40. Because of the “**Corporation**” setup, communication has to be with the “fiction” created known as the “**STRAWMAN**” where identification is made by placing characters of the factious creation in “**ALL CAPS**” – i.e. as JANE DOE/JOHN DOE – **which denotes “Dead” and/or “Not Living.”**

41. *Corporations do not and/or cannot communicate with Human Beings.*

42. The term “STRAWMAN” was derived for “No Soul” and/or “Spiritually Dead!”

43. Understanding the “Strawman Process:”

(a) When a mother gives birth, under “CORPORATION” Bylaws..., she has to register the birth of the child(ren). If the birth is not registered, she may be taken to one of the Corporation’s court.

(b) The *Birth Certificate* that the Mother (who is deemed an informant) provides is taken and (*unknown to her*), a copy is made – i.e. creating a STRAWMAN [fiction name for the child(ren)]. In other words, the child(ren) is turned into a TRUST.

Than a VALUE is allocated to that TRUST – i.e. **Billions of dollars** are allocated.

Creating a BOND! Becoming a Warehouse Bond for MONEY!

Thus, it is **then TRADED** through the STOCK MARKETS for Money!

(c) Fraudulent acts / practices that **are NOT** being disclosed.

44. The Strawman Process involves “IDENTITY THEFT” where the Child’s / **Person’s NAME** is taken and turned into a DEAD Entity known as **the Strawman!** The dead entity then **begins to make BILLIONS** as it is TRADED on the Market!

45. The Strawman Process is **the ONLY** way that the Corporation / Company can conduct business.
46. When one may be required to go to Court, it is **NOT** going to be in the real name because the Court (**a corporation/business entity**) does **NOT** have your name and **only** engages in **fictitious** and/or **fraudulent matters** with **DEAD** Entities (known as a **Strawman**)!

I believe that banking institutions are more dangerous to our liberties than standing armies. If the American people ever allow private banks to control the issue of their currency, first by inflation, then by deflation, the banks and corporations that will grow up around [the banks] will deprive the people of all property until their children wake-up homeless on the continent their fathers conquered. The issuing power should be taken from the banks and restored to the people, to whom it properly belongs.

## D. FORECLOSURE RACKETEERING / PONZI SCHEMES AND NEXUS / LINK TO UTILITY / ENERGY / POWER COMPANIES:

As a direct and proximate result of Banking Institutions' Foreclosure Racketeering / Ponzi Schemes, said schemes have been known to play intricate parts in conspiracies reported to adversely target and / or impact the "Protected Class" / "Protected Group!" In support thereof, the following statements – i.e. however, not limited to these alone – are presented:

66. A reasonable mind may conclude, that such Racketeering / Ponzi Scheme practices and Conspiracies, etc. are the agreements that Banks (involved in said schemes / conspiracies) enter into for purposes of causing such devastation and irreparable injuries / harm to their victims (i.e. such as the “Protected Class” / “Protected Group”). War Crimes and/or Criminal Acts that pose a threat to National/Global Security and Peace that adversely impacts the Public and / or World-At-Large; that, if allowed to continue:

*U.S. v. Jimenez Recio*, 123 S.Ct. 819 (2003) - **Essence** of a conspiracy is **an agreement** to commit an unlawful act.

Agreement to commit an unlawful act, which constitutes the essence of a conspiracy, is *a distinct evil* that may exist and be punished whether or not the substantive crime ensues. *Id.*

Conspiracy *poses a threat to the public* over and above the threat of the commission of the relevant substantive crime, both because *the combination in crime makes more likely the commission of other crimes* and because it **decreases the probability** that *the individuals involved will depart from their path of criminality*. *Id.*

67. Because Vogel Denise Newsome is **not seen as a** Citizen of the United States of America / United States (although given a frivolous Certificate of Citizenship) and **misabeled** as being Black, Colored, Negro and/or African-American, etc. for purposes of subjecting her to the “BLACK Codes” and/or “SLAVE” Codes that the United States of America and its States (as Mississippi) are still operating under in the 21<sup>st</sup> Century [thus, NOT seeing her as a Living Person / Human Being – i.e. but merely a SLAVE **with NO** Nationality, **NO** Country, **NO** Government, etc.], it therefore, is VDN’s legal / lawful duty to take her matter before an “**INTERNATIONAL**” Tribunal rather than be subjected to the frivolous United States

Courts – **which are “PRIVATELY” held Companies** – it appears VDN’s siblings are attempting to get her to address such matters before, with knowledge and / or should know of the War Crimes and Criminal Acts, etc. being carried out against her!

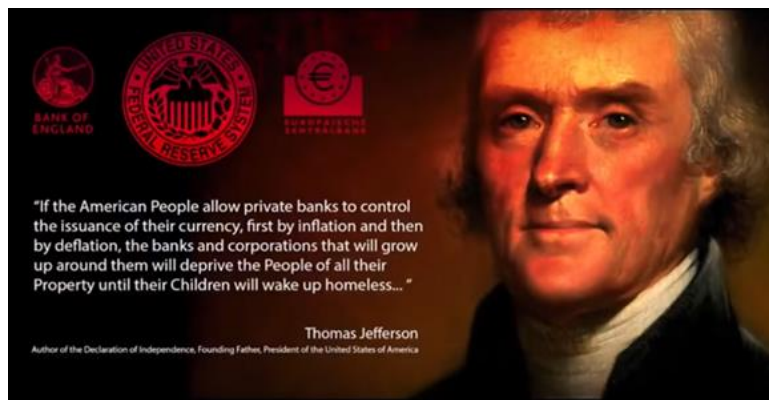

68. Vogel Denise Newsome / Prime Minister Newsome **is NOT** a Slave of the United States of America / United States DESPOTISM Corporation Empire nor that of its Nazis and Jews / Zionists that control said Despot Corporation!

69. VDN / Prime Minister Newsome is of **Native Descent** – i.e. known as Indian, etc. – and have every intent to exercise rights secured to her as well as express **rescinding** any and / or all alleged Treaties the *United States of America / United States* [a “**PRIVATELY**” held company] may assert are binding (**when NOT**) due to their Representatives’ breach as well as the fraudulent and deceptive practices (*i.e. threats, coercion, blackmail, preying on illiteracy / fears / language barriers, etc.*) used to obtain marking[s] (“x”) and or alleged signature[s] **which can be challenged!**

70. VDN / Prime Minister Newsome is a LIVE Person, awake and conscious!

71. VDN / Prime Minister Newsome **is NOT** a Corporation!

72. Such Foreclosure Scams / Schemes that Native / Indigenous / Aboriginal People (“Protected Class” and / or “Protected Group”) may find themselves in appear to be a direct and proximate result of what appears to be the concerns of Thomas Jefferson (Third President of the United States) **of the People waking “up homeless...”** because of **private banks** (growing up around them) controlling the issuance of the currency – first by inflation and then by deflation.

73. The United States Federal Reserve, belongs to investors as England’s Royal Family and their Co-Conspirators, etc.!

74. The United States Federal Reserve is also “a privately held company” and is a “**Headquarters**” business that has been categorized under “**RECREATION**” Association and established in 1936, and **INCORPORATED** in District of Columbia.

Recognizing the importance of the Civil Rights Act of 1866 and the laws derived therefrom.

#### RESOLUTION

Recognizing the importance of the Civil Rights Act of 1866 and the laws derived therefrom.

Whereas, in the aftermath of the Civil War, the reunified United States of America struggled to reconstruct its war-torn States or establish laws granting newly freed slaves the same rights afforded to White citizens;

Whereas, on April 9, 1866, Congress overrode a Presidential veto to enact the Civil Rights Act of 1866, a law written to protect and clarify the newly bestowed rights of persons of African descent;

Whereas the Civil Rights Act of 1866 declared that all persons born in the United States are entitled to be citizens, without regard to race, color, or previous condition of slavery or involuntary servitude;

Whereas the Civil Rights Act of 1866 was enacted to accomplish three primary objectives: to establish that all persons born in the United States were to be considered citizens, to clearly define the rights guaranteed by American citizenship, and to make it unlawful for any person to deprive another of these rights on the basis of race;

Whereas the Civil Rights Act of 1866 served the role of overriding 'Black Codes', laws enacted in southern States to restrict African Americans' freedom and keep formerly enslaved persons from thriving in society;

As of 06/12/2021, United States House Resolution 694:

79. Foreclosure Schemes are being carried out through the use of some and / or all of the following methods – i.e. however, not limited to this listing alone:

(a) “Mortgage” has been known to mean “**DEATH Contract!**”

(b) When the SIGNATURE is placed on the Application, the signature is taken to AUTHORIZE monies to be taken from TRUST established from Birth Certificate STRAWMAN and the DEBT is PAID from monies taken FROM the Trust!

(c) The Purchaser(s) / Victim(s) Debt was **PAID upon signature** and monies for allege Bill / Debt was taken from the TRUST; therefore, a **DISCHARGE occurs from the Treasury BOND!**

(e) **First missed payment** is what scammers want so they can come after the Purchaser(s) / Victim(s) property and / or possessions, etc.

(f) Turning to the **Insurance Companies** – which are also “privately held companies” - to fulfill rolls in Racketeering Scams.

(g) Although the allege Debt has been “**PAID IN FULL**” from their “**CESTUI QUE VIE TRUST**” created from the Birth Certificate, in such Racketeering Scams, this vital / critical information is withheld and they are led to believe that the monies are being provided from the Lender (*when it is not*) – i.e. the Lender / Bank has already BEEN PAID from monies obtained from the Trust Account!

Thus, the Lender / Banker through such Racketeering Scams **seek to get paid AGAIN with INTEREST!** Going as far as SELLING THE DEBT to a Third-Party to now profit from such War Crimes and Criminal Acts and to push for the completion of the Foreclosure and the THEFT / ROBBERY of the Purchaser(s) / Victim(s) Home and Property / Land!

(h) The Lender / Bank **JUST HAVE PAPER!** The “Contract” **has NO Value** because the Mortgage has been PAID out of the Trust! Therefore, the Lender / Bank **now wants the PROPERTY that has already been paid for** and proceeds to engage in War Crimes and other Criminal acts – i.e. FRAUD, ARMED ROBBERY, etc. to obtain it unlawfully and leave the Purchaser(s) / Victim(s) “**HOMELESS...**”

80. “**WARRANTY DEEDS**” are executed in the use of the “STRAWMAN” for the GRANTOR(S) and GRANTEE regarding matter associated with Mortgage Loan.

81. The SIGNATURE on the **Warranty Deed, is taken** to AUTHORIZE monies to be taken from TRUST established from Birth Certificate STRAWMAN and **the DEBT is PAID from monies taken FROM the Trust to cover the expenses – i.e. Taxes, etc. associated with said transaction(s) mentioned in the Warranty Deed.**

82. Banks / Mortgage / Utility / Energy / Power / Water . . . Companies create frivolous accounts with fraudulent intent to cause allege Customers (as Native / Indigenous / Aboriginal People [collectively known as the “Protected Class” and / or “Protected Group”) injury and/or harm! A debt which has already been “**PAID IN FULL!**” Further, relieving Protected Class of the allege Debt Utility / Power Companies may assert is owed.

83. Because the United States of America is NOT a Government; **but merely a PRIVATELY held Company** - as is its Court(s) - should such Banks / Mortgage / Utility / Energy / Power / Water . . . Companies assert they have legal remedies through a Judicial process, JURISDICTIONAL recourse will only be permissible through **an “INTERNATIONAL” Tribunal** – i.e. in that the Protected Class is NOT a Citizen of the United States of America and the United States of America is NOT a Government – i.e. **but merely a Company / Corporation** – thus LACKING Jurisdiction to handle prosecution of the claims they may allege!

84. Banks / Mortgage / Utility / Energy / Power / Water . . . Company’s alleged bill is “**PAID IN FULL**” under the original of Contract / Application to provide Power, Utilities, Electricity, etc. and is to provide Services to Members of the “Protected Class” at his / her House and / or Lands / Properties “*free of charge!*”

85. Banks / Mortgage / Utility / Energy / Power / Water . . . Company notification / collection letter is in furtherance of such Racketeering Schemes / Scams.

86. In the opening of Account for Members of the “Protected Class,” said Members are Secured Party Creditors. Nevertheless, Banks / Mortgage / Utility / Energy / Power / Water . . . Companies proceed to withdraw from “Protected Class” Members’ United States Treasury Account.

87. Banks / Mortgage / Utility / Energy / Power / Water . . . Companies can be held liable for injuries / harm that Members of the “Protected Class” suffer from as a direct and proximate result of criminal acts brought to Company Officials’ . . . attention.

88. Banks / Mortgage / Utility / Energy / Power / Water . . . Companies submit Monthly Bills with knowledge that Accounts of Members of the “Protected Class” have been “PAID IN FULL!”

89. Banks / Mortgage / Utility / Energy / Power / Water . . . Companies submit Monthly Bills for Accounts of Members of the “Protected Class” for purposes of EXTORTION, BLACKMAIL, etc. of monies from said Members on **an alleged debt** that has been “PAID IN FULL” **with INTERESTS!**

90. Banks / Mortgage / Utility / Energy / Power / Water . . . Companies submit Monthly Bills regarding Accounts of Members of the “Protected Class” for purposes of EXTORTION, BLACKMAIL, etc. of monies from said Members on alleged debts which may constitute **“Using Mail To Defraud”** pursuant to 18 USC §§ 63, 876, 880 and other Statutes/Laws governing said matters.

91. Banks / Mortgage / Utility / Energy / Power / Water . . . Companies submit Monthly Bills regarding Accounts of Members of “Protected Class” for purposes of EXTORTION, BLACKMAIL, etc. of monies from said Members on alleged debts which may constitute **“Blackmail”** pursuant to 18 USC § 873 and other Statutes/Laws governing said matters.

92. Banks / Mortgage / Utility / Energy / Power / Water . . . Companies submit Monthly Bills regarding Accounts of Members of “Protected Class” for purposes of EXTORTION, BLACKMAIL, etc. of monies from said Members on alleged debts which may constitute use of **“Interstate Communication”** pursuant to 18 USC § 875 and other Statutes/Laws governing said matters.

93. Banks / Mortgage / Utility / Energy / Power / Water . . . Companies submit Monthly Bills regarding Accounts of Members of “Protected Class” using so-called **Federal** means – **United States Postal Service** – and deposited mail containing information constituting criminal acts for purposes of EXTORTION and BLACKMAIL, etc. of monies from said Members of a debt **with KNOWLEDGE no** said debts is owing.

94. Banks / Mortgage / Utility / Energy / Power / Water . . . Companies continue to use the United States Postal Service’s mailing system to submit EXTORTION and BLACKMAIL demands, etc. for an alleged debt regarding Accounts of Members of “Protected Class” **with knowledge said debt has been paid in full.**

95. Members of “Protected Class” have a *right to defend* against the fraudulent acts and / or practices of Banks / Mortgage / Utility / Energy / Power / Water . . . Company regarding what he / she believes to be Racketeering Scam(s) leveled against him / her regarding the Account(s).

96. Banks / Mortgage / Utility / Energy / Power / Water. . . Companies’ record reflect Members of “Protected Class” Race as being “Black” and/or “African-American...”

97. Banks / Mortgage / Utility / Energy / Power / Water. . . Companies are presently servicing Members of “Protected Class” Account(s) under the guise of what is known as “BLACK CODES.”

98. The **State of Mississippi** – a **privately held company** - still operates under “BLACK CODES” – i.e. also known as “SLAVE CODES.”

99. It is a matter of “PUBLIC” Record that those LABELED as Indians, Niggers, Negroes, Blacks, African-Americans, are Members of “PROTECTED Class / Group” – i.e. Indigenous / Aboriginal People. Moreover, there are Laws that protect and prohibit Members of said Protected Group / Class from such Racketeering Scams under which Banks / Mortgage / Utility / Energy / Power / Water. . . Companies are subjecting them to.

100. Members of the “Protected Class” / “Protected Group” **are EXEMPT** from that Debt Banks / Mortgage / Utility / Energy / Power / Water . . . Companies are asserting to be owed regarding alleged Account(s) and / or through such Racketeering Schemes.

101. Vogel Denise Newsome (as well as her Parents Joseph Newsome and Pearl Leo Torrey Newsome) being of Indian / Native descent. Thus, protected and entitled to the exemption(s) afforded Members of said “Protected” Class / Group.

102. Due to Native / Indigenous / Aboriginal People’s Status and / or “Protected Class,” they are **also EXEMPT from Taxation**; however, there are records of Banks / Mortgage / Utility / Energy / Power / Water. . . Companies that will support Native / Indigenous / Aboriginal People and / or Members of “Protected Class” are being TAXED and continue to be subjected to TAXATION by “PRIVATELY Held Company(s)! ”

103. The United States is merely “**a PRIVATELY held Company.**” Therefore, Vogel Denise Newsome **CANNOT be a Citizen** of a Company / Corporation!

104. Vogel Denise Newsome (being deemed an *Indigenous / Native* person) is entitled to and has the right to receive *Power, Utilities, Electricity, and Water*, etc. (**free of charge**) at the House and/or lands / territories occupied and / or inhabited, etc.

105. **SIGNATURE** is under the Uniform Commercial Code (“UCC”) and **is used for the fiction!**

106. “Signature” is **TRICKERY used unbeknownst** to Purchaser(s) / Victim(s) allowing for access to the TRUST Account to withdraw monies!

107. **The Signature is being monetized.** Monies are coming from the TRUST Fund set up from the Birth Certificate.
108. Such practices are criminal and / or fraudulent **and** done without the Victim's knowledge.
109. **AUTOGRAPH** is what a REAL Person uses!

**FEBRUARY 1, 2018**  
**PUBLIC ANNOUNCEMENT:**

If you are Native, Native-American and Black/Negro/African-American/Person-Of-Color and believe you **have been VICTIMIZED** by Criminal Practices . . . and believe that your **Lands/Territories/Properties** have been **STOLEN** or **UNLAWFULLY/ILLEGALLY** seized alleging FORECLOSURE!

Can you relate to Reverend Cary Johnson, Pastor Patrick Jackson and others that have been **VICTIMIZED** up under **Planters Bank's FORECLOSURE SCAMS** and the **ATTACKS/MOCKERY** against the Churches. . . ?

110. The United States' NAZI/Jews'/Zionists' Legal Counsel Baker Donelson Bearman Caldwell & Berkowitz also has OTHER Clients (as Charles Koch and Koch Industries...); wherein, it is being reported that, **"Charles Koch funded eviction push while investing in real estate companies."**

17 USC § 107 Limitations on Exclusive Rights – FAIR USE

<https://www.theguardian.com/us-news/2021/may/21/charles-koch-foundation-eviction-real-estate>

Billionaire Charles Koch's foundation has bankrolled three conservative legal groups leading the court battle to eliminate prohibitions against tenant evictions during the Covid-19 pandemic in America.

At the same time, Koch's corporate empire has suddenly stepped up its real estate purchases during the pandemic - including making large investments in real estate companies with a potential financial interest in eliminating eviction restrictions.

112. NOW that the United States of America's Nazis and Jews / Zionists Racketeering Schemes . . . are being exposed, the World is NOW witnessing efforts of their White Supremacist Officials attempting to move the "Protected Class" into "SOCIALISM" and deceive them into thinking that the "FREE" Services they are to LAWFULLY entitled to, **MUST STILL** be controlled by the White Supremacists – i.e. to which Vogel Denise Newsome / Prime Minister Newsome is **vehemently** OBJECTING TO!

113. United States' Officials (Nazis and Jews / Zionists) using *the guise of "FREE" Services* [to which Members of "Protected Class" are LAWFULLY entitled] as **BAIT to LURE** these victims INTO more SLAVERY schemes – i.e. **FIRST** through "Democracy" and "**NOW**" Socialism!

## E. UNITED NATIONS

As a matter of Statutes / Laws governing such matters, it is important to provide evidence that "PRIOR" to seeking "INTERNATIONAL" options, that the United States of America's / United States' Officials and / or Representatives were timely, properly and adequately notified, etc. that "INTERNATIONAL" options will be pursued as a direct and proximate result of "**FAILURE TO ACT,**"

etc.! Moreover, that said failure to act has resulted in a “*pattern of practice*,” “*path of criminality*,” and / or much more . . . – i.e. thus, posing a **GLOBAL THREAT** to the Public / World:

Conspiracy poses a threat to the public over and above the threat of the commission of the relevant substantive crime, both because the combination in crime makes more likely the commission of other crimes and because it **decreases the probability** that the individuals involved will depart from their path of criminality. - - U.S. v. Jimenez Recio, 123 S.Ct. 819 (2003)

114. In 2007, the United Nations passed the Declaration on the Rights of Indigenous Peoples, to help **eliminate human rights violations against them**. It creates a framework for laws to make sure that issues are addressed by working directly with Indigenous communities.

There are 46 Articles, or rules, in the Declaration, including:

- Indigenous peoples **are free** and equal to all others and have the right to be free from any kind of discrimination, including discrimination based on their Indigenous origin or identity (**Article Two**).
- Indigenous people have the right *to live in freedom, peace and security*.
- They must be free from genocide and other acts of violence including the removal of their children by force (**Article Seven**).
- Indigenous peoples have the right to practice and revitalise their cultural traditions and customs (**Article Eleven**).
- Indigenous peoples shall not be removed from their land by force. Where they agree, they should be provided compensation, and, where possible, have the possibility to return (**Article 10**).
- Indigenous peoples **must not** be discriminated against in matters connected with employment (**Article 17**).

- Governments shall consult properly with Indigenous peoples before adopting laws and policies that may affect them. They must use the principles of free, prior and informed consent – which means giving Indigenous peoples **all the facts needed to make decisions** (Article 19).
- Indigenous peoples have the **right to own, use and control their lands, waters and other resources**. Governments shall recognise and protect these lands, waters and resources (Article 26).

This Declaration is unique in that it was the first UN document created for the people, by the people: Indigenous People from all over the world helped to develop it, and it took more than two decades of discussions.

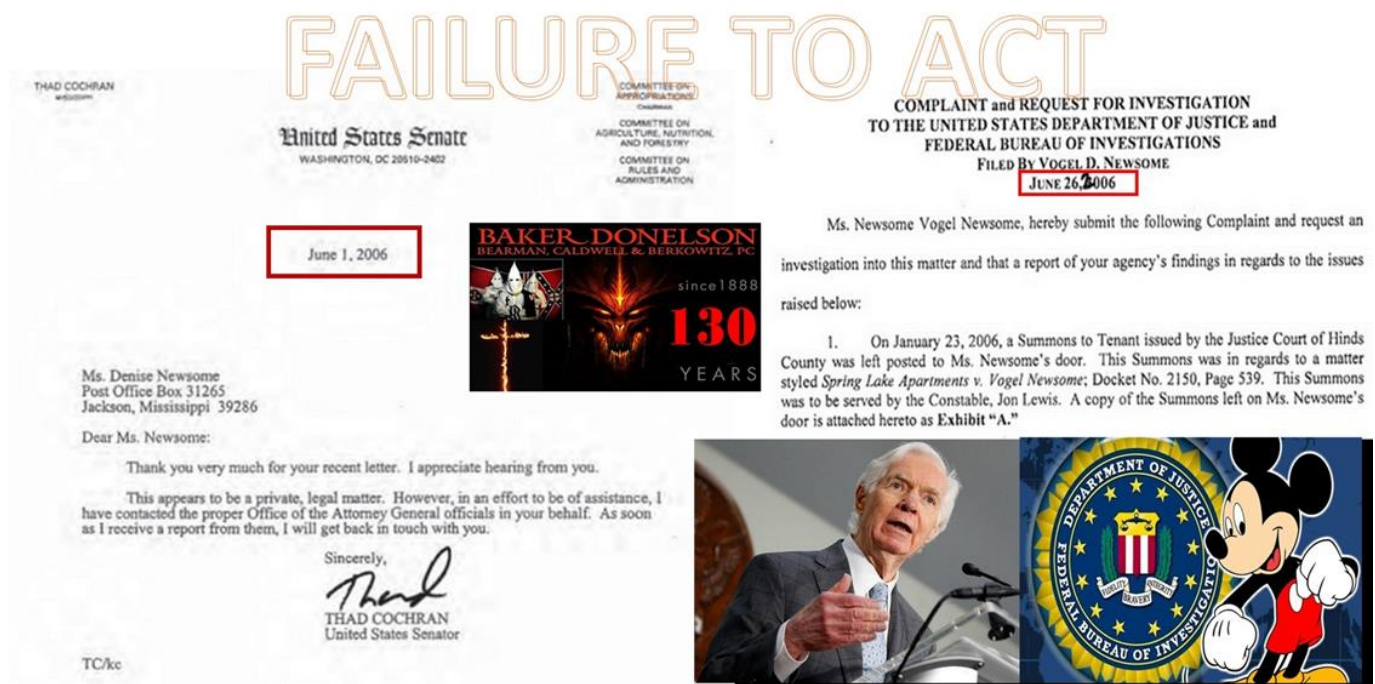

As of 06/24/2022: <https://www.amnesty.org.au/how-it-works/what-are-indigenous-rights/>

115. The United States’ so-called Statutes / Laws are clear in addressing the “*power to prevent*” and / or “*failure to prevent*.”

UNITED STATES CODE – **Power / Failure to Prevent** (42 USC § 1986):

**Every** person who, having knowledge that any of the wrongs conspired to be done, and mentioned . . . are about to be committed, and having **power to prevent or aid in preventing the commission of the same, neglects or refuses so to do**, if such wrongful act be committed, **shall be liable to the party injured**, or his legal representatives, **for all damages caused by such wrongful act, which such person by reasonable diligence could have prevented**; and such damages may be recovered in an action on the case; and any number of persons guilty of such wrongful neglect or refusal may be joined as defendants in the action; . . .

116. Record evidence will support that as early as **June 2006**, Vogel Denise Newsome timely, properly, and adequately pursued what she believed to be lawful recourse and reporting of criminal acts, etc. against her to the United States Congress as well as the United States Department of Justice! To no avail!

117. There is record evidence to support that United States Mississippi Senator Thad Cochran advising,

*“This appears to be a private, legal matter. However, in an effort to be of assistance, I have contacted the proper Office of the Attorney General officials in your behalf. As soon as I receive a report from them, I will get back in touch with you.”*

Nevertheless, Cochran failed to provide Vogel Denise Newsome with a report. Thus, a *reasonable mind* may conclude Office of the Attorney General Officials ***failed to respond***.

118. There is record evidence to support that (at the time of Thad Cochran's addressing Vogel Denise Newsome's matter), *the United States Legal Counsel* Baker Donelson Bearman Caldwell & Berkowitz also having one of their Attorneys (**J. Keith Kennedy**) serving "*as the majority staff director of the Committee on Appropriations from January 2005 to September 2006, under the chairmanship of Senator Thad Cochran . . .*"

Moreover, evidence to support request(s) for timely INVESTIGATIONS, HEARINGS, and FINDINGS! To no avail!

## Rep. John Conyers' Wife Heads Off to Prison

For Democratic congressman John Conyers, the drama of the 2006 baby-sitting ethics scandal must seem like a walk in the park compared with the heartbreak of seeing his wife report to federal prison. Today, ex-Detroit council member Monica Conyers began a 37-month sentence for corruption at a minimum-security camp in Alderson, W.Va. It's the same place Martha Stewart did time for charges relating to a stock-trading scandal.

In 2009 Monica Conyers pleaded guilty to taking bribes, although she is currently trying to retract that plea.

121. United States / Senator Patrick Leahy ***failing to act*** on “07/14/08 EC&RFL...” – i.e. taking a ***far departure*** from the Statutes / Codes / Rules / Regulations governing said matters!

***Berry vs. American Express Pub., Corp.***, 381 F.Supp. 2d 1118 (2005) - Where source of legal authority is statutory and NOT constitutional, Congress retains ability to CREATE and DIRECT law, so long as it is consistent with constitutional principles, and it is particularly important for COURT to follow that DIRECTIVE.

***Watkins v. U.S.***, 77 S.Ct. 1173 (1957) - [n.2] ***Power of Congress to conduct investigations*** is inherent in the legislative process, and is broad.

[n.5] **In conducting investigation**, Congress is not a law enforcement or trial agency and no inquiry is an end in itself, **but it must be related to and in furtherance of a legitimate task of Congress.**

[2][5] We start with several basic premises on which there is general agreement. ***The power of the Congress to conduct investigations is inherent in the legislative process. That power is broad.*** It encompasses inquiries concerning the administration of existing laws as well as proposed or possibly needed statutes. **It includes surveys of defects in our social, economic or political system for the purpose of enabling the Congress to remedy them.** It comprehends **probes into departments of the Federal Government to expose corruption**, inefficiency or waste. But, broad as is this power of inquiry, it is not unlimited. There is no general authority to expose the private affairs of individuals without justification in terms of the functions of the Congress.

This was freely conceded by **the Solicitor General** in his argument of this case. FN8 Nor is the Congress a law enforcement or trial agency. These are functions of the executive and judicial departments of government. No inquiry is an end in itself; **it must be related to, and in furtherance of, a legitimate task of the Congress. . . .**

FN8. 'Now, we don't claim on behalf of the Government that there is any right to expose for the purposes of exposure. And I don't know that Congress has ever claimed any such right. But we do say, in the same breath, **that there is a right to inform the public at the same time you inform the Congress.'**

RE: **UPDATE AND URGENT REQUEST REGARDING: Emergency Complaint and Request for Legislature/Congress Intervention; Also Request for Investigations, Hearings and Finding**

Dear President-Elect/Senator Obama:

I believe you will find not only from my July 13, 2008 Complaint filed with the Legislature/Congress, but also with the FBI that I am definitely in the trenches fighting for the little people and have been doing so since leaving Florida A & M University ("FAMU"). However, due to the systematic prejudices and injustices which has plagued African-Americans and/or people of color – justice has been delayed; however, now with the new administration, not denied and believe the laws will be applied equally, just and fair.

I take the fight for Civil Rights and many other protected rights very seriously and believe you will find from the documentation provided you and/or sent you that this is true. Not only that that I was fighting for such causes during the times you were working in the communities – just in different states. I am still fighting and will continue to fight; however, like you advised you are going to need us working with you as President in our communities. I am going to need you working for me as well as those on whose behalf I am fighting for while you are our President and believe this can be done (YES WE CAN!!!!). Therefore, please take the time to review the attached documents as well as the July 13, 2008 Complaint sent to your attention and advise or have your Aid(s) contact me regarding the status.

137. Facts / Evidence support this instant matter meets the prerequisites of ***“Contentious”*** Cases.

138. Facts / Evidence support ***“error”*** regarding the United States being recognized as a State – i.e. when it is **NOT!** The United States is **NOT** a Country **NOR** State; however, is merely a ***“privately held company!”***

139. **NOTIFICATION IS HEREBY SERVED:** By virtue of jurisdictional clauses – i.e. wherein Vogel Denise Newsome / Prime Minister Newsome on behalf of the Chickasaw Tribal Nation – disputes regarding Treaties alleged by the United States of America / United States are drawn into question and being challenged / disputed!

140. Vogel Denise Newsome / Prime Minister Newsome is legally and / or lawfully authorized to bring matters before United Nations as well as the International Tribunals – i.e. as the International Court of Justice.

Since there is no special International Court of Justice Bar, there are no conditions that have to be fulfilled by counsel or advocates to enjoy the right of pleading before it, the only exception being that they must have been appointed by a government to do so. - - As of 06/25/2022: <https://www.icj-cij.org/en/how-the-court-works>

141. In accordance to Statutes / Laws / Procedures governing matters before the International Court of Justice, in one or two ways may proceeding(s) be presented:

Through **the notification** of a special agreement: this document, which is bilateral in character, can be lodged with the Court **by either** or both of the States parties to the proceedings. A special agreement **must indicate the subject of the dispute** and the parties thereto. Since there **is neither** an “applicant” State nor a “respondent” State, in the Court’s publications their names are separated by an oblique stroke at the end of the official title of the case, e.g., Benin/Niger.

By means of **an application**: the application, which **is unilateral** in character, is submitted by an applicant State against a respondent State. It is intended for communication to the latter State and the Rules of Court contain stricter requirements with regard to its content. In addition to the name of the party against which the claim is brought and the subject of the dispute, the applicant State must, as far as possible, *indicate briefly on what basis - a treaty or a declaration of acceptance of compulsory jurisdiction - it claims that **the Court has jurisdiction**, and must succinctly state the facts and grounds on which its claim is based.* At the end of the official title of the case the names of the two parties are separated by the abbreviation v. (for the Latin versus), e.g., *Nicaragua v. Colombia*. As of 06/25/2022: <https://www.icj-cij.org/en/how-the-court-works>

142. Contentious cases entail:

Contentious proceedings include a written phase, in which the parties file and exchange pleadings containing a detailed statement of the points of fact and of law on which each party relies, and an oral phase consisting of public hearings at which agents and counsel address the Court. As the Court has two official languages (English and French), everything written or said in one language is translated into the other. The written pleadings are not made available to the press and public until the opening of the oral proceedings, and only then if the parties have no objection. - - As of 06/25/2022: <https://www.icj-cij.org/en/how-the-court-works>

143. At the request of parties – i.e. as Vogel Denise Newsome / Prime Minister Newsome / Chickasaw Tribal Nation - the International Court of Justice discharges its duties as a full court. Said Court “may also establish *ad hoc* chambers to examine specific cases.” - - As of 06/25/2022: <https://www.icj-cij.org/en/how-the-court-works>

144. The International Court of Justice **is governed** by the following sources of law that **it must** apply:

- 1) International **treaties** and conventions in force;
- 2) **International** custom;
- 3) The general **principles of law**;
- 4) Judicial decisions; and
- 5) The teachings of the most highly qualified publicists.

Moreover, if the parties agree, the Court can decide a case *ex aequo et bono*, i.e., without confining itself to existing rules of international law.

145. From research, it appears that the International Court of Justice *may be party to the “STRAWMAN” Schemes!* Note that the “Last” or “Preferred”... Name of Members appear in “ALL CAPS!” - - As of 06/25/2022: <https://www.icj-cij.org/en/current-members>

## **Congress asks Roger Goodell, Dan Snyder to appear at hearing on Washington franchise workplace culture**

NFL.com wire report

The U.S. House Committee on Oversight and Reform has invited NFL Commissioner Roger Goodell and Washington Commanders owner Dan Snyder to appear at a hearing later this month as part of the Congressional investigation into the team's workplace conduct.

Chairwoman Carolyn B. Maloney and Subcommittee on Economic and Consumer Policy Chairman Raja Krishnamoorthi said Wednesday they sent letters to the league and team requesting the presence of Goodell and Snyder on June 22.

## Roger Goodell Defends Commanders Investigation, but Not Team's Owner

The N.F.L.'s commissioner defended the league's investigation into harassment claims against the Washington Commanders, but offered no support of the team's owner, Daniel Snyder, who did not appear.

June 22, 2022

N.F.L. Commissioner Roger Goodell testified remotely during a House Oversight Committee hearing held Wednesday. Jacquelyn Martin/Associated Press

N.F.L. Commissioner Roger Goodell stood by the league's investigation into allegations of workplace misconduct at the Washington Commanders organization at a congressional hearing on Wednesday, despite being challenged by House members about the N.F.L.'s decision not to compel a written report of the findings or to come down more harshly on the Commanders' owner, Daniel Snyder.

Hours after the House Committee on Oversight and Reform released a memo that said Snyder had interfered in the investigation, Goodell testified that he believed Snyder had been held accountable through the league's assessment of a \$10 million fine on the team and having Snyder step away from the team's day-to-day operations for the past year.

While Goodell lauded the Commanders for transforming their organization's culture in the wake of the investigation, including an overhaul of their human-resources practices, he also said he had not seen another workplace in the N.F.L. "anywhere near" what former employees alleged they experienced with the Commanders over a period that ran from 2006 through 2019.

Tuesday: President Obama waves to supporters during an event at Fort Hayes Arts and Academics High School in Columbus, Ohio.

President Obama's reelection team, looking to portray opposition to the health care law and other administration policies as part of a larger "smear" campaign, has launched a new website aimed at defending the president from criticism.

Obama for American [Campaign Manager Jim Messina](#) wrote in an email to supporters released Tuesday that he is looking for scouts to collect and report "phony attacks" on the president to a site called [Attack Watch](#).

"Here's the deal: We all remember the birth certificate smear, the GOP's barrage of lies about the Affordable Care Act and the string of other phony attacks on President Obama that we've seen over the past few years," Messina wrote.

About **OCTOBER 2011**, there is record evidence to support that the United States President Barack Obama's **Cincinnati Trip** was followed up by his Administration's allege claims that United States Attorney General Eric Holder bringing monies for the Cincinnati Police. A reasonable mind may conclude, Holder's visit being a **FRONT** to shield / hide the War Crimes and Criminal Attacks, etc. launched against Vogel Denise Newsome and **CONSPIRACIES** to have her employment with The Garretson Firm Resolution Group and Messina Staffing / Messina Management Systems **TERMINATED!** Moreover, monies reportedly brought, appears being for **BLACKMAIL...purposes!**

IMPROVING PUBLIC SAFETY & CREATING JOBS

*Attorney General Holder announces COPS grants in Ohio.*

*The following post appears courtesy of Attorney General Eric Holder. Today, along with COPS Director Barney Melekian, I traveled to Cincinnati, Ohio, to discuss the Justice Department's most recent efforts to support our nation's law enforcement community – and to ensure that police officers from coast to coast have the resources that they need and deserve. In recent years, police departments like Cincinnati's – and law enforcement agencies nationwide – have faced extraordinary budget difficulties and have been asked to do more with less. All across the country, law enforcement officials have risen to the challenge – and found innovative, collaborative ways to improve public safety and to keep crime trends heading in the right direction. But at a time when approximately 10,000 officer jobs have been cut, and three times as many positions are currently unfilled due to fiscal constraints, we have a looming national crisis on our hands, both in terms of public safety and public employment. In short, our citizens need protection – and our police officers and other first responders need jobs. As part of the Department's ongoing effort to meet these needs, I'm proud to report that the COPS Office is providing more than \$240 million in new grants to support the hiring and retention of more than 1,000 officers in nearly 240 agencies and municipalities across the country. The Cincinnati Police Department alone was awarded more than \$6.8 million in grant money from the COPS Hiring Program, which will fund 25 critical positions for three years. Such targeted investments are essential to advancing the Department's mission to be smart, as well as tough, on crime. These same priorities are reflected in President Obama's proposed American Jobs Act, which – in addition to creating new employment opportunities and bolstering economic growth – aims to put more officers on the beat and strengthen public safety efforts nationwide. Although we all can be proud of – and inspired by – the courage and commitment that our nation's law enforcement officers exhibit every day, we must find ways to take this work to the next level. The COPS Hiring Program – and this Administration's determination to create and restore law enforcement jobs across the country – will allow us to do just that. To learn more about the COPS Hiring Program and the Department's ongoing work to support our law enforcement partners at every level, [read the press release](http://www.cops.usdoj.gov/) or visit <http://www.cops.usdoj.gov/>*

The reason why the United States Supreme Court has been able to **HIDE/MASK** such **RACIST** practices is because they have placed **"TOKENS"** like **Justice Clarence Thomas and Sonia Sotomayer** on the Bench for purposes of **DECEPTION!** The United States Supreme Court is a Court that has been **PADDED/STACKED** through the

Using the SAME TACTICS United States Legal Counsel Baker Donelson . . . and Co-Conspirators (Scribd.com Officials) . . . used in 2012 during their United States President Barack Obama's Campaign! A *reasonable mind* may conclude – as with Barack Obama – Trump's Legal Counsel wanting to use the SlideShare and Scribd forums for their Client (Donald John Trump)!

The United States' Nazis and Zionists are **FURIOUS** that we are posting the Complaint in this Lawsuit against Gilead Sciences, Inc. - i.e. A document that is **a matter of public records**. Therefore, in efforts to keep the Public/World from getting information, they have used their **UNLAWFUL Monopoly Powers to TAKEOVER** Slideshare and have this document removed. 192. Investigation(s), etc. **will yield**, that the United States Legal Counsel Baker Donelson Bearman Caldwell & Berkowitz is “a **privately** held company!”

193. Thus, a reasonable mind may conclude WHO the ORCHESTRATOR, etc. is behind the attacks on Prime Minister Newsome as well as the Chickasaw Trial Nation’s Officials . . . Citizens / Supporters!

194. There is record EVIDENCE to support that United States President Barack Obama using / creation of Scribd Account on January 12, 2012 – i.e. **TWO Days AFTER** Vogel Denise Newsome’s “01/10/12 NOT-RFI” and **on the SAME date** (01/12/2012) that the United States Congress / Kentucky Senator Rand Paul and Joint Chiefs of Staff/ Michael Mullen receives “01/10/12 NOT-RFI” – to LAUNCH attacks to have VDN’s Scribd Account shut down!

AGREEMENT TO MEDIATE

CHARGE NUMBER: 473-2012-00832  
FEPA NUMBER:

Charging Party: Vogel D. Newsome  
Respondent: THE GARRETSON FIRM RESOLUTION GROUP, INC.

This is an agreement by the above parties to participate in mediation in the above referenced charge. The parties understand that mediation is a voluntary process, which may be terminated at any time. The parties and, if they desire, their representatives and/or attorneys, are invited to attend a mediation session. No one else may attend without the permission of the parties and the consent of the mediator(s).

The mediator(s) will not function as the representative of either party. However, the mediator(s) may assist the parties in crafting a settlement agreement. Each party acknowledges being advised to seek independent legal review prior to signing any settlement agreement. The parties acknowledge that they have received a copy of the Mediation Fact Sheet. The parties acknowledge that the mediator(s) possesses the discretion to terminate the mediation at any time if an impasse occurs or either party or the mediator deems the case inappropriate for mediation.

The parties acknowledge that participation in the scheduled mediation does not constitute an admission by either party of any wrongdoing or of a violation of the laws enforced by EEOC. Furthermore, the Charging Party acknowledges that participation in the scheduled mediation by the Respondent does not commit the Respondent to providing a monetary resolution of the matter.

The parties recognize that mediation is a confidential process and agree to abide by the terms of the attached Confidentiality Agreement. The parties acknowledge that if a settlement is reached as a result of the mediation, the assigned mediator(s) is required to report to EEOC any benefits received. This information is reported only for purposes of providing aggregate data to the EEOC for mediation program evaluation purposes, and the individual terms of the agreement will not be disclosed to the public.

## F. CONSPIRACIES – CONSPIRACIES TO MURDER

In the interest of Justice, the following requirements are relevant in support of **CONSPIRACY PREREQUISITES / PRIMA FACIE REQUIREMENTS** pursuant to *U.S. v. Gibbs*, 182 F.3d 408 (i.e. however, not limited to this case law alone):

### 1 Timothy 1:

8 But we know that **the law is good, if a man **use it lawfully**;**

9 Knowing this, that the law **is not made for *a righteous man*, **but for the lawless and disobedient**, for the ungodly and for sinners, for unholy and profane, **for murderers of fathers and murderers of mothers**, for **manslayers**, . . .**

11 According to the glorious gospel of the blessed God, **which was committed to my trust**.

Definitions of **manslayer**. a criminal who commits homicide (**who performs the unlawful premeditated killing of another human being**) - - 07/12/2022

<https://www.vocabulary.com/dictionary/manslayer#:~:text=Definitions%20of%20manslayer>

- i. an **object** to be accomplished,

**AN OBJECT:** *The KIDNAPPING of Vogel Denise Newsome / Prime Minister Newsome **to have her KILLED / MURDERED** for purposes of SILENCING her for EXPOSING the United States of America and its DESPOTISM Empire's Officials' WAR CRIMES, APARTHEID Practices / CRIMES AGAINST PEACE, GENOCIDE, and World War III / New World Order Agenda, etc.! Moreover, the **genocide / extermination** of the Chickasaw Tribal Nation's / Utica International Embassy's Officials and People . . . !*

- ii. a plan or scheme embodying means to accomplish that object, and

**PLAN/SCHEME:** On March 25, 2019, aware of the **IGNORANCE** of Siblings (Selina Ann Newsome ["Selina"], Edward Earl Newsome ["Edward Earl"], Cloteal Jolquita Newsome Turner ["Cloteal"], Harvellia Lupene Newsome Thomas ["Harvellia"], Joe Lee Newsome ["Joe Lee"], Geneva Rene Newsome Mosley [now Mosley Roach; hereinafter, "Geneva"], and Maureen Arlene Newsome Williams [now deceased; hereinafter "Maureen"] of Vogel Denise Newsome / Prime Minister Newsome, CONSPIRED to recruit said Siblings in CONSPIRACIES to have her KIDNAPPED as well as **aid and abet** in her **killing**

/ **murder / assassination and** that of her Parents (Pearl Leo Torrey Newsome and Joseph Newsome)!

The United States' Officials (Congressional Members, etc.), Representatives, Employees, their United States Presidents, and their Lawyers (as Baker Donelson, etc.) with CO-Conspirators **planned, orchestrated, and carried out** the March 25, 2019, KIDNAPPING of Vogel Denise Newsome and used Employees from the United States **Department of Defense** (Joe Lee and Harvellia ...) as well as the United States Department of Justice (Cloteal), etc. as well as State of Mississippi / Hinds County, Mississippi / Town of Utica, Mississippi Officials (as Chief of Police Timothy Myles and Mayor Kenneth Broome, etc.) **to OVERSEE** the carrying out of WAR Crimes, Criminal Acts and Atrocities against the Chickasaw Tribal Nation Officials and / or its People, etc.!

Through said KIDNAPPING and ASSASSINATION. . . Conspiracies, the Public / World was **NEVER** supposed to know of the **February 25, 2019, process of service** completed "NOTIFYING" of "LEGAL / LAWFUL ACTION(S)" to be brought *through the "APPLICABLE TRIBUNALS!"*

The image shows a document from the **UTICA INTERNATIONAL EMBASSY** and its tracking information. The document, dated February 25, 2019, is a "NOTICE OF INTENT TO BRING LEGAL/LAWFUL ACTION(S) IN THE APPLICABLE TRIBUNALS SEEKING RESTITUTION OUT OF CRIMES COMMITTED ON AUGUST 28, 2018, IN THE UNLAWFUL KIDNAPPING AND OTHER CRIMES OF THE TOWN OF UTICA, MISSISSIPPI, ITS OFFICIALS, HINDS COUNTY MISSISSIPPI, ITS OFFICIALS AND THEIR CO-CONSPIRATORS AGAINST VOGEL DENISE NEWSOME (INTERIM PRIME MINISTER OF THE UTICA INTERNATIONAL EMBASSY)...". - iii. an **agreement or understanding** between two or more, whereby they become definitely committed to cooperate for the accomplishment of the object by the means embodied in the agreement, or by an effectual means – *U.S. v. Gibbs*, 182 F.3d 408

210. In accordance to 18 USC § 1117, **Conspiracy To Murder** is defined as:

If **two or more persons conspire** to violate section 1111, 1114, 1116, or 1119 of this title, and one or more of such persons do **any** overt act **to effect** the object of the conspiracy, **each shall** be punished by imprisonment for any term of years or for life.

211. Vogel Denise Newsome / Prime Minister Newsome believes that there is sufficient FACTS and EVIDENCE, etc. to sustain the elements of the conspiracy(ies) against her, the Chickasaw Tribal Nation / Utica International Embassy Officials and People. Moreover, sufficient proof of:

- a) An agreement among conspirators to commit an offense
- b) Specific intent to achieve the objective of the conspiracy(ies); and
- c) Overt acts to affect the object of the conspiracy(ies)

in accordance with the Statutes / Laws governing said matters:

***United States vs. Valle***, 301 F.R.D. 53 (2014)

[28][29][30][31]The elements of conspiracy are generally more easily proven than the elements of either a substantive offense or an attempt, the latter of which typically requires proof that a defendant took a “substantial step” toward completing a crime. Conspiracy merely requires proof of “(1) **an agreement** among the conspirators to commit an offense; (2) **specific intent** to achieve the objective of the conspiracy; and (3) [here] **an overt act** to effect the object of the conspiracy.” [United States v. Pinckney](#), 85 F.3d 4, 8 (2d Cir.1996) (alteration added) (citation omitted). “ ‘**Whether** the substantive crime itself is, or is likely to be, committed **is irrelevant**, ’ ” [United States v. Wallach](#), 935 F.2d 445, 470 (2d Cir.1991) (quoting [United \\*82 States v. Rose](#), 590 F.2d 232, 235 (7th Cir.1978)), and “ ‘**impossibility of success is not a defense**.’ ” [Hassan](#), 578 F.3d at 123 (quoting [Jimenez Recio](#), 537 U.S. at 276, 123 S.Ct. 819). “ ‘[T]he crime of conspiracy **is complete upon the agreement to violate the law**, as implemented by one or more overt acts ..., and **is not** at all *dependent upon* the ultimate **success or failure** of the planned scheme.’ ” [United States v. Trapilo](#), 130 F.3d 547, 552 n. 9 (2d Cir.1997) (quoting [United States v. Everett](#), 692 F.2d 596, 600 (9th Cir.1982)).

[32][33][34][35]Moreover, a defendant **may be convicted** of conspiracy **without having entered** into a formal or express agreement. “ ‘[I]t is enough that the parties have **a tacit understanding** to carry out **the prohibited** conduct.’ ” [United States v. Rubin](#), 844 F.2d 979, 984 (2d Cir.1988) (quoting [United States v.](#)

[Wardy](#), 777 F.2d 101, 107 (2d Cir.1985)). A conspiracy may also exist “even if a conspirator **does not** agree to commit or facilitate **each and every part** of the substantive offense.” [Salinas v. United States](#), 522 U.S. 52, 63, 118 S.Ct. 469, 139 L.Ed.2d 352 (1997) (citation omitted). “**The partners** in the criminal plan must agree to pursue the same criminal objective and **may divide up the work, yet each is responsible for the acts of each other.**” *Id.* at 63–64, 118 S.Ct. 469 (citing [Pinkerton v. United States](#), 328 U.S. 640, 646, 66 S.Ct. 1180, 90 L.Ed. 1489 (1946)). Because “[s]ecrecy and concealment are essential features of successful conspiracy,” prosecutors **may prove** the “essential nature of the plan and [a defendant’s] connections with it” **through circumstantial evidence and inferences.** [Blumenthal v. United States](#), 332 U.S. 539, 557, 68 S.Ct. 248, 92 L.Ed. 154 (1947); see also [United States v. Stewart](#), 485 F.3d 666, 671 (2d Cir.2007) (“Both the existence of a conspiracy and a given defendant’s participation in it with the requisite knowledge and criminal intent may be established through circumstantial evidence.”).

[36][37]Although the Government may rely on circumstantial evidence and reasonable inferences to establish the elements of a conspiracy, “ ‘because conspiracy is a specific intent crime,’ ” the Government must demonstrate that the defendant **had the specific intent to both engage** in the conspiracy and **commit the underlying crime.** [Hassan](#), 578 F.3d at 123 (quoting [United States v. Morgan](#), 385 F.3d 196, 206 (2d Cir.2004)); see *id.* (“A conspiracy conviction cannot be sustained unless the government established beyond a reasonable doubt that the defendant had the *specific intent* to violate the substantive statute.”) (emphasis in original) (citing [DiTommaso](#), 817 F.2d at 218). However, a defendant’s specific intent may be proven by circumstantial evidence, see [Huezo](#), 546 F.3d at 180, and—under appropriate circumstances—**intent may be inferred from a single act.** *Id.* (“ ‘[A] single act may be sufficient for an inference of involvement in a **criminal enterprise** of substantial scope at least if the act is of a nature justifying an **inference of knowledge** of the broader conspiracy.’ ” (quoting [United States v. Tramunti](#), 513 F.2d 1087, 1111 (2d Cir.1975))).

[42] **To obtain conviction** . . . for conspiracy to commit kidnapping, government must demonstrate beyond a reasonable doubt **that defendant agreed with another to commit one or more kidnappings**, that he **knowingly engaged** in the conspiracy with **the specific intent** to commit the kidnapping or kidnappings that were the objects of the conspiracy, and that an overt act in furtherance of the conspiracy was committed . . . [18 U.S.C.A. § 1201\(c\)](#). - - - -[United States v. Monaco](#), 194 F.3d 381, 386 (2d Cir.1999) (citation and internal quotation marks omitted); see also [Naranjo](#), 14 F.3d at 147

212. A reasonable mind may conclude that the **elements of conspiracy(ies)** are met in that:

a) There is record evidence to support **agreement(s) among** Conspirators (i.e. United States Officials / United States President Donald John Trump / United States Congressional Members and their Legal Counsel Baker Donelson, etc.) and Co-Conspirators (Town of Utica, Mississippi Officials - Mayor Kenneth Broome,

Police Chief Timothy Myles, and Judge Johnnie McDaniels . . . - Hinds County Officials (Sheriff Victor Mason, Judge Denise Owens, Judge Trent Walker, and Board of Supervisors Members . . .) and siblings (Selina, Edward Earl, Cloteal, Harvellia, Joe Lee, Geneva, and Maureen), etc. to have Vogel Denise Newsome / Prime Minister Newsome **KIDNAPPED on March 25, 2019, with specific intent to ASSASSINATE / MURDER** her and other reasons known to them!

b) There is record evidence to support "***specific intent to achieve***" the OBJECTIVE [Assassination / Murder of Vogel Denise Newsome / Prime Minister Newsome] of said conspiracies and being certain that VDN have **no communication** with her Parents (Pearl Leo Torrey Newsome and Joseph Newsome) as well as "***specific intent***" to **defame / slander** her reputation, etc. throughout the Town of Utica, Mississippi and abroad **and communicating** to friends, family, and relatives, etc. to "**NOT get involved...**" for purposes **of succeeding** in "***specific intent to achieve objective of conspiracies by any means necessary, etc.***"

c) There is **record evidence** to support that on or about **May 6, 2019**, Conspirators (i.e. the United States Officials / United States President Donald John Trump / United States Congressional Members and their Legal Counsel Baker Donelson, etc.) and Co-Conspirators . . . held a frivolous Court proceeding in the Hinds County Chancery Court (i.e. Judge Trent Walker presiding) **for purposes of having** Vogel Denise Newsome / Prime Minister Newsome **committed to the Mississippi State Hospital**; wherein, her **ASSASSINATION / MURDER was to be carried out!** Said committal being done **with KNOWLEDGE** Conspirators and their Co-Conspirators **having NO** Legal / Lawful authority to have VDN / Prime Minister Newsome committed!

213. With VDN / Prime Minister Newsome committed, Conspirators and Co-Conspirators **THEN set their sights** on the ASSASSINATION / MURDER of Pearl Leo Torrey Newsome (i.e. on or about September 21, 2019) and Joseph Newsome (on or about February 12, 2022).

214. In **March 2019**, Cloteal advised VDN / Prime Minister Newsome of the United States' conspiracies "**specifically targeting the elderly!**" However, **did NOTHING** to protect the *lives* and *wellbeing* of VDN's / Prime Minister Newsome's Parents, but appears **aided and abetted** her Employers (United States / United States **Department of Justice**) in the ASSASSINATIONS / MURDERS of Pearl Leo Torrey Newsome and Joseph Newsome.

215. On or about **May 16, 2019**, Vogel Denise Newsome's / Prime Minister Newsome's KIDNAPPERS **transported her over Interstate / Highways**. . . to the Mississippi State Hospital [i.e. an **ALL-Women's Facility (EMPHASIS Added)**] **where she was to be ASSASSINATED / MURDERED!**

216. On the evening of May 16, 2019, Mississippi State Hospital ("MST") Officials brought in a "MALE" Employee to administer Medications *with instructions* to **OVERSEE** the Assassination / Murder of VDN / Prime Minister Newsome. He administered *what is believed to be* a "**DEATH Pill**" and **THREATENED** Excessive Force if **NOT** taken orally!

217. The **Death** Pill being a **FAST-DISSOLVING** Pill!

218. The Male Administrator, FOCUSED on VDN's / Prime Minister Newsome's mouth. Therefore, he did NOT see that she was able to ease remaining portion of the Death Pill into the cup - i.e. which he took and threw in the trash. Then proceeded to search VDN's / Prime Minister Newsome's mouth to be sure she SWALLOWED the Death Pill!

*"Whether the substantive crime itself is, or likely to be, committed is irrelevant."* - **United States vs. Valle**, 301 F.R.D. 53 (2014)

219. On or about the morning of May 17, 2019, upon doing rotations in the checking of Patients, Vogel Denise Newsome / Prime Minister Newsome **had to be rushed** to the Nurses Station; wherein, it was determined that her "**vital signs**" were **extremely low** – i.e. *abnormal*! Therefore, a reasonable mind may conclude, that had she swallowed the Death Pill, VDN / Prime Minister Newsome would have been ASSASSINATED / MURDERED and, said crime, noted as "***Natural Causes!***"

220. From the **onset** the Mississippi State Hospital records will support that Vogel Denise Newsome **REFUSED** Treatment and **REPEATEDLY** demanded to be **IMMEDIATELY** released – i.e. which was **DENIED!**

221. The criminal aspect of the conspiracy(ies) IS complete upon the agreement(s) to act in violation of the statutes / laws governing such matters.

222. Conspirators and / or Co-Conspirators may **be convicted** of conspiracy(ies) **without** formally or expressively entering into agreement(s).

223. Investigation(s) will support that Conspirators and Co-Conspirators having "*specific intent*" to engage for purpose of committing the underlying criminal acts of the ASSASSINATION / KILLING / MURDER of Vogel Denise Newsome / Prime Minister Newsome. **Sending** Joe Lee **and** Cloteal in from *time-to-time* to report on "***HOW***" VDN / Prime Minister Newsome was doing at the Mississippi State Hospital.

224. Vogel Denise Newsome / Prime Minister Newsome was advised on or about **July 12, 2019** (*upon being released* from her KIDNAPPERS), that Joe Lee **and** Cloteal were upset and were **INSISTING** that Mississippi State Hospital Officials / Staff Members **CONTINUE** to hold her HOSTAGE!

225. Investigation(s) and record evidence **will support conviction(s)** of Conspirators and / or Co-Conspirators involved in the KIDNAPPINGS and ASSASSINATION attempts on Vogel Denise Newsome's / Prime Minister Newsome's life. As well as what appears to be the ASSASSINATIONS of Pearl Leo Torrey Newsome and Joseph Newsome.

226. Investigation(s) and record evidence **will support conviction(s)** of Conspirators and / or Co-Conspirators involved in what appear to be the ASSASSINATIONS of Pearl Leo Torrey Newsome and Joseph Newsome.

227. Conspirators and / or Co-Conspirators agreed to commit / engage in one or more kidnappings and that he / she **KNOWINGLY engaged in conspiracy(ies)** with the **specific intent** to commit and / or engage in kidnapping(s) being the object of said conspiracy(ies); moreover, acts in furtherance of conspiracy(ies) which can be **deemed OVERT!**

228. A **TACIT** AGREEMENT is defined as (however, not limited to this definition alone):

Occurs when two or more persons pursue by their acts the same object by the same means. **One person performing one part and the other another part**, so that **upon completion they have obtained the object pursued. Regardless** whether each person **knew of the details** or **what part each was to perform, the end results being they obtained the object pursued. Agreement is implied or inferred from actions** or statements.

229. 17 USC § 107 Limitations on Exclusive Rights – FAIR USE

### Catholic Church and the Age of Discovery

From Wikipedia, the free encyclopedia

The Catholic Church during the Age of Discovery inaugurated a major effort to spread Christianity in the New World and to convert the indigenous peoples of the Americas and other indigenous people by any means necessary. The evangelical effort was a major part of, and a justification for, the military conquests of European powers such as Portugal, Spain and France. Christian Missions to the indigenous peoples ran hand-in-hand with the colonial efforts of Catholic nations. In the Americas and other colonies in Asia and Africa, most missions were run by religious orders such as the Franciscans, Dominicans, Augustinians, and Jesuits. In Mexico the early systematic evangelization by mendicants came to be known as the "Spiritual Conquest of Mexico".<sup>[1]</sup>

Antonio de Montesinos, a Dominican friar on the island of Hispaniola, was the first member of the clergy to publicly denounce all forms of enslavement and oppression of the indigenous peoples of the Americas.<sup>[2]</sup> Theologians such as Francisco de Vitoria and Bartolomé de las Casas drew up theological and philosophical bases for the defense of the human rights of the colonized native populations, thus creating the basis of international law, regulating the relationships between nations.<sup>[3]</sup> Important contemporary ecclesiastical documents taking a strong stance on enslaving or despoiling the indigenous peoples of the Americas was the ecclesiastical letter *Pastorale officium* and the superseding encyclical *Sublimis Deus*.

#### Gold Rush and the Native Americans

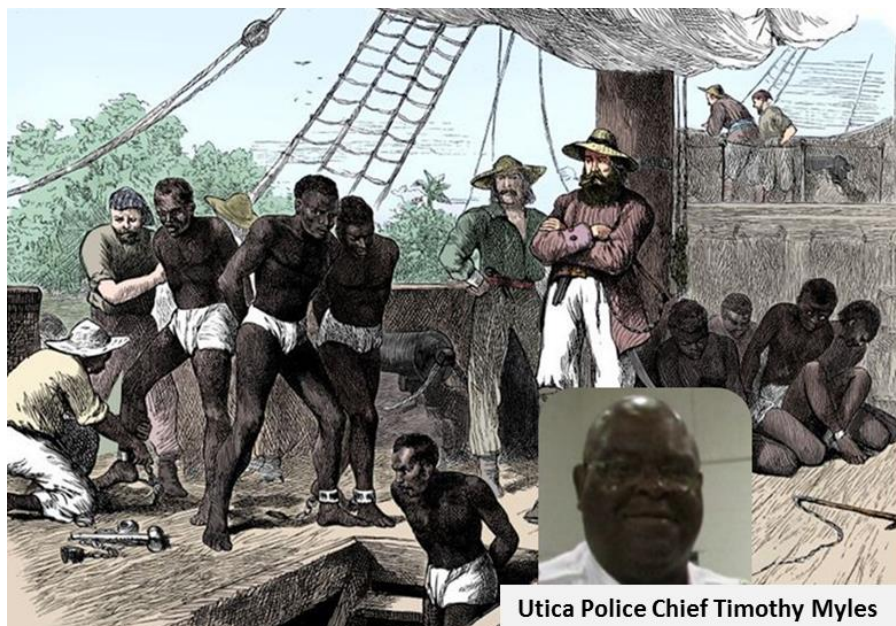

As the United States gold rush expanded through out all of California and dominated most western civilization, it brought an obsession for gold that dominated the desires of all the men and women that flooded in from all over the world. While the gold rush offered these new foreigners the promise of great wealth and security it inversely created great turmoil for the Native Americans, who were the original, indigenous inhabitants of California. “The Native American Population in California, estimated at 150,000 in 1845, had dropped to less than 30,000 by 1870”<sup>[1]</sup>. This dramatic drop in population was due to the destruction of the Native Americans environment, the spread of foreign disease, and racial violence all brought on by the surge and greed of the gold rush.

*A public trust is a vehicle which is set up for the specific benevolent purpose of the author to provide for a certain purpose or object for the benefit and need of the beneficiaries who may not be specifically defined in the trust deed, but include a wide genus of people who fall within the parameters of the object and purpose of that trust... There is no central act*

299. Pursuant to Mississippi Code Title 91 – Chapter 5: Wills and Testaments, it states:

§ 91-5-33 - *Person Who Kills Another Not To Take Under His Will*

If **any** person shall **wilfully** cause or procure the **death of another** in **any** manner, he shall **not** take the property, or any part thereof, real or personal, of such other **under any will**, testament, or codicil. **Any** devise to such person shall **be void** and, as to the property so devised, the decedent shall be deemed to have died intestate.

This shall not defeat the title of a bona fide purchaser for value of the property so devised, who acquired the same after one year from the probation of the will without notice that the person to whom the same was devised so caused or procured the death of the testator.

300. Investigations, etc. **will yield** Vogel Denise Newsome's Siblings (Selina, Edward Earl, Cloteal, Harvellia, Joe Lee, Geneva, and Maureen) engaged in Conspiracies and / or **TACIT** Agreements *that willfully* caused and / or procured the deaths of her Parents (Pearl Leo Torrey Newsome and Joseph Newsome) in any manner.

301. Investigations, etc. **will yield** Vogel Denise Newsome's Siblings (Selina, Edward Earl, Cloteal, Harvellia, Joe Lee, and Geneva, and Maureen's heirs – i.e. since she now deceased) seek to take the property(ies) - or any part thereof (real or personal), of Pearl Leo Torrey Newsome and / or Joseph Newsome under an alleged Will, Testament, etc. of Joseph Newsome.

302. Investigations, etc. **will yield** any devise Selina, Edward Earl, Cloteal, Harvellia, Joe Lee, Geneva, and Maureen's heirs may allege shall **be void** and, as to the Lands / Territories and Properties so devised with the decedent(s) to be deemed to have died **intestate** (i.e. meaning to have died **without a Will**).

303. Pursuant to Mississippi Code Title 91 – Chapter 5: Wills and Testaments, it states at:

§ 91-5-9 - ***Devise to witness void***

If any person be a subscribing witness to a will wherein any devise or bequest is made to him and **the will cannot otherwise be proven**, such devise or bequest shall be void, and the witness shall be competent as to the residue of the will as if a devise or bequest had not been made to him, and he may be compelled to testify. If such witness would have been entitled to any share of the testator's estate in case the will were not established, then so much of such share shall be saved to the witness as shall not exceed the value of the devise or bequest made to him in the will.

However, Mississippi allows you to make your will "self-proving" and you'll need to go to a notary if you want to do that. A self-proving will speeds up probate because the court can accept the will without contacting the witnesses who signed it.

To make your will self-proving, you and your witnesses will go to the notary and sign an affidavit that proves who you are and that each of you knew you were signing the will. - -As of 06/05/2022:

305. Through this instant, “NCW-NLOJ,” record evidence supports that any *alleged* Will by Joseph Newsome is *sought to be* **PROVEN** in accordance to the Statutes / Laws governing said matters!

306. Through this instant “NCW-NLOJ,” let it be made known that any alleged Will of Vogel Denise Newsome’s Father (Joseph Newsome) **is NOT** self-proving! Therefore, this “NCW-NLOJ,” serves as **TIMELY** notification of challenging any Will(s) that VDN’s Siblings (Selina, Edward Earl, Cloteal, Harvellia, Joe Lee, and Geneva) may assert binding and / or enforceable (i.e. when **NOT**)!

**FAMILY DRAMA:**

**PLEASE BE ADVISED** that on 03/20/30, upon my (Denise Newsome's) EXECUTION of "ALL" Documents for my Mother's Admission, Jennifer Brown was **TIMELY, PROPERLY** and **ADEQUATELY NOTIFIED** of my handling of my Mother's (Pearl Newsome [03/02/30]) Affairs. Brown advised the **IMPORTANCE** of a "Power of Attorney!" I advised, her that we are in the process of getting the proper documentation!

My Sister Cloteal Turner came into the Room and advised that Jennifer Brown advised her that she was **NOT** given my Siblings names; wherein Ms. Brown was *provided with the Siblings Names as well as City/State where each LIVED!*

Brown was **TIMELY, PROPERLY** and **ADEQUATELY NOTIFIED** of my Mother's (Pearl Newsome [03/02/30]) Health and the RECENT Heart Procedure done; as well as **VERBALLY NOTIFIED** that such DRAMA was **NOT** to be had! Instead, Jennifer Brown **DID KNOWINGLY** and **WILLINGLY** allow herself to be DRAWN in *against the REQUEST of my Mother and myself to CREATE a "PUBLIC SCENE!"* Moreover, Brown approached the SIDE of my Mother's Bed with Cloteal FORCING my Mother into a COMPROMISING situation, placing her **UNDER DURESS** to provide a RESPONSE!

Page 7 of 8

NEVERTHELESS, Brown came into my Mother's Room (101) with Cloteal to get a VERBAL approval which CLEARLY showed my **MOTHER'S RELUCTANCE!** It was during this time that I ADVISED Ms. Brown of the **FALSE Statement** made to Cloteal; wherein, Brown advised that I had INDEED provided her with my Siblings Names, etc. I believe the SCENE was UNCALLED for and was handled in a **VERY UNPROFESSIONAL Manner**, given the **LENGTHY Conversation** I had with Jennifer Brown on 03/20/30, during **ADMISSION!**

Ms. Brown and Cloteal **sought to get PERMISSION** for the PROVIDING of INFORMATION regarding my Mother (Pearl Newsome [03/02/30]) upon **PLACING** my Mother under **PRESSURE** and **DURESS** – which is **UNACCEPTABLE!** Advised that **NO other** Children are to address DECISIONS; again, the proper documentation to be provided to Clinton Healthcare, LLC.

Ms. Brown on 03/02/30, was advised of the information provided to St. Dominic's Medical Staff of my (Denise Newsome) being the **ONLY** person NAMED out of her EIGHT (8) Children Pearl Newsome advised to be approached that she is **COMFORTABLE** with making DECISION(S) regarding her HEALTH! Ms. Brown proceeded to provide me with the Clinton Healthcare, LLC's "On Your Behalf" Handbook; therefore, a REASONABLE mind may also conclude that she was **TIMELY, PROPERLY** and **ADEQUATELY** advised of our Family Matter; furthermore, CONCERNED her UNDERSTANDING. Nevertheless, my Mother was EXPOSED and SUBJECTED to UNWARRANTED and UNDUE DURESS/PRESSURE, etc.

April 6, 2017

Dear Governor Bryant,

Last week, nearly three years to the day they embarked on landmark criminal justice reform, Mississippi took a significant step in building on the foundations of their commitment to improving public safety by passing HB 1033. HB 1033 further builds on the foundation of the reforms contained in HB 585 and provides technical fixes that carry out the intent of the earlier legislation, garnering further taxpayer savings.

With this action, Mississippi moves away from jailing traffic violators and focuses the state's overcrowded prisons on dangerous offenders and prioritizes taxpayer dollars simultaneously improving state public safety and fiscal health.

362. This instant “NCW-NLOJ” will support Vogel Denise Newsome / Prime Minister Newsome **TIMELY** contest compensation the Executor / Executrix / Administrator may assert in the handling of the Estate of Joseph Newsome!

### Can an Executor of an Estate in Mississippi be Compensated?

Yes, the executor or administrator of an estate may be compensated for their time and any expenses they incur as part of their duties. Their compensation must be reasonable and may vary, depending on how much work was involved. - As of 06/05/2022:

<https://probateadvance.com/mississippi-probate-laws/>

363. This instant “NCW-NLOJ” will support Vogel Denise Newsome / Prime Minister Newsome **TIMELY** contest compensation the Executor / Executrix / Administrator may assert through a *so-called* Court within what is presently known as the United States of America / United States – i.e. in that there is record evidence to support the USA / U.S. Judicial System is FRAUDULENT, etc.!

364. Vogel Denise Newsome **TIMELY**, **PROPERLY**, and **ADEQUATELY** notified Cloteal that she requires that an “**ACCOUNTING**” of her Father’s (Joseph Newsome) Estate to be carried out.

365. Cloteal **confirmed** and / or **agreed** with Vogel Denise Newsome that **an ACCOUNTING** of her Father's (Joseph Newsome) Estate will be kept and / or carried out per VDN's DEMAND(S)!

366. There is record evidence to support that *Selina Ann Newsome, Edward Earl Newsome, Cloteal Jolquita Newsome Turner, Harvellia Lupene Newsome Thomas, Joe Lee Newsome, and Geneva Rene Newsome Mosley-Roach* have been **TIMELY** notified that Vogel Denise Newsome / Prime Minister Newsome **will CONTEST** matters (Wills, etc.) brought regarding the *Estate of Joseph Newsome / Pearl Leo Torrey Newsome, etc.*

### How Long Does Probate Take in Mississippi?

Probate doesn't have a definite timeline. The time from opening probate to closing can vary widely based on several factors. For instance, the size of the estate will have an impact because it takes time to inventory everything. **If the will is contested or other delays occur, it will extend the process.** However, it will be at least a minimum of three to four months **because creditors have 90 days** to submit claims against the estate. - - As of 06/05/2022: <https://probateadvance.com/mississippi-probate-laws/>

367. Investigations, etc. **will yield**, that Selina, Edward Earl, Cloteal, Harvellia, Joe Lee, Geneva, and Maureen stood to **FINANCIALLY** profit and / or **gain**, etc. from their **ROLE(S)** in the conspiracies to not only have Vogel Denise Newsome / Prime Minister Newsome **KIDNAPPED**, but to also have her **MURDERED / KIDNAPPED!**

368. Investigations, etc. **will yield**, that during a 2016 Television Interview with "Real News," Vogel Denise Newsome **TIMELY, PROPERLY, and ADEQUATELY** exposed the conspiracies to take CONTROL of Utica, Mississippi, etc. for purposes of building a "PRIVATE" Prison Industry!

As of 07/10/2022:

369. Investigations, etc. **will yield**, that during a 2016 Television Interview with “Real News,” Vogel Denise Newsome TIMELY, PROPERLY, and ADEQUATELY **WARNED against attacks** and / or **retaliation taken against her for performing PUBLIC, etc. obligation and duty . . . to EXPOSE** such conspiracies, War Crimes, Criminal Acts, and other Atrocities being carried out by the United States of America’s / United States’ Officials, Employees, Representatives, their Legal Counsel (Baker Donelson) and Co-Conspirators, etc. against the Civilian Population – i.e. specifically targeting those who have been LABELED as Niggers, Colored, Negroes, Blacks, and / or African-Americans. . .!

370. Investigations, etc. **will yield**, that on or about October 27, 2015, Town of Utica, Mississippi Officials were TIMELY, PROPERLY, and ADEQUATELY notified of the United States of America’s / United States’ Officials . . . their Legal Counsel Baker Donelson’s, and Co-Conspirators’ [*State of Mississippi / Hinds County, Mississippi / Hinds County Board Members / Legal Counsel*, etc.] ROLES in conspiracies to destroy the Economy, etc. of the Town of Utica, Mississippi and / or adversely impact the Civilian Population . . . *in their quests to SEIZE control and to promote the building of a “PRIVATE” Prison Industry*, etc.

Utica Mayor Broome Introduces Himself

Host (Vogel Denise Newsome) Introduction

**GUIDELINE FOR MEETING (however, NOT limited to this list)**

- **NO** Obscene Language/Cursing/Swearing
- **RESPECT** One Another
- **NO** Interrupting Person On Floor – WAIT To Be Recognized
- **NO** Fighting
- **PLEASE CONDUCT** Yourself In A Courteous/Professional Manner

**ITEMS/CONCERNS TO BE DISCUSSED – REQUESTING MAYOR BROOME’S FEEDBACK ON ISSUES**

- (1) **CLOSURE of the Grocery Store (Sunflower)** - Many citizens of Utica want a Grocery Store in Utica - What is the plan (if one at all) to bring a Grocery Store to Utica, Mississippi – Have there been any prospects from businessmen/women to bring a Grocery Store to Utica (if so, what was the OUTCOME and WHY)?

Your **LEGAL** Right/**OBLIGATION** to ESTABLISH a **DEMOCRACY** Government that works!

TAXES/FURLOUGHS – TARGET the POOR while the WHITE WEALTHY and their LAWYERS are getting RICHER!

Your Legal DUTY/Right NOT to FINANCE Wars – Taking BACK CONTROL from a DESPOTISM Government using TAX DOLLARS to FINANCE attacks on the POOR and TERRORIST Acts (Domestically and Internationally) - - INCREASING Taxes on the POOR to FINANCE the wealthy/rich and their EVIL EMPIRES!

Your CONSTITUTIONAL and LEGAL Right/OBLIGATION to THROW OFF a Despotism Government!

**GENOCIDE + GENTRIFICATION = RISE of DEMOCRACY**  
<http://www.slideshare.net/VogelDenise/taskegee-tests>

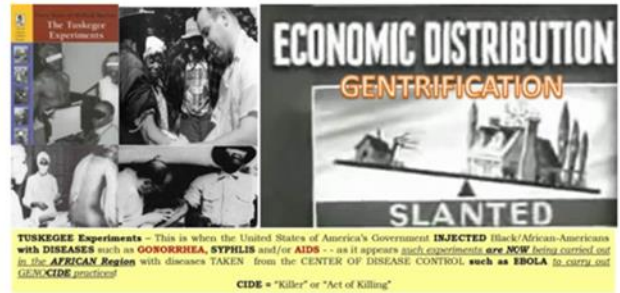

- (2) **BUSINESSES/JOBS** – Many citizens of Utica will like to **see more/new DOWNTOWN** Businesses as well as **more/new** Businesses **OUTSIDE** of the City Limits/Downtown brought in – WHAT plans (if at all) are being pursued to **meet the ECONOMIC demands** for Utica as well as citizens/residents of Utica, Mississippi. WHAT Business proposals – NEW BUSINESSES, FRANCHISES, etc. (if any) have been brought and/or wanted to be brought to Utica, Mississippi? WHAT was the OUTCOME and WHY?

**JOBS** – With what appears to be the UNLAWFUL/ILLEGAL closing of schools and other businesses through the **ILL EFFORT** to bring about the **COLLAPSE** of Utica, Mississippi, WHAT (if anything) is being done to bring JOBS back to Utica?

**PRISON ISSUE** – Is it TRUE or FALSE that there is a plan to CLOSE the Hinds Community College/Utica Branch for purposes of using the land for a PRISON? If so, WHY have the citizens/residents NOT been made aware of such an ILL-FATED plan?

**PLEASE NOTE:** That the issue regarding the Utica citizens/residents **LEGAL right to bring a LAWSUIT (against the State/County, Board Officials, their Lawyers, etc.)** regarding what appears to be the UNLAWFUL/ILLEGAL closure of Hinds Agriculture High School, the **DESTRUCTION of HISTORICAL LANDMARKS** as well as the TAKEOVER of an HBCU (Historically Black Colleges and Universities – which receives FUNDING for such STATUS) by what appears to be a **WHITE Educational Institution/WHITE-Controlled Board of Education (with Ku Klux Klan Affiliation and/or Connections)**! It appears that the closure of Hinds Agricultural High School was done in **VIOLATION of such laws as the KU KLUX KLAN Act** and other statutes/laws PROHIBITED through the **WHITE Elites (Supremacists) CREATION of Legislation to MASK and/or HIDE their RACIST Agenda** from the Public/World!

- (3) **GENTRIFICATION** – Is the buying and renovating of houses and stores in deteriorated urban neighborhoods BY WEALTHIER individuals, which in effect INCREASES property values and DISPLACES LOW-INCOME families and small businesses. This is a COMMON and WIDESPREAD controversial topic in URBAN PLANNING (also known as URBAN RENEWAL). It refers to SHIFTS in urban community lifestyle and an INCREASING share of wealthier residents and/or businesses and INCREASING property values.

**POORER** PRE-Gentrification residents **are UNABLE to pay** INCREASED rents or PROPERTY taxes may find it necessary to RELOCATE!

Downtown Utica was ONCE heavily populated by WHITE-Americans in which MANY have moved away. It appears that decisions regarding businesses/jobs that come into Utica are being decided by the WEALTHY and CROOKED Lawyers that want to unlawfully/illegally CONTROL City Governments/Officials as that in Utica, Mississippi BEHIND-THE-SCENE! Is a process such as GENTRIFICATION being used by the FEW

**WEALTHY White Business Owners in the Utica, Mississippi?** Are the FEW WEALTHY White Business Owners being ALLOWED to OBSTRUCT Economic PROGRESS in the Utica, Mississippi for purposes of securing their DESPOTISM Empires – i.e. UNLAWFULLY/ILLEGALLY obstructing ECONOMIC progress to ELIMINATE competition and EQUAL OPPORTUNITIES to People-Of-Color?

- (4) **WATER ISSUE** – What is the STATUS of the water issue in Utica, Mississippi? Is the water SAFE to drink?

**ELECTRONIC WATER METER** – WHO decided to allow the ELECTRONIC water meter system to be implemented in Utica, Mississippi?

WHAT is the NAME of the Company/Contractor who installed and/or is installing the ELECTRONIC water meter(s) in Utica, Mississippi? PRIOR to the installation of the ELECTRONIC water meter system, were Citizens/Residents made aware of their LEGAL rights to CONTEST/OBJECT the implementation of the ELECTRONIC water meter(s)? What process(es) [if any] were followed in the HANDLING and GRANTING of contract(s) regarding the ELECTRONIC water meter(s)? Resident(s) are COMPLAINING of the MAJOR INCREASE in their water bills since the implementation of the ELECTRONIC water meter(s). Has the City of Utica been made aware of the INCREASING cost in water bills, LEAKS, etc. since the implementation of the ELECTRONIC water meters? There are CONCERNS that the ELECTRONIC water meter system has been installed for purposes of UNLAWFULLY/ILLEGALLY gaining access to PROPERTY LANDS – for example: (i) providing residents with a HUGE water bill through FRAUDULENT practices and placing them in FEAR of LOSING water services if the Water Bill is NOT paid; (ii) SHUTTING OFF water services due to a HIGH Bill

As of 07/08/2022:

371. Investigations, etc. **will yield**, that the USA's / United States' Officials, Representatives, Employees, their Legal Counsel Baker Donelson, and Co-Conspirators' **August 28, 2018**, and **March 25, 2019**, KIDNAPPING of Vogel Denise Newsome, being in **RETALIATION** to her **duty** and **obligation** to **PUBLICLY expose** War Crimes, Criminal Acts, and other Atrocities **adversely** impacting the Civilian Population – i.e. specifically, those LABELED Niggers, Colored, Negroes, Blacks, and / or African-Americans, etc.

372. Investigations, etc. **will yield**, that on or about **July 3, 2018**, Vogel Denise Newsome / Prime Minister Newsome **TIMELY**, **PROPERLY**, and **ADEQUATELY notified** Town of Utica, Mississippi Officials, etc. of their War Crimes, Criminal Acts, and other Atrocities – i.e. specifically, advising **that Roadblocks** being conducted **are prohibited** under Statutes / Laws. To no avail!

- (3) **GENTRIFICATION** – Is the buying and renovating of houses and stores in deteriorated urban neighborhoods BY WEALTHIER individuals, which in effect INCREASES property values and DISPLACES LOW-INCOME families and small businesses. **This is a COMMON and WIDESPREAD controversial topic in URBAN PLANNING (also known as URBAN RENEWAL).** It refers to SHIFTS in urban community lifestyle and an INCREASING share of wealthier residents and/or businesses and INCREASING property values.

373. Investigations, etc. **will yield**, there is recorded evidence of **July 9, 2018**, Ku Klux Klan / **Black Codes Traffic Stop** of Utica International Embassy Prime Minister Vogel Denise Newsome **without** JUST CAUSE! Furthermore, *a reasonable mind* may conclude said traffic stop being deemed *a “NO-Incident Stop;”* wherein Embassy Credentials provided were **“RETURNED”** to her – i.e. allowing her to proceed WITHOUT issuance of Ticket(s)!

383. Investigations, etc. **will yield**, that Vogel Denise Newsome / Prime Minister Newsome **TIMELY, PROPERLY, and ADEQUATELY** responded to alleged, "**STATE OF MISSISSIPPI – UNIFORM TRAFFIC TICKET**" / "**NOTICE TO VIOLATOR.**" Moreover, that VDN's / Prime Minister Newsome's responses went "**UNCONTESTED!**"

## NOTICE TO VIOLATOR

The original of this ticket is an Affidavit and the charge noted on the face of such is officially lodged with the court when the issuing officer files same with the court.

This ticket may be disposed of by mail or personal appearance on or before the appearance date as noted. However, you have a right to a trial if you so desire.

State statutes permit persons charged with an offense against traffic laws of this state, in most cases, to deposit the driver's license with the arresting officer or Court in lieu of any other security to insure said person's appearance in Court wherein such charges are filed. If you elect to deposit the license as provided, and if the block is checked indicating the driver's license is deposited, this ticket will serve as a valid driver's license, but in no case shall it be in force and effect for a period of more than thirty (30) days from the date of issuance of this ticket. Failure to appear or contact the court by the date specified will result in the suspension of the license deposited. Making application for a duplicate license during the period when the original license is posted for an appearance may result in an additional misdemeanor charge.

State law does permit persons charged with traffic violations, in most cases, to dispose of such charge by mail or personal appearance on or before the appearance date as noted on the ticket. If you pay your fine in advance it shall constitute a waiver of further charges, arraignment and trial or if you post cash bail bond and default on your appearance and the court so elects to forfeit the bond in payment of the judgment rendered, such action shall be tantamount to entry of a plea of nolo contendere by you on the charges made against you and the court may convict you of the offense stated on the traffic ticket without further appearance by you. If you desire to dispose of this ticket by mail, contact the municipal court clerk or the justice court clerk noted on the front side, referring to the ticket number, your name as it appears on the ticket, address, etc., and inquire as to the amount of fine which may be assessed. Be sure to give your correct address and zip code so that you may be notified promptly of the fine required.

### WARNING

- DO NOT SEND ANY MONEY UNTIL YOU HAVE CONTACTED THE COURT.
- SEND ALL PAYMENTS TO THE PROPER COURT. DO NOT SEND ANY MONEY TO THE LAW ENFORCEMENT AGENCY WHOSE OFFICER WROTE THE TICKET.
- IF YOU FAIL TO APPEAR OR RESPOND TO THIS TICKET WITHIN THE TIME NOTED ON THE FRONT SIDE OF THIS TICKET, A WARRANT MAY BE ISSUED FOR YOUR ARREST.

### THE GANG THAT KILLED ABRAHAM LINCOLN

#### A Kidnap Conspiracy That Turned Into Murder

By Hoag Levins

CAMDEN, N.J. -- In the century and a half since it happened, populist history has largely boiled down the assassination of Abraham Lincoln to the story of a single perpetrator: John Wilkes Booth. But in his appearance at the Camden County Historical Society, Lincoln scholar Hugh Boyle made clear that the *real* story is a sprawling epic.

Photo: National Archives

Four of the eight convicted for participating in the conspiracy to assassinate Lincoln in April of 1865 died on the gallows three months later. [Larger photo.](#)

It involves a gang of Confederate operatives and sympathizers that first plotted to kidnap the President and, when that failed, decided to murder not only him, but the Vice President and Secretary of State as well. Their goal was to decapitate and destabilize the federal government in hopes of forcing a settlement to the war that would avoid the South's total defeat. In the end, they managed to kill Lincoln and seriously injure Secretary of State William Seward.

Explosive evidence from Trump insider

## Assange dragged from embassy "on the orders of the president"

22 September 2020

Alt-right media personality Cassandra Fairbanks' witness testimony was read out in court yesterday, providing evidence that Julian Assange's April 2019 arrest at the Ecuadorian Embassy in London was politically motivated and directed by United States President Donald Trump.

Fairbanks testified that Arthur Schwartz, a wealthy Republican Party donor and key Trump ally, had told her that Assange was taken from the Ecuadorian Embassy "on orders from the president." The conversation between Schwartz and Fairbanks occurred in September 2019 and was recorded by Fairbanks.

Schwartz, a frequent visitor to the White House and "informal adviser" or "fixer" to Donald Trump Jr., told Fairbanks the president's orders were conveyed via US Ambassador to Germany Richard Grenell, who brokered a deal with the Ecuadorian government for Assange's removal. Grenell was appointed acting director of national intelligence by Trump in February this year, holding the position until May.

416. Vogel Denise Newsome's Siblings (*Selina Ann Newsome, Edward Earl Newsome, Cloteal Jolquita Newsome Turner, Harvellia Lupene Newsome Thomas, Joe Lee Newsome, and Geneva Rene Newsome Mosley-Roach, and Maureen Arlene Newsome Williams*) having OBSESSIONS and ILL intentions, etc. *towards her* that are **so deeply rooted** in their Hearts *and* Souls, etc. that such evils / wickedness they are willing to take with them **to their GRAVES!**

A *Sondergericht* was a German "special court". After taking power in 1933, the Nazis quickly moved to remove internal opposition to the Nazi regime in Germany. The legal system became one of many tools for this aim and the Nazis gradually supplanted the normal justice system with political courts with wide-ranging powers. The function of the special courts was to intimidate the German public, . . .

These protections were swept away in the special courts, since they existed outside the ordinary judicial system. **There was no possibility of appeal**, and verdicts could be executed at once. **The court decided the extent of evidence to consider**, and "the defense attorneys couldn't question the proof of the charges". .

Between 1933 and 1945, 12,000 Germans **were executed on the orders of the *Sondergericht*** set up by the Nazi regime

Especially during the first years of their existence they "had a **strong deterrent effect**" against opposition to the Nazis; the German public was intimidated through "arbitrary psychological terror". . . - - As of 05/04/20: <https://en.wikipedia.org/wiki/Sondergericht>

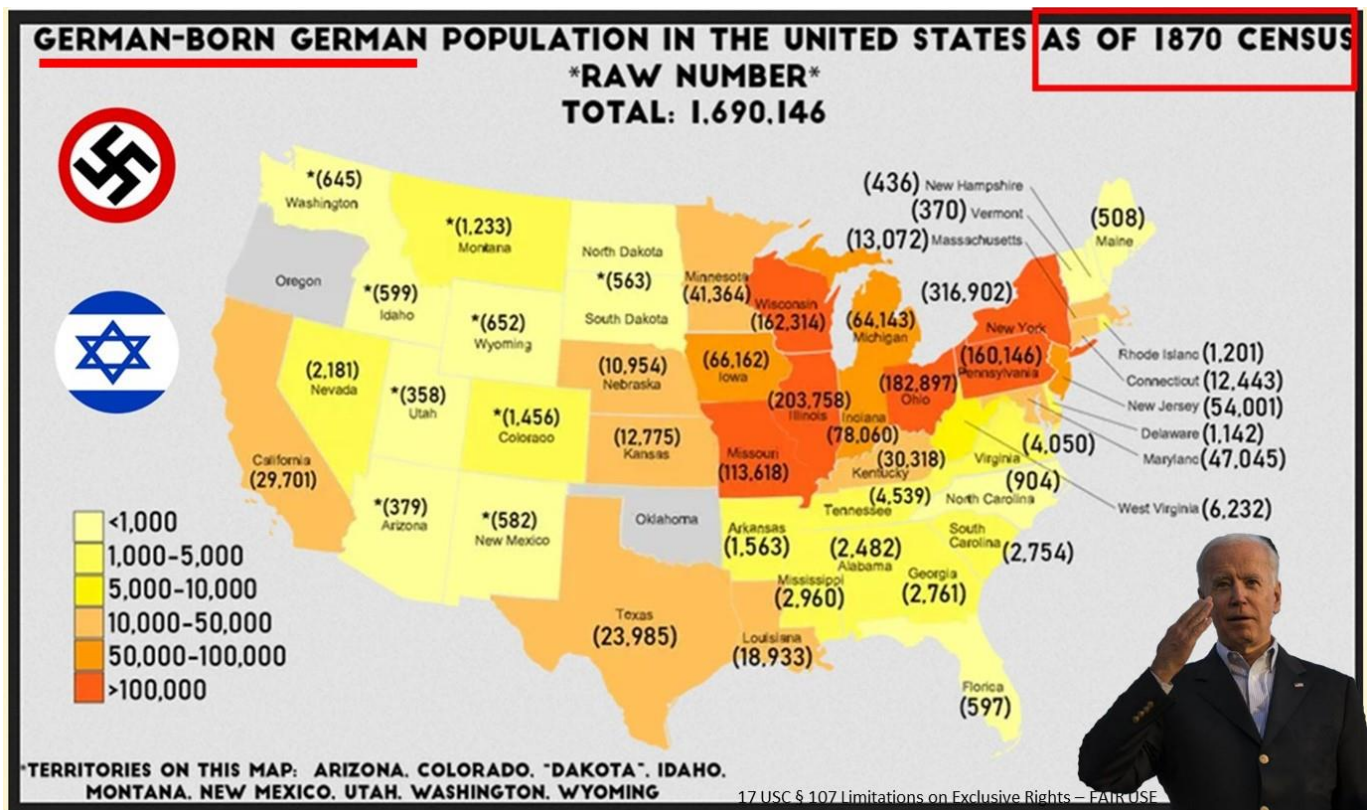

Therefore, in support of such concerns, states the following – i.e. however, not limited to this listing alone:

417. Investigations, etc. **will yield**, the United Kingdom's / Germany's Nazis (with their **fake** Jews [Revelation 3:9] / Zionists) still exist and / or co-exist in the 21st Century.

<sup>9</sup> Behold, I **will make them of the synagogue of Satan**, which say **they are Jews**, and **are not**, but **do lie**; behold, I will make them to come and worship before thy feet, and to know that I have loved thee. - -  
**Revelation 3**

418. Investigations, etc. **will yield**, the United Kingdom's / Germany's Nazis (with their **fake** Jews [Revelation 3:9] / Zionists) **were planted throughout** the World "**PRIOR**" to World War I and World War II!

419. Investigations, etc. **will yield**, the United Kingdom's / Germany's quick and deceptive, etc. moves to remove **internal opposition** to their Nazis' (with their **fake** Jews [Revelation 3:9] / Zionists) Regime and Global Dominance.

420. Investigations, etc. **will yield**, the United States of America's / United States' so-called Legal System becoming one of the many tools used by the United Kingdom's / Germany's Nazis (with their **fake** Jews [Revelation 3:9] / Zionists) and their Legal Counsel (as Baker Donelson Bearman Caldwell & Berkowitz, etc.) to gradually supplant what may be seen as a normal justice system with "**POLITICAL**" Courts with **wide-ranging** and / or **overreaching** powers.

421. Investigations, etc. **will yield**, that the United Kingdom's / Germany's Nazi (with their **fake** Jews [Revelation 3:9] / Zionists) Law Firms (as Baker Donelson, etc.) going about creating a **frivolous** United States of America / United States Judicial System - i.e. **controlled and run by "privately held companies"** - that are being used **to intimidate** Native Nations and their People and / or those they have LABELED as: Niggers / Colored / Negroes / Blacks / African Americans.

422. Investigations, etc. **will yield**, that the United Kingdom's / Germany's Nazis (with their **fake** Jews [Revelation 3:9] / Zionists) have created a "**Sondergericht-Styled**" so-called Judicial System within their "**privately held company**" - *United States of America / United States* - that **seek to sweep away the PROTECTIONS** of Native / Indigenous Nations and their People who the Nazis with their fake Jews / Zionists . . . **have sought to reduce** and / or **label** as being: Niggers / Colored / Negroes / Blacks / African Americans. War Crimes and / or Criminal Acts seeking to deprive "**PROTECTED Class**" Members of a **lawful judicial process, lawful rights to appeal, and subjection to unlawful verdicts / decisions** **obtained through fraudulent / deceptive/ criminal practices**, etc. - i.e. **obstructing the administration of justice** and the **rights / privileges . . .** of those in the "Protected Class. . ." to question / challenge **and require PROOF** of the charges alleged against them, etc.

423. Investigations, etc. **will yield**, that the United Kingdom's / Germany's Nazis (with their **fake** Jews [Revelation 3:9] / Zionists) **have repeatedly** relied on a frivolous / fraudulent, etc. so-called Judicial System (comprising of "privately held companies. . .") **to carry out EXECUTIONS**, etc.

424. Investigations, etc. **will yield**, that the United Kingdom's / Germany's Nazis (with their **fake** Jews [Revelation 3:9] / Zionists) - - through their Law Firms as Baker Donelson Bearman Caldwell & Berkowitz - - **established a "Sondergericht-Style" System to use as a strong deterrent "against"** those opposing their Nazi / Jewish / Zionist-Controlled Regime (i.e. as Vogel Denise Newsome / Prime Minister Newsome and the Chickasaw Tribal Nation's / Utica International Embassy's Officials . . ., Citizens and / or Supporters).

425. Investigations, etc. **will yield**, that the United Kingdom's / Germany's Nazis (with their **fake** Jews [Revelation 3:9] / Zionists) - - through their Law Firms as Baker Donelson Bearman Caldwell & Berkowitz - - established a "**Sondergericht-Styled**" System **that promotes the KIDNAPPING and ASSASSINATION** of those who oppose their Nazi / Jewish / Zionist - Controlled Regime (i.e. as Vogel Denise Newsome / Prime Minister Newsome and the Chickasaw Tribal Nation's / Utica International Embassy's Officials . . ., Citizens and / or Supporters)

426. Investigations, etc. **will yield**, that the United Kingdom's / Germany's Nazis (with their **fake** Jews [Revelation 3:9] / Zionists) - - through their Law Firms as Baker Donelson Bearman Caldwell & Berkowitz - - **established a** United States of America / United States "**Sondergericht-Styled**" System that promotes "**HUMAN Experiments**" and "**PSYCHOLOGICAL Terror**," etc. on the Civilian Population . . .!

427. The United States of America's *so-called* Courts are conducting business under “**COLOR OF LAW!**”

428. Color of Law is **a FICTION!**

429. Because the United States of America / United States is a *privately held company*, said company has been operating outside the Statutes / Laws, etc. that govern!

430. Investigations, etc. **will yield**, the United States of America's / United States' *so-called* Judicial System has been established and / or developed on the premises of a *Sondergericht!*

431. Investigations, etc. **will yield**, the United States of America's / United States' *so-called* Judicial System has been established and / or developed on the premises of a *Sondergericht* with the sole purpose of promoting White Supremacy / Dominance – i.e. **by any means necessary!**

432. In the United States of America / United States, an Attorney's DUTY is FIRST to the Courts and the Public; **NOT** to the Client! Moreover, to protect the FINANCIAL and PERSONAL interests of the “privately held companies” and their “owners!”

→ His first duty is to the courts and the public, not to the client,<sup>55</sup> and wherever the duties to his client conflict with those he owes as an officer of the court in the administration of justice, the former must yield to the latter.<sup>56</sup>

The office of attorney is indispensable to the administration of justice and is intimate and

peculiar in its relation to, and vital to the well-being of, the court.<sup>57</sup> An attorney has a duty to aid the court in seeing that actions and proceedings in which he is engaged as counsel are conducted in a dignified and orderly manner, free from passion and personal animosities, and that all causes brought to an issue are tried and decided on their merits only;<sup>58</sup> to aid the court

433. **In the** United States of America / United States, whenever, an Attorney's DUTIES to their Client **CONFLICT** with those he / she owes as an **OFFICER of THE COURT** in the Administration of Justice, his / her ALLEGIANCE is to the Court under which he / she is AN OFFICER of!

434. **In the** United States of America / United States, Attorneys/Lawyers have taken an OATH not to do anything that would harm their PROFESSION.

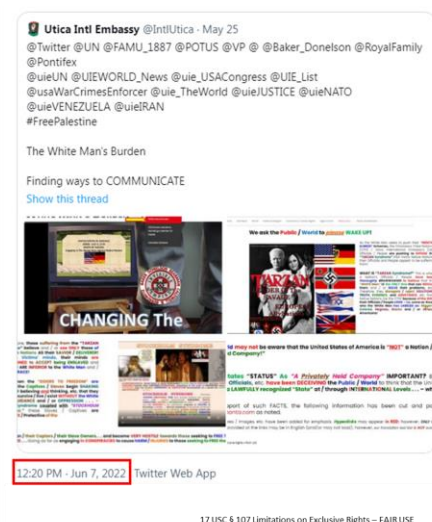

435. **NOTIFICATION IS HEREBY SERVED:** Going to Court in the United States regarding the above-referenced Estate Matter alleged to be for the "STRAWMAN" Joseph Newsome **will be an automatic LOSS** for those challenging and / or opposing the United Kingdom's / Germany's *Sondergericht-Styled* Courts and / or the fraudulent / frivolous proceedings held therein! Furthermore, may be alleged to submitting to the *so-called* Courts Jurisdiction – i.e. wherein Vogel Denise Newsome / Prime Minister Newsome does **NOT**!

436. Investigations, etc. **will yield**, that Attorneys (as Leo Terrell, etc.) having knowledge that the United States of America / United States is a "privately held company" – i.e. therefore, like a Burger King, McDonald, and Chick-fil-A, etc.

#### **CONDUCTING A THOROUGH INVESTIGATION**<sup>16</sup>

Because discrimination often is **subtle**, and there **rarely** is a "**smoking gun**," [Fn. 45 - See *Aman v. Cort Furniture Rental Corp.*, 85 F.2d 1074, 1081-82 (3rd Cir. 1996) ("*It has **become easier to coat various forms of discrimination with the appearance of propriety**, or to ascribe some other less odious intention to what is in reality discriminatory behavior. In other words, while discriminatory conduct persists, **violators have learned not to leave the proverbial 'smoking gun' behind.**"); cf. *McDonnell Douglas Corp. v. Green*, 411 U.S. 792, 801 (1973). . .] determining whether race played a role in the decisionmaking requires **examination of all of the surrounding facts and circumstances**. The presence of absence of any one piece of evidence often will not be determinative. Sources of information can include witness statements, including consideration of their credibility; **documents**; **direct observation**; and **statistical evidence** such as EEO-1 data, among others - See EEOC's Compliance Manual Section 15: Race and Color Discrimination.*

## September 11 attacks

### Events that changed the world

The 9/11 attacks were a series of four co-ordinated terrorist attacks, launched by the Islamic group al-Qaeda, on the US, in New York City and the Washington DC area.

Four passenger airlines were hijacked by al-Qaeda terrorists and flown into buildings in suicide attacks. Two of these planes, American Airlines Flight 11 and Flight 175, were crashed into the North and South towers, respectively, of New York's World Trade Center complex.

Within two hours, both towers had collapsed, with resulting fires causing partial or complete collapse of the other buildings in the complex. Nearly 3,000 people died in the four attacks.

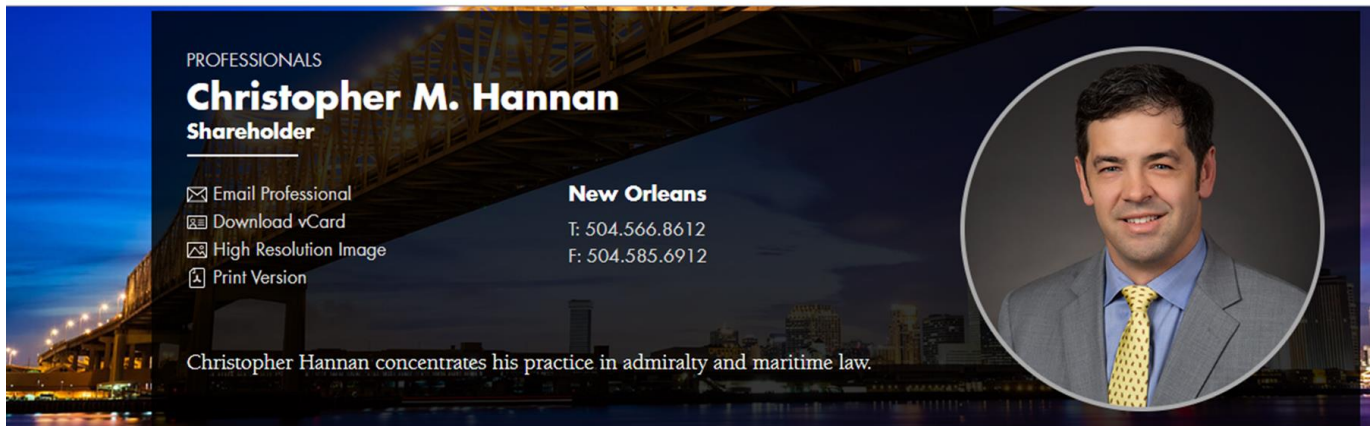

The events changed the world's perception of risk. In its 320-year history, the Lloyd's market had seen many disasters – but nothing could prepare the industry for September 11, when the world watched in horror as the Twin Towers burst into flames, a plane flew into the Pentagon and the last, diverted by passengers, exploded in a field in Pennsylvania.

- ii. Cancienne, who is presently a shareholder in Baker Donelson. See **Exhibit 12** attached hereto.
- iii. Griffith, who is presently a member in Baker Donelson. See **Exhibit 12** attached hereto.

**NOTE:** At this time, it is not known to Newsome when Koch, Cancienne and Griffith joined the law firm of Baker Donelson. However, it is apparent that said change occurred **only after** the filing of Newsome's legal briefs exposing the unethical practices of Koch. All three, Koch, Cancienne and Griffith are closely associated in the action *sub judice* and familiar with Newsome's most recent exhaustion of the appeal process. Thus, such actions by attorneys, may lead one to believe the LLS was aware of the unethical practices of Koch, Cancienne and Griffith and elected to terminate its relationships with them. Even if this were the case, LLS did nothing to come forward to address such practices. Now, Koch, Cancienne and Griffith have moved on to Baker Donelson and taken their client, Entergy's business and its financial support, with them. The record evidence will show however, Koch and Cancienne are now **shareholders** at Baker Donelson (**Exhibit 12**) – leaving Newsome with concerns as to how Koch and Cancienne

as the fastest growing law firm in the United States by The National Law Journal and is one of the 200 largest law firms in the country. Through strategic acquisitions and mergers over the past century, the firm has grown to include over 370 attorneys and public policy advisors in 10 offices across the southeastern United States. See **Exhibit 13**, pp. 4-13 – attached hereto.

485. Investigations, etc. **will yield**, a NEXUS between Amelia Williams-Koch and the Koch BILLIONAIRE Empire . . .

The Koch family . . . is an American family engaged in business, *best known for their political activities* and their control of Koch Industries, the 2nd largest privately owned company in the United States (with 2019 **revenues of \$115 billion**)...The family business was started by Fred C. Koch, who developed a new cracking method for the refinement of heavy crude oil into gasoline...Fred's four sons litigated against each other over their interests in the business during the 1980s and 1990s...

By 2019, Charles Koch and David Koch, commonly referred to as the Koch brothers, were the only ones of Fred Koch's four sons still with Koch Industries... *Charles and David Koch built a political network of libertarian and conservative **donors** and the brothers funneled **financial** revenue into television and multi-media advertising...* David Koch died in August 2019. - - As of 07/13/22:

[https://en.wikipedia.org/wiki/Koch\\_family](https://en.wikipedia.org/wiki/Koch_family)

486. Investigations, etc. **will yield**, Koch's Companies / Corporations are clients of Baker Donelson Bearman Caldwell & Berkowitz.

Koch Industries, Inc. . . . is an American **privately held** multinational conglomerate corporation based in Wichita, Kansas and is the second-largest **privately held** company in the United States, after Cargill.. . .Its subsidiaries **are involved in** the manufacturing, refining, and distribution of petroleum, chemicals, energy, fiber, intermediates and polymers, minerals, fertilizer, pulp and paper, chemical technology equipment, cloud computing, finance, commodity market trading, and investments. Koch **owns** Flint Hills Resources, Georgia-Pacific, Guardian Industries, Infor, Invista, KBX, Koch Ag & Energy Solutions, Koch Engineered Solutions, Koch Investments Group, Koch Minerals & Trading, and Molex. The firm employs 122,000 people in 60 countries, **with about half of its business** in the United States. . .

The company was founded by its namesake, Fred C. Koch, in 1940 after he developed an innovative crude oil refining process.. . Fred C. Koch died in 1967 and his majority interest in the company was split amongst his four sons. In June 1983, after a bitter legal and boardroom battle over the amount of dividends paid by the company, the stakes of Frederick R. Koch and William "Bill" Koch were bought out for \$1.1 billion and Charles Koch and David Koch became majority owners in the company...Charles owns 42% of the company; trusts for the benefit of Elaine Tettermer Marshall (the daughter in-law of J. Howard Marshall) and Elaine's children, Preston Marshall and E. Pierce Marshall Jr., own 16% of the company...The heirs of David Koch, who died on August 23, 2019, own the balance, 42%, of the corporation.

Charles Koch has stated that the company *would go public "over my dead body"* and that the company has used its freedom from the pressures of public markets to make long-term investments and concentrate on growth... As 07/13/2022:

Subject: VOGEL NEWSOME: PKH's Termination of Employment

To: lbaine3@pkh.net, tpage@pkh.net, lthomas@pkh.net

To Louis/Tommy/Linda:

This email correspondence is being submitted to confirm that as of Monday, May 15, 2006, my employment with Page, Kruger & Holland, P.A. ("PKH") has been terminated – as Mr. Baine put it "effective immediately." This termination has been approved by the shareholders of PKH. Those present at the Termination Meeting were as follows:

Louis J. Baine, III (shareholder)  
Thomas Y. Page, Jr. (shareholder)  
Linda Thomas (Office Administrator); and  
Myself/Vogel Newsome (Employee being terminated)

I requested that PKH provide me with written documentation as to the reasons for my termination and/or documentation acknowledging termination; however PKH declined to do so and advised they would not provide any written documentation.

My understanding as to the reasons for my termination is as follows:

1. PKH was advised of a lawsuit I filed in the Hinds County Court.  
When I requested who informed PKH of this information, PKH declined to provide me with this information  
PKH acknowledged that it checked into whether a lawsuit was filed and confirmed going to the courthouse to review the file and obtaining documents.  
When I requested information regarding how long PKH was aware of the matter I am involved in, PKH advised they have known for quite some time. When requesting specific time frame, PKH declined to give me an exact amount of time they have known about it.

522. Investigations, etc. **will yield**, that Page Kruger & Holland CONSPIRED with Baker Donelson / Lloyd’s and Co-Conspirators **to TERMINATE** the employment of Vogel Denise Newsome with **KNOWLEDGE** of the **May 18, 2006**, hearing regarding Brandon Dorsey’s unlawful withdrawal as legal counsel for VDN.

523. Investigations, etc. **will yield**, that shortly **after** Attorney Brandon Dorsey made known representation of legal / lawful actions against Spring Lake . . . **on behalf of** Vogel Denise Newsome, threats were made on his life, livelihood, and wellbeing, etc. – i.e. Dorsey advising VDN of concerns of having, “to live in Mississippi” and “ability to feed his family.”

524. Investigations, etc. **will yield**, that Brandon Dorsey unlawfully withdrew (**without just cause**) as counsel for Vogel Denise Newsome over her objections!

# Youth court judge battles Board of Supervisors

Published: Jan. 14, 2009 at 10:46 PM CST | Updated: Feb. 4, 2009 at 2:32 PM CST

HINDS COUNTY, MS (WLBT) - He's been heralded as a problem-solver who gets results. But now, Hinds County Youth Court Judge Bill Skinner is facing serious allegations.

At least, that's according to Hinds County Supervisor Robert Graham, who couldn't give specifics because of pending litigation.

"Nothing where children are in any immediate type of threat or danger, but there was not just one allegation, there were several, and as I stated, they were substantial and some have been verifiable," said Graham.

And so, on January 5th, almost a year after the Hinds County Board of Supervisors voted to give Skinner control of the Henley-Young Juvenile Justice Center, they voted 3-2 to take it away. Skinner still oversees youth court, but his duties at the youth detention center were handed over to executive director Darren Farr.

Some supervisors believe the move is completely political.

"I think ego had a lot to do with it and just the desire to have more power," said Hinds County Supervisor Phil Fisher. "This veil, these allegations of this that and the other, it's all something to hide behind. The point of the matter is, the judge has done an excellent job."

Judge Skinner's attorney, Brandon Dorsey, said it's too early to comment at this point, except to say he hasn't been made aware of any allegations against the youth detention center.

# LOOKING AT TREES FROM THE FOREST

THIS NATION had its Aaron Burr, who tried to establish a new nation in the southwest, and its Benedict Arnold, who conspired with the British to deliver West Point.

THIS NATION had its Aaron Burr, who tried to establish a new nation in the southwest, and its Benedict Arnold, who conspired with the British to deliver West Point.

Burr was charged with treason, but later exonerated. Arnold had to flee to England to escape prosecution by the government.

So what of this Republic of New Africa? Is it a "secession" movement similar to the Confederacy? Is it a cancer which will revolt, at the proper time, against the United States?

MISSISSIPPI'S Attorney-General A. F. Summer stated the case for Mississippi, and the nation, in an open letter to U. S. Attorney-General John Mitchell.

The letter was dated April 1. As this is written, no reply has been received. Here is the complete text of Mr. Summer's letter:

Dear General Mitchell:

I should like to call to your immediate attention a matter of extreme importance to the people of the State of Mississippi and the United States of America. The facets of this urgent problem are both complicated and far-reaching and strike at both federal and state constitutional provisions and statutory authority and portend grave implications for the continued domestic tranquility of our state and nation. I refer specifically to the activities in Mississippi in recent days of an organization styling itself the "Republic of New Africa."

I am certain that you have seen accounts emanating from the various news media covering the activities of this organization and are aware that on Monday, March 28, 1971, this group entered into certain land in Hinds County, Mississippi, and proclaimed it to be the Capitol of the New Republic of Africa.

Approximately two hundred members of this organization, many of whom were heavily armed with rifles and sideguns which were openly brandished in a menacing fashion, participated in the activity on that date. Additionally, this organization has distributed in Mississippi pamphlets containing graphic drawings of how to prepare Molotov cocktails, simple flamethrowers, and instructions generally on methods of destroying the utility systems of towns, cities and counties.

Imari Abubakari Obadele, the apparent leader of this group, has written a book entitled "Revolution and Nation Building", published by The House of Songhay, which includes the following statement on page 9:

"In the South, where we must ultimately deploy the Black Legion as our main force army, our strategy has to include the people on the land and in the cities as a vital element. The army must be able to move in secret and conceal itself. It must be able to live off the land, in order to minimize supply and logistical problems. It must be able to move in secret and conceal itself. It must be able to depend on the people for reconnaissance and intelligence information, against the enemy, and it must be able to depend on the people to deny the enemy food, general supplies, transport and sanctuary in order to maximize for the enemy his supply, concealment, and logistical problems."

A further quote from page 6 of said book states:

"Blacks remaining within the United States must also — and importantly — use their influence, so long as it exists, to restrain the hand of the United States in using its court and military establishments against us."

In a bulletin issued by the Republic of New Africa, Boston Consulate, there is a reference to their Declaration of Independence as follows:

"The Republic of New Africa came into existence on March 31, 1968, after two days of intense deliberations. Over two hundred people signed the Declaration of Independence, declaring Black people forever free and independent of the jurisdiction of the United States Government. The elected officers of our Government will carry out the aims of the Revolution stated in the Declaration."

From a communication entitled "Black Laws As Accepted And Voted On By Brothers And Sisters That Were In Attendance At The Blacks Laws Conference On November 2, 1969," we find the following:

"We must defend the rights of the whole Black Nation to choose, govern, protect, punish and pursue the course of action for their people, declare war or peace, decide and determine its enemies and friends, and again: "We must defend the rights of the Black Nation to independence, freedom and justice for all Black people under Black law."

I am certain that you already have in your possession the complete texts from which these excerpts are drawn, and are completely familiar with their stated objective — the creation of the Republic of New Africa from five Southern States, including Mississippi.

I trust that from the above you see the peculiar position of the State of Mississippi and the problem it faces. Our citizens are justifiably disturbed over the fact that a group of people can proclaim to the United States Government and to the world that they have withdrawn from that Government and are going to create a new "Nation" carved out of our State, then come upon the land and declare that new "Nation" into being, without any intervention from the Federal Government nor any effort by the Government to expel them from our premises.

I respectfully refer you to Article IV, Section 3, Paragraph 1 of the Constitution of the United States which reads as follows:

New States may be admitted by the Congress into this Union; but no new State shall be formed or erected within the Jurisdiction of any other state; nor any State be formed by the Junction of two or more States, Nor Parts of States, without the Consent of the Legislatures of the States concerned as well as of the Congress.

Section 4 of the same Article states:

The United States shall guarantee to every State of this Union a Republican Form of Government, and shall protect each of them against Invasion; and on Application of the Legislature or of the Executive (when the Legislature cannot be convened) against domestic Violence.

From the above, it is apparent that the Federal Government has the primary obligation to act in such matter, yet we do not at the moment, know the position of the United States Government and particularly your Department concerning the activities of the Republic of New Africa Organization, as a group or as individuals. We would, therefore, request that you at once advise the State of Mississippi as to your proposed course of action if any, in this most serious matter.

State and local government in Mississippi is prepared to act in any case of violation of state and local law and, if appropriate, in the defense of the United States. However, we respectfully suggest to you that the activities and statements of the Republic of New Africa organization appear to be in the nature of an armed insurrection against not only the State of Mississippi, but the United States of America.

The officials of Mississippi, both state and local, have asked that in the event of conflict between the Republic of New Africa and state and local government, what will be the position of the United States. We do not believe that this question is unwarranted in the light of past events in our State and we feel that your positions on this should be known in advance by our people and our officials.

Judge William Skinner today criticized Jackson Councilman Kenneth Stokes for inviting convicted felon Imari Obadele to speak at Jackson's City Hall and Jackson attorney Chokwe Lumumba for supporting the action. Obadele, the former leader of the Republic of New Africa, was convicted of conspiracy in the 1971 slaying of Skinner's father, Jackson police Lt. William Louis Skinner.

Former Republic of New Africa president Imari Obadele, who served time for conspiracy in the 1971 slaying of Jackson police Lt. William Louis Skinner, was described today as terrorist by the officer's son.

In another meeting, he was lauded as a role model by Jackson City Council member Kenneth Stokes, who is hosting Obadele tonight during a Black History Month speech at Jackson City Hall.

Obadele appeared this morning at the Jackson City Council's regular meeting, signing up to speak before the panel as regular citizens are allowed to do.

Obadele said the RNA is a peaceful group, not a terrorist organization, that wanted to establish an independent country that included Mississippi.

Obadele said he was not a terrorist, but he said, referring to the August 1971 shootout between law enforcement officers and RNA members that resulted in Skinner's death.

But minutes before Obadele spoke to the council, Hinds County Justice Court Judge Bill Skinner blasted the former RNA leader and Stokes.

Obadele had as much told Lt. William Louis Skinner that he was going to kill him, Skinner's son said.

"This man is a terrorist," Bill Skinner said. "He ran a terrorist organization, and there is no difference between him and Osama bin Laden."

He chastised Jackson Mayor Harvey Johnson Jr. and the council members who did not speak out against Obadele.

## Big business has state prisons, wants schools, too

**L**obbyists have been around as long as there have been lawmaking bodies. Once they were seeking favorable rules and regulations for the private economy. Today, more and more, lobbyists are seeking customers.

Federal and state governments — including Mississippi — spend billions every year with private enterprise, increasingly handing off jobs traditionally done by government. “Contracting out” keeps expanding. This state’s lawmakers are rallying behind the banner of “school choice” as the next big step.

Some observers hail the trend; others are more cautious. Either way, the trend is real: Where government sees obstacles, entrepreneurs see opportunity.

Take food service in the state’s network of 22 public and private prisons for example. A recent Performance Evaluation and Expenditure Committee review shows Mississippi’s provider, a multinational corporation, being paid \$34 million per year.

The noble idea is to save taxpayer funds. Shedding responsibility as a side benefit. Today, if a lawmaker is being told prison food is bad, the lawmaker can shift the blame to Aramark, the food contractor.

The company has a compelling story. It traces its roots to 1932 Los Angeles where founder Davre Davidson sold food while driving around in a Dodge automobile. Today, Aramark operates in 21 countries, has 270,000 employees and a stock price that risen during the past five years from \$23 per share to \$46. Aramark, which charges a measly \$3 per day per adult prisoner, is prosperous.

This year, immediately after the House passed legislation to change the way Mississippi’s public schools are funded, legislation was introduced to expand existing school choice options. The idea is touted as increasing opportunities for parents to make sure their children, especially impaired or at-risk children, are enrolled in the best possible schools. Often the alternative schools are charter schools, and legislation allows the dollars that would have gone to the local public school to follow students into the new classroom.

In the ideal vision, a charter school evokes local control, dedicated teachers, modern, well-lit facilities, good discipline and a caring cadre of parents, administrators and other supporters totally focused on excellence. Some charter schools fit that description to a T. But most charter school enterprises are multinational corporations. They may aim for excellence, but they have to answer to stockholders, too.

Mississippi lawmakers would do well to engage in more research. Michigan has had charter schools for

**Charlie Mitchell**

25 years. It’s the national leader with about 80 percent of all schools operating under charters. Also, most New Orleans schools became charter schools in the aftermath of Katrina.

The perfect solution to underperforming schools? Mississippi put its toe in the water for charter schools in 2010, and already results are mixed.

Two years ago, The New York Times reported this: “Michigan leapt at the promise of charter schools, betting big that choice and competition would improve public schools. It got competition, and chaos.”

Back to the PEER report on Aramark. It certainly isn’t an indictment, but consider the nature of the flaws that were noted:

- Aramark is not providing the staffing levels required by the contract and, in some locations, subbing out work and consolidating positions.

- Aramark is using its own training process as opposed to the specified MDOC training for interacting with inmates.

- Under the contract each meal must meet acceptable nutritional standards, but there is no external review of whether the requirement is being met.

- While most kitchens passed inspection, one was closed by the Mississippi Department of Health and there was a five-month period during which MDOC did not have records for another.

See? Each of those indicates an emphasis on income at the expense of service.

It’s great to see so many parents committed to seeking the best possible learning situation for their children, but there’s every reason to be cautious.

An example from Florida, where state law requires charter schools to be non-profit but they operate under a for-profit parent, shows how bollixed some of the financing becomes. There, PolitiFact reported last year, “The charter-school solution was originally touted as a way to give families — particular those in low-income areas — another option for schooling. Critics say too many taxpayer dollars have been shifted to the private companies that run charter schools to the detriment of traditional public schools.”

Mississippi lawmakers appear determined to turn over more and more control of public schools. In so doing, they may happily wash their hands. But will schools be better?

The record shows Mississippi is late to the party. Many states have grabbed onto “choice” as a panacea and, billions of dollars later, found themselves no better off.

## Black Judge Nominated To Chair U.S. Sentencing Commission

Reeves is slated to be the eighth chair since the commission's creation.

Posted May 13, 2022

Source: The White House / The White House

**P**resident Biden will nominate U.S. Southern Mississippi District Court Judge Carlton W. Reeves as chair of the U.S. Sentencing Commission. Reeves is slated to be the eighth chair since the commission's creation.

Reeves has more than a decade of experience on the federal bench, nominated by former President Barack Obama in 2010. If confirmed, he will be the first Black person to lead the U.S. Sentencing Commission since it was first created during the Reagan Administration.

Rep. Bennie Thompson called Reeves an "excellent" member of the federal judiciary in Mississippi.

"I support the appointment of Judge Carlton Reeves on being named head of the United States Sentencing Commission," Thompson said. "It is a pleasure to witness the first Black judge to be appointed to the United States Sentencing Commission."

Reeves has made his mark in several ways since joining the judiciary. He is the second Black person appointed to the federal bench in Mississippi. Even as a member of the federal bench, Reeves has not shied away from speaking up about injustice.

He made a powerful statement in 2015 ahead of sentencing three white men for the racist killing of James Craig Anderson in Jackson in 2011. NPR's "Code Switch" covered Reeves's speech, noting that the three white men brutalized Anderson during an attack in which they also yelled "white power."

Reeves tied Anderson's murder to the long history of Black lives taken by lynching and expressed a vision for Mississippi and justice. The speech is a history lesson about Mississippi and the brutality that gripped the state.

"Mississippi has expressed its savagery in a number of ways throughout its history — slavery being the crudest example, but a close second being Mississippi's infatuation with lynchings," Reeves said.

He also recounted the lives lost during the Civil Rights movement and questioned what it would take for the state to truly become a "New Mississippi."

"New generations have attempted to pull Mississippi from the abyss of moral depravity in which it once so proudly floundered in," he continued. "Despite much progress and the efforts of the new generations, these three defendants are before me today: Deryl Paul Dedmon, Dylan Wade Butler and John Aaron Rice. They and their co-conspirators ripped off the scab of the healing scars of Mississippi ... causing her (our Mississippi) to bleed again."

Reeves again **made headlines in 2019** for directly challenging former President Trump's attacks on judges. According to CNN, "evoking the history of segregation in the South, Reeves publicly lambasted the President for his attacks on judges, questioned Trump's commitment to diversity on the federal bench and called upon judges to do more to defend the judiciary."

From his legal background and experience, Reeves is aware of the various flaws and disparities in the legal system. According to his original nomination questionnaire, Reeves mentioned among his notable litigations representing a Black candidate in a case alleging improper behavior by several white poll workers involving illegal discarding of Black voters' ballots.

His experience and understanding of how systemic issues impact the legal system should be seen as an asset to the Sentencing Commission's work and hopefully lead to swift confirmation. Reeves's nomination as chair aligns with Biden's overall commitment to expanding the representation in the judiciary and the federal government.

Over 25 percent of the judges nominated by Biden have been Black, with several notable historic appointments including soon-to-be Justice **Ketanji Brown Jackson**. Jackson previously did a tour of duty on the Sentencing Commission, serving as vice-chair.

As an independent branch of the federal judiciary, the Sentencing Commission consists of seven voting members serving six-year terms. The members are appointed by the president and confirmed by the Senate.

Except for an **acting chair**, the Sentencing Commission has been vacant, giving the president an opportunity for a clean slate of appointments. Created in 1984 under the Sentencing Reform Act, the commission addresses sentencing disparities and promotes transparency and proportionality in federal sentencing.

The Sentencing Commission has lacked a quorum since January 2019 under former President Trump. This has prevented the commission from enacting policies such as handling the issue of compassionate release during the pandemic.

While all commission members are not required to be federal judges, at least three should be members of the federal judiciary. The Sentencing Commission cannot have more than four members from the same political party, ensuring a bipartisan composition.

545. Investigation(s), etc. **will yield**, that the “**DOCKET**” in the case Judge Carlton Reeves entered his July 29, 2022, Order **appears to be CLOSED** and / or **TERMINATED** six (6) years ago. Nevertheless, ***filings and rulings are still being entered as if OPEN – i.e. when NOT!***

**IMPORTANT TO NOTE:** WHY are such FACTS important?  
Because Vogel Denise Newsome / Prime Minster Newsome used the United States' so-called Courts / Judicial System and Administrative Agencies **to PRESERVE** her "PAPER Trail" – i.e. having KNOWLEDGE that the USA's / United States' **Federal Bureau of Investigation** (as done against the **Republic of New Africa** and many other attacks on Native People. . . ) having a well-established history of conducting unlawful raids and seizures for purpose of DESTROYING evidence, OBSTRUCTING the administration of justice and DEPRIVING Native Nations and / or Native People DUE PROCESS / EQUAL PROTECTION of the Laws!

When VDN / Prime Minister advised Detention Medical Staff *she had seen information on KIOSK of her right to OBJECT*, said Staff advised her there was **NO** such information published and attempted to make her seem delusional! Thus, resulting in VDN / Prime Minister Newsome requesting from one of the other women a copy of their Detention Handbook – i.e. due to efforts of Hinds County Officials attempting to remove information regarding HEALTH / MEDICAL INFORMATION advising, **"Inmates shall NOT be forced to take any medication . . ."** from the KIOSK! However, returning said information, upon finding that VDN / Prime Minister Newsome through **"CEASE and DESIST"** quoted from the *"Hinds County Inmate Handbook . . ."* that another woman being held shared with her. **Inhumane and Human Rights violations** as well as War Crimes, Criminal Acts and other Atrocities being carried out at the Hinds County Detention facilities . . . **under the direction, leadership and counsel** of the Law Firm of Baker Donelson Bearman Caldwell & Berkowitz and Co-Conspirators, etc.. | <p>This confirms your call yesterday regarding my letter to you of February 19, 2008. In that call you confirmed to me that you authorized the filing of the complaint in this matter. You also advised you presently represent Mrs. Newsome and that you authorized Mrs. Newsome to sign your name to the initial Complaint and send it to the Court for filing on your behalf as her lawyer.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                   |                                                                                                                   |
| <p>As I expressed to you yesterday, we will not agree that you may withdraw as counsel unless you <u>dismiss the entire lawsuit</u>. Pursuant to the Local Rules for the Northern and Southern District of Mississippi, Rule 83.1(B)(3) "when an attorney enters an appearance in a civil action, he or she shall remain as counsel of record until released by formal order of the court." The rule requires that a motion must be filed. It is our position that you knew Mrs. Newsome would make unauthorized filings when you agreed to file this suit. We also take the position that you knew that she had already filed Civil Action No. 3:07cv00099 and that the case you filed was based upon the same facts and circumstances. <u>You were fully aware that Mrs. Newsome would be a difficult client and one you could not control.</u> However, notwithstanding this knowledge, you chose to sue my clients and instigate this now third frivolous lawsuit against my client on Mrs. Newsome's behalf. Therefore, unless the Court releases you we have no intent of agreeing to your withdrawal as counsel. Also, even if released, you remain responsible for the filing of the Complaint pursuant to Rule 11 and we are <u>going to seek sanctions under that rule.</u></p> |                   |                                                                                                                   |

## JURY FINDS AFRICAN AMERICAN PASSENGER WAS UNLAWFULLY DETAINED AT LOGAN AIRPORT

DECEMBER 10, 2007

**ACLU**

FOR IMMEDIATE RELEASE

BOSTON - On Friday, a Suffolk Superior Court jury found state police unlawfully detained American Civil Liberties Union attorney King Downing at Logan Airport in October 2003, and Downing agreed to a settlement of his claims against William Thompsom, the state trooper principally responsible for the unlawful detention.

Downing, a Harvard-educated lawyer who is the National Coordinator of the ACLU's Campaign Against Racial Profiling, testified at trial that he was stopped for questioning by state police troopers after simply using a phone on his way out of Logan Airport on the morning of October 16, 2003. Police demanded to see Downing's identification and travel documents, which he was under no obligation to provide. After initially being told that he must leave the airport, which he intended to do anyway, Downing was surrounded by five state troopers and told he was under arrest. Although the police had no reason to stop him, Downing was detained for 40 minutes until he finally acceded to police demands for his identification and travel papers.

***Watkins v. U.S.*, 77 S.Ct. 1173 (1957) - [n.2] Power of Congress to conduct investigations is inherent in the legislative process, and is broad.**

[n.5] **In conducting investigation**, Congress is not a law enforcement or trial agency and no inquiry is an end in itself, **but it must be related to and in furtherance of a legitimate task of Congress.**

[2][5] We start with several basic premises on which there is general agreement. ***The power of the Congress to conduct investigations is inherent in the legislative process. That power is broad.*** It encompasses inquiries concerning the administration of existing laws as well as proposed or possibly needed statutes. **It includes surveys of defects in our social, economic or political**

system for the purpose of enabling the Congress to remedy them. It comprehends **probes into departments of the Federal Government to expose corruption**, inefficiency or waste. But, broad as is this power of inquiry, it is not unlimited. There is no general authority to expose the private affairs of individuals without justification in terms of the functions of the Congress.

This was freely conceded by **the Solicitor General** in his argument of this case. FN8 Nor is the Congress a law enforcement or trial agency. These are functions of the executive and judicial departments of government. No inquiry is an end in itself; **it must be related to, and in furtherance of, a legitimate task of the Congress. . . .**

FN8. 'Now, we don't claim on behalf of the Government that there is any right to expose for the purposes of exposure. And I don't know that Congress has ever claimed any such right. But we do say, in the same breath, **that there is a right to inform the public at the same time you inform the Congress.**'

567. Investigation(s), etc. will yield, that Vogel Denise Newsome **WARNED** that those who get involved in the conspiracies against her are **"a WALKING LIABILITY!"**

AGAINST DEFENDANT CREWS AND HER COUNSEL CLARK MONROE<sup>1</sup>

JURY TRIAL DEMANDED ON TRIABLE ISSUE(S)

No, it is Defendant Crews' counsel (Monroe) who is **serial stalker/predator** – following Plaintiff from *job-to-job, attorney-to-attorney* - harasser, abuser of the judicial system/process, etc. (as the list can go on and on) who uses his clients (such as Defendant Crews and Dial Equities, Inc. – with their permission) to **hood** his fetishes.

Monroe, who clearly should have his picture posted on the appropriate offenders website for such abuses, unlawful/illegal and unethical fetishes. No while hooded at night, once the hood is removed during the day, it is easily noticeable from his countenance/face, what is really in him and what he is really about. While he appears to be well-groomed, intelligent, smug, etc., BE WARNED, he is far from that and is a **walking liability** to whomever comes into contact with him in defending claims brought by the Plaintiff. So beware – conspirators, co-conspirators, clients, employers, law firms, citizens of this great country, etc. – engaging in any unlawful/illegal and unethical practices with this abuser and stalker/predator, may very well set you up to share in the liability Monroe attracts in his pursuits against the Plaintiff.

RE: *Vogel Newsome*

Dear Ms. Sanders:

This letter follows-up my telephone conversation with your office on August 15, 2003. As you know, Bill Purdy and I just recently formed this firm. I left another firm to start this one. After leaving my previous firm, I needed a temporary secretary. For the last several weeks your office provided us with Ms. Vogel Newsome.

I have been very, very pleased with Vogel, not only in terms of her work product, but also in terms of her attitude and personality. I would rate her as one of the best legal secretaries with whom I have ever worked. I would highly recommend her to any one who is looking for a full-time legal secretary. If my previous secretary were not rejoining me, I would want Vogel to be my new permanent secretary.

If any one would care to discuss Vogel with me, please do not hesitate to give them my name and number. I will be more than happy to talk with them.

I am not certain of the exact day when my previous secretary will rejoin me. It could be immediately, or, it could be a couple of weeks. In light of that, we would like to request that we be allowed to continue to work with Vogel until further notice. However, the last thing I want to do is have Vogel miss another good opportunity that might lead to permanent employment. Therefore, if she must be reassigned, I will understand, but grudgingly so.

If you have any questions, please do not hesitate to give me a call.

Sincerely yours,

(n. 10) Under Mississippi law, public policy exception to employment at will doctrine permits employee to bring action in tort for damages against his employer if he is terminated for: (1) refusing to participate in illegal act, or (2) reporting illegal acts of his employer to employer or anyone else.

**McArn v. Allied Bruce-Terminix Co., Inc.**, 626 So.2d 603 (Miss., 1993) - [3] McArn argues that the Mississippi Employment Security Commission was falsely told that he was terminated for a bad attitude and not told the true reason for his firing. McArn argues that Miss. Code Ann. ~ 71-5-131 (1972) *permits a claim for defamation whenever the employer make statements to the Commission which are "false in fact and maliciously . . . made for the purpose of causing a denial of benefits."*

There is no question but that Miss. Code Ann. ~ 71-5-131 provides that communications between an employer and the Commission are privileged and "when qualified privilege is established, statements or written communications are not actionable as slanderous or libelous absent bad faith or malice if the communications are limited to those persons who have a legitimate and direct interest in the subject matter." **Benson v. Hall**, 339 So.2d 570, 573 (Miss. 1976).

In his complaint, McArn charged that Terminix maliciously defamed him before the Mississippi Employment Security Commission by stating he was fired for a "bad attitude." At trial, McArn testified that Terminix's contention that he was insubordinate was false.

592. Investigation(s), etc. **will yield**, Vogel Denise Newsome's Mississippi Employment Security Commission matter being prosecuted before Judge Bobby DeLaughter. Based on information received, DeLaughter was INDICTED for:

18 USC § 371. **Conspiracy to Commit Offense or to Defraud United States**

18 USC § 666. **Theft or bribery concerning programs receiving Federal funds**

18 USC § 1341. **Frauds and Swindles**

18 USC § 1346. . . . **Scheme or Artifice to Defraud**

18 USC § 1512. **Tampering with a witness, victim, or an informant**

however, *only* **pled guilty to "LYING"** to an FBI agent who was investigating a corruption case . . . attempting to obstruct, influence and impede an official proceeding while being interviewed . . ." - - **pled GUILTY!**

**WHO'S WHO**

**THE DEFENDANTS**

**Dickie Scruggs:** Based in Oxford and formerly on the Mississippi Gulf Coast, the trial lawyer is among the wealthiest in Mississippi, making millions off asbestos and tobacco litigation. A federal grand jury has indicted him on judicial bribery charges involving a lawsuit over \$26 million in legal fees connected to litigation on behalf of Hurricane Katrina victims.

**Zach Scruggs:** Dickie Scruggs' son and law partner. He's been indicted on the same charges as his father.

**Sidney Backstrom:** The Scruggs' law partner also is facing the same federal bribery charges.

**PLEADING GUILTY**

**Timothy Balducci:** A New Albany lawyer indicted with the partners in the Scruggs law firm, he has pleaded guilty. He told authorities he gave the judge in the Katrina legal fees lawsuit a \$40,000 bribe to rule in Scruggs' favor.

**Steve Patterson:** A former state auditor forced to resign from office in 1996 over a misdemeanor charge, he was part of Balducci's law firm, although he's not a lawyer. He has pleaded guilty to what prosecutors called a "minor role" in the bribery scheme.

**Joey Langston:** A Booneville lawyer whose firm briefly represented Dickie Scruggs in the bribery case, he has pleaded guilty to corruption charges. He admitted that he tried to influence

Hinds County Circuit Judge Bobby DeLaughter to rule in Scruggs' favor in a lawsuit over attorney fees related to asbestos litigation.

**THE JUDGES**

**Bobby DeLaughter:** A Hinds County circuit judge and former assistant district attorney, he is mentioned in court documents as being the target of a bribery effort to get a favorable ruling for Scruggs in the lawsuit over attorney fees related to asbestos litigation.

## Scruggs: 'That sickens me,' bar president says of explanation

**From 1A**

have reported it to authorities. He has denied any wrongdoing.

His lawyer, Cynthia Speetjens of Madison, would not comment Saturday.

The rules for Mississippi lawyers and judges require them to report any ethical violation "that raises a substantial question as to that lawyer's honesty, trustworthiness or fitness as a lawyer in other respects."

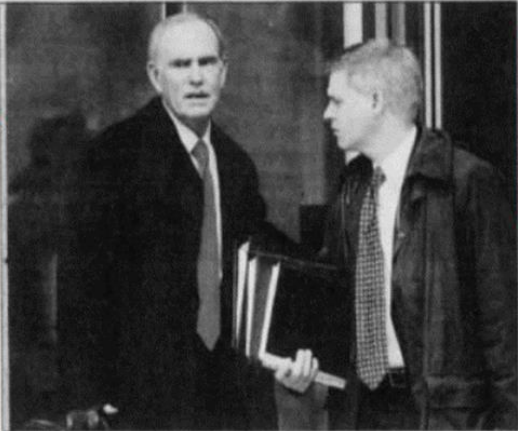

The Rules of Professional Conduct apply to both lawyers and judges, said Bobby Bailles, a Vicksburg lawyer and president of the Mississippi Bar Association. "If you have information that reflects an attorney has committed misconduct, you have a duty to report it to the appropriate authorities."

Informed of what DeLaughter told federal authorities, Bailles replied, "That sickens me."

U.S. District Judge Neal Biggers is expected to rule this week whether federal prosecutors can introduce evidence regarding this Hinds County case as proof of another alleged "bad act" against Scruggs when Scruggs goes on trial March 31 on bribery charges along with his son, Zach Scruggs, and law partner Sidney Backstrom.

All three insist they are innocent, saying authorities have created a crime.

Both New Albany lawyer Timothy Balducci and his business partner, former state Auditor Steve Patterson, have pleaded guilty in the scandal, saying they schemed to pay a \$40,000 bribe to Circuit Judge Henry Lackey to rule in Dickie Scruggs' favor in a

Bruce Newman/The Associated Press

Lackey also stepped down at that time from hearing the case.

The Code of Judicial Conduct requires judges to step down in cases in which "their impartiality might be questioned by a reasonable person knowing all the circumstances."

DeLaughter didn't step down from the Hinds County case.

Aaron Condon, professor emeritus at the University of Mississippi School of Law, said he supposed a judge could report the matter and still continue to be impartial in a case but that it might not look that way.

In a hearing last week, Scruggs' lawyer, John Keker of San Francisco, suggested the scheme to influence DeLaughter was something Balducci and Langston "cooked up" on their own.

"Mr. Scruggs strongly denies any corruption," Keker said.

And as for DeLaughter, "Every decision in that case was correct on the law," Keker said.

As for Peters' involvement in the case, Keker said the other side already had hired Jackson lawyer Bill Kirksey, who had been a law partner with DeLaughter in the 1980s.

Scruggs' legal team wanted DeLaughter to "shade the law," said Assistant U.S. Attorney Bob Norman. "There was every reason to believe the Scruggs law firm would prevail, ... but that wasn't good enough. They had to have an edge."

Balducci testified the Scruggs' legal team previewed a number of filings and "draft copies of orders Judge DeLaughter was going to enter."

In a May 29, 2006, e-mail obtained by federal authorities, Zach Scruggs told his father's attorney in the case, John Jones of Jackson, that "you could file briefs on a napkin right now and get it granted." Jones responded in his e-mail, "You have misconceptions about Joey and Tim that I hope ultimately do not need to be explored. ... If we win, it will be because the law says we win."

Keker responded that prosecutors were wrong in their assessment: "There was no law shaded."

While DeLaughter did rule favorably several times on Dickie Scruggs' behalf, there also were many rulings the other way, Keker said.

In terms of Public Integrity's look into possible criminal charges, Condon said he supposed DeLaughter "has some wiggle room, depending on what he told authorities."

Defense lawyers complained last week about the widespread negative publicity the case has received in Mississippi.

Citing the guilty pleas that have taken place so far, Ron Rychlak, professor at the University of Mississippi School of Law, said the case has given the state's legal system a black eye.

"The legal system, to a large extent, relies on public confidence that you believe you're going to get justice," he said. "I hope the perception is not so widespread as to reshape the public's confidence in the system."

KRS 131 130(1) provides.

(1) The cabinet may enter into annual memoranda of agreement with any state agency, officer, board, commission, corporation, institution, cabinet, department, or other state organization to assume the collection duties for any corporation, institution, cabinet, department, or other state organization for up to five (5) years. Under such an agreement, the cabinet shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of those liquidated debts as provided under:

Pursuant to KRS 131 130(1) the Department of Revenue has entered into a memorandum of agreement with the Cabinet for Health and Family Services, Division of Child Support. The memorandum of agreement authorizes the Department of Revenue to assist the Cabinet for Health and Family Services in the collection of child support, which includes attaching the delinquent parent's assets maintained in financial institutions. The above statement authorizes the Department of Revenue to utilize the same collection tools to collect child support arrears as are used to collect the delinquent taxes. As a result, the financial institutions will receive the Department of Revenue's levy instead of the Order to Withhold and Deliver an order from the court, for the child support cases enforced by the Department of Revenue.

Earlier this week, civil rights attorney and avowed criminal-justice reformer Jody Owens officially took over as the new Hinds County district attorney, succeeding the controversy-plagued Robert Shuler Smith, who served eight years.

"You in this room know me, and you know what we stand for," Owens told attendees at his swear-in ceremony at the Hinds County Civil Courthouse on Monday, with his aunt, District 3 Chancery Court Judge Denise Owens, presiding over the ceremony.

"We care about being safe in this county. We love to be safe, and we will be safe. And anybody who says anything else, we're going to need their advice," he added.

## How A 'Brexit Boys' Project Ended Up in Jackson Court

JACKSON, Miss. — On a blistering Mississippi Tuesday, a camera crew followed Kyle Taylor, dressed in a tailored blue suit, from his attorney's downtown Jackson office to the Hinds County Chancery Courthouse. Taylor had flown to Mississippi to challenge the latest data project of two British companies, with ties to the U.K.'s "Brexit" campaign to leave the European Union.

The project was slated to be located at the University of Mississippi's Insight Park with the help of state dollars.

Taylor believes Eldon Insurance and Big Data Dolphins Ltd. might be using U.K. citizens' data in their new artificial-intelligence project they have planned to start in Oxford, Miss. Attorneys and principals at those companies deny transferring any data from the U.K. to Mississippi as a part of the project, however.

Arron Banks, a "Brexit" leader who co-founded the Leave.EU campaign with Andy Wigmore, owns Eldon Insurance, which started the Big Data Dolphins project.

In the third-floor courtroom, a local Baker Donelson attorney, Sterling Kidd, represented the two British companies. He sat with a British attorney, John Banks (who the Associated Press reported is kin to Arron Banks), and Victoria Sena, an Eldon employee tasked with managing the Mississippi project. Chancery Court Judge Denise Owens had a child-support case ahead of Taylor's, so both parties waited on opposite sides of the courtroom. Taylor sat with his attorney Dorsey Carson, who also does legal work for the Jackson Free Press, as well as Emma Briant, a British lecturer whose interviews with "Brexit" leaders became a part of Parliament's inquiry into "fake news." She would later testify in the hearing.

A lawyer shall abide by a client's decision whether to accept an offer of settlement of a matter. In a criminal case, a lawyer shall abide by the client's decision, after consultation with the lawyer, as to a plea to be entered, whether to waive jury trial and whether the client will testify. - - As of 07/17/2022: Mississippi Code of Professional Conduct - - Client-Lawyer Relationship / Scope of Representation <https://casetext.com/rule/mississippi-court-rules/mississippi-rules-of-professional-conduct/client-lawyer-relationship/rule-12-scope-of-representation>

**Criminal, Fraudulent and Prohibited Transactions.** *A lawyer is required to give an honest opinion about the actual consequences that appear likely to result from a client's conduct. The fact that a client uses advice in a course of action that is criminal or fraudulent does not, of itself, make a lawyer a party to the course of action. However, a lawyer may not knowingly assist a client in criminal or fraudulent conduct. There is a critical distinction between presenting an analysis of legal aspects of questionable conduct and recommending the means by which a crime or fraud might be committed with impunity.* - - As of 07/17/2022: Mississippi Code of Professional Conduct - - **Client-Lawyer Relationship** / **Rule 1.2 Scope of Representation. . .**

*When the client's course of action has already begun and is continuing, the lawyer's responsibility is especially delicate. The lawyer is not permitted to reveal the client's wrongdoing, except where permitted by Rule 1.6. However, the lawyer is required to avoid furthering the purpose, for example, by suggesting how it might be concealed. A lawyer may not continue assisting a client in conduct that the lawyer originally supposes is legally proper, but then discovers is criminal or fraudulent. **Self-regulation** of the legal profession requires that **members of the profession initiate disciplinary investigation when they know of a violation of the Rules of Professional Conduct.** Lawyers have a similar obligation with respect to judicial misconduct. An apparently isolated violation may indicate a pattern of misconduct that only a disciplinary investigation can uncover. 691. Through this instant “NCW-NLOJ,” Chickasaw Tribal Nation Officials – as Prime Minister Newsome – seek to utilize the services of the United Nations / United Nations Security Council . . . to assist in the creation and / or use of INTERNATIONAL Laws in establishment and recognition of their **reemerging** Native Nation – i.e. seeking to use similar processes used in **the establishment and recognition of the VATICAN!**

692. The Chickasaw Tribal Nation is a **self-governing** Native Nation and operates under the guise of **THEOCRACY** and **not** Democracy! A Native Nation *that REJECTS* the White Man’s ways, practices, and religions, etc. that have proven through FACTS and EVIDENCE to be fatal to Native Nations and their Citizens and / or People!

versus

THEOCRACY is a form of government in which the People believe their Officials / Representatives are CHOSEN by God / Allah / Our Creator to provide them with divine guidance!

PRIOR to the White Man / Nazis / Jews / Zionists coming to our Lands / Territories alleging to have “DISCOVERED” America when Native Nations and their People were “ALREADY” inhabiting and / or living there! Furthermore, BEFORE the Catholic Church brought their “CHRISTIANITY” (by any means necessary) to the Natives, Native Nations and their People had their own faiths / beliefs in a Divine / Spiritual Power! Native Nations are Sovereign and are entitled to have our own separate and independent Government(s) from that of the White Man’s United States. . . ! The Chickasaw Tribal Nation is challenging the FRAUDULENT and FRIVOLOUS one-sided Treaties that the United States of America’s / United States’ Officials may attempt to assert are still enforceable (when they are NOT)! Furthermore, does it make sense that a “WHITE” Man’s Religion as “CATHOLIC” is allowed to have its own City (Vatican) and own set of Laws / Rules, etc. ENOUGH is ENOUGH!

DEMOCRACY is an *illusionary* government that merely exist on paper (if there); however, is NOT a reality in which the People believe in SCIENCE and their Officials / Representatives are Members of what are known as “SECRET SOCIETIES!” Having a “FORM” of godliness; however, controlled by Evil / Spiritual Wickedness in high places - 2 Timothy 3:1-5 - and engage in War Crimes . . . under the guise of CHRISTIANITY!

Unlike war crimes, crimes against humanity can be committed during peace or war.<sup>[2]</sup> They are not isolated or sporadic events, but are part either of a government policy (although the perpetrators need not identify themselves with this policy) or of a wide practice of atrocities tolerated or condoned by a government or a de facto authority. War crimes, murder, massacres, dehumanization, genocide, ethnic cleansing, deportations, unethical human experimentation, extrajudicial punishments including summary executions, use of weapons of mass destruction, state terrorism or state sponsoring of terrorism, death squads, kidnappings and forced disappearances, use of child soldiers, unjust imprisonment, enslavement, torture, rape, political repression, racial discrimination, religious persecution and other human rights abuses may reach the threshold of crimes against humanity if they are part of a widespread or systematic practice.

Several firms have set up new practice groups to help clients land business that may arise from rebuilding Iraq and the resulting country. Baker Donelson took that one step further.

Baker Donelson shareholder Rick Johnston is moving from D.C. to Baghdad, Iraq. Johnston is chairman of the firm's international transactions and trade group.

Size matters.

At least it does for any firm looking to become a major player in the multi-billion dollar legal services industry, like Memphis-based law firm of Baker, Donelson, Bearman, Caldwell & Berkowitz, which is the city's only law firm on the Top 100 Private Companies list.

The firm is ranked No. 35 with \$116 million in revenues in 2003, up from \$86.9 million in revenues in 2002 when it ranked No. 43 on the list.

These moves are indicative of the aggressive nature by which Baker Donelson -- now sporting more than 370 attorneys overall -- has grown and reshaped itself in recent years. The firm, identified in 2003 as the fastest growing law firm in the U.S. by The National Law Journal, also runs a representative office in Beijing, China, opened by BDBC International, and recently became the first western law firm to establish a presence in Iraq.

**States have no permanent representatives accredited to the Court. They normally communicate with the Registrar through their Minister for Foreign Affairs or their ambassador accredited to the Netherlands. When they are parties to a case before the Court they are represented by an agent. An agent plays the same role, and has the same rights and obligations, as a solicitor or avoué in a national court. However, **since international relations are at stake, the agent is also as it were the head of a special diplomatic mission with powers to commit a sovereign State.** He/she receives communications from the Registrar concerning the case and forwards all correspondence and pleadings, duly signed or certified, to him. In public hearings the agent opens the argument on behalf of the government he/she represents and lodges the submissions. In general, whenever a formal act is to be done by the government represented, it is done by the agent. Agents are sometimes assisted by co-agents, deputy agents or assistant agents **and always have counsel or advocates, whose work they co-ordinate, to assist them in the preparation of the pleadings and the delivery of oral argument.** Since there **is no** special International Court of Justice Bar, there are no conditions that have to be fulfilled by counsel or advocates to enjoy the **right of pleading** before it, the only exception being that they must have been **appointed by a government to do so.****

I learned that Rev. Milligan Newsome, her husband and my grandfather, was a special kind of person who took God's work very seriously. He was a preacher, educator, teacher, and one who felt that it was his duty to look out for all those who lived in Spindle Bottom. Everyone loved and depended on him. All of this land around our houses, church, and school once belonged to him. He, along with one deacon, built Clark Creek Church and school. He was supported by two very poerful men of God, Rev. Charles Harrison Mason and Rev. Charles Price Jones.

"When the **white** community saw **the progress** that your grandpa was making, they tried to force him to sell all of his land. He refused to even discuss it with them. He then began to advise others not to sell their land."

. . . "Naomi, your grandfather was a wonderful, stubborn, **black Indian**, God fearing preacher who did not fear what man could do to him."

"Within a year the head of a prominent **white** family came to him and let know that if he did not sell his land, he would be killed. Your grandfather, looked him straight in the eye and said, 'If I don't sell, you're goint to kill me. If I sell, you're still going to kill me. Therefore, I'm going to die standing like a giant for my God.'"

"Shortly after this encounter, your grandfather went down to the covered bridge to cut firewood. Your papa, who was only seventeen years of age and very devoted, went with him. The man who had voiced the threat came by the house and asked me where had that **nigger** gone. He was carrying a rifle and a baseball bat. He stated that he only wanted to talk to that stubborn boy. I made the mistake of letting him know where they had gone."

"As the **white** man walked away from me, I knew within my heart that your grandfather would be killed. When he found your grandfather and shot him, your papa stood and watched. Your papa helped his dad to climb into the wagon. Your grandpa always carried the Holy Bible with him. He took the Bible from the wagon and stumbled into the house to let me know that he had been shot. Your papa and I put him in the bed. He asked me to place the Bible under this pillow, but he could hardly speak as he said, '***My love, teach our five children not to hate anyone.***' ***He then gasped for breath and fell asleep.***"

... "To this day, I feel so guilty. I knew that your papa would never be the same. He seemed to be falling apart. He was truly a broken young man."

... "Within a year after this, the man who murdered your grandpa took **all of the land**. He went around bragging about how he had killed that **nigger Indian** and then took his land. There was no law in Mississippi that would help the family. They were left at the mercy of the murderer."

"About two years later, the murderer offered to give back part of the land. Your grandma refused to accept the offer. She said that she wanted all or none. None is what she received. Within this same year, the murderer entered the hospital in Vicksburg, Mississippi. He was suffering and dying from cancer that had consumed his whole body, including his brain. The word got around that as he was dying, he continued to scream thse words, 'I'm sorry that I killed that **nigger** Indian preacher for nothing.' Still the law did nothing about it."

712. Investigation(s), etc. **will yield**, it is reported that the British transported prisoners / convicts / criminals **out of England** to be made to work at their numerous colonies. Thus, a reasonable mind may conclude, that the British **sent their CRIMINALS** to the Lands / Territories **unlawful seized and stolen from the Native Nations and their People** for purposes of implementing a "**NEW**" **World Order Agenda** - i.e. in the process, building WHITE Supremacist and Jewish / Zionist **TERRORIST Empires in their quests for Global White Supremacy!**

## BRITISH CONVICTS IN AMERICAN COLONIES

<https://www.familytree.com/blog/british-convicts-in-american-colonies/>

The British were noted for transported prisoners out of England to be made to work at their numerous colonies. From 1615 to 1870, more than 200,000 criminals were conditionally pardoned, exiled, and transported to penal colonies. Before 1775, more than 50,000 prisoners were sent to America—primarily to Virginia and Maryland. With the American Revolutionary War, then from 1788 to 1869, more than 160,000 prisoners were sent to the British Colony of Australia.

What most Americans do not realize is that from 1718 until 1775, convict transportation to the American colonies flourished. Some estimates claim that almost 10 percent of migrants to America during this time were British convicts. This means, if you had ancestors in the American colonies during that time, they might have come as unwanted convicts, against the will.

Marilyn ANDERSON, Plaintiff-Appellant, v. PROCTER & GAMBLE COMPANY;  
The Procter & Gamble Disability Benefit Plan, Defendants-Appellees,

No. 99-5800.

-- July 12, 2000

Before: RYAN and BOGGS, Circuit Judges; and DUGGAN, District Judge.\*

Justin S. Gilbert (briefed), The Gilbert Firm, Jackson, Tennessee, for Plaintiff-Appellant; Janis Wild Kesser (briefed), Baker, Donelson, Bearman & Caldwell, Stephen D. Wakefield, Kullman, Inman, Bee, Downing & Banta, Memphis, Tennessee, for Defendants-Appellees.

OPINION

This is an ERISA case in which the Appellant, Marilyn Anderson, a beneficiary of the Appellee's Disability Benefit Plan, seeks to recover for the cost of legal assistance during her administrative appeal to the Plan Trustees. For the reasons set forth below, we affirm the district court's order denying Anderson's request for fees.

I

Procter & Gamble (P & G) hired Anderson on November 28, 1968, when she was twenty years old. In 1992, Anderson experienced numbness on the left side of her body, lost coordination of her left leg, and lost the ability to distinguish temperatures. Shortly after experiencing these symptoms, she learned that she was suffering from a demyelinating illness. Despite her symptoms, Anderson continued to work for P & G until 1995, occupying various positions in California, Ohio, and, finally, Jackson, Tennessee. By May 1995, however, Anderson's symptoms had become much more severe. She suffered from fatigue, vomited frequently, and her right foot began to drag when she walked. Dr.

As World War II was entering its final stages, American and British organizations teamed up to scour occupied Germany for as much military, scientific and technological development research as they could uncover.

Trailing behind Allied combat troops, groups such as the Combined Intelligence Objectives Subcommittee (CIOS) began confiscating war-related documents and materials and interrogating scientists as German research facilities were seized by Allied forces. One enlightening discovery—recovered from a toilet at Bonn University—was the Osenberg List: a catalogue of scientists and engineers that had been put to work for the Third Reich.

1And after these things I saw *another angel come down from heaven, having great power; and the earth was lightened with his glory.*

2 And he cried mightily with a strong voice, saying, **Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird.**

# WAR On TERRORISM

3 For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.

4 And I heard another voice from heaven, saying, **Come out of her,** my people, **that ye be not partakers of her sins,** and **that ye receive not of her plagues.**

5 For her sins have reached unto heaven, and God hath remembered her iniquities. . . .

17 For in one hour so great riches is come to nought. And every shipmaster, and all the company in ships, and sailors, and as many as trade by sea, stood afar off,

18 And cried *when they saw the smoke of her burning*, saying, What city is like unto this great city!

19 And they cast dust on their heads, and cried, weeping and wailing, saying, Alas, alas that great city, wherein were made rich all that had ships in the sea by reason of her costliness! for in one hour is she made desolate.

20 **Rejoice over her**, thou heaven, and *ye holy apostles and prophets*; **for God hath avenged you on her.**

21 And a mighty angel took up a stone like a great millstone, and cast it into the sea, saying, *Thus with violence shall that great city Babylon be thrown down, and shall be found no more at all.* . . .

24 ***And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth.*** - - Revelation 18 (Holy Bible - King James Version)

Nürnberg trials  
WORLD WAR II TRIALS

WRITTEN BY: The Editors of Encyclopaedia Britannica  
LAST UPDATED: Jan 23, 2020 See Article History

**Nürnberg trials**, Nürnberg also spelled **Nuremberg**, series of trials held in **Nürnberg, Germany**, in 1945–46, in which former **Nazi** leaders were indicted and tried as war criminals by the International Military Tribunal. The **indictment** lodged against them contained four counts: (1) crimes against peace (i.e., the planning, initiating, and waging of wars of aggression in violation of international treaties and agreements), (2) crimes against humanity (i.e., exterminations, deportations, and genocide), (3) **war crimes** (i.e., violations of the laws of war), and (4) "a common plan or conspiracy to commit" the criminal acts listed in the first three counts.

Principle IV states: "The fact that a **person acted pursuant to order of his Government or of a superior does not relieve him from responsibility under international law, provided a moral choice was in fact possible to him**".

This principle could be paraphrased as follows: "***It is not an acceptable excuse to say 'I was just following my superior's orders'.***"

**RE: UPDATE AND URGENT REQUEST REGARDING: Emergency Complaint and Request for Legislature/Congress Intervention; Also Request for Investigations, Hearings and Finding**

Dear President-Elect/Senator Obama:

I believe you will find not only from my July 13, 2008 Complaint filed with the Legislature/Congress, but also with the FBI that I am definitely in the trenches fighting for the little people and have been doing so since leaving Florida A & M University ("FAMU"). However, due to the systematic prejudices and injustices which has plagued African-Americans and/or people of color – justice has been delayed; however, now with the new administration, not denied and believe the laws will be applied equally, just and fair.

He calls himself a private attorney general—someone who files lawsuits in the public interest. But debt collection agencies have another name for him ...

Serial Litigator. Craig Cunningham has filed over 80 consumer protection lawsuits against companies that made the mistake of calling him on past due debts.

## AZ Attorney General's Office Seeks To Stop Serial Litigator

(Photo by Nathan O'Neal/Cronkite News)

BY: ADI NEWS SERVICES JUNE 25, 2018

The Arizona Attorney General's Office filed a motion to stop what it describes as improper serial lawsuits filed by Mr. Peter Strojnik against Arizona businesses. The Arizona Attorney General's Office filed a motion to intervene in a pending federal appeal involving Strojnik.

Fifteen of Strojnik's suits were dismissed by U.S. District Court Judge Murray Snow, who also consolidated the rest for an appeal to the Ninth Circuit. The Attorney General's motion to intervene in this appeal is part of his broader efforts to protect Arizona businesses by shutting down Mr. Strojnik's "abusive litigation tactics."

In recent years, Strojnik has filed nearly 2,000 disability lawsuits in Arizona where he demands huge settlement amounts, including from small businesses that do not have legal counsel. The Arizona Attorney General's Office intervened in state court and obtained a dismissal of more than 1,000 of these lawsuits. Undeterred, Strojnik filed 140 new lawsuits in federal court.

752. Investigation(s), etc. **will yield**, CONSPIRACIES of Lawyers / Attorneys using the United States' *SONDERGERICHT* – *Styled System* to **slander** / **defame** / **LABEL** Vogel Denise Newsome as a **"SERIAL Litigator!"** Furthermore, **"HOW"** VDN used the USA's Judicial / Administrative processes to retain and PRESERVE documents and evidence to COUNTER the USA's well-established track record to engage in UNLAWFUL raids / seizures for purposes of OBSTRUCTING the administration of justice, OBSTRUCTING due process, OBSTRUCTION equal protection of the laws, and other reasons known to USA Officials and their Co-Conspirators!

753. Investigation(s) **will yield**, that the United States of America's / United States' Banker Jamie Dimon (a Jew / Zionist) has warned of bracing for an **"economic hurricane."**

754. A reasonable mind may conclude that the White Man and / or the White Supremacists and their Jews / Zionists have been successful in bringing about the “GLOBAL” *Economic Hurricane / Destruction* and Collapse being witnessed!

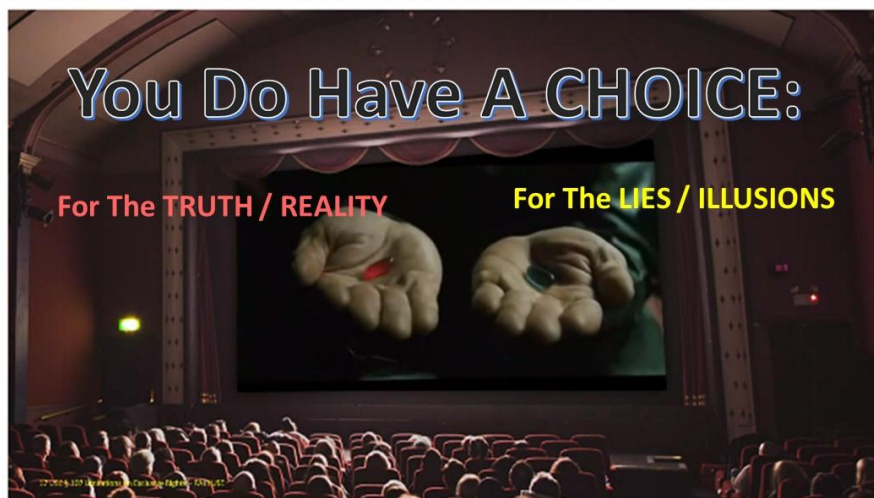

9 Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee. - - Revelation 3 (Holy Bible – King James Version)

755. Investigation(s), etc. **will yield**, how the World's Main Stream Media sought to use resources to **DECEIVE** many and allege there **is NO** "New World Order!" Labeling those who WARNED of the "NEW World Order" Agenda as **Conspiracy Theorists!** However, **NOW** Main Stream Media sources confirm there is actually a "NEW World Order" that has been implemented!

**And ye shall know the TRUTH, and the truth shall make you FREE. - John 8:32**

756. Investigation(s), etc. **will yield**, the OBJECT of the so-called White Man's White Supremacists / Jews / Zionists being **GLOBAL** dominance and the **ENSLAVEMENT** of Native Nations and their People "*by any means necessary!*"

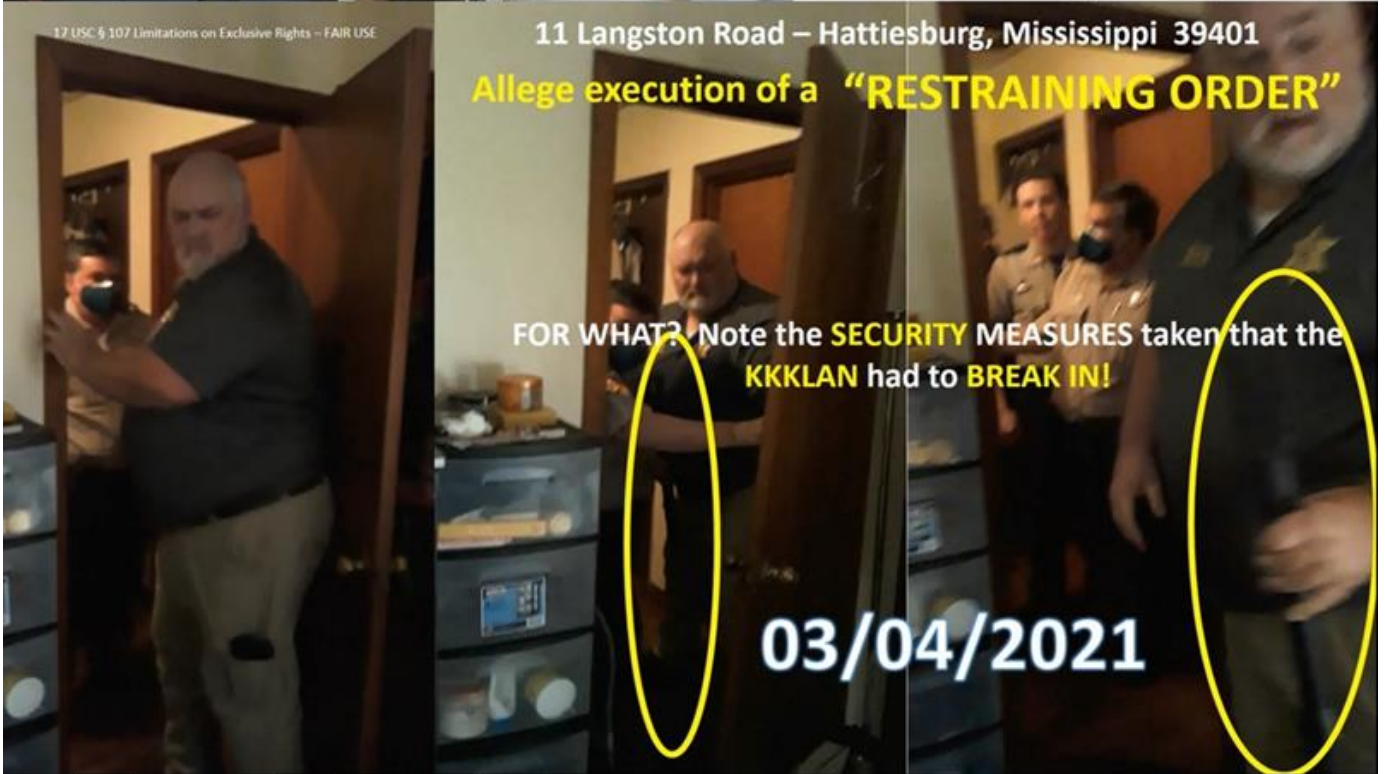

757. Investigation(s), etc. **will yield**, the Catholic Church's "**converting**" missions to **push / force** CHRISTIANITY "*by any means necessary*" on Native Nations and their Citizens / People – i.e. Thus, a reasonable mind may conclude that Christianity was NOT the faith / belief of the Native / Indigenous Nations . . . TARGETED.

# IS THIS CHRISTIANITY?

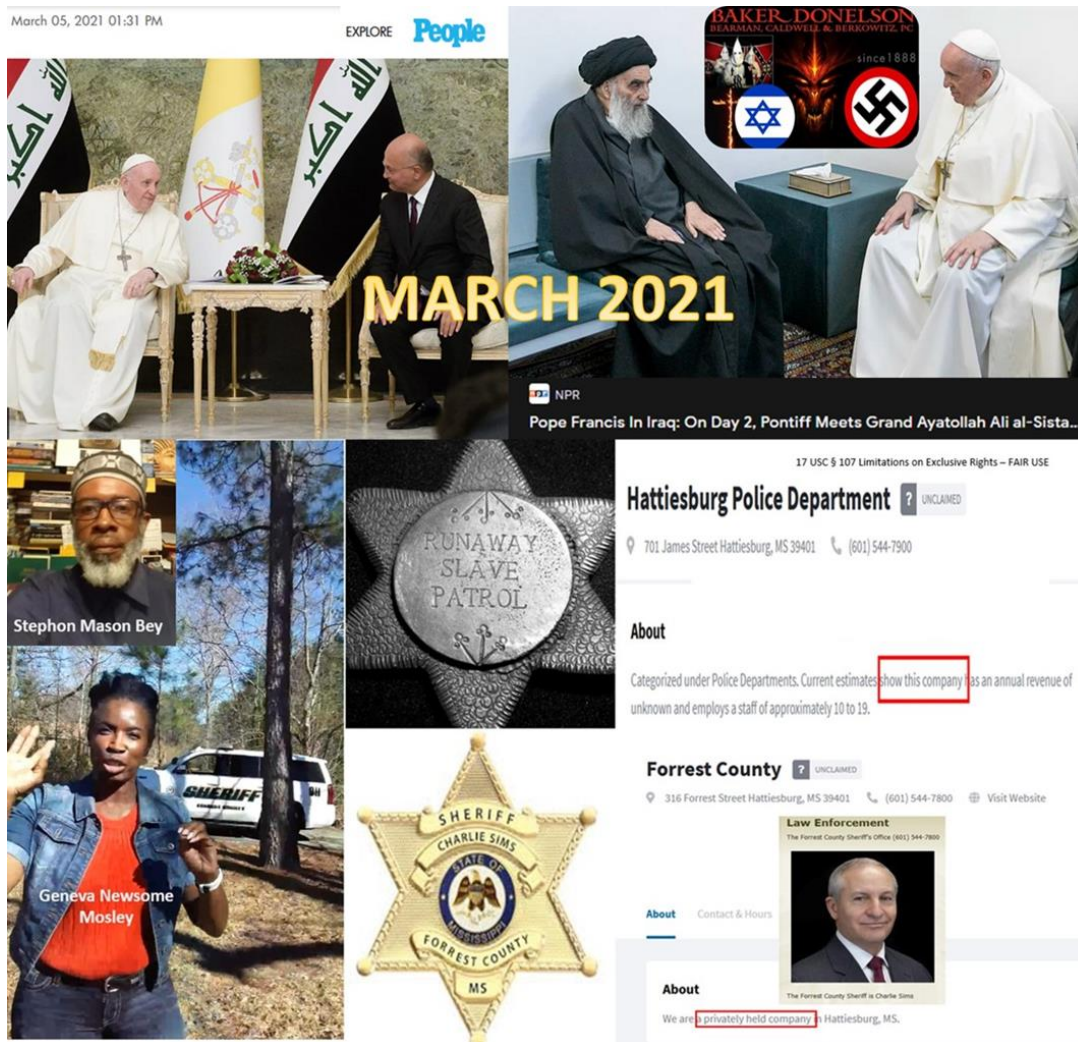

758. Investigation(s), etc. **will yield**, ahead of the **Catholic Church's Pope Francis'** (a/k/a Jorge Mario Bergoglio) **March 2021 Iraq Trip, Vatican Officials** and Co-Conspirators (as the United States of America / United States Officials . . . , their President [Joseph Robinette Biden], their Legal Counsel Baker Donelson Bearman Caldwell & Berkowitz, Siblings [Selina, Edward, Cloteal, Harvellia, Joe Lee, and Geneva], and Stephon Mason Bey . . . ), etc. **CONSPIRED on the Kidnapping and ASSASSINATION** of Vogel Denise Newsome / Prime Minister Newsome – i.e. **hoping to accomplish her Murder / ASSASSINATION** because the Chickasaw Tribal Nation, its Officials and Citizens / People as well as the *Utica International Embassy's People / Supporters* are seen as a **THREAT** to the **"CHRISTIANITY"** Schemes sought to be **FORCED on the Native Nations in the Middle East!** Moreover, exposure of the WAR Crimes . . . being carried out **for purposes of covering up "RELIGIOUS" Wars** by the United States' NAZIS and Jews / Zionists **in FEAR of GIHAD!**

759. Investigation(s), etc. **will yield**, the United States of America's / United States' Officials . . ., their Presidents, their Legal Counsel Baker Donelson Berman Caldwell & Berkowitz and their Co-Conspirators (which include Jews / Zionists) are engaging in CONSPIRACIES to launch **"HOLY / RELIGIOUS"** Wars (in failed efforts **to avoid their demise** prophesied) for purposes of FORCING their **"CHRISTIANITY"** down the throats of Native Nations **"by any means necessary"** – i.e. over Native Nations **OBJECTIONS!** Using **Holy Wars** (disguised as **War on Terrorism**) in the **Middle East** in attempts to get an upper hand as well as **avoid "GIHAD" defeat!**

**WHAT** did Adolf Hitler know and **WHEN** did he know about the Jews / Zionists' **Christianity Schemes**:

The **heaviest blow** which ever struck humanity was **CHRISTIANITY**; Bolshevism is **Christianity's illegitimate child**. **BOTH are INVENTIONS of the JEW!**  
 - - Nazi Leader Adolf Hitler

760. Investigation(s), etc. **will yield**, that pursuant to the so-called White Man's **HOLY Bible**, the duty / obligation of the Prophet is to WARN – i.e. CRY loud and SPARE NOT . . . Cloteal becoming frustrated years ago when Vogel Denise Newsome advised this being the mission given her! Cloteal questioning under **what "TITLE"** VDN was doing this? NOW the Public / World knows – PRIME Minister of the Chickasaw Tribal Nation / Utica International Embassy!

Cry aloud, **spare not, lift up thy voice like a trumpet**, and shew my people their transgression. . . - - Isaiah 58:1.

761. Investigation(s), etc. **will yield**, Vogel Denise Newsome advising Cloteal **in March 2019**, of concerns of communicating with a "BLACK" mind – i.e. which **adversely** impacts and / or impairs ability to make decisions as it relates to VDN's Mother (Pearl Leo Torrey Newsome). Cloteal **confirming she is "BLACK!"** Thus, a reasonable mind may conclude that decisions made on the healthcare of Vogel Denise Newsome's Parents (Pearl Leo Torrey Newsome and Joseph Newsome) by Siblings (Selina, Edward, Cloteal, Harvellia, Joe Lee, Geneva, and Maureen) **proving FATAL!**

6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children. - Hosea 4

762. Investigation(s), etc. will yield, for DECADES, Vogel Denise Newsome in good faith sought to WARN her Siblings (Selina, Edward, Cloteal, Harvellia, Joe Lee, Geneva, and Maureen); however, was **REJECTED** and at times told, *"I don't want to hear that"* – i.e. resulting in VDN NOT speaking into the ears of those *REJECTING* Truth / Knowledge . . . !

9 SPEAK NOT in the ears of a fool: for he will despise the wisdom of thy words. - Proverbs 23

Matriarch Pearl Leo Torrey Newsome's  
**COAT OF MANY COLORS**

3 **Now Israel loved Joseph more than all his children**, because he was the son of his old age: and **he made him a coat of many colours**.

4 And when *his brethren saw that their father loved him more than all his brethren*, **they hated him**, and **could not speak peaceably unto him**.

5 And Joseph **dreamed a dream**, and **he told it** his brethren: and **they hated him yet the more**.

6 And he said unto them, **Hear, I pray you**, this dream which I have dreamed:

7 For, behold, we were binding sheaves in the field, and, lo, my sheaf arose, and also stood upright; and, behold, your sheaves stood round about, and made obeisance to my sheaf.

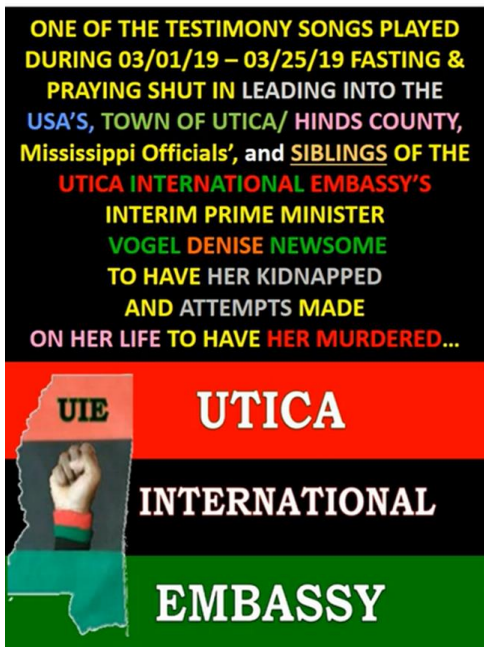

8 And his brethren said to him, ***Shalt thou indeed reign over us? or shalt thou indeed have dominion over us?*** And **they hated him yet the more for his dreams, and for his words**.

9 And he **dreamed yet another dream**, and **told it** his brethren, and said, Behold, I have dreamed a dream more; and, behold, the sun and the moon and the eleven stars made obeisance to me.

10 And **he told it to his father**, and **to his brethren**: and *his father rebuked him*, and said unto him, What is this dream that thou hast dreamed? *Shall I and thy mother and thy brethren indeed come to bow down ourselves to thee to the earth?*

11 And his brethren **envied him**; but his father **observed the saying**. - - Genesis 37

*Hundley v. Louisville & N.R. Co.*, 48 S.W. 429 (Ky.) - A conspiracy between defendant railroad company and other . . . companies **to prevent discharged employees from obtaining employment**, if unlawful, does not give an employee who has been discharged by defendant a right of action, **unless the conspiracy has been carried out by the refusal to give him employment. . .**

. . . that while engaged in the discharge of his duties he **was wrongfully, unlawfully, and maliciously discharged** by it; that it **wrongfully, unlawfully, and maliciously blacklisted him**; that he was blacklisted wrongfully, unlawfully, maliciously, and falsely by its placing upon its records a pretended cause of discharge, to wit, neglect of duty, with a view of injuring and **preventing him from entering its employment** or that of other . . . companies; that it **had entered into a conspiracy and combination with other . . . companies** by which its employes discharged for cause will not be given employment by other. . . companies; that, on account of its

false and malicious acts and its conspiracy with other . . . companies, he **has been deprived of the right to again engage in the employment** of the defendant or other . . . companies; that **the wrongful acts mentioned were committed for the purpose of making, and had made, it impossible for him to ever again get employment** from the defendant on any of its lines, or from other . . . companies in the United States; . . .

It is the part of every man's civil rights to enter into any lawful business, and to assume business relations with any person who is capable of making a contract. It is likewise a part of such rights to refuse to enter into business relations, whether such refusal be the result of reason, or of whim, caprice, prejudice, or malice. **If he is wrongfully deprived of these rights, he is entitled to redress.** Every person sui juris is **entitled to pursue any lawful trade, occupation, or calling.** It is part of his civil rights to do so. He is as much entitled to pursue his trade, occupation, or calling, **and be protected in it, as is the citizen in his life, liberty, and property.** **Whoever wrongfully prevents him from doing so inflicts an actionable injury. For every injury suffered by reason of a violent or malicious act done to a man's occupation, profession, or way of getting a livelihood, an action lies. Such an act is an invasion of legal rights. A man's trade, occupation, or profession may be injured to such an extent, by reason of a violent or malicious act, as would prevent him from making a livelihood.** One who has followed a certain trade or calling for years may be almost unfitted for any other business. To deprive him of his trade or calling is to condemn, not only him, but perchance a wife and children, to penury and want. **Public interests, humanity, and individual rights, alike, demand the redress of a wrong which is followed by such lamentable consequences.** A . . . company has the right to engage in its service whomsoever it pleases, and, as part of its right to conduct its business, is the right to discharge any one from its service, **unless to do so would be in violation of contractual relations with the employé.** It is the duty of a . . . company to keep in its service persons who are capable of discharging their important duties in a careful and skillful manner. **The public interest, as well as the vast property interests of the company, require that none other should be employed by it. Its duty in this regard and its right to discharge an employé does not imply the right to be guilty of a violent or malicious act, which results in the injury of the discharged employé's calling.** The company has the right to keep a record of the causes for which it discharges an employé, but in the exercise of this right **the duty is imposed to make a truthful statement of the cause of the discharge.** If, by an arrangement among the . . . companies of the country, a record is to be kept by them of the causes of the discharge of their employés, and when they are discharged for certain causes

the others will not employ them, it becomes important that **the record kept should contain a true statement of the cause of an employé's discharge. A false entry on the record may utterly destroy and prevent him from making a livelihood at his chosen business. Such false entry must be regarded as intended to injure the discharged employé; therefore a malicious act. . .**“A tort may be dependent upon, or independent of, contract. If a contract imposes a legal duty upon a person, the neglect of that duty is a tort founded on contract; so that an action ex contractu for the breach of contract, or **an action ex delicto for the breach of duty, may be brought, at the option of the plaintiff.**” It was one of the purposes of the common law to protect every person against the wrongful acts of every other person, and it did not matter whether they were committed by one person or by a combination of persons, and under it an action was maintainable for injuries done by disturbing a person in the enjoyment of any right or privilege which he had. It is said in Cooley, Torts, 278: **Thus, if one is prevented, by the wrongful act of a third party, from securing some employment he has sought, he suffers a legal wrong, provided he can show that the failure to employ him was the direct and natural consequences of the wrongful act.**” It is said in 1 Add. Torts, 14: **“When a violent or malicious act is done to a man's occupation, profession, or way of getting a livelihood, there an action lies in all cases.”** The plaintiff does not seek to recover because he was discharged in violation of a contract which he had with the defendant. He does not allege that he had a contract with it to perform services for it for a given length of time. **He seeks to recover damages for its alleged wrongful act in making the false entry upon its record against him, to prevent him from pursuing his calling by rendering it impossible for him to get employment from other . . . companies.**

..

The liability is damages for doing, not for conspiracy. The charge of conspiracy does not change the nature of the act. **In an action for damages, there must be some overt act, consequent upon the agreement to do a wrong, to give the plaintiff a standing in a court of law.** Jag. Torts, 638; Cooley, Torts, 279

771. Recognizing the importance of the Civil Rights Act of 1966 and the laws derived therefrom.

IN THE HOUSE OF REPRESENTATIVES  
NOVEMBER 13, 2019

Ms. WATERS (for herself, Ms. THOMPSON of Mississippi, Mr. CLAYTON of Indiana, Mr. LEE of California, Mr. DANNY K. DAVIS of Illinois, Mr. GREEN of Texas, Mr. BASH, Mr. CLARKE of New York, Mr. JACKSON-LEE, Mr. MEEKS, Mr. RUSH, Mr. CLAY, Mr. THORNTON, Mr. MOORE, Mrs. WATSON COLEMAN, Mr. EVANS, Mr. LEVIN, Mr. PRESLEY, Mr. PLASKETT, Mrs. BLUETT, and Mr. FLORES) submitted the following resolution, which was referred to the Committee on the Judiciary:

**RESOLUTION**

Recognizing the importance of the Civil Rights Act of 1966 and the laws derived therefrom.

Whereas, in the aftermath of the Civil War, the reunited United States of America struggled to reconstruct its war-torn States or establish laws granting newly freed slaves the same rights afforded to White citizens;

Whereas the Civil Rights Act of 1966 declared that all persons born in the United States are entitled to be citizens, without regard to race, color, or previous condition of slavery or involuntary servitude;

Whereas the Civil Rights Act of 1966 was enacted to accomplish three primary objectives: to establish that all persons born in the United States were to be considered citizens, to clearly define the rights guaranteed by American citizenship, and to make it unlawful for any person to deprive another of these rights on the basis of race;

Whereas the Civil Rights Act of 1966 served the role of overturning “Black Codes” laws enacted in southern States to restrict African Americans’ freedom and keep formerly enslaved persons from driving in society;

As World War II was entering its final stages, American and British organizations teamed up to scour occupied Germany for as much military, scientific and technological development research as they could uncover.

Trailing behind Allied combat troops, groups such as the Combined Intelligence Objectives Subcommittee (CIOS) began confiscating war-related documents and materials and interrogating scientists as German research facilities were seized by Allied forces. One enlightening discovery —recovered from a toilet at Bonn University—was the Osenberg List: a catalogue of scientists and engineers that had been put to work for the Third Reich.

# Motivations for Colonization

Britain, France, Spain, and the Netherlands established colonies in North America. Each country had different motivations for colonization and expectations about the potential benefits.

It appears from reports, China may NOW be attempting to embark as well as CAPITALIZE on such RACKETEERING Colonization Schemes – i.e. TAKEOVER of Native Nations, their Lands / Territories and Resources from the EUROPEAN Nations. Dear Vogel Newsome:

I would like to personally thank you for taking the time to visit with us during the FAMU Relays. You have no idea the impact that you made on alumni, the community and especially our current women's track team.

Coach Moore is beaming with pride after meeting you and having you speak to her team and it has permeated all the way to their performances. Since the FAMU Relays, the ladies have stepped up their performances to levels they had never done before.

To have ambassadors such as you to carry the FAMU torch across this nation is something money cannot buy. We want to say thank you and let you know how proud we are of you.

I regret that I was not able to attend, but as you know, our conference meeting was in Winston-Salem, NC on the same day as the FAMU Relays. I look forward to meeting you all some day soon. In taking the post at here at FAMU, I promised to foster relationships with our athletic alumni and we take it very seriously.

We will be contacting you in the future about what is going on in FAMU Athletics and hope will re-engage in the FAMU spirit.

Sincerely,

Derek Horne  
FAMU Director of Athletics
