who voted for this deal along with swap-promoter and Finance Director Rick Hill probably had no real idea of what they were doing, as many officials in other cities have discovered to their dismay.
 The media and citizens of Jackson should hold city councilors Melton, Hill, Crider, Blanton, McClure, and Tillman accountable for trying to push this on us. There was no competitive bidding. Jackson is exposed to an adjustable rate agreement similar to those that have devastated other local governments. The fees were not even mentioned or made available to the public yet we are expected to fork over millions of dollars of our money to bankers and advisers.
 Officials are now negotiating the terms of the agreement with Deutsche Bank and Rice Financial Products, the two banks that will actually conduct the rate swap. The city has brought on Sterne Agee and Leach Inc., a national investment firm.

IMPORTANT TO NOTE:
LAWFUL OPTIONS OF COALITION OF UNIFIED NATIONS

We believe that there is sufficient evidence that the United Nations is a "FRONT" and "FRAUDULENT" Organization created for the sole purpose of furthering Adolf Hitler's World Order Agenda – presently known as the "NEW" World Order Agenda – that promotes Worldwide "WHITE" SUPREMACY and DOMINATION! Therefore, one of the purposes of the *Coalition of Unified Nations* (COUN), is to serve as a solution and/or alternative to the replacement of the Nazis and Zionists United Nations; as well as *"to achieve international co-operation in solving international problems of an economic, social, cultural, and/or humanitarian character."* The United Nations has failed in such mission and today, the World can see the evidence of such failure in the aftermath of the World War 2 as well as the "INVISIBLE" Wars that have been launched against Nations-Of-Color!

The **United Nations is an Organization** created by the United States', Germany's and Great Britain's... Nazis and Zionists and is now **relied upon to use their Wars**, Natural and their **MAN-MADE Disasters** (as the United States' Nazi and Zionist September 11, 2001 World Trade Center DOMESTIC Terrorist Attacks) to **INFILTRATE Nations-Of-Color for purpose of advancing Germany Leader Adolf Hitler's "NEW" World Order Agenda!**

Dear Sir, Madam

On behalf of the Prosecutor, I thank you for your communication received on 09/08/2018, as well as any subsequent related information.

I hope you will appreciate that with the defined jurisdiction of the Court, many serious allegations will be beyond the reach of this institution to address. I note in this regard that the ICC is designed to complement, not replace national jurisdictions. Thus, if you wish to pursue this matter further, you may consider raising it with appropriate national or international authorities.

I am grateful for your interest in the ICC. If you would like to learn more about the work of the ICC, I invite you to visit our website at www.icc-cpi.int.

Yours sincerely,

BRITISH CONVICTS IN AMERICAN COLONIES

<https://www.familytree.com/blog/british-convicts-in-american-colonies/>

The British were noted for transported prisoners out of England to be made to work at their numerous colonies. From 1615 to 1870, more than 200,000 criminals were conditionally pardoned, exiled, and transported to penal colonies. Before 1775, more than 50,000 prisoners were sent to America—primarily to Virginia and Maryland. With the American Revolutionary War, then from 1788 to 1869, more than 160,000 prisoners were sent to the British Colony of Australia.

What most Americans do not realize is that from 1718 until 1775, convict transportation to the American colonies flourished. Some estimates claim that almost 10 percent of migrants to America during this time were British convicts. This means, if you had ancestors in the American colonies during that time, they might have come as unwanted convicts, against the will.

Memo: National Security Council

Even before 1954, when the Supreme Court of the United States of America declared unconstitutional separate educational and recreational facilities, racial unrest and discord had become very nearly a part of the American way of life. But that way of life was repugnant to most Americans. Since 1954, however, that unrest and discord have broken out into widespread violence which increasingly have placed the peace and stability of the nation in dire jeopardy. This violence has resulted in loss of life, limb and property, and has cost the taxpayers of this nation billions of dollars. And the end is not yet in sight. This same violence has raised the tremendously grave question as to whether the races can ever live in peace with each other. Each passing month has brought new intelligence that, despite new laws passed to alleviate the condition of the Minority, the Minority still is not satisfied. Demonstrations and rioting have become a part of the familiar scene. Troops have been called out in city after city across the land, and our image as a world leader severely damaged. Our enemies press closer, seeking the advantage, possibly at a time during one of these outbreaks of violence. The Minority has adopted an almost military posture to gain its objectives, which are not clear to most Americans. It is expected, therefore, that when those objectives are denied the Minority, racial war must be considered inevitable. When that emergency comes, we must expect the total involvement of all 22 million members of the Minority, men, women, and children, for once this project is launched, its goal is to terminate, once and for all, the Minority threat to the whole of the American society, and indeed, the Free World.

Chairman, National Security Council

Preliminary Memo: Department of Interior

Under King Alfred, the nation has been divided into 10 regions. In case of Emergency, Minority members will be evacuated from the cities by federalized national guard units, local and state police and, if necessary, by units of the Regular Armed Forces, using public and military transportation, and detained in nearby military installations until a further course of action has been decided.

Biden blasted for calling 'white supremacy' 'most dangerous terrorist threat' at college speech: 'Pure evil'

Published May 13, 2023

Conservative Twitter users ripped President Joe Biden for claiming that White supremacy is the "most dangerous terrorist threat" in America during a commencement address at Howard University this weekend.

Critics accused Biden of using the opportunity to inflame racial tension in the United States.

The 46th president addressed the graduates from the historical Black college at Washington D.C.'s Capital One Arena Saturday, speaking to them about the threats they face from the division among their own country.

US President Joe Biden speaks during the Howard University commencement convocation in Washington, DC, US, on Saturday, May 13, 2023. Biden cast American democracy as under attack, echoing themes from both his 2020 campaign and his nascent reelection bid in a speech at Howard University's commencement ceremony.

do not have such usable material in their dossiers have been approached to take government posts, mostly as ambassadors and primarily in African countries. The promise of these positions also has materially contributed to a temporary slow-down of Minority activities. However, we do not expect these slow-downs to be of long duration, because there are always new and dissident elements joining these organizations, with the potential power to replace the old leaders. All organizations and their leaders are under constant, 24-hour surveillance. The organizations are:

- 1 - The Black Muslims
- 2 - Student Nonviolent Coordinating Committee (SNCC)
- 3 - Congress of Racial Equality
- 4 - Uhuru Movement
- 5 - Group On Advanced Leadership (GOAL)
- 6 - Freedom Now Party (FNP)
- 7 - United Black Nationalists of America (UBNA)
- 8 - The New Pan-African Movement (TNPAM)
- 9 - Southern Christian Leadership Conference (SCLC)
- 10 - The National Urban League (NUL)
- 11 - The National Association for the Advancement of Colored People (NAACP)
- 12 - Committee on Racial and Religious Progress (CORARP)

NOTE: At the appropriate time, to be designated by the President, the leaders of some of these organizations are to be detained ONLY WHEN IT IS CLEAR THAT THEY CANNOT PREVENT THE EMERGENCY, working with local public officials during the first critical hours. All other leaders are to be detained at once. Compiled lists of Minority leaders have been readied at the National Data Computer Center. It is necessary to use the Minority leaders designated by the President in much the same manner in which we use Minority members who are agents with Central and Federal, and we cannot, until there is no alternative, reveal King Alfred in all its aspects. Minority members of Congress will be unseated at once. This move is not without precedent in American history.

Attorney General
Preliminary Memo: Department of Defense

This memo is being submitted in lieu of a full report from the Joint Chiefs of Staff. That report is now in preparation. There will be many cities where the Minority will be able to put into the street a superior number of people with a desperate and dangerous will. He will be a formidable enemy, for he is bound to the Continent by heritage and knows that political asylum will not be available to him in other countries. The greatest concentration of the Minority is in the Deep South, the Eastern seaboard, the Great Lakes region and the West Coast. While the national population exceeds that of the Minority by more than ten times, we must realistically take into account the following:

- 1 - An estimated 40-50 percent of the white population will not, for various reasons, engage the Minority during an Emergency.
- 2 - American Armed Forces are spread around the world. A breakout of war abroad means fewer troops at home to handle the Emergency.
- 3 - Local law enforcement officials must contain the Emergency until help arrives, though it may mean fighting a superior force. New York City, for example, has a 25,000 man police force, but there are about one million Minority members in the city.

We are confident that the Minority would hold any city it took for only a few hours. The lack of weapons, facilities, logistics --- all put the Minority at a final disadvantage. Since the Korean War, this department has shifted Minority members of the Armed Forces to areas where

combat is most likely to occur, with the aim of eliminating, through combat, as many combat-trained military servicemen as possible. Today the ratio of Minority member combat deaths in Vietnam, where they are serving as "advisors," is twice as high as the Minority population ratio to the rest of America. Below is the timetable for King Alfred as tentatively suggested by the JCS who recommend that the operation be made over a period of eight hours:

1. Local police and Minority leaders in action to head off the Emergency.
 2. Countdown to eight hours begins at the moment the President determines the Emergency to be:
 - a. National
 - b. Coordinated
 - c. Of Long Duration (8th hour)
 3. County police join local police (7th hour)
 4. State police join county and local police (6th hour)
 5. Federal marshals join state, county, and local forces (5th hour)
 6. National guards federalized, held in readiness (4th hour)
 7. Regular Armed Forces alerted, take up positions; Minority troops divided and detained, along with all white sympathizers, under guard (3rd hour)
 8. All minority leaders, national and local detained (2nd hour)
 9. President addresses Minority on radio-television, gives it one hour to end the Emergency (1st hour)

The bodies clogged up the furnaces thereby causing a problem that the above committee recommends avoiding by building high-volume (nuclear-powered) incinerators that burn 5,000 degrees. Presidential Review Memorandum NSCM/46
TO: The Secretary of State
The Secretary of Defense
The Director of Central Intelligence

SUBJECT: Black Africa and the U.S. Black Movement

The President has directed that a comprehensive review be made of current developments in Black Africa from the point of view of their possible impacts on the black movement in the United States. The review should consider:

1. Long-term tendencies of social and political developments and the degree to which they are consistent with or contradict the U.S. interests.
2. Proposals for durable contacts between radical African leaders and leftist leaders of the U.S. black community.
3. Appropriate steps to be taken inside and outside the country in order to inhibit any pressure by radical African leaders and organizations on the U.S. black community for the latter to exert influence on the policy of the Administration toward Africa.

The President has directed that the NSC Interdepartmental Group for Africa perform this review. The review should be forwarded to the NSC Political Analysis Committee by April 20.

Malcolm X Bids Africans Take Negro Issue to U.N.

CAIRO, July 17 (Reuters)—Malcolm X appealed today to delegates of 34 African nations at a conference here to bring the cause of United States Negroes before the United Nations.

In a message circulated to the heads of state and government as the meeting got under way, the American racial extremist

said "the deteriorating plight" of American Negroes was "definitely becoming a threat to world peace."

He charged that the "United States Government is morally incapable of protecting the lives and property of 22 million Afro-Americans."

In his message Malcolm X said: "We assert the right of self-defense by whatever means necessary and reserve the right of maximum retaliation against our racist oppressors no matter what the odds against us are."

Objective of our policy toward Black Africa is to prevent social upheavals which could radically change the political situation throughout the area. The success or failure of our policy in the region depends on the solution international and internal issues whose importance of the United States is on the increase.

II. A. U.S. INTERESTS IN BLACK AFRICA

A multiplicity of interests influences the U.S. attitude toward black Africa. The most important of these interests can be summarized as follows:

1. POLITICAL

If black African states assume attitudes hostile to the U.S. national interest, our policy toward the white regimes, which is a key element in our relations with the black states, may be subjected by the latter to great pressure for fundamental change. Thus the West may face a real danger of being deprived of access to the enormous raw material resources of southern Africa which are vital for our defense needs as well as losing control over the Cape sea routes by which approximately 65% of Middle Eastern oil is supplied to Western Europe.

Moreover, such a development may bring about internal political difficulties by intensifying the activity of the black movement in the United States itself.

It should also be borne in mind that black Africa is an integral part of a continent where tribal and regional discord, economic backwardness, inadequate infrastructures, drought, and famine, are constant features of the scene. In conjunction with the artificial borders imposed by the former colonial powers, guerrilla warfare in Rhodesia and widespread indignation against apartheid in South Africa, the above factors provide the communist states with ample opportunities for furthering their aims. This must necessarily redound to the detriment of U.S. political interests.

2. ECONOMIC

Black Africa is increasingly becoming an outlet for U.S. exports and investment. The mineral resources of the area continue to be of great value for the normal functioning of industry in the United States and allied countries. In 1977, U.S. direct investment in black Africa totaled about \$1.8 billion and exports \$2.2 billion. New prospect of substantial profits would continue to develop in the countries concerned.

IV. BLACK AFRICA AND THE U.S. BLACK MOVEMENT

Apart from the above-mentioned factors adverse to U.S. strategic interests, the nationalist liberation movement in black Africa can act as a catalyst with far reaching effects on the American black community by stimulating its organizational consolidation and by inducing radical actions. Such a result would be likely as Zaire went the way of Angola and Mozambique.

An occurrence of the events of 1967-68 would do grievous harm to U.S. prestige, especially in view of the concern of the present Administration with human rights issues. Moreover, the Administration would have to take specific steps to stabilize the situation. Such steps might be misunderstood both inside and outside the United States.

In order to prevent such a trend and protect U.S. national security interests, it would appear essential to elaborate and carry out effective countermeasures.

1. Possibility of Joint Action By U.S. Black and African Nationalist Movement.

In elaborating U.S. policy toward black Africa, due weight must be given to the fact that there are 25 millions American blacks whose roots are African and who consciously or subconsciously sympathize with African nationalism.

The living conditions of the black population should also be taken into account. Immense advances in the field are accompanied by a long-lasting high rate of unemployment, especially among the youth and by poverty and dissatisfaction with government social welfare standards.

These factors taken together may provide a basis for joint actions of a concrete nature by the African nationalist movement and the U.S. black community. Basically, actions would take the form of demonstrations and public protests, but the likelihood of violence cannot be excluded. There would also be attempts to coordinate their political activity both locally and in international organizations.

Inside the United States these actions could include protest demonstrations against our policy toward South Africa accompanied by demand for boycotting corporations and banks which maintain links with that country; attempts to establish a permanent black lobby in Congress including activist leftist radical groups and black legislators; the reemergence of Pan-African ideals; resumption of protest marches recalling the days of Martin Luther King; renewal of the extremist idea national idea of establishing an "African Republic" on American soil. Finally, leftist radical elements of the black community could resume extremist actions in the style of the defunct Black Panther Party.

Internationally, damage could be done to the United States by coordinated activity of African states designed to condemn U.S. policy toward South Africa, and initiate discussions on the U.S. racial issue at the United Nations where the African representation constitutes a powerful bloc with about one third of all the votes.

A menace to U.S. economic interests, though not a critical one, could be posed by a boycott by Black African states against American companies which maintain contact with South Africa and Rhodesia. If the idea of economic assistance to black Americans shared by some African regimes could be realized by their placing orders in the United States mainly with companies owned by blacks, they could gain a limited influence on the U.S. black community.

In the above context, we must envisage the possibility, however remote, that black Americans interested in African affairs may refocus their attention on the Arab-Israeli conflict. Taking into account, the African descent of American blacks it is reasonable to anticipate that their sympathies would lie with the Arabs who are closer to them in spirit and in some case related to them by blood. Black involvement in lobbying to support the Arabs may lead to serious dissension between American black and Jewry. The likelihood of extremist actions by either side is negligible, but the discord may bring about tension in the internal political climate of the United States.

3. Political options

In the context of long-term strategy, the United States can not afford a radical change in the fundamentals of its African policy, which is designed for maximum protection of national security. In the present case, emphasis is laid on the importance of Black Africa for U.S. political, economic and military interests.

RECOMMENDATIONS

In weighing the range of U.S. interests in Black Africa, basic recommendations arranged without intent to imply priority are:

1. Specific steps should be taken with the help of appropriate government agencies to inhibit coordinated activity of the Black Movement in the United States.

2. Special clandestine operations should be launched by the CIA to generate mistrust and hostility in American and world opinion against joint activity of the two forces, and to cause division among Black African radical national groups and their leaders.

3. U.S. embassies to Black African countries specially interested in southern Africa must be highly circumspect in view of the activity of certain political circles and influential individuals opposing the objectives and methods of U.S. policy toward South Africa. It must be kept in mind that the failure of U.S. strategy in South Africa would adversely affect American standing throughout the world. In addition, this would mean a significant diminution of U.S. influence in Africa and the emergence of new difficulties in our internal situation due to worsening economic prospects.

4. The FBI should mount surveillance operations against Black African representatives and collect sensitive information on those, especially at the U.N., who oppose U.S. policy toward South Africa. The information should include facts on their links with the leaders of the Black movement in the United States, thus making possible at least partial neutralization of the adverse effects of their activity.

V. TRENDS IN THE AMERICAN BLACK MOVEMENT

In connection with our African policy, it is highly important to evaluate correctly the present state of the Black movement in the United States and basing ourselves on all available information, to try to devise a course for its future development. Such an approach is strongly suggested by our perception of the fact that American Blacks form a single ethnic group potentially capable of causing extreme instability in our strategy toward South Africa. This may lead to critical differences between the United States and Black Africa in particular. It would also encourage the Soviet Union to step up its interference in the region. Finally, it would pose a serious threat to the delicate structure of race relations within the United States. All the above considerations give rise to concern for the future security of the United States.

Since the mid-1960s, when legislation on the human rights was passed and Martin Luther King murdered, federal and local measures to improve black welfare have been taken, as a result of which the U.S. black movement has undergone considerable changes.

The principle changes are as follows:

- *Social and economic issues have supplanted political aims as the main preoccupations of the movement, and actions formerly planned on a nationwide scale are now being organized locally.
- *Fragmentation and a lack of organizational unity within the movement.
- *Sharp social stratification of the Black population and lack of policy options which could reunite them.
- *Want of a national leader of standing comparable to Martin Luther King.

B. THE RANGE OF POLICY OPTIONS

The concern for the future security of the United States makes necessary the range of policy options. Arranged without intent imply priority they are:

(a) to enlarge programs, within the framework of the present budget, for the improvement of the social and economic welfare of American Blacks in order to ensure continuing development of present trends in the Black movement;

(b) to elaborate and bring into effect a special program designed to perpetuate division in the Black movement and neutralize the most active groups of leftist radical organizations representing different social strata of the Black community; to encourage division in Black circles;

(c) to preserve the present climate which inhibits the emergence from within the Black leadership of a person capable of exerting nationwide appeal;

(d) to work out and realize preventive operations in order to impede durable ties between U.S Black organizations and radical groups in African states;

(e) to support actions designed to sharpen social stratification in the Black community which would lead to the widening and perpetuation of the gap between successful educated Blacks and the poor, giving rise to growing antagonism between different Black groups and a weakening of the movement as a whole.

(f) to facilitate the greatest possible expansion of Black business by granting government contracts and loans with favorable terms to Black businessmen;

(g) to take every possible means through the AFL-CIO leaders to counteract the increasing influence of Black labor organizations which function in all major unions and in particular, the National Coalition of Black Trade Union and its leadership including the creation of real preference for adverse and hostile reaction among White trade unionists to demands for improvement of social and economic welfare of the Blacks;

(h) to support the nomination at federal and local levels of loyal Black public figures to elective offices, to government agencies and the Court.

This would promote the achievement of a twofold purpose:

first, it would be easier to control the activity of loyal black representatives within existing institution;

second, the idea of an independent black political party now under discussion within black leadership circles would soon lose all support.

The **Secretary of Defense**

The **Director of Central Intelligence**

SUBJECT: **Black Africa** and the **U.S. Black Movement**

The President has directed that a comprehensive review be made of current developments in **Black Africa** from the point of view of their possible impacts on the **black movement** in the **United States**. The review should consider:

1. **Long-term tendencies** of social and political developments and the degree to which they are consistent with or **contradict** the **U.S. interests**.
2. Proposals for durable contacts **between radical African leaders** and **leftist leaders** of the **U.S. black community**.
3. Appropriate steps to be taken **inside and outside** the country in order **to inhibit any pressure** by **radical African leaders** and **organizations** on the **U.S. black community** for **the latter** to exert **influence** on the policy of the Administration toward Africa.

The President has directed that the **NSC Interdepartmental Group for Africa** perform this review. The review should be forwarded to the NSC Political Analysis Committee by April 20.

PRESIDENTIAL SECURITY REVIEW MEMORANDUM NSC-46
BLACK AFRICA AND THE U.S. BLACK MOVEMENT

Objective of **our policy** toward **Black Africa** is to **prevent social upheavals** which could **radically change the political situation throughout the area**. The success or failure of our policy in the region depends on the solution international and internal issues whose importance of the United States is on the increase.

II. A. U.S. INTERESTS IN BLACK AFRICA

A **multiplicity of interests** influences the **U.S. attitude** toward **black Africa**. The most important of these interests can be summarized as follows:

1. POLITICAL

If **black African** states assume attitudes **hostile to the U.S.** national interest, our policy toward the **white regimes**; which is a **key element in** our relations with the **black states**, may be subjected by the latter to **great pressure** for **fundamental change**. Thus **the West** may face a **real danger** of being deprived of access to the **enormous raw material resources** of southern **Africa** which are vital for our defense needs as well as losing control over the Cape sea routes by which approximately **65% of Middle Eastern oil is supplied to Western Europe**.

Moreover, **such a development** may bring about internal political difficulties by **intensifying the activity** of the **black movement** in the **United States** itself.

April 16, 1967: From the hood of a car, Stokely Carmichael preaches Black Power to students at Tallahassee's Florida A&M University.

FAMU's enemies are usually easy to spot; they are found lurking in Tallahassee's city hall and capitol building. Old clear men in suits who work relentlessly behind closed doors to turn FAMU into "FSU South," A term that still sends chills up the back of any Real Rattler who came to The Hill anytime during the 70's. These particular Rattlers were entrenched in activism on behalf of FAMU the moment they stepped on campus. These Real Radical Rattlers answered and accepted The Call.

It should also be borne in mind **that black Africa** is an integral part of a continent where tribal and regional discord, economic backwardness, inadequate infrastructures, drought, and famine, are constant features of the scene. In conjunction with **the artificial borders imposed by the former colonial powers**, guerilla warfare in Rhodesia and widespread indignation against apartheid in South Africa, the above factors provide the communist states with ample opportunities for furthering their aims. This must necessarily redound to the detriment of U.S. political interests.

2. ECONOMIC

Black Africa is increasingly becoming an outlet for **U.S. exports** and **investment**. The **mineral resources** of the area continue to be of **great value** for the **normal functioning** of industry in the **United States** and **allied countries**. In 1977, **U.S. direct investment** in **black Africa** totaled about \$1.8 billion and exports \$2.2 billion. New prospect of substantial profits would continue to develop in the countries concerned.

IV. BLACK AFRICA AND THE U.S. BLACK MOVEMENT

Apart from the above-mentioned factors adverse to U.S. strategic interests, the **nationalist liberation movement** in **black Africa** can act as a catalyst with far reaching effects on the **American black community** by **stimulating** its organizational consolidation and by **inducing radical actions**. Such a result would be likely as Zaire went the way of Angola and Mozambique.

An occurrence of the events of 1967-68 would do grievous harm to U.S. prestige, especially in view of the concern of the present Administration with human rights issues. Moreover, the Administration **would have to take specific steps to stabilize the situation**. **Such steps might be misunderstood both inside and outside the United States.**

In a message circulated to the heads of state and government as the meeting got under way, the American racial extremist said "the deteriorating plight of American Negroes was definitely becoming a threat to world peace." BRITISH CONVICTS IN AMERICAN COLONIES

<https://www.familytree.com/blog/british-convicts-in-american-colonies/>

The British were noted for transported prisoners out of England to be made to work at their numerous colonies. From 1615 to 1870, more than 200,000 criminals were conditionally pardoned, exiled, and transported to penal colonies. Before 1775, more than 50,000 prisoners were sent to America—primarily to Virginia and Maryland. With the American Revolutionary War, British from 1788 to 1869, more than 160,000 prisoners were sent to the British Colony of Australia.

What most Americans do not realize is that from 1718 until 1775, convict transportation to the American colonies flourished. Some estimates claim that almost 10 percent of migrants to America during this time were British convicts. This means, if you had ancestors in the American colonies during that time, they might have come as unwanted convicts, against the will.

Dear Vogel Newsome:

I would like to personally thank you for taking the time to visit with us during the FAMU Relays. You have no idea the impact that you made on alumni, the community and especially our current women's track team.

Coach Moore is beaming with pride after meeting you and having you speak to her team and it has permeated all the way to their performances. Since the FAMU Relays, the ladies have stepped up their performances to levels they had never done before.

To have ambassadors such as you to carry the FAMU torch across this nation is something money cannot buy. We want to say thank you and let you know how proud we are of you.

I regret that I was not able to attend, but as you know, our conference meeting was in Winston-Salem, NC on the same day as the FAMU Relays. I look forward to meeting you all some day soon. In taking the post at here at FAMU, I promised to foster relationships with our athletic alumni and we take it very seriously.

We will be contacting you in the future about what is going on in FAMU Athletics and hope will re-engage in the FAMU spirit.

Sincerely,

Derek Horne

No. 95-60431.

On remand, the district court ordered each party to submit proposed remedies "to resolve the areas of the State's liability pursuant to the Supreme Court mandate." Without conceding liability, defendant Board of Trustees of State Institutions of Higher Learning (the "Board")³ responded by presenting a detailed proposal for modification of the higher education system. This proposal contained, among other provisions, uniform standards of admission for all universities, as well as a plan to merge Delta State University and Mississippi Valley State University into one institution to serve students in the Mississippi Delta.⁴

The court addressed two instances of program duplication between proximate, racially identifiable institutions. First, in its remedial decree, the district court ordered the Board to "take whatever remaining steps are necessary, if any, to vest complete institutional control in JSU over the facility formerly known as the Universities Center in JSU." Id. at 1495. The Universities Center, located in Jackson, consisted of extension programs operated by various HWIs. Ayers I, 674 F.Supp. at 1542. In 1972 the Board voted to assign management responsibilities for the Universities Center to Mississippi State, the University of Mississippi, and Jackson State. Id. At the trials in 1987 and 1994, plaintiffs identified continued operation of these extension programs in close proximity with Jackson State as a vestige of the de jure system. The district court's order eliminates whatever competition for enrollment the Universities Center fostered with respect to Jackson State.

This cause is before the Court for consideration of the imposition of sanctions and preventing Plaintiff from filing additional pleadings and documents in the instant closed civil action unless prior approval is granted by the Court.

The Court entered an Order [38] on December 12, 2013, denying Plaintiff's [36, 37] "Objections to November 13, 2013 'Docket' Text Order; Findings of Fact and Conclusion Issue(s); and Demand for Jury Trial." That Court Order [38] also admonished Plaintiff to refrain from filing new pleadings and requests in a closed case and warned Plaintiff that her failure to comply with that Order [38] may result in monetary sanctions.

Notwithstanding the Court's Order [38] entered December 12, 2013, Plaintiff filed on December 31, 2013, a pleading [39] entitled "Plaintiff's Objections(s) to December 12, 2013, Order Denying Plaintiff's Demand for Jury Trial and Objections Re Text Order and Demand For Jury Trial." In addition, Plaintiff's latest filing contains a diatribe of personal insults directed at the Court, several of the judges, and members of the Bar. At the 114th meeting on 27 February 1947, in connexion with the Corfu Channel question, the Security Council voted upon a draft resolution, submitted by the representative of Australia at the 111th meeting on 24 February 1947, to appoint a sub-committee "to examine all the available evidence" and "to make a report on the facts of the case as disclosed by such evidence".²⁴ Before the vote was taken the representative of the United Kingdom stated:

"As a party to this dispute, I am deprived of my vote under Article 27, paragraph 3, of the Charter when it is a matter of a decision under Chapter VI.

At the 303rd meeting on 24 May 1948, in connexion with the Czechoslovak question, the President (France) ruled that a draft resolution to appoint a sub-committee to receive evidence had not been adopted, one vote against having been that of a permanent member. The representative of Chile* contended that the representative of the USSR had abused the right of "veto". He continued:

"... in the present case the USSR is a party to a dispute, for it must be assumed that there is a dispute not only when there is a direct conflict of interests between two Member States, but also when any difference arising from conflicting attitudes of one nation in respect of another nation is brought to the attention of the Security Council by any country. This is certainly the case when a State exercises its right under Article 35, and accuses another of violating the Charter, whether it has any direct interest in the matter or not. Paragraph 3 of Article 27 is merely intended to prevent a member of the Council from acting as judge in his own case and participating in the decision that may be taken against it. This is what the USSR has just done."

THE FIFTY

How a 'Radical' Southern Mayor Ran Up Against Reality

Mayor Chokwe Antar Lumumba came into office with a grand progressive vision that hasn't always succeeded in solving fundamental problems.

IMPORTANT TO NOTE:
"Radical" LABEL
KNOWLEDGE of Antar's VISION
For Purposes of SABOTAGE

For the mayor in the perfectly tailored outfit, though, the failure of those hoses represents a kind of test. Four years ago, Lumumba swept into office on a tide of rhetoric and ambition that drew national attention. He laid out an expansive vision of how Jackson could become a model for the country, promising to use City Hall to deliver not just better services, but a whole menu of new progressive ideas like universal basic income, co-operative businesses and alternatives to policing. He talked about replacing abandoned lots with urban farms. And in a city that is 82 percent Black — a higher rate than any other big city in the country — he framed his promises in elevated, historical terms, promising to rewrite the story of race and commerce in the region from one of exploitation to one of empowerment. He talked about fixing the potholes — a big topic of conversation here — not just as road projects but as a way to end “cycles of humiliation,” so being Black doesn't mean having to endure torn-up roads and bad water.

He promised, in fact, to make Jackson “the most radical city on the planet.”

Lumumba's policy ideas wouldn't sound out of place in Austin or Seattle, which have large tax bases and where wealthy residents have long since displaced low-income ones. In Jackson, though, the problems are so basic and so deep, the city so poor, that Lumumba's radical vision has felt, from the beginning, particularly audacious. It made him perhaps the highest-profile member of a new generation of Black mayors in the South combining progressive policy with social justice and civil rights.

Now as Lumumba, who recently turned 38, runs for his second term, even he acknowledges he hasn't succeeded in achieving his vision. Jackson doesn't have a widespread UBI program, a transformed police department or those co-operative businesses. He's spent more time bailing the city out of its problems than forging new paths. Meanwhile, other cities have started embracing policies that put them in the “radical” camp: Evanston, Ill., just created the country's first reparations program to promote home ownership among Black residents; major cities have cut police budgets in the wake of progressive calls to end police brutality, while Jackson boosted its police budget last year. And dozens of cities have increased the minimum wage to \$15 per hour, while Jackson is still bound by the federal minimum wage of \$7.25 per hour.

JACKSON, Miss. (WJTV) – Millsaps College leaders announced plans to build the school's own, independent water system.

The school released a statement that said the construction of two wells and a 100,000-gallon water tank will begin during the coming Spring. The wells will be dug along the west side of campus, using water from the Sparta Aquifer a few hundred feet down. The almost 200-foot tall water tower will also be built on the west side of campus.

The Board of Trustees approved the estimated \$3.5 million project. Millsaps President Dr. Rob Pearigen shared the plans with Jackson Mayor Chokwe A. Lumumba.

The statement also noted that the project is expected to be completed by late spring or early summer in 2023. However, the water supply may be operational once the wells are functional, even if the tower is not fully complete.

Jackson issues water cutoff notices due to lack of funds

JACKSON, Miss. (WJTV) – Water shutoffs have begun in the City of Jackson.

Leaders said the notices have been in conversations for more than a year, but they have just started issuing water cutoff notices in July 2022.

The city halted water shutoffs months before the 2020 coronavirus pandemic. However, leaders said due to dwindling funds, the city can no longer continue to stall.

Neighbors said they are concerned and that the system has flaws. They said even though they made payments, they received a shutoff notice. This includes Councilwoman Virgi Lindsay, Ward 7.

"I was not surprised that it was going to happen, and it is unfortunate that they are happening in the middle of a boil water notice. I think that's incredibly unfortunate, but at the same time, we have got to boost our revenue through the enterprise system, the water department, because that is what will support is the private utility. That is what supports all of the badly needed improvements in our water distribution," said Lindsay.

Jackson Mayor Chokwe A. Lumumba added the city has been very compassionate during this process, but they can't afford to keep falling behind.

New well system operational at MS State Fairgrounds

NEW WATER WELL BUILT ON STATE FAIR GROUNDS

JACKSON, Miss. (WJTV) – Mississippi Commissioner of Agriculture and Commerce Andy Gipson said after nearly a year of work, a new water well system has been built at the Mississippi State Fairgrounds. The well is separate from the City of Jackson's water system.

The historic ice storm in 2021 left most of the city without water during the annual Dixie National Livestock Show and Rodeo.

"It feels good to know we have good water here no matter what. Genuine Mississippi water. This is the real deal from underground," said Gipson.

The fairgrounds were switched from the city's water system to the new well last week.

[| Tour guides wanted at Vicksburg National Military Park >](#)

"They tell me a project like this takes two to three years, a project of this scale. We were able to get it finished in 11 months. We estimate by the time the rodeo ends this coming Saturday, we'll have pumped over half a million gallons of water," stated Gipson.

The water is pumped from 750 feet underground. The water goes through a chlorination and treatment process. At this time, water is only being pumped to the fairgrounds, but more projects are in the works.

"It could connect to the other buildings, the hotels that we just acquired. The plans are to demolish those buildings and to do something new over there. There's a lot more water here than we need at the Fairgrounds, but we have plenty of what we need for the thousands of people that visit here and the thousands of livestock that need water to drink," said Gipson.

The total cost for the project was \$1.3 million, which included new lines and a backup generator. The well is currently running off a temporary tank, but a larger one will be ordered soon.

Systemic racial discrimination extends beyond any expression of individual hatred. It results from bias in multiple systems and institutions of public policy, which separately and together perpetuate and reinforce barriers to equality.

'Civil War' After Donald Trump Win May Be 'Worth It': Evangelical Preacher

Published Feb 09, 2024 at 2:55 PM EST

Newsweek 90

Evangelical preacher Andrew Wommack said that a "civil war" would be "worth it" if it meant getting former President Donald Trump back into the White House.

"I've actually had people say that if Trump was to be elected if we got a conservative Congress, that they fear that we would have another civil war" Wommack said during a Wednesday episode of his Truth & Liberty show. "And you know what? I don't want a civil war, I don't know anybody that does, but would it be worth it? To turn this nation back? I believe it would."

H) **STACKING OF THE UNITED STATES' COURTS:** Conspiracies were launched to STACK the United States' Courts with Judges / Justices . . . with ALLEGIANCE to NAZI Germany's "NEW Order" Agenda – i.e. The requirement of the Justices of the Supreme Court Of The United States ("SCOTUS") it appears being required to be either "JEWISH" or "CATHOLIC!" Said STACKING for purposes of aiding and abetting the ELABORATE enslavement schemes the "USA Global TERRORISTS Operatives" thought they were going to implement against the "BLACK Indians" in the undoing of the "EXECUTIVE ORDER" known as the "EMANCIPATION PROCLAMATION!"

IMPORTANT TO NOTE: Through such CONSPIRACIES, the "USA Global TERRORISTS Operatives" thought they had successfully crafted and implemented "PAPER Genocide" Scams / Schemes to have "BLACK Indians" think that they were brought over from Africa / Afrika (when NOT) as slaves. However, there is RECORDED evidence that the "BLACK Indians" were already occupying / living / dwelling / inhabiting . . . the Lands / Territories and Properties, etc. PRIOR to the Europeans' sending their WHITE CRIMINALS here to build up a FRAUDULENT Empire that is presently known as the United States of America!

The PLAN being to use the Supreme Court of the United States' Justices in such CONSPIRACIES to unlawfully engage in the "MASS GENOCIDE / EXTERMINATION" of the "BLACK Indians" as well as in the undoing of the "EMANCIPATION Proclamation" that is alleged to have FREED the "AFRICAN / AFRIKAN" Slaves who were given "CITIZENSHIP" among NATIVE Nations known as the FIVE (5) CIVILIZED Tribes – i.e. "BLACK Indians" Nations known as the Chickasaws,

Choctaws, Cherokee, Creek and Seminoles! Therefore, **PROHIBITING** any such **CONSPIRACIES** , War Crimes, Crimes against HUMANITY and other Atrocities, etc. against those allege to been brought as Slaves from Africa / Afrika and those allege to be DESCENDANTS of Slaves brought from Africa and / or Slaves brought from other Native Lands, etc. through **their USA President Donald John Trump** **“MAKE AMERICA GREAT AGAIN” Slogan!**

There are 12 major Minority organizations and all are familiar to the 22 million. Dossiers have been compiled on the leaders of the organizations, and can be studied in Washington. The material contained in many of the dossiers, and our threat to reveal that material, has considerably held in check some of the leaders. Leaders who

do not have such usable material in their dossiers have been approached to take government posts, mostly as ambassadors and primarily in African countries. The promise of these positions also has materially contributed to a temporary slow-down of Minority activities. However, we do not expect these slow-downs to be of long duration, because there are always new and dissident elements joining these organizations, with the potential power to replace the old leaders. All organizations and their leaders are under constant, 24-hour surveillance. The organizations are:

Furthermore, there is recorded EVIDENCE of "HOW" such "USA Global TERRORISTS Operatives" COVERT Paramilitary / Terrorists "MEDICAL APARTHEID" Operations are carried out using SCIENTISTS' . . . Drugs / Medications to COVER UP these Crimes Against Humanity and other Atrocities, etc.! Moreover, "HOW" time-and-time again while Prime Minister Newsome devoted herself to the attention, care, safety and wellbeing of the Elderly Members in her Family and throughout various NATIVE Communities, etc., "ATTACKS" were launched for purposes of DISTRACTIONS and to provide said TERRORISTS with access to the "BLACK Indians" Elders!

IMPORTANT TO NOTE: Following the advice of Matriarch Newsome, Prime Minister Newsome documenting said attacks! Documentation believed sufficient to sustain just HOW "VICIOUS" the "USA Global TERRORISTS Operatives" and "USA's BLACK Ku Klux Klan Newsome Operatives" and / or "USA's BLACK KKK Newsome Operatives" ATTACKS ARE and CONTINUES to date, and, therefore, requiring the SAFETY / SECURITY of not only the SOVEREIGNTY of the CTN / UIE Leaders, Officials and NATIVE People but the SOVEREIGNTY . . . of NATIVE Nations around the World and their NATIVE Civilian Population! The following LINK(S) provide documentation regarding the condition in which Prime Minister Newsome found her Aunt Miriam Newsome Ellis ("Aunt Miriam" - Sister of Chief Joseph Newsome) and the good-faith efforts to get her back to the best of Health considering what appears to be the NEGLECT, ELDER ABUSE and CONDITION . . . in which Aunt Miriam was found. Taking the time to bringing Aunt Miriam back to Utica, Mississippi so that Chief Joseph Newsome and Matriarch Newsome could spend some time with her as well as see for themselves the NEGLECT, ELDER ABUSE and CONDITION . . . in which Ruth Newsome Smith ("Ruth" - Sister of Miriam and Chief Joseph Newsome) left her Sister!

December 2014, Prime Minister Newsome coming home from Covington, Kentucky / Cincinnati, Ohio to visit her Parents for the Holidays! However, a visit that resulted in her STAYING upon seeing the CONDITION of things regarding her Parents as well as Aunt Miriam!

EMPHASIS – Maureen Arlene Newsome Williams (“Maureen”) being right there in Jackson, Mississippi; however, Matriarch Newsome advised Prime Minister Newsome that she barely came to visit!

Ruth *going out of town for the holidays and “NOT” telling anyone about the CONDITION in which she had left Aunt Miriam in.* It is by the GRACE of the Ancestors / God that led Prime Minister Newsome *to go and check on Aunt Miriam.* Upon Ruth’s return to Jackson, Mississippi, she advised of *thoughts of finding Aunt Miriam “DEAD!” Disappointed and upset* that Prime Minister Newsome acted out of LOVE, concerns and began working on NURTURING Aunt Miriam back to Health! Nevertheless, Ruth did EVERYTHING she could to UNDERMINE Aunt Miriam’s Healthcare and sought to PROFIT from such *ill-fated* practices believed to be CRIMINAL and ultimately led to Aunt Miriam’s DEATH / MURDER – i.e. via Medical APARTHEID!

Biden blasted for calling 'white supremacy' 'most dangerous terrorist threat' at college speech: 'Pure evil'

Published May 13, 2023

Conservative Twitter users ripped President Joe Biden for claiming that White supremacy is the "most dangerous terrorist threat" in America during a commencement address at Howard University this weekend.

Critics accused Biden of using the opportunity to inflame racial tension in the United States.

The 46th president addressed the graduates from the historical Black college at Washington D.C.'s Capital One Arena Saturday, speaking to them about the threats they face from the division among their own country.

United States vs. Valle, 301 F.R.D. 53 (2014)

[28][29][30][31]The elements of conspiracy are generally more easily proven than the elements of either a substantive offense or an attempt, the latter of which typically requires proof that a defendant took a “substantial step” toward completing a crime. Conspiracy merely requires proof of “(1) **an agreement** among the conspirators to commit an offense; (2) **specific intent** to achieve the objective of the conspiracy; and (3) [here] **an overt act** to effect the object of the conspiracy.” *United States v. Pinckney*, 85 F.3d 4, 8 (2d Cir.1996) (alteration added) (citation omitted). “**Whether** the substantive crime itself is, or is likely to be, committed is **irrelevant,**” *United States v. Wallach*, 935 F.2d 445, 470 (2d Cir.1991) (quoting *United States v. Rose*, 590 F.2d 232, 235 (7th Cir.1978)), and “**impossibility of success is not a defense.**” *Hassan*, 578 F.3d at 123 (quoting *Jimenez Recio*, 537 U.S. at 276, 123 S.Ct. 819). “**[T]he crime of conspiracy is complete upon the agreement to violate the law, as implemented by one or more overt acts ..., and is not at all dependent upon the ultimate success or failure of the planned scheme.**” *United States v. Trapilo*, 130 F.3d 547, 552 n. 9 (2d Cir.1997) (quoting *United States v.*

[Everett, 692 F.2d 596, 600 \(9th Cir.1982\)](#)).

[32][33][34][35]Moreover, a **defendant may be convicted** of conspiracy **without having entered** into a formal or express agreement. “[I]t is enough that the parties have **a tacit understanding** to carry out **the prohibited** conduct.’ ” [United States v. Rubin, 844 F.2d 979, 984 \(2d Cir.1988\)](#) (quoting [United States v. Wardy, 777 F.2d 101, 107 \(2d Cir.1985\)](#)). A conspiracy may also exist “even if a conspirator **does not** agree to commit or facilitate **each and every part** of the substantive offense.” [Salinas v. United States, 522 U.S. 52, 63, 118 S.Ct. 469, 139 L.Ed.2d 352 \(1997\)](#) (citation omitted). “**The partners** in the criminal plan must agree to pursue the same criminal objective and **may divide up the work, yet each is responsible for the acts of each other.**” *Id.* at 63–64, 118 S.Ct. 469 (citing [Pinkerton v. United States, 328 U.S. 640, 646, 66 S.Ct. 1180, 90 L.Ed. 1489 \(1946\)](#)). Because “[s]ecrecy and concealment are essential features of successful conspiracy,” prosecutors **may prove** the “essential nature of the plan and [a defendant’s] connections with it” **through circumstantial evidence and inferences.** [Blumenthal v. Stewart, 485 F.3d 666, 671 \(2d Cir.2007\)](#) (“Both the existence of a conspiracy and a given defendant’s participation in it with the requisite knowledge and criminal intent may be established through circumstantial evidence.”).

[36][37]Although the Government may rely on circumstantial evidence and reasonable inferences to establish the elements of a conspiracy, “ ‘because conspiracy is a specific intent crime,’ ” the Government must demonstrate that the defendant **had the specific intent to both engage** in the conspiracy and **commit the underlying crime.** [Hassan, 578 F.3d at 123](#) (quoting [United States v. Morgan, 385 F.3d 196, 206 \(2d Cir.2004\)](#)); see *id.* (“A conspiracy conviction cannot be sustained unless the government established beyond a reasonable doubt that the defendant had the *specific intent* to violate the substantive statute.”) (emphasis in original) (citing [DiTommaso, 817 F.2d at 218](#)). However, a defendant’s specific intent may be proven by circumstantial evidence, see [Huezo, 546 F.3d at 180](#), and—under appropriate circumstances—**intent may be inferred from a single act.** *Id.* (“ ‘[A] single act may be sufficient for an inference of involvement in a **criminal enterprise** of substantial scope at least if the act is of a nature justifying an **inference of knowledge** of the broader conspiracy.’ ” (quoting [United States v. [42] **To obtain conviction** . . . for conspiracy to commit kidnapping, government must demonstrate beyond a reasonable doubt **that defendant agreed with another to commit one or more kidnappings**, that he **knowingly engaged** in the conspiracy with **the specific intent** to commit the kidnapping or kidnappings that were the objects of the conspiracy, and

INTRODUCTION:

The PLAN first appeared in John A. Williams' 1967 novel, *"The Man Who Cried I Am,"* a fictionalized account of the life and death of Richard Wright. In the afterword to later editions, Williams compares **the King Alfred PLAN to INTELLIGENCE Programs** devised by J. Edgar Hoover in the 1960s to **MONITOR the Movements of BLACK Militants**. It also bears similarities to rumors in the early 1950s surrounding **the McCarran Act**, an Anti-Communist Law, in which **political subversives** were to **be rounded up** and placed in **CONCENTRATION Camps** during a **NATIONAL EMERGENCY**. When his novel was first published, Williams photocopied portions of the book detailing **the King Alfred PLAN** and left copies in subway car seats around Manhattan. As a result, world of **the King Alfred PLAN spread throughout the BLACK Community** and the truth of its existence was often assumed to be unchallenged. Performer and musician Gil Scott-Heron created the song, **"King Alfred PLAN,"** included in his (1972) album **"FREE WILL"** that takes **the PLAN at face value**. Jim Jones, Head of the "Apostolic Socialist" People's Temple, **discussed the PLAN** at length in numerous recordings of his rant-style speeches both in the United States of America and in the Jonestown Community in Guyana, **treating it as COMPLETELY GENUINE**.

MEMO: NATIONAL SECURITY COUNCIL

Even before 1954, when the **Supreme Court of the United States of America** declared unconstitutional separate education and recreational facilities, **RACIAL UNREST and DISCORD** had become very nearly a **part of the American way of life**. But that way of life was repugnant to most Americans. This **VIOLENCE** has resulted in the **LOSS of LIFE, Limb and PROPERTY**, and has cost the **TAXPAYERS** of this Nation **BILLIONS of dollars**. And the end is NOT yet in sight. The **Jackson State killings** occurred on Friday, May 15, 1970, at Jackson State College (now Jackson State University) in Jackson, Mississippi. On May 14, 1970, city and state police confronted a group of students outside a campus dormitory. Shortly after midnight, the police opened fire, killing two students and injuring twelve.^[1] The event happened 11 days after the Kent State shootings, in which National Guardsmen killed four students at Kent State University in Ohio during a protest against the Vietnam War. The Kent State event had first captured national attention.

On the evening of May 14, African-American youths were reportedly getting rocks at white motorists driving down the main road through campus—frequently the site of confrontations between white and black Jackson residents.

REPORTER: Minister Malcolm you have suggested that there are all kinds of movements in Harlem growing that you and I don't know about.

MALCOLM X: Oh yes. Frustration itself has been sufficient. All that was necessary to make Negroes realize the **IMPORTANCE OF BANNING TOGETHER**. And Negroes are **BANNING TOGETHER**.

REPORTER: Banning together in what kinds of movements?

MALCOLM X: **Different KINDS** of movements. **All KINDS** of movements and they remain almost **INVISIBLE**. They remain almost **UNKNOWN**. But they are **YET THERE**. When I say **INVISIBLE**, I say invisible in the sense **their EXISTENCE is UNKNOWN** and no matter how **MUCH YOU TRY AND TRACK THEM DOWN**, you **CAN'T FIND THEM**; and **NEVER** try to find them through the Negro Leaders. REPORTER: And **what FORM** will the activities of these **VARIOUS so-called INVISIBLE** movements take this Summer?

MALCOLM X: Well an example, Commissioner Murphy. Almost every statement that Commissioner Murphy makes would give you the impression that he is encouraging the police. . . file policemen to take **WHATEVER** method or measures necessary to **HOLD the Negroes in CHECK!** He **FEEDS** the type of **STASTICS** to the **White Public** to make them **THINK** that Harlem is a complete **CRIMINAL AREA**. . . that **EVERYONE** is **PRONE** towards **VTOLENCE**. This gives the police the **impression** that they can then go and **BRUTALIZE** the Negroes or **SUPPRESS** the Negroes or even **FRIGHTEN** the Negroes. **Whenever something happens, 20 police cars converge on ONE AREA**. This **DOESN'T FRIGHTEN** Negroes. So it means that someone is either misinforming Commissioner Murphy and making him **USE TACTICS** this year that he would **NOT** use four years ago or the form of policemen that Kennedy would **NOT USE**; and this **FORCE** which is so **VISIBLE** in the Harlem community **CREATES a SPIRIT of RESENTMENT** in **EVERY** Negro. **They think they are living in a POLICE STATE** and they become **HOSTILE** towards the policemen. CAIRO, July 17 (Reuters)—Malcolm X appealed today to delegates of 34 African nations at a conference here to bring the cause of United States Negroes before the United Nations. In a message circulated to the heads of state and government as the meeting got under way, the American racial extremist said "the deteriorating plight of American Negroes was definitely becoming a threat to world peace." He charged that the "United States Government is morally incapable of protecting the lives and property of 22 million Afro-Americans."

In his message Malcolm X said: "We assert the right of self-defense by whatever means necessary and reserve the right of maximum retaliation against our racist oppressors no matter what the odds against us are."

On this day in history: the Lionheart reached the Holy Land, Siege of Acre

On June 8, 1191, King Richard I of England arrived at the port of Acre in modern-day Israel to take part in the Siege of Acre during the Third Crusade.

JUNE 9, 2020 11:38

THE JERUSALEM POST

The siege was originally started by King Guy of Jerusalem and Conrad of Montferrat, an Italian nobleman, and although several battles occurred in and around the city, attempted breaches of the city walls did not succeed. Throughout the winter of 1190-1191, Acre, with its Muslim garrison of 20,000 men, held strong as sickness and disease ravaged the Christian forces.

On December 31, 1190, yet another attempt to breach the walls of Acre failed, and on January 6, 1191, a partial collapse of the city walls led to Christian attempts to overrun the Muslim garrison that failed.

On February 13, 1191, Saladin succeeded in breaking through the Christian lines and reaching the city, so that he could replace his exhausted troops with a new garrison. But as he waited out the winter, Saladin's chance to decimate the Christian forces slipped away. More Christian troops arrived from all over Europe, including the legendary King of England (after a brief stopover in which he conquered Cyprus.)

Richard arrived with a force of 8,000 men and joined up with King Philip II of France. Philip was eager to attack the Muslim forces as soon as possible but Richard, his troops weakened by travel and illness, wished to wait.

On July 4, the city surrendered to Richard, but he rejected the conditions, and no reinforcing attack was offered this time by Saladin. On July 12, 1191, the city once more offered terms of surrender to the Crusaders; this time, they accepted the offer.

The Christians then entered the city as conquerors and the Muslim garrison was taken into captivity. Conrad of Montferrat raised the banners of the Kingdom of Jerusalem and of France, England and the Duchy of Austria over the city. 20,000 Muslim soldiers of the garrison died during the siege.

After unsuccessful negotiations between Saladin and Richard, massacres of prisoners took place on both sides and on August 22, King Richard and his army left the city, heading south.

CASE 118

At the 114th meeting on 27 February 1947, in connexion with the Corfu Channel question, the Security Council voted upon a draft resolution, submitted by the representative of Australia at the 111th meeting on 24 February 1947, to appoint a sub-committee "to examine all the available evidence" and "to make a report on the facts of the case as disclosed by such evidence".^a Before the vote was taken the representative of the United Kingdom stated:

"As a party to this dispute, I am deprived of my vote under Article 27, paragraph 3, of the Charter when it is a matter of a decision under Chapter VI.

CASE 119

At the 303rd meeting on 24 May 1948, in connexion with the Czechoslovak question, the President (France) ruled that a draft resolution to appoint a sub-committee to receive evidence had not been adopted, one vote against having been that of a permanent member. The representative of Chile* contended that the representative of the USSR had abused the right of "veto". He continued:^b

"...in the present case the USSR is a party to a dispute, for it must be assumed that there is a dispute not only when there is a direct conflict of interests between two Member States, but also when any difference arising from conflicting attitudes of one nation in respect of another nation is brought to the attention of the Security Council by any country. This is certainly the case when a State exercises its right under Article 35, and accuses another of violating the Charter, whether it has any direct interest in the matter or not. Paragraph 3 of Article 27 is merely intended to prevent a member of the Council from acting as judge in its own case and participating in the decision that may be taken against it. This is what the USSR has just done."

Malcolm X's Detroit appearance came before the 1964 Civil Rights Act and 1965 Voting Rights Act as well as race-related civil disturbances in the Harlem area of New York City in 1964, the Watts area of Los Angeles in 1965, Detroit in 1967 and Newark, N.J., in 1967.

The year before, 1963, the Rev. Martin Luther King Jr. was invited by Detroit Black activists to lead a civil rights rally.

The 1964 event was sponsored by the Detroit community organization founded by Milton Henry, a lawyer and activist from Pontiac, called Group on Advanced Leadership (GOAL).

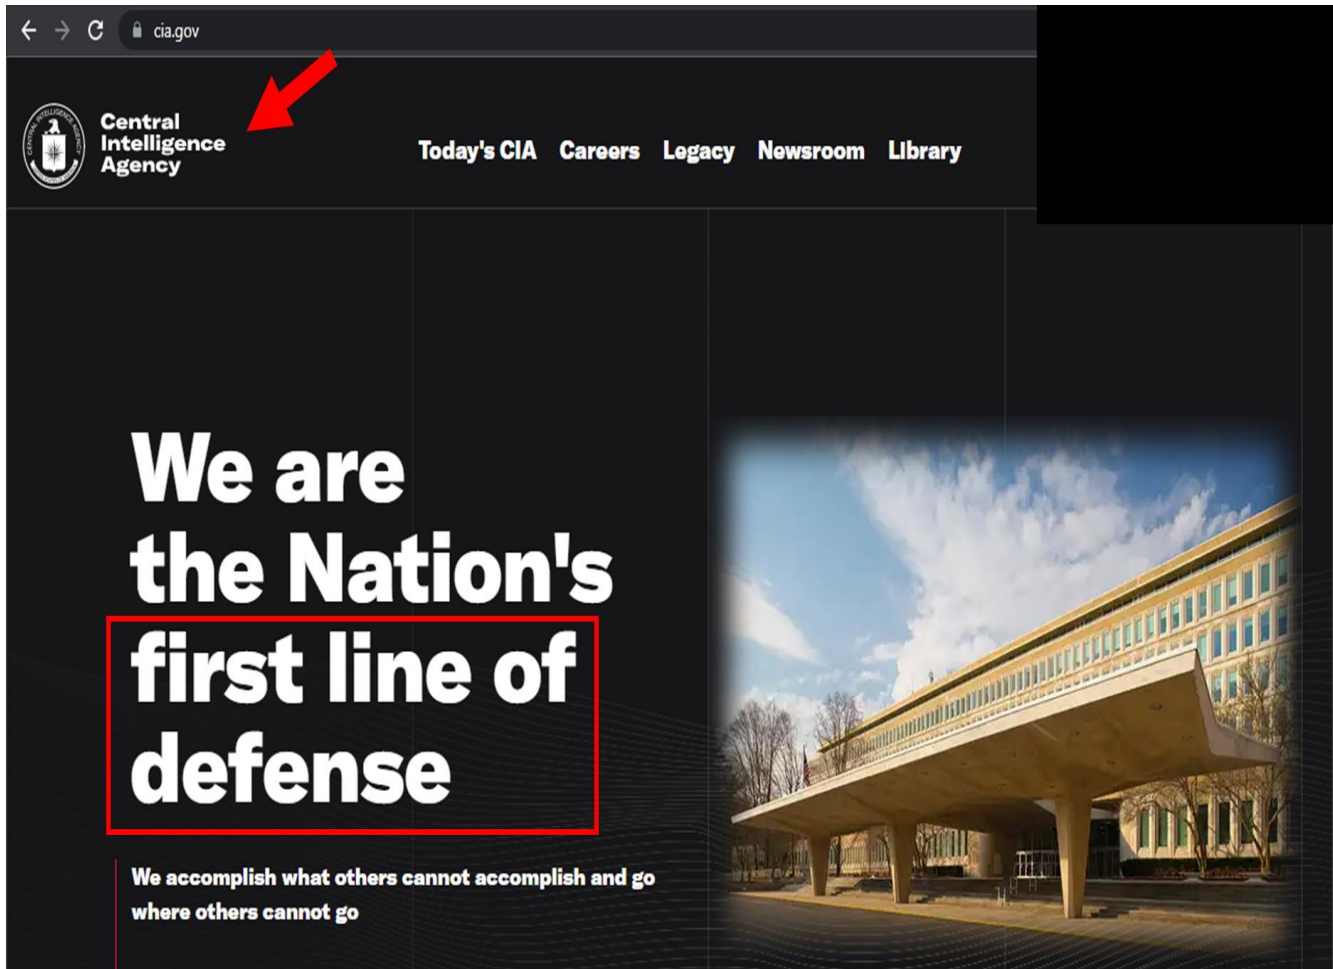

"The Negro is awake," Malcolm X said. "The white man must realize this. I am not trying to set the spark. I am only giving a warning."

other. Each passing month has brought new intelligence that, despite new laws passed to alleviate the condition of the Minority, the Minority still is not satisfied. Demonstrations and rioting have become a part of the familiar scene. Troops have been called out in city after city across the land, and our image as a world leader severely damaged. Our enemies press closer, seeking the advantage, possibly at a time during one of these breaks of violence. The Minority has adopted an almost military posture to gain its objectives, which are not clear to most Americans. It is expected, therefore, that, when those objectives are denied the Minority, racial war must be considered inevitable. When that Emergency comes, we must expect the total involvement of all 22 million members of the Minority, men, women and children, for once this project is launched, its goal is to terminate, once and for all, the Minority of this world. Charles J. Jeffrey, Jr., Chairman, National Security Council Preliminary Memo: Department of Interior UNDER KING ALFRED, the nation has been divided into 10 regions. In case of Emergency, Minority members will be evacuated from the cities by federalized national guard units, local and state police and, if necessary, by units of the Regular Armed Forces, using public and military transportation, and detained in nearby military installations until a further course of action has been decided. 1-Capital region 2-Northeast region 3-Southeast region 4-Great Lakes region 5-South Central region 6-Deep South region 7-Deep South region II 8-Great Plains Rocky Mountain region 9-Southwest region 10-a-b-West Coast region. No attempt will be made to seal off the Canadian and Mexican borders. Secretary, Department of Interior Combined Memo: Department of Justice, Federal Bureau of Investigation, Central Intelligence Agency. There are 12 stiffittik Minority organizations and all are familiar to the 22 million. Dossiers have been compiled on the leaders of the organizations, and can be studied in Washington. The material contained in many of the dossiers, and our threat to reveal that material, has considerably held in check the activities of some of their leaders. Leaders who do not without precedent in have such usable material in American history, their dossiers have been ap- Attorney General proached to take Government posts, mostly as ambassadors (CONTINUED NEXT WEEK) and primarily in African countries. However, we do not expect these slow-downs to be of long duration, because there are always new and dissident elements joining these organizations, with the potential power to replace the old leaders. All other leaders are to be detained at once. Compiled lists of Minority leaders have been readied at the National Data Computer Center. It is necessary to use the Minority leaders designated by the President in much the same manner in which we use Minority members who are agents with CENTRAL and FEDERAL, and we cannot reveal until there is no alternative in all its aspects. "0" Committee Report

Survey shows that during a six-year period, production created 9,000,000 objects, or 1,500,000 each year. Production could NOT dispose of the Containers, which proved a bottleneck. However, that was almost 20 years ago. We suggest that vaporization techniques be employed to overcome the production problems inherent in King Alfred.

(The "0" Committee Report is referring to the PROBLEM that occurred in the NAZI Germany when the furnaces were NOT hot enough to BURN THE BODIES that Hitler had KILLED. The bodies CLOGGD up the FURNACES thereby causing a problem that the above committee recommends avoiding by building high-volume (NUCLEAR-Powered) INCINERATORS that burn 5,000 degrees. It should be noted that STEEL melts at approximately 2700 degrees!)

1And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory.

² And he cried mightily with a strong voice, saying, **Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird.**

WAR On TERRORISM

³ For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.

⁴ And I heard another voice from heaven, saying, **Come out of her**, my people, **that ye be not partakers of her sins, and that ye receive not of her plagues.**

⁵ For her sins have reached unto heaven, and God hath remembered her iniquities. . . .

¹⁷ For in one hour so great riches is come to nought. And every shipmaster, and all the company in ships, and sailors, and as many as trade by sea, stood afar off,

¹⁸ And cried ***when they saw the smoke of her burning***, saying, What city is like unto this great city!

¹⁹ And they cast dust on their heads, and cried, weeping and wailing, saying, Alas, alas that great city, wherein were made rich all that had ships in the sea by reason of her costliness! for in one hour is she made desolate.

²⁰ **Rejoice over her**, thou heaven, and *ye holy apostles and prophets*; for God **hath avenged you** on her.

²¹ And a mighty angel took up a stone like a great millstone, and cast it into the sea, saying, **Thus with violence shall that great city Babylon be thrown down, and shall be found no more at all.** . . .

²⁴ **And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth.** - - Revelation 18 (Holy Bible - King James Version)

Nürnberg trials
WORLD WAR II TRIALS

WRITTEN BY: The Editors of Encyclopaedia Britannica
LAST UPDATED: Jan 23, 2020 [See Article History](#)

Nürnberg trials, Nürnberg also spelled **Nuremberg**, series of trials held in [Nürnberg, Germany](#), in 1945–46, in which former [Nazi](#) leaders were indicted and tried as war criminals by the International Military Tribunal. The [indictment](#) lodged against them contained four counts: (1) crimes against peace (i.e., the planning, initiating, and waging of wars of aggression in violation of international treaties and agreements), (2) crimes against humanity (i.e., exterminations, deportations, and genocide), (3) [war crimes](#) (i.e., violations of the laws of war), and (4) "a common plan or conspiracy to commit" the criminal acts listed in the first three counts.

Principle IV states: *"The fact that a person acted pursuant to order of his Government or of a superior does **NOT** relieve him from responsibility under international law, provided a moral choice was in fact possible to him"*.

This principle could be paraphrased as follows: *"It is **not** an acceptable excuse to say 'I was just following my superior's orders'"*.

in that the “appropriate INTERNATIONAL Authorities may have knowledge and / or access to the necessary MEANS and RESOURCES, etc. to aid in the EMERGENCY RELIEF . . . sought herein.

With that being said, the following *good-faith* demands are set forth – i.e. Laying the FOUNDATION for the applicable relief for RESTITUTIONS and more – in accordance with the Statutes, Codes, Rules, Regulations and / or Laws governing said matters:

- (1) The IMMEDIATE END of the “Indian Wars” launched against the BLACK Indians (as the Chickasaw Tribal Nation, etc.) / NATIVE Nations within what is presently known as the United States of America – i.e. in that (it appears) the USA (a privately held company) is being used as a FRONT by the Europeans’ NAZIS / WHITE Supremacists / Ku Klux Klan / Jews / Zionists . . . to COVERUP CONSPIRACIES in efforts of obtaining their “NEW World” Agendas – wherein, FRAUDULENT “Replacement” Native-American Reservations (exhibiting what have been LABELED as “RED” People) are being used in keeping with the LIES told by the WHITE Man regarding allege United States / AMERICAN HISTORY! Moreover, FAILED efforts to ELIMINATE the HISTORY of the BLACK Indians and KNOWLEDGE of the BLACK Indians’ (and their Heirs / Descendants) OWNERSHIP of the Lands / Territories, Properties and Resources, etc. being sought through their PATTERN-Of-WARS Practices for purposes of COVERING UP:

WAR Crimes, Crimes Against Humanity, Violation(s) of Geneva Convention on the Prevention and Punishment of the Crime of Genocide (1948), Ethnic Cleansing, Violation(s) of Chemical Weapons Convention (1997), as well as other Atrocities, etc.

WHY IS THIS INFORMATION IMPORTANT? It EXPOSES The FAILURE OF USA's PAPER GENOCIDE Conspiracies Against BLACK Indians! It further supports that the Lands / Territories PRESENTLY known (as the Chickasaw Tribal Nation's Officials seek to CHANGE) as the United States of America BELONG to the BLACK Indians!

WHY the CONSPIRACIES to start World War III / World War 3? The United States of America's NAZIS / WHITE Supremacists / Ku Klux Klan / Jews

/ Zionists. . . use such Wars for purposes of **COVERING UP** their **ENGAGEMENT** in **WAR Crimes, Crimes Against Humanity** and other Atrocities **against NATIVE Nations and NATIVE People** - i.e. In keeping with NAZI Germany's "**NEW Order**" for **GLOBAL / Worldwide WHITE Supremacy**; however, **CANNOT claim the Lands / Territories, Properties and Resources, etc. of the USA as long as there are BLACK Indians (HEIRS)!**

NOTE Where RED People/The Replacements Are!

Southern states

"Black Codes" in the antebellum South strongly regulated the activities and behavior of blacks, especially free Blacks, who were not considered citizens. Chattel slaves basically lived under the complete control of their owners, so there was little need for extensive legislation. "All Southern states imposed at least minimal limits on slave punishment, for example, by making murder or life-threatening injury of slaves a crime, and a few states allowed slaves a limited right of self-defense."^[8] As slaves could not use the courts or sheriff, or give testimony against a white man, in practice these meant little.

[https://en.wikipedia.org/wiki/Black_Codes_\(United_States\)](https://en.wikipedia.org/wiki/Black_Codes_(United_States))

IMPORTANT TO NOTE: BLACK Indians are NOT Citizens of the United States of America and NEITHER do USA and its STATE Agencies (as the State of Mississippi) have JURISDICTION over the Chickasaw Tribal Nation / BLACK Indian Nations and / or their NATIVE People! BLACK Indians and their TRIBAL Nations are PROHIBITED from using the USA's allege Courts and Law Enforcement; furthermore are PROHIBITED from SUING and / or providing TESTIMONY against the WHITE Man.

Thus, **EVIDENCE** to support **WHY "ALL"** Lawsuits brought by Vogel Denise Newsome and / or her **Legal Counsel** were **NOT allowed to be LITIGATED** and tried **before JURIES within the USA's** so-called **Judicial System** and **FEDERAL / STATE Agencies REFUSING to act upon the Complaint(s) submitted!** Thus, **allowing for INTERNATIONAL "Playbook" moves** to be used – i.e. **relying upon NATIONALITY (Chickasaw) and birth ABROAD (in Germany) to OPEN UP and UTILIZE "International" Tribunals!**

IMPORTANT TO NOTE: Through the USA's / State of Mississippi's WHITECAPPING practices, Chickasaw Tribal Nation Officials and / or NATIVE People were FORCED off of their Lands and subjected to further:

WAR Crimes, Crimes Against Humanity, Violation(s) of Geneva Convention on the Prevention and Punishment of the Crime of Genocide (1948), Ethnic Cleansing, Violation(s) of Chemical Weapons Convention (1997), as well as other Atrocities, etc.

Wherein, Prime Minister Newsome was unlawfully subjected to HUMAN Experiments, **INJECTED "DAILY" over her objections** – i.e. because under the so-called United States of America's Constitution, "BLACK Indians" [LABELED as Niggers, Colored, Negroes, Coons,

BLACKS and / or AFRICAN Americans . . .] **are NOT** seen as Citizens and are NOT seen as Humans. Moreover, through the so-called WHITE Man's System, **"that they had no rights which the white man was bound to respect; and that the negro might justly and lawfully be reduced to slavery for his benefit."**- - *Dred Scott, 60 U.S. at 407.* - - https://en.wikipedia.org/wiki/Dred_Scott_v._Sandford -- In which, there is EVIDENCE of CONSPIRACIES to ENSLAVE as well as carry out MASS Extermination of the "BLACK Indians" from the NAZIS / WHITE Supremacists / Ku Klux Klan / Jews / Zionists . . . hiding out within our Lands / Territories!

Does it make sense that so-called Citizens **are BANNED** from the United States Courts? Then **WHEN** the "BLACK Indians" proceed to use **INTERNATIONAL Tribunals, "DISTRACTION Schemes** (Nehemiah 6)) are USED and efforts taken to have them MURDERED / ASSASSINATED for purposes of CONTINUING to perpetrate the LIES of the WHITE Man's "DISCOVERY Of America!" **NO THANK YOU!** As with Nehemiah, the USA's Government have heard that REGIME CHANGE is coming! Therefore, using their BLACK Ku Klux Klan Members (as Malcolm X also shared) to MURDER / ASSASSINATE those used in the fulfillment of PROPHECY!

When Matriarch Newsome and Prime Minister Newsome were doing their COMMUNITY Activists work, many thought that she was an **"ONLY"** child. Matriarch Newsome **would proudly share how she and Chief Joseph were BLESSED with eight (8) children**; however, **"ONLY this one** – and sharing **Born in GERMANY** – is out here doing the work!" OH, HOW EXCITED she would be just KNOWING that ALL that she poured into me is being WITNESSED! Often telling me (because at times, she would give her LAST), she is **"CASTING her BREAD upon the WATERS and BELIEVING God to FULFILL the PROMISES!"** – Ecclesiastes 11:1. So here we are, Matriarch Newsome's LABORING, WORK and INVESTMENTS . . . being manifested. Time-and-Time again, she would say, **"I may not be here to see it, but I believe!"** Of course that was not registering with me because, like so many others, you think your Mother is going to be around a LONG TIME!" So when People ask, **"WHAT drives me?"** It is FUFILLING **"MY Mother's PURPOSE, DREAMS and VISIONS"** given to her by God to **FREE** the **"BLACK Indians"** / NATIVE Nations, their NATIVE People and the WORLD – i.e. **"Setting The CAPTIVES FREE!"** As Malcolm X shared a News Article, **"OUR FREEDOM CANNOT WAIT!"**

Don't know if you remember me sending an email back in 2019 entitled "THE CHARM" (See Attachment) It was about the charms that I had acquired after Mother passed. (See Attachment)

Last week while I was preparing for my day and ironing....I looked at my picture display entitled "THE CHARM" (See Attachment). I heard a voice say "What does that represent?"do you see death or life and joy that once was. I immediately believed when Mother purchased these charms they represented "life" and the joy she felt about her eight children. I'm sure she enjoyed wearing them around her neck and possibly bragged about her children....they were not expensive charms but they represented so much to mother.....so why are they hanging on display only to possibly be thrown away after I pass and am no longer around.

I decided that to honor my mother, I would refurbish my charm and wear it proudly around my neck and remember what the Lord poured into my spirit about my charm. So I touched up my charm with gold paint and went to Claire's for a gold necklace to hold my charm. (See Attachment)

I did not notice before.....but there were seven gold charms; however, your charm was dark silver or gray. The word that fell into my spirit was "TARNISHED" (See Attachment) Wow!! I thought maybe I could possibly tough her charm up with gold....then, I heard a voice say....you may touch up and cover this charm with gold but still it won't change what's inside. Wow!! Wow!! Darkness and evilness.

Each sibling will receive their charm. What to do with you charm? Nothing, throw it away since you to want anything from the estate. I didn't even want to gift your charm to your nieces because the the darkness and evilness attached with it. ☹️☹️

As Harvellia Lupene Newsome Thomas ("Harvellia") shared, her hearing VOICE(S)! Not knowing the reason for the DIFFERENCE in the Charm being the FACT that our Matriarch Pearl Leo Newsome knew of Prime Minister Vogel Denise Newsome being DIFFERENT from the other seven (7) children. Often her making known and from time-to-time would mess with Matriarch Newsome saying, a "SWITCH at BIRTH" must have occurred for a SWAN winding up in the MIDST of those DUCKS – i.e. Taken from the story of the "UGLY DUCKLING" who learned through the TRIALS of LIFE and PERSEVERANCE, the EVOLUTION in the making of a SWAN and being UNITED with other SWANS! Process similar to that of the

METAMORPHOSIS of the CATERPILLAR! Thus, reason for one of the Chickasaw Tribal Nation's TOP Named Missions – **OPERATION "BLACK" SWAN!**

Out of eight (8) children, it being Prime Minister Newsome who:

- a) Received what are known as the **"BLACK" Toys**
- b) Matriarch Newsome advised when going off to College, **"Do NOT forget WHERE you come from," "Do NOT forget your PEOPLE,"** and to use what she LEARNS to better the LIVES of the **"BLACK Indians!"** Matriarch Newsome being VERY influential and INSPIRATIONAL . . . in the SUCCESS of FREEDOMS for the Chickasaw Tribal Nation / Utica International Embassy as well as other **"BLACK Indians," NATIVE Nations** and their NATIVE People **from the OPPRESSION and COLONIZATION,** etc. of the WHITE Man – i.e. The **END of "GLOBAL" WHITE Supremacy!** - - Ecclesiastes 11:1
- c) **REJECTED** predominantly White Institutions ("PWI") Scholarships and **DETERMINED to BEGIN and FINISH** at one of the **Historically BLACK Colleges and Universities** ("HBCU") – i.e. Beginning at Mississippi Valley State University ("MVSU" - Itta Bena, Mississippi) and FINISHING at Florida Agricultural and Mechanical University ("FAMU" – Tallahassee, Florida).
IMPORANT TO NOTE: Harvellia FLUNKING OUT at Mississippi College. Upon hearing that Prime Minister Newsome was attending Mississippi Valley State University, Harvellia TRANSFERRED. It is **"ONLY" because** MVSU wanted PM Newsome that Harvellia was offered a Scholarship as well (due to Chief Joseph Newsome advising PM Newsome will not be able to attend unless Harvellia is given a Scholarship as well)! Thus, upon PM Newsome's **LEAVING to go to Florida A&M University,** Harvellia's Scholarship **was STRIPPED** – i.e. ALL these DECADES later, the RESENTMENT, ENVY, ANGER, JEALOUSY . . . continues
- d) **To date has NEVER married. Harvellia having TWO (2) FAILED Marriages**
- e) Survived the **March 25, 2019,** attacks the other seven (7) children LAUNCHED against her in the role(s) played in CONSPIRACIES to have her KIDNAPPED and ways to have her ASSASSINATED for purposes of AIDING and ABETTING the USA's NAZIS, WHITE Supremacists, Ku Klux Klan, Jews and Zionists in the THEFT / STEALING of the Lands / Territories, Properties and Resources of the Chickasaw Tribal Nation's **"BLACK Indians"** and other **"BLACK Indians" / Native Nations.** . . . receiving assistance through the Utica International Embassy!

August 15, 2024

Until the next time, we leave with our **September 23, 2019 TRIBUTE** To Our **MARTRIARCH – PEARL Leo Torrey Newsome** – i.e. who knowing of inability to write poems as she enjoyed doing, assisted in drafting during our **MEDITATIONS** upon her **TRANSITIONING** on **Saturday, September 21, 2019**, to **COMFORT, STRENGHTEN** and **ASSIST** in writing!

911 OUR PRECIOUS PEARL HAS BEEN STOLEN

The THIEF cometh not, BUT FOR to Steal, and to Kill, and to Destroy: I am come that they might have life, and that they might have it more abundantly. - - John 10:10

Thank you my Mother (Pearl Leo Torrey Newsome) for seeing in me LOVE, TRUTH, PEACE, FREEDOM and JUSTICE for all HUMANITY!

The Thief comes for none other but to STEAL, KILL and DESTROY. On September 21, 2019, he came to STEAL, KILL and DESTROY/SILENCE you VOICE!

Your Smiles, Words and Joy... in rendering your songs; Will FOREVER reign in my Heart and CONTINUE making me STRONG!

Through times as this when EVIL/WICKEDNESS abides; I can assure you Mother that by the GRACE of God the LAWS will be applied!

To bring those to JUSTICE who sought to DIVIDE; and working with Baker Donelson to TAKE YOUR LIFE!

Let me speak clearly and make it very CLEAR; God WILL PREVAIL for in Him there is NO FEAR!

On September 21, 2019, when you called me just to say "HI;" we had no idea that this would be the day that they would TAKE YOUR LIFE!

Just KNOW through the OBSTACLES I will CONTINUE TO FIGHT;
to take ALL THE WRONGS worked against us to MAKE IT RIGHT!

As I have PROMISED you, I will CONTINUE to STAND;
and DELIVER our Enemies into God's HANDS!

So the Devil thought he had WON in your DEATH;
the MISTAKE he has made is I have been GIVEN YOUR BREATH!

It's NOT about me, but ALL about you;
a God-Loving Woman who BIRTHED me and brought me THROUGH!

For approximately 110 Days I was KIDNAPPED and held HOSTAGE;
as the US Government/Baker Donelson/Town of Utica/Hinds County... and my
Siblings sought to make me a SLAVE and HOLD me IN BONDAGE!

As with Joseph in his BETRAYAL of those of his BROTHERS;
it was the FAITH, STRENGTH and PRAYERS of my God-Loving Mother and Others;

That pulled back the Hands of the EVIL/WICKED ONES;
EXPOSING their Crimes in a Battle they thought they had WON!

God allowed you to see the BEGINNING of the Utica INTERNATIONAL Embassy;
the INEVITABLE rise of a NEW Government in HISTORY!

The EVILS that were done to cause us HARM;
God HAS turned for our GOOD cradling us in his ARMS!

NOTHING can be done to TURN Back the HANDS OF TIME;
your LIFE was UNJUSTLY taken because of these SWINES!

While the WORLD has been ROBBED of this VERY SPECIAL JEWEL (Pearl)
in your LEGACY through me you left FRUITFUL TOOLS!

THANK YOU, THANK YOU My Mother, My Heart and My FRIEND;
from your Daughter Vogel Denise Newsome, who you taught to be STRONG and
NEVER TO BEND!

Taking your recommended quotes, "Greater is He that is in me than he that is in the
World;"
and the 23rd Psalms I WILL keep for my PEARL!

As you shared you were HURT by what my Siblings were doing to me;
it is through such TESTIMONIES and STORIES God has given us the VICTORIES!

INJECTIONS-AFTER-INJECTIONS they couldn't UNDERSTAND;
why the WHITE Man's Poisons weren't working on me
IGNORANT and DUMBED DOWN UNABLE to take my LIFE because I am in God's
HANDS!

NOTHING can be done to RESTORE the Time STOLEN from us;
our family FOREVER shattered through Lies and Lost of Trust!

So THANK YOU Dear Mother Pearl for BELIEVING in me;
that God makes NO Mistakes and have SET US FREE!

Giving and restoring NEW Friends, NEW Families... who TRULY CARES;
showing through their LOVE in the things that they share!

You are a person who loved your GLITTER and brought to the World a SPECIAL
FLARE;
so rest in Peace and CONTINUE Butterfly knowing to many that you brought many
CHEERS!

You shared you hate the things being done to me;
OUR Lives have been FOREVER changed as we both AGREED!

Through such experiences as we each have ENDURED;
just KNOW Dear Mother Pearl that JUSTICE will be SERVED!

You will NO LONGER have to fear my Siblings in giving me a Call;
One-by-One EACH seed WILL FALL!

Touch NOT my Anointed and do my Prophets NO HARM;
Devising in their HEARTS to cause us HARM as they smiled and connived through
DECEITFUL CHARM!

There is nothing that is HIDDEN that God will NOT REVEAL;
in Times such as this I am KEEPING IT REAL!

We talked and discussed NEVER putting you in a Nursing Home,
Now 181 Days after my KIDNAPPING you are not here and are GONE!

7/24 LOVE CARE is what you needed;
Nevertheless, my Siblings saw to that, EVEN with that, that you WOULD BE
CHEATED!

While you have been ROBBED through ENVY and STRIFE;
Your VOICE and your LOVE “WILL” be heard through my LIFE!

We OFTENED talked that I am NOT part of the EIGHT;
Whose Lives are ROOTED in Strife, Envy and HATE!

God has taken me and SET ME APART;
for it was FROM your WOMB He gave me my START!

I LOVE YOU, I LOVE YOU, I LOVE YOU I do;
with the BREATH left in my Body, I am going to FIGHT FOR YOU!

So NO...NO...NO... September 21, 2019, was NOT YOUR ENDING;
for it is the START of your NEW Legacy’s BEGINNING!

So while you have TRANSITIONED ON;
I LOVE YOU my Mother Pearl Newsome, my NUMBER 1!

You LOVED to tell people that I was “GERMAN BORN”

While I was LEFT OUT OF THE LOOP regarding your CARE;
there are things to be done and TRUST Me, God will NOT SPARE!

While there are questions that I need answers FOR;
REST in COMFORT knowing that JUSTICE must take its COURSE!

I hope this Special Homegoing is FILLED with many BUTTERFLIES;
a Day FULL of CHEERS, of HELLO and NOT GOODBYES!

You missed the News of our SUCCESS on this WEEK;
how God BLESSED us in ANOTHER United States Government DEFEAT!

When my Siblings thought they could take better care of YOU;
they SHIRKED “Their” Responsibilities to STRANGERS they and you NEVER KNEW!

To CARE for MY MOTHER Pearl – God’s PRECIOUS Gift and JEWEL!
Too BUSY with their LIVES and REFUSING to HEAR – Continuing on the course as
OLD STUBBORN MULES!

While my Siblings LAUGHED, WHISPERED and were PLAYING their GAMES;
they have brought to the WORLD one of HISTORY'S GREATEST BETRAYAL and
SHAME!

Like Medgar Evers, Malcolm X and Martin Luther King;
it is through your MURDER and DEATH Queen Pearl that you WILL FOREVER
REIGN!

It is through your WOMB that God has CHOSEN ME;
to LIBERATE the SLAVES that want to be FREE!

In 110 Days Baker Donelson and my Siblings sought to DESTROY MY MIND;
resulting in their FAILURES and the VICTORIES are NOW MINE!

One HISTORICAL Battle was David's rendering of Goliath's DEFEAT;
so even in your Murder and Death there WILL be MANY VICTORIES!

Your name Pearl Leo Torrey Newsome WILL be KNOWN throughout the WORLD;
Mother of the UIE Interim Prime Minister sharing your Name and Works from
SHORE-TO-SHORE!

While you have moved on through this TRANSITION;
just KNOW Mrs. Pearly you STILL have a MISSION!

NOT even in DEATH where my Siblings thought you could be TAKEN FROM ME;
for through your, Teachings, Smile, Singing... and Spirit in my HEART you will
FOREVER BE!

IN CLOSING:

Our Hearts keep on BEATING and BEATING ONE, TWO, THREE...;
My Mother Pearl Newsome – The PRECIOUS Jewel just sit on your THROWN so
RIGHTFUL to BE!

Tis the “Old Ship of Zion” get on Board, GET ON BOARD!

As you have shared, “TIME IS WINDING UP!” You have done your job in telling your
Family, Friends and Neighbors, TIME is WINDING UP!

The “OLD ACCOUNT IS SETTLED” as you have shared with me so LONG AGO!
